INTRODUCTION

This publication provides instructions for completing the CalPERS *Nonmember Service Retirement Election Application* and other forms you may need to complete the retirement application process. Easy-to-follow instructions will guide you step-by-step through the application. You can submit your application when you are within 120 days from your retirement date.

As a result of California Assembly Bill 2404 (Cooley), also known as Retirement Option Simplification, for nonmembers retiring on or after January 1, 2018, the retirement payment options have been consolidated and renamed to make the choices easier to understand.

The application form in this publication is for nonmembers retiring on or after January 1, 2018.

If you plan to retire December 31, 2017, or earlier, do not complete the application form in this publication. Call us toll free at 888 CalPERS (or 888-225-7377) and we will mail you an application.

KEY POINTS TO CONSIDER BEFORE YOU RETIRE

- You must submit your retirement application within nine months of the day following the date of the court order dividing your community property to be eligible for the earliest possible retirement date. If you submit your application more than nine months after your requested retirement date, the law says your retirement date will be the first day of the month in which we receive your application.
- You cannot make changes to your retirement application more than 30 days after your first retirement check is issued. This includes canceling your retirement application, changing your retirement date, changing the retirement payment option you select, or changing the beneficiary (or beneficiaries) you name to receive an ongoing monthly benefit, if any.

RETIREMENT PLANNING RESOURCES

CalPERS has many resources available to help you plan for retirement:

- CalPERS website at www.calpers.ca.gov
- Your personal my|CalPERS account at my.calpers.ca.gov
- Online and instructor-led retirement classes
- Webinars and YouTube videos
- One-on-one retirement counseling
- Official retirement estimates

Our publication *Planning Your Service Retirement* (PUB 1) contains detailed information about how we calculate a benefit, and other factors you'll want to consider before you retire. You can also refer to the Frequently Asked Questions in the back of this publication for additional information regarding your nonmember rights and benefits.

If you haven't already received a retirement estimate, we strongly encourage you to get one before you retire. If you're within 12 months of your retirement date, complete and mail the *Nonmember Retirement Allowance Estimate Request* form located in this publication. You can look at your latest Annual Nonmember Statement to ensure we have the correct information for you. Your statements are available at my.calpers.ca.gov.

GUIDE TO COMPLETING YOUR NONMEMBER SERVICE RETIREMENT ELECTION APPLICATION

Remove the *Nonmember Service Retirement Election Application* form from this publication so you can follow the step-by-step instructions for each section while you are completing it.

Section 1 – Information About You

- Provide your full name as it appears on your Social Security card.
Note: If you have changed your name, you must provide CalPERS with a photocopy of the document validating the change (marriage certificate, court order, etc.). Additionally, the IRS requires us to obtain a photocopy of your updated Social Security card containing your new name before we can stop using your former name.
- Provide your Social Security number or CalPERS ID.
- Provide your mailing address. We need your home address or P.O. box number, including city, state, ZIP code, and country. Your monthly retirement check will be mailed to this address unless you establish direct deposit.
- Provide your birth date (month, day, and year) and gender.
- Provide your daytime and alternate telephone numbers (including area codes).
- Provide your email address. By providing your email address, you are agreeing to receive occasional CalPERS email notifications.

Section 2 – Information About Your Retirement

Enter the actual **retirement date** you have chosen (month/day/year). Your retirement may be effective any day of the week, including Saturday or Sunday.

- Provide the **name of the member** (your former spouse or domestic partner) whose account was split in the community property settlement.
- Provide the **Social Security number or CalPERS ID** of the member.
- Provide the **date you married or registered your domestic partnership** to the member.
- Provide the effective date of final dissolution of marriage/domestic partnership or legal separation as stated on the Judgment of Dissolution of Marriage/Domestic Partnership or Legal Separation. If the court has not entered a Judgment of Dissolution or Legal Separation, please write “none.”

Note: You must provide CalPERS with a photocopy of your Judgment of Dissolution or Legal Separation or we may not be able to process your application.

