

How to Change Your Tax Withholdings on myCalPERS

Go to my.calpers.ca.gov and log into your myCalPERS account, then follow these steps:

- 1 Select **Tax Withholding** from the Retirement dropdown options.
- 2 Select **Change your Federal Withholding**, or **Change your State Withholding**.
- 3 Enter your new **Tax Withholding** information, then select **Calculate & Continue**
- 4 Review the impact of changes then click **Continue**.
- 5 Review the Electronic Signature Agreement, then check the **Agreement** box.
- 6 Review the **Tax Withholding Authorization**, then check the **Authorization** box.
- 7 Select **Sign and Submit**.
