Introduction

The Public Agency & Schools Health Benefits Guide (Guide) is designed to assist you, as the employer, in conducting business on behalf of the CalPERS Health Benefits Program which is subject to the Public Employees’ Medical & Hospital Care Act (PEMHCA).

You have a fiduciary responsibility to manage the program by ensuring that only eligible employees and their dependents are covered.

This guide aims to increase your knowledge of the health benefits business rules to ensure compliance with federal and state laws and provide you information to assist employees in making informed and educated decisions.

Note: This Guide is administrative in nature. In the event of unintentional conflict between the guide and PEMHCA or the Regulations, PEMCHA and the Regulation will prevail.
Important CalPERS Contact Information (for Employers)

CalPERS General
Please contact the CalPERS Customer Contact Center at 888 CalPERS (or 888-225-7377) for assistance relating to:

- Resolutions & Compliance
- Enrollment & Eligibility
- Member Appeals
- Billing & Reconciliation
- System Access & Processing
- Other inquiries outside of health, including but not limited to:
  - Service & Disability Retirement
  - Retirement Processing
  - Retirement Checks
  - Survivors & Beneficiaries

Information is also available online at www.calpers.ca.gov.

Circular Letters/Forms & Publications
To request Circular Letters, forms and/or publications, you can:

- Go online to Circular Letters
- Go online to Forms & Publications

Circular Letters are mailed and archived online to view and download; all forms and publications are available for download or online order.

Remitting Payment
Check by Mail
California Public Employees’ Retirement System – FRAS
Attn: Cashiers
P.O. Box 4032
Sacramento, CA 95812-4032

Check by Overnight Mail
California Public Employees’ Retirement System – FRAS
Attn: Cashiers
400 Q Street
Sacramento, CA 95811-6201

By Electronic Funds Transfer (EFT)
For more information on EFT, refer to the myCalPERS Electronic Funds Transfer guide on the myCalPERS Student Guides page or contact the CalPERS Customer Contact Center at 888 CalPERS (or 888-225-7377).

Health Benefits Officer (HBO) - Roles and Responsibilities

Employer responsibilities include:

- Providing active and former employees with information about enrollment, benefits, costs and applicable time limits for enrollment
- Updating my|CalPERS with enrollment changes
- Informing employees that a review of eligibility can occur at any time
- Informing employees of their obligation to advise you if dependents lose eligibility (e.g., divorce)
- Informing the member when an address change is outside their health plan’s service area
- Staying up-to-date on communications from CalPERS regarding changes in law or policies
- Updating CalPERS with employer contact information, including HBO and Health PA Billing
- Reviewing the monthly Health Premium Statement and Employer Billing Roster for accuracy
- Maintaining documentation that supports eligibility for enrollment and mandatory changes for member's dependents. Only qualified and trained HBO's or assistant HBO's are authorized to sign required enrollment forms on behalf of your agency.
- Being familiar with the California Public Employees’ Retirement Law (PERL) and PEMHCA provisions
  - California Government Code (Gov. Code)
  - California Code of Regulations (CCR)
- Having knowledge of available resources

CalPERS responsibilities include:

- Providing retirees and survivors with information about enrollment, benefits, costs and applicable time limits for enrollment.

This guide is administrative in nature. In the event of unintentional conflict between the guide and the Act or the Regulations, the Act and the Regulations will prevail.
Health Benefits Officer (HBO) - Roles and Responsibilities, Continued

Employer Health Contracts
Health Benefit Circular Letters, including Open Enrollment information, are sent to the Health Benefits Officer (HBO) and Health Benefit Assistant (HBA) contacts. Each agency should have at least one HBO and as many HBA’s as needed.

Monthly Health Premium Statements are sent to the Health PA Billing contact. Each agency should have one listed.

The System Access Administrator (SAA) must create and update the contact information as needed. If contact information is invalid, the agency will not receive Health Benefit communications from CalPERS.

Communication
Active employees must make changes through their agency’s Health Benefits Officer (HBO) to ensure accurate payroll deductions and employer records. HBO’s can also send secure messages using the myCalPERS "Submit Inquiry" feature.

Retirees and HBOs should contact CalPERS directly at 888 CalPERS (or 888-225-7377) for assistance.