Section 3 – Select Your Retirement Payment Option

Choose one retirement payment option. Your choice becomes irrevocable 30 days from the issuance of your first retirement check. See below for a description of the available options.

Unmodified Allowance

For You	For Your Beneficiary
Provides the highest monthly allowance paid for life.	There is no continuing monthly benefit to a beneficiary and no return of unused nonmember contributions upon your death.

Return of Remaining Contributions Option 1

For You	For Your Beneficiary
<ul style="list-style-type: none">• Only available if you were awarded contributions in the community property settlement.• Can name one or more beneficiaries.	<ul style="list-style-type: none">• Does not provide ongoing monthly benefit.• Upon your death, provides a lump-sum payout of any remaining nonmember contributions in your account to one or more named beneficiaries.• If no remaining nonmember contributions, no benefit is paid.

It takes about 10 years of retirement to totally deplete your contributions, but your monthly benefit continues. If you have made an election to purchase service credit and the monthly payment period exceeds 120 months, this option may not be beneficial.

100 Percent Beneficiary Option 2 with Benefit Allowance Increase

For You	For Your Beneficiary
<ul style="list-style-type: none"> • Can name only one beneficiary. • If your beneficiary dies before you, or you have another qualifying event, such as a change in marital status, your benefit will increase to the Unmodified Allowance. 	<p>Provides 100 percent of the option portion of your ongoing monthly benefit to your named beneficiary upon your death.</p>

100 Percent Beneficiary Option 2

It takes about 10 years of retirement to totally deplete your contributions, but your monthly benefit continues. If you have made an election to purchase service credit and the monthly payment period exceeds 120 months, this option may not be beneficial.

50 Percent Beneficiary Option 3 with Benefit Allowance Increase

For You	For Your Beneficiary
<ul style="list-style-type: none"> • Can name only one beneficiary. • If your beneficiary dies before you, or you have another qualifying event, such as a change in marital status, your benefit will increase to the Unmodified Allowance. 	<p>Provides 50 percent of the option portion of your ongoing monthly benefit to your named beneficiary upon your death.</p>

50 Percent Beneficiary Option 3

For You	For Your Beneficiary
<ul style="list-style-type: none"> • Can name only one beneficiary for an ongoing monthly benefit. • Can name one or more beneficiaries for the lump-sum portion. 	<ul style="list-style-type: none"> • Provides 50 percent of the option portion of your ongoing monthly benefit to your named beneficiary upon your death. • Upon both your deaths, a lump-sum payout of any remaining nonmember contributions in your account will be paid to one or more named secondary beneficiaries.

It takes about 10 years of retirement to totally deplete your contributions, but your monthly benefit continues. If you have made an election to purchase service credit and the monthly payment period exceeds 120 months, this option may not be beneficial.

Flexible Beneficiary Option 4

For You	For Your Beneficiary
<ul style="list-style-type: none"> • Can name one or more beneficiaries. • Can specify a specific dollar or percentage be paid to each beneficiary. 	<p>Provides an ongoing monthly benefit of a specific percentage or specific dollar amount of your Unmodified Allowance to one or more named beneficiaries upon your death.</p>

**Section 4a – Complete Your Beneficiary Information –
Ongoing Monthly Benefit**

Complete all fields. The beneficiary you name to receive an ongoing monthly benefit becomes irrevocable 30 days from the date your first retirement check is issued unless you have a future qualifying event.

For more information about qualifying life events, refer to our publication *Changing Your Beneficiary or Monthly Benefit After Retirement* (PUB 98).

You must submit birth date evidence for your named beneficiary. For a list of acceptable documents, refer to “Supporting Documents” on page 12.

**Section 4b – Complete Your Beneficiary Information –
Specific Percentage or Specific Dollar Amount**

Complete all fields for each beneficiary you name. Any beneficiary you name in this section becomes irrevocable 30 days from the date your first retirement check is issued unless you have a future qualifying event.

For more information about qualifying life events, refer to our publication *Changing Your Beneficiary or Monthly Benefit After Retirement* (PUB 98).

Specify either a specific percentage or dollar amount, or leave the fields blank if you are naming more than one beneficiary and want your beneficiaries to receive equal shares.

