CITY OF SACRAMENTO

RESULTS IN BRIEF

The objective of our review was to determine whether the City of Sacramento (Agency) complied with applicable sections of the California Government Code (Government Code), California Public Employees' Pension Reform Act of 2013 (PEPRA), California Code of Regulations (CCR), and its contract with the California Public Employees' Retirement System (CalPERS).

The Office of Audit Services (OAS) did not identify any instances of non-compliance with reviewed sections of the Government Code, PEPRA, CCR, and the Agency's contract with CalPERS.

SCOPE

The Agency contracted with CalPERS effective January 29, 1977 to provide retirement benefits for local miscellaneous and safety (police and fire) employees. By way of the Agency's contract with CalPERS, the Agency agreed to be bound by the terms of the contract and the Public Employees' Retirement Law (PERL). The Agency also agreed to make its employees members of CalPERS subject to all provisions of the PERL.

As part of the CalPERS Board of Administration (Board) approved plan, OAS reviewed the Agency's compliance with the PERL and its contract related to compensation and payroll reporting. The review was limited to the examination of the sampled fire employees, records, and pay periods from July 1, 2013 through October 31, 2015. OAS did not review the Agency's compliance with membership enrollment or employment after retirement. The review objectives and methodology are listed in Appendix A.

CITY OF SACRAMENTO

CONCLUSION

OAS limited this review to the areas specified in the scope section of this report and in the objectives as outlined in Appendix A. The procedures performed provide reasonable, but not absolute, assurance that the Agency complied with the specific provisions of the PERL and CalPERS contract. The conclusions outlined in this report are based on the information made available or otherwise obtained at the time the report was prepared.

Respectfully submitted,
