Dear Judge,

You are being provided with the background, explanation, and instructions for the JRS II Reciprocal Self-Certification Form (PERS-JLRS-801). Reciprocity among qualified Public Retirement Systems is to allow members to separate from one qualified Public Retirement System and enter into employment with another within a specific time period without losing valuable retirement and related benefit rights.

With the implementation of the Public Employees’ Pension Reform Act of 2013 (PEPRA), Government Code section 7522, on January 1, 2013, the Judges’ Retirement System (JRS) II requires that you complete the JRS II Reciprocal Self-Certification form and return it to your employer within 10 business days of taking the bench. The Reciprocal Self-Certification form allows you to provide essential information to your employer and will be used by your employer to enroll you in JRS II membership and determine your retirement enrollment level.

It is important to ensure that you are providing accurate information so your retirement enrollment level can be properly determined. It is your responsibility to ensure the accuracy of the data provided on the Reciprocal Self Certification Form. Inaccurate information may cause your account to reflect an incorrect retirement enrollment level which may lead to future retroactive adjustments to your member and employer contributions, and you and your employer will be responsible for any debts that may occur.

**Determination of JRS II Enrollment Level:**

Government Code section 7522.04 (f) created a new membership (enrollment) level, referred to as a new “PEPRA” member. For JRS II, a new member is either of the following:

1. A judge who is brought into JRS II membership for the first time on or after January 1, 2013, who has no prior membership in any California public retirement system; or
2. A judge who is brought into JRS II membership for the first time on or after January 1, 2013, and who has membership in another California public retirement, but who was not subject to reciprocity.

All new judges, who do not qualify as a new member under PEPRA, are enrolled into JRS II as classic members. PEPRA allows a judge who was a member of another qualified Public Retirement System prior to January 1, 2013, to retain classic membership if the judge was subject to reciprocity. For a judge to be subject to reciprocity for PEPRA purposes, all of the following must exist:

1. Was a member of another Public Retirement System on or before December 31, 2012, where reciprocity exists by statute or agreement between that system and JRS II; and
2. There was not a break in service of more than six (6) months between the date the judge separated from the previous system and the judge’s date of membership in JRS II; and

3. The judge left his/her service credit and contributions (if any) on deposit, and has not retired, or *applied for retirement*, from the reciprocal system to be effective on or before his or her membership date in JRS II.

**Instructions for completing the JRS II Reciprocal Self-Certification form:**

1. Within 10 business days of taking the bench, you must complete, sign, date, and submit the JRS II Reciprocal Self-Certification form to your employer.

2. When completing the form, reference the list below of qualifying Public Retirement Systems in California. Only include information related to a Defined Benefit Plan of a qualifying Public Retirement System. Defined contributions plans are not eligible for reciprocity.

   Following are the qualifying Public Retirement Systems:
   - CalPERS; and
   - San Francisco Employees’ Retirement System; and
   - All County Retirement Systems subject to the 1937 County Employees’ Retirement Law (CERL). Below is a list of the Counties that have a retirement system subject to the 1937 County Employees’ Retirement Law.