You must submit birth date evidence for your named beneficiaries. For a list of acceptable documents, refer to “Supporting Documents” on page 12.

**Section 4c – Complete Your Beneficiary Information –
Return of Remaining Contributions**

Complete all fields for each beneficiary you name. You can change this beneficiary designation at any time.

Provide the name, Social Security number or CalPERS ID, birth date, gender, relationship to you, priority (**primary** or **secondary**), and address of the beneficiary you designate to receive any lump-sum balance of your remaining contributions after your death.

Your beneficiary can be:

- Any person regardless of their relationship to you. You cannot designate a guardian to receive benefits for another person.
- A class of next-of-kin as a group. For example, you can list your “grandchildren” or “siblings” instead of writing out individual names.
- A corporation that is registered in any state with the Secretary of State.
- Your estate. CalPERS can only pay to your estate if it is probated.
- Your trust. Provide the title and date of your trust, and the name and address of the person who has a copy of the document. Do not name the trustee.

You can name **primary** and **secondary** beneficiaries. The benefit is paid to your primary beneficiary (or beneficiaries) first. If the primary beneficiary dies, the benefit will go to your secondary beneficiary. We pay equal shares unless you enter a percentage for each beneficiary. If you enter a percentage, the total must equal 100 percent.

If you want to name more than four beneficiaries or you want to name separate beneficiaries for your Return of Remaining Contributions balance, call us toll free at **888 CalPERS** (or **888-225-7377**). There is no limit to the number of beneficiaries you can name. You can also change your lump-sum beneficiary designation any time at my.calpers.ca.gov.

A change in your marital status, domestic partner status, or the birth or adoption of a child after retirement automatically revokes your original beneficiary designation.

Note: If you designate a minor child as your beneficiary and the child is still a minor when the benefit becomes payable, their surviving parent can claim the child's death benefit without a court order if the child is in their care. Or, if the child is not in the custody of their parent we will request a court order that either appoints someone as guardian of the child's estate or directs us to pay the child's benefit to a blocked bank account. As an alternative to these methods, you may download a *California Uniform Transfers to Minors Act* form to nominate a custodian to claim any benefits that may become payable to your minor child. Please do not name the guardian or custodian of a minor child as your beneficiary; just name the child if that is your desire.

Section 5 – Prorated Allowance Beneficiary Designation

Enter the name, Social Security number or CalPERS ID, birth date, gender, relationship to you, and address of the beneficiary you want to designate to receive your lump-sum pro rata benefit. (The pro rata benefit is the prorated allowance due for the days you live in the month of your death.)

If there is no valid beneficiary designation in effect at the time of your death, your lump-sum pro rata benefit will be paid to your statutory beneficiary, as determined by law. CalPERS pays benefits in the following order:

- Spouse or registered domestic partner; or if none,
- Children; or if none,
- Parents; or if none,
- Brothers and sisters; or if none,
- Your probated estate; or if not probated,
- Your trust; or if none,
- Stepchildren; or if none,
- Grandchildren, including step-grandchildren; or if none,
- Nieces and nephews; or if none,
- Great-grandchildren; or if none,
- Cousins.

Section 6 – Tax Withholding Election

This section tells CalPERS how you want your tax withholding handled. To assist you in making this decision, see the “Taxes and Your Nonmember Service Retirement” section in this publication or talk with your tax advisor. You can change your withholding at my.calpers.ca.gov by completing another CalPERS *Tax Withholding Election* form.

- You can choose only one federal income tax option and one state income tax option.
- If you do not make an election, or if an invalid election is received, CalPERS is required by law to withhold taxes as if you are married with three allowances. If you reside outside of California, your CalPERS pension income is not subject to California state income tax.

Section 7 – Direct Deposit Information

*Direct deposit is optional and can be established at any time before or after retirement. Complete this section **only** if you want to set up your direct deposit.*

Direct deposit electronically transfers your retirement benefit allowance directly into your checking or savings account, avoiding the need for you to sign and deposit your benefit check at your bank. This can reduce the risk of loss, theft, or forgery; give you immediate and uninterrupted deposits; eliminate the inconvenience of checks; and provide you with a monthly statement of itemized deductions.

