Health Benefits
Circular Letter

June 13, 2018
Circular Letter: 600-036-18
Distribution: Special

To: All CalPERS Health Benefits Officers and Assistant Health Benefits Officers
Subject: 2018 Onsite Open Enrollment Health Fairs

Purpose
This Circular Letter is to inform you about 2018 Onsite Open Enrollment Health Fairs. An Onsite Open Enrollment Health Fair is a great way to raise awareness of the CalPERS Health Program to all your employees so they can make an informed decision during the upcoming Open Enrollment period. As in the past, availability for the Health Fairs, as well as the frequency and duration of our Health Plan Partners’ visits, will be limited. This is necessary to ensure they are able to equitably serve all participating employers.

Scheduling an Onsite Health Fair
To schedule an onsite Health Fair at your agency, please use the online tool found at www.calpersoerequest.org. We expect the registration site to be available no later than Friday, July 6, 2018, and fairs should be held between August 20, 2018 and October 5, 2018. Priority consideration will be given to requests received by August 13, 2018. Once you submit a request, each of the Health Plan Partners will be notified and contact your agency to confirm if they are able to attend, and will work directly with you to arrange scheduling and logistics.

**Gifts and Literature Policy**

To comply with CalPERS guidelines, under no circumstances are gifts (such as pens, cups, clothing, food, etc.), prizes for raffles or drawings, game prizes, or giveaways to be distributed at any health fairs or open enrollment functions, or any Health Fair held for the sole purpose of initial enrollment, regardless of date. Furthermore, any literature provided to members at these two types of events must be limited to educational information about the Health Plans. This policy applies only to the Health Plan Partners, not agencies hosting Onsite Open Enrollment Fairs.