If there is a dispute to be resolved and your employee requests a CalPERS review, submit a written request on the employee’s behalf. The request must be on agency letterhead, include supporting documents and be signed by an agency personnel specialist or manager.
**CalPERS Communication**

**Introduction**
We communicate with you through several communication channels including:

- The CalPERS Website
- Circular Letters
- CalPERS Employer Bulletins
- my|CalPERS
- Accessing my|CalPERS
- Employer News

**CalPERS Website**
The CalPERS website has become an important source of information for you regarding the CalPERS Health Program, such as eligibility rules, covered services, available health plans and premium rates.

**Note:** For additional information about the CalPERS Health Program, go to the CalPERS website.

**Circular Letters**
Circular Letters are issued to keep you informed of changes in health policies and procedures. These letters provide important documentation for reference to administer CalPERS benefit programs.

**Note:** The Circular Letter Search page located on the CalPERS website can help you find specific topics of interest.

**CalPERS Employer Bulletins**
Sign up and get the latest employer news and information tailored specifically for you sent right to your email inbox. CalPERS Employer Bulletins come in plain text format easy for viewing and e-mail retrieval.

**Note:** Stay informed by signing up for the CalPERS Employer Bulletin quickly and easily on the CalPERS website.

**my|CalPERS vs. CalPERS Website**
my|CalPERS is an internet application which provides access to your agency’s information and online services. It is your tool for getting things done. Employers who participate in PEMHCA can access billing rosters, view current and past employer health contributions, and more.

The CalPERS website, on the other hand, focuses on providing you with information. It is your resource for learning all about CalPERS benefits, programs, and services.
CalPERS Communication, Continued

Accessing my|CalPERS
The CalPERS employer ID is a 10-digit ID that is assigned to each employer that contracts with CalPERS for benefits.

An organization’s my|CalPERS System Access Administrator (SAA) is the key point of contact. For existing organizations, this individual will be accountable for providing my|CalPERS access to any additional contacts (users). This involves utilizing system administrator pages in my|CalPERS to associate predefined access roles to each contact and assign the user a unique username and password. In addition, this individual will have the responsibility to reset a user’s password, lock a user’s access rights to the system, and change a user’s system access role(s).

Employer News
CalPERS Employer News is published quarterly. This publication provides important information and a calendar of upcoming events for employers doing business with us. The Employer News is available on the CalPERS website for downloading. If you sign up for the CalPERS Employer Bulletin you will receive an email notification when the latest issue is available online.

Note: To access more information and resources, search for Employer News on the CalPERS website on the Forms & Publications page.
Health Plan Options

Health Plan Availability

- Employees are eligible to enroll in a health plan using either their residential or work ZIP Code. The eligibility ZIP Code can be added during the initial enrollment and can only be changed during Open Enrollment or with a qualifying event such as a change of address.

- A P.O. Box may be used for mailing purposes but cannot be used to establish eligibility.

- If a residential ZIP Code is used, all enrolled family members must reside in the health plan’s service area.
  - When an enrolled dependent resides separately from your employee, the enrolled dependent’s residential ZIP Code must also be included in the health plan’s service area.
  - Your employee or enrolled dependent should always contact the health plan to ensure the dependent is assigned to a provider or clinic within the respective health plan’s service area.

Example: Your employee lives in Northern California and is enrolled in Kaiser, and their dependent lives in Southern California. They can each seek services if both residential ZIP Codes qualify for enrollment.

- If a work ZIP Code is used, all enrolled family members must receive all covered services (except emergency and urgent care) within the health plan’s service area, even if they do not reside in that service area.

- A subscriber may choose to use the employer ZIP Code:
  - upon initial enrollment
  - during the annual Open Enrollment period
  - upon a move

- Working retirees may use the ZIP Code of their current employer for basic health plan eligibility.
  - If enrolled in a CalPERS Medicare health plan, the member’s residential address must be used.
Health Plan Options, Continued

CalPERS Health Maintenance Option (HMO) Basic Health Plans
Depending on where your employee resides or works, one or more Basic health plan types and plan choices may be available.

HMO features include:
- A range of health benefits including preventive health services
- A monthly fee (premium) with no calendar year deductible
- A set co-payment for the care provided
- A primary care physician (PCP) who coordinates the patient’s care including referrals to specialists

Note: The California Department of Managed Health Care regulates all HMOs in California. Title 28 Section 1300.51(H) (i) of the California Code of Regulations, defines health plan requirements for the geographic area in which the health plan provides coverage under an HMO.