If you submit direct deposit information with your retirement application, your direct deposit is typically effective with your first retirement payment. We transmit funds for direct deposit on the first of each month. Your financial institution determines when your direct deposit funds are available.

You can establish and maintain your direct deposit online through myCalPERS at my.calpers.ca.gov. Your financial institution must be a member of the Automated Clearinghouse Association to accept a direct deposit from CalPERS.

Section 8 – Nonmember Signature and Notary

This section must be completed or your application will be returned. Your signature must be notarized by a notary public or witnessed by a CalPERS representative at any CalPERS Regional Office. If you reside in a foreign country, staff at the U.S. Consulate may witness your form.

What Happens Next?

After you submit your *Nonmember Service Retirement Election Application*, CalPERS will take the steps necessary for you to retire on the day you have selected. Once your application is received at our Sacramento Headquarters office, you will receive an acknowledgment letter letting you know we have begun processing your request, usually within five to 10 days of receipt of your application. CalPERS will notify you if we have questions or need more information.

Notification of Retirement Allowance

Before you receive your first retirement benefit check, CalPERS will send you a letter providing you with the date of your first retirement check, the amount you can expect to receive, and important income tax information. Keep the letter along with other CalPERS documents you may have. Check the information carefully and call CalPERS toll free at **888 CalPERS** (or **888-225-7377**) if any information is not correct. We also include the employer, retirement formula, service credit, and final compensation information used to calculate your retirement benefit. You must review this information for accuracy by comparing it with the total community property interest you were awarded or your latest Annual Nonmember Statement. Please report any discrepancies to us immediately. You may be responsible for repaying any overpaid benefits retroactive to your retirement date that result from incorrect information being used in your benefit calculation.

Retirement Payment Schedule

We pay in arrears and your first retirement check is typically paid within 45 days of your retirement date, or within 45 days of when you submit your application. This means if your retirement date is June 15, your first retirement check will be paid around August 1 and include pay for the two weeks you were retired. After that, we pay on the first of every month so your first full retirement check is paid on September 1.

Canceling or Making Changes to Your Retirement Application

By law, you have 30 days from the issuance of your first retirement benefit check to:

- Change your retirement payment option
- Change your lifetime beneficiary
- Change your retirement date
- Cancel your retirement

**Send Photocopies,
Not Original
Documents**

CalPERS cannot return original documents. Documents submitted are eventually destroyed. Please send photocopies of documents only.

TAXES AND YOUR NONMEMBER SERVICE RETIREMENT

The following information is designed to help you understand and calculate the tax responsibilities of your CalPERS nonmember service retirement allowance.

While CalPERS can provide you with information on some tax laws, you should request more information on the taxability of your nonmember retirement allowance from the Internal Revenue Service, California Franchise Tax Board, or from your tax advisor.

1099-R Annual Tax Reporting Statement

Each January, you will receive a 1099-R form containing information on your CalPERS income from the previous calendar year. Box 1 on the 1099-R form, labeled “Gross Distribution,” contains the total amount of your gross allowance. This is normally the accumulated annual gross amount of the payments you received dated January 1 through December 31. Box 2a, labeled “Taxable Amount,” contains the amount of your gross allowance that is taxable income. This is the amount that you will report as income on your personal income tax return. Box 5, labeled “Employee Contributions or Insurance Premiums,” contains the amount of tax-free contributions you may have, if any.

CalPERS participates in the Combined Federal/State Filing Program. This means the California Franchise Tax Board or your state of residence may access your reported income.

Calculating the Monthly Tax-Free Portion of Your Retirement Allowance

Federal law requires CalPERS to use certain methods to calculate and report the annual tax-free portion of your retirement allowance. The tax-free portion is determined based on the previously taxed contributions. The total amount may be found on your First Payment Acknowledgment letter under the heading of “Income Tax Information.”

