# Circular Letter

June 17, 2021

Circular Letter: 200-037-21

Distribution: IV

**To:** All State Employers  
**Subject:** State 1959 Survivor Monthly Premiums for Fiscal Year 2021-22

### Purpose

The purpose of this Circular Letter is to inform you of the required premiums to be collected for fiscal year (FY) 2021-22. The CalPERS Board of Administration approved the required premiums for the State 5th Level pool of the 1959 Survivor Benefit Program on April 20, 2021. The 1959 Survivor Benefit Program is an employer contract provision that provides monthly benefits for eligible survivors of participating members who die while actively employed.

### Required Premiums

The required employer and employee premiums for FY 2021-22 for the State 5th Level of 1959 Survivor Benefits are \$5.85 each, per member per month.

The employee premium for the 1959 Survivor Program is defined in the Public Employees' Retirement Law to be \$2 monthly per member until the total required premium for the benefit level exceeds \$4 monthly per member. Once the total premium required exceeds \$4, the premium is shared equally by the employer and employee.

The required employer and employee premiums for the 1959 Survivor Program may vary from year-to-year due to investment returns and mortality gains and losses experienced by the pool. The funded ratio of the State 5th Level pool is 74.2%.

The purpose of this Circular Letter is for information only. The State Controller's Office will collect the required premiums from state agencies at a later date.
