Circular Letter

June 17, 2021

Circular Letter: 200-035-21

Distribution: XII, XVI

To: All School Employers
Subject: Schools 1959 Survivor Monthly Premiums for Fiscal Year 2021-22

Purpose

The purpose of this Circular Letter is to inform you the CalPERS Board of Administration approved required premiums for the Schools 5th Level pool of the 1959 Survivor Benefit Program on April 20, 2021. The 1959 Survivor Benefit Program is an employer contract provision that provides monthly benefits for eligible survivors of participating members who die, while actively employed.

Required Premiums

The employee premium will remain at \$2 per member, per month for fiscal year (FY) 2021-22. There is no required employer premium for FY 2021-22.

The employee premium for the 1959 Survivor Program is defined in the Public Employees' Retirement Law to be \$2 monthly per member until the total required premium for the benefit level exceeds \$4 monthly per member. Once the total premium required exceeds \$4, the premium is shared equally by the employer and employee.

The required employer and employee premiums for the 1959 Survivor Program may vary from year to year due to investment returns and mortality gains and losses experienced by the pool. The funded ratio of the Schools 5th Level pool is 620.7% on a market value basis and the total required premium is not expected to exceed \$4 per member, per month for at least the next several years.