CalPERS uses the Simplified Method tables in Internal Revenue Service (IRS) Publication 575 to determine the tax-free portion of your allowance. For retirements effective on or after January 1, 1998, use one of the following tables to determine the number of your lifetime payments. Divide the amount of your “Taxed Contributions” by the “Number of Lifetime Payments” to get your monthly tax-free allowance amount.

Note: If you were age 75 or over on your retirement effective date, you cannot use these tables. Instead, the IRS requires you to use the “General Rule” to determine your monthly/annual tax-free portion. Information on the “General Rule” can be found in IRS Publication 939, available on the IRS website at www.irs.gov or by calling the IRS at (800) 829-1040.

Table 1 – Simplified Method, Single Life Annuity
Unmodified Allowance or Return of Remaining Contributions Option 1

Find your age at retirement and use the corresponding payment numbers.

Age at Retirement	Number of Lifetime Payments
55 or under	360
56-60	310
61-65	260
66-70	210
71-74	160

Table 2 – Simplified Method, Joint Life Annuity
Retirement Options That Provide an Ongoing Lifetime Benefit

Find your and your beneficiary's combined ages at retirement and use the corresponding payment numbers.

Combined Ages of Annuitants at Retirement*	Number of Lifetime Payments
110 or under	410
111-120	360
121-130	310
131-140	260
141 or over	210

* If you elected an ongoing lifetime benefit and have more than one beneficiary designated to receive a lifetime benefit, you must use the youngest beneficiary's age along with your age at retirement to determine the combined ages of annuitants at retirement.

Federal Tax Considerations

You may be penalized by the IRS if you do not withhold a sufficient amount during the tax year. To avoid any penalties, contact your local IRS office or a tax advisor to ensure you comply with the federal tax withholding rules.

For more information about federal taxes, contact your local IRS office or a tax advisor. You can obtain a free copy of *Pension and Annuity Income*, IRS Publication 575, by calling toll free (800) 829-1040 or visiting their website at www.irs.gov.

California State Taxes

Since federal legislation prohibits states from taxing the pension income of non-residents, if you reside outside the state, California state taxes will not be withheld from your CalPERS benefit without your authorization. While your CalPERS benefit is still a California source income, there is no longer any California source tax for qualified non-residents. If you have questions about your California residency status or your California state taxes, contact the California Franchise Tax Board (or visit their website at www.ftb.ca.gov) or contact a tax advisor.

Tax Withholding Election

Unless you submit an election for tax withholding, CalPERS is required to withhold taxes from your monthly allowance based on the tax tables for a married person with three allowances. By law, all CalPERS retirees whose allowances are taxable are required to select one of the three withholding choices:

- To have no taxes withheld;
- To have a specific dollar amount withheld (state withholding only); or
- To have taxes withheld according to the tax tables, based on marital status and number of allowances (you may also add a specific dollar amount to this election).

If you choose one of the tax tables, taxes will not be withheld unless your gross allowance exceeds the minimum amount listed on the tax table for your filing status (i.e., single, married, number of dependents, etc.).

OTHER CONSIDERATIONS

Power of Attorney

A CalPERS special power of attorney allows you to designate a representative or agent, known as your attorney-in-fact, to conduct your retirement affairs. Should you become unable to act on your own behalf, your designated attorney-in-fact will be able to perform important duties concerning your CalPERS business, such as address changes, federal or state tax withholding elections, and retirement benefit elections.

The CalPERS special power of attorney is specifically designed for use by active and retired CalPERS members and beneficiaries. You may already have a power of attorney set up through another resource; however, it may not address your CalPERS retirement benefits. For more information, review the publication *CalPERS Special Power of Attorney* (PUB 30).

Benefit Forfeiture for Felony Convictions

Under the California Public Employees' Pension Reform Act of 2013, if a member is convicted of a felony committed in connection with his or her job, all retirement benefits earned or accrued after the commission of the felony will be forfeited and any member contributions made after that date, without interest, will be returned to the member.

If the forfeited period falls within the marriage period, your community property interest may be affected.

