Actuarial Circular Letter

June 27, 2019

Circular Letter: 200-030-19

Distribution: IV, V, X

To: State Employers, Agricultural Districts, and State Colleges and Universities
Subject: 2019-20 State Employer and Employee Contribution Rates

Purpose

The purpose of this Circular Letter is to inform you of the following employer and employee pension contribution rates approved by the CalPERS Board of Administration on April 17, 2019. These rates become effective with the first payroll period that ends in July 2019 and are in effect for fiscal year (FY) 2019-20.

Employer Contributions

Employer contribution rates for FY 2019-20 are shown in the table below:

Member Category	Actuarial Required Employer Contribution as a Percentage of Compensation FY 2019-20
State Miscellaneous	30.977%
State Industrial	20.823%
State Safety	21.526%
State Peace Officers & Firefighters	47.198%
California Highway Patrol	57.811%

Employer contribution rates will continue to vary annually. Pursuant to Government (Gov.) Code section 20683.2(d) of the Public Employees' Retirement Law, the California State Legislature may adopt higher contribution rates than shown in the table above to redirect

savings resulting from increases in member contribution rates for various state members that became effective July 1, 2013 and July 1, 2014. The Legislature adopted the increased rates for FY 2018-19 and it is anticipated that the Legislature will also adopt the increased rates for FY 2019-20.

Rates that include the additional contributions are shown in the table below:

Member Category	Actuarially Required Employer Contribution for FY 2019-20	Additional Statutory Contribution to Offset Increased Member Contributions	Total Employer Contribution for FY 2019-20
State Miscellaneous	30.977%	0.098%	31.075%
State Industrial	20.823%	0.881%	21.704%
State Safety	21.526%	1.182%	22.708%
State Peace Officers/Firefighters	47.198%	1.647%	48.845%
California Highway Patrol	57.811%	1.319%	59.130%

Due to an advance payment of the unfunded liability by the State under SB 90, which is anticipated to be signed by the Governor, the contribution rates for FY 2019-20 will be reduced in accordance with Gov. Code section 20825.1

Rates that reflect the advance payment are shown in the table below:

Member Category	Total Employer Contribution for FY 2019-20	Reduction due to Gov. Code Section 20825.1	Remaining Employer Contribution for FY 2019-20
State Miscellaneous	31.075%	(0.258%)	30.817%
State Industrial	21.704%	(0.441%)	21.263%
State Safety	22.708%	(0.296%)	22.412%
State Peace Officers/Firefighters	48.845%	(1.463%)	47.382%
California Highway Patrol	59.130%	(0.000%)	59.130%

Note: If the state budget is not passed by July 1, 2019, the actuarially required contribution rates for FY 2019-20 set by the CalPERS Board will remain in effect.

PEPRA Employee (Member) Contributions

PEPRA members are required to contribute at least 50 percent of the total annual normal cost of their pension benefit. As per Gov. Code section 7522.30, state employees are excluded from this requirement except for employees of the Legislature, California State University (CSU), and the judicial branch. PEPRA contains a provision that states when the total normal cost changes by more than 1 percent of payroll, the member contribution rate must be adjusted to half of the new normal cost.

The tables below show the determination of the member contribution rates based on 50 percent of the total normal cost for each respective plan.

Basis for Current Rate

Member Category	Total Normal Cost	Member Rate
State Miscellaneous - CSU, Legislature and Judicial	14.61%	7.25%
POFF – CSU, Legislature and Judicial	22.04%	11.00%

Rates Effective July 1, 2019

Member Category	Total Normal Cost	Change	Change Needed	Member Rate
State Miscellaneous - CSU, Legislature and Judicial	15.18%	0.57%	No	7.25%
POFF – CSU, Legislature and Judicial	24.09%	2.05%	Yes	12.00%

Member Contribution Rates for State Bargaining Units 9, 10, and 16

Pursuant to Gov. Code sections 20683.4 through 20683.72, members of State Bargaining Units 9, 10, and 16 are required to contribute at least 50 percent of the total annual normal cost of their pension benefit. The total normal cost is remeasured annually as part of the actuarial valuation. If the total normal cost of the category changes by one percent or more from the total normal cost determined as of June 30, 2015, the new member rate shall be 50 percent of

the new normal cost rounded to the nearest quarter percent, not less than the current member contribution rate. Subsequently, if the total normal cost of the category changes by one percent or more from the basis at that time, the new member rate shall be 50 percent of the new normal cost rounded to the nearest quarter percent. Provisions vary by Bargaining Units.

The tables below show the determination of the member contribution rates based on 50 percent of the total normal cost for each respective plan.
