Direct Pay Authorization Information

You may continue your health coverage while on temporary leave by paying the entire monthly premium directly to your health plan.

You are eligible for direct payment if you:

- ◆ go on leave of absence without pay;
- ◆ take a temporary disability leave and do not use sick leave or vacation;
- ◆ are waiting for approval of a disability retirement or a “regular” service retirement;
- ◆ are waiting for approval of Non-Industrial Disability Insurance benefits;
- ◆ are suspended from your job or you institute legal proceedings appealing a dismissal from your job; or
- ◆ are a State Permanent-Intermittent employee eligible for health benefits but in a non-pay status. (Direct pay may be elected only through the end of the qualifying control period.)

Requests for direct payments must be received by the Office of Employer and Member Health Services **prior** to the beginning of your leave. If you do not elect the direct payment option while on leave of absence, your benefits will stop. They will be reinstated when you return to pay status, if your earnings are sufficient to cover your share of the monthly premium.

Completing the HBD-21 (Direct Payment Authorization) Form

Contact your Personnel Office for assistance in completing your form. Forms must be completed **before** your group coverage terminates. **Late forms will not be accepted.** In addition, the carrier must receive the form **and** your payment in order to continue your coverage.

While in off-pay status, you may add or delete family members. To do so, complete and submit a *Health Benefit Plan Enrollment Form* (PERS-HBD-12).

You must pay the premium for the pay period in which you return to work.

2. Payroll deduction and state contribution for state employees
3. Billing of contracting agencies for employee and employer contributions