FREQUENTLY ASKED QUESTIONS

I was awarded a portion of my former spouse's CalPERS pension.

What does that mean for me?

If the community property court order provided you your own separate CalPERS account with service credit and contributions, you are called a "nonmember." You may either collect a monthly retirement benefit when eligible or request to refund or roll over any contributions and interest you were awarded.

If the community property court order provides for a future benefit, you will receive a monthly allowance once your former spouse retires. You are called a "community property payee."

Refer to your filed community property court order, or the letter CalPERS mailed to you after the community property resolution, to determine what type of community property interest you were awarded. You can also contact us directly.

What resources are available to help me understand my CalPERS nonmember retirement?

As a nonmember, you have many of the same resources available as a regular member. Please see the "Retirement Planning Resources" or "Become a More Informed Nonmember Retiree" sections of this publication.

Can I create and manage an online account?

Yes. You can create an online my|CalPERS account at my.calpers.ca.gov.

Can I make an appointment at a Regional Office?

Yes. Be sure to identify yourself as a nonmember.

When can I start collecting retirement?

If you were awarded your own CalPERS nonmember account, you are eligible to retire as soon as both you and your former spouse or domestic partner reach minimum retirement age. The minimum retirement age is 50, 52, or 55 years depending on the retirement formula associated with the service credit on your account. You can find your retirement formula through your personal my|CalPERS account or you may contact us and we can provide the information to you.

Additionally, your former spouse or domestic partner must have been vested for service retirement as of your dissolution of marriage or termination of domestic partnership date.

Will my monthly benefit increase if I wait to retire?

It depends. Your benefit is calculated using your age at retirement, the years of service credit awarded to you, and your former spouse's highest salaries during your marriage period. The retirement formula associated with the service you were awarded determines what age factor we use in the calculation.

Here are some examples of retirement formulas and member classifications:

3%@50, State Safety Benefits

2%@55, Local Miscellaneous Benefits

You can find age factor charts in the member publication specific to the membership classification and formula on our website at www.calpers.ca.gov.

Can I get an estimate of my nonmember retirement allowance?

Yes. You can request two CalPERS-generated estimates within a 12-month period. You must be within one year of your anticipated retirement date. The *Nonmember Retirement Allowance Estimate Request* form is located in this publication or you may download the form from our website at www.calpers.ca.gov and mail it to us.

Can I apply for retirement online?

Nonmembers cannot apply for retirement online. You will need to submit the *Nonmember Service Retirement Election Application* form located in this publication.

What is the earliest retirement date I can have?

The effective date of your retirement is the date you designate on the application, or the day following the court-filed date of the Stipulated Domestic Relations Order, whichever is later. If you submit your application more than nine months after your requested retirement date, the law says your retirement date will be the first day of the month in which CalPERS receives your application.

Am I eligible for health benefits as a nonmember?

No. Nonmembers are not eligible for CalPERS health benefits.

My former spouse retired early on a disability retirement. Can I retire early?

No. You must both reach minimum service retirement age before you can apply for retirement.

What happens if my former spouse passes away before meeting minimum service retirement age?

You will become ineligible to receive a monthly retirement benefit if your former spouse or domestic partner passes away. You may refund or roll over the contributions and interest, if any, awarded to you at any time, or you may have an opportunity to amend the original court order. Please contact us for more information.

I have a nonmember account and am also a CalPERS member in my own right, but I'm not ready to retire from my job. Can I retire on my nonmember account only?

Yes. If you are minimum service retirement age and your former spouse or domestic partner meets both the minimum age and minimum service retirement eligibility requirements, you can retire from your nonmember account and begin collecting a monthly retirement benefit.

I have a nonmember account, but also work for another public retirement system. Do I qualify for reciprocal benefits?

No. A nonmember account does not qualify for reciprocal benefits.

Can a nonmember purchase more service credit than what was awarded in the community property court order?

Sometimes. There are limited circumstances when you may be eligible to purchase service credit (e.g., your former spouse took a refund of service and contributions during the marriage period, or he or she elected to convert from the second tier formula to the first tier formula). Contact us for more information.