CalPERS HMO Basic Health Plans
HMO Plans include:
- Anthem Blue Cross
- Blue Shield of California
- Health Net of California
- Kaiser Permanente
- Sharp Health Plan
- UnitedHealthcare
- Western Health Advantage
- California Correctional Peace Officers Association (CCPOA)
  - Must belong to the association and be a dues paying member

Note: HMOs are available only in designated California service areas except for Kaiser which is available in parts of other states, but the benefits may vary.

CalPERS Preferred Provider Organization (PPO) Basic Health Plans
(PPO) Plan features include:
- Access to a network of health care providers known as preferred providers
- Choice of specialists without a referral
- Option to obtain services from non-preferred providers

Note: A calendar year deductible applies to PPO plans.
Health Plan Options, Continued

PPO Basic Health Plans
PPO Plans include:

- PERSCare
- PERS Choice
- PERS Select (California Only)
- California Association of Highway Patrolmen (CAHP)*
- Peace Officers Research Association of California (PORAC)*

* Must belong to the association and be a dues paying member.

Note: All our PPO plans are administered by Anthem Blue Cross and available throughout California. PERSCare, PERS Choice, and PORAC are available in California and throughout the world.

CalPERS Exclusive Provider Organization (EPO) Basic Health Plans
Blue Shield EPO serves Colusa, Mendocino and Sierra Counties only, and Anthem Blue Cross EPO serves Del Norte County only.

EPO features include:
- Offers the same covered services as an HMO
- Services must be obtained from the statewide EPO network of preferred providers

Note: Evidence of Coverage Booklets can be viewed and/or printed from the applicable health plan website.
Health Eligibility Requirements

Employees
Active employees are eligible to enroll if they have an appointment that is intended to last at least six months and one day (tenure) and half time or greater (time base).

Note: If your agency has adopted the "less than half-time" resolution, then the time base above does not apply and the employee that works less than half time can enroll. Less than half-time employees receive the same employer contribution as their full-time counterparts. Prior to enrollment, the employee must still meet the criteria of tenure (six months and one day or more).

Enrollment must be requested within 60 days from the date of the qualifying appointment, or during any future Open Enrollment or HIPAA special or late enrollment period. The effective date is the first of the month following the date the request is received by the Health Benefits Officer (HBO).

Retirees
Retirees are eligible to enroll in a CalPERS retiree health plan if:

- They retire within 120 days of separation, and
- They receive a monthly retirement warrant, and
- They are eligible for health benefits upon separation, and
- Their former employer still contracts with CalPERS for health benefits for their specific bargaining unit

Enrollment must be requested within 60 days from retirement, or involuntary loss of coverage, or during any future Open Enrollment or HIPAA special or late enrollment period. The effective date is the first of the month following the date the request is received by CalPERS.

Family Members/Dependents
Eligible employees may enroll themselves and/or all eligible family members. Below is a list of eligible dependents and the supporting documentation required for enrollment:

Spouse
- Can be added to the health plan during initial health enrollment, within 60 days after the date of marriage or during any Open Enrollment period, involuntary loss of coverage, or HIPAA late enrollment
- Required: Copy of the government issued marriage certificate and spouse's social security number. If a spouse is pending a social security number, a spouse can still be added by contacting CalPERS.
- (Copy of the Divorce Decree is required to delete a spouse due to divorce)
Health Eligibility Requirements, Continued

Domestic Partner
The following are eligible to register for Domestic Partnership with the Secretary of State:

- Specified same-sex domestic partnerships between persons who are both at least 18 years of age
- Specified opposite sex domestic partnerships where one person is over the age of 62
- Two people who meet all the criteria of a domestic partnership, as defined by the governing board of a contracting agency, if the contracting agency adopted that definition prior to January 1, 2000

Can be added to the health plan within 60 days of the registration of domestic partnership or during any Open Enrollment period, involuntary loss of coverage, or HIPAA late enrollment. Required: Copy of the Declaration of Domestic Partnership registered with the Secretary of State (Copy of the Termination of Domestic Partnership form is required to delete a domestic partner due to dissolution of partnership).

Note: Domestic Partnership Law prohibits a person who has filed a Declaration of Domestic Partnership from filing a new declaration until at least 6 months has elapsed from the date that a Notice Termination of Domestic Partnership was filed with the Secretary of State.

This relates to the termination of the most recent domestic partnership except where the previous domestic partnership ended because one of the partners died or married.

Children under age 26
- Either natural-born, adopted, or step (by traditional marriage or domestic partnership)
- Do not need to be enrolled in college or living at home to be eligible
- Required: Copy of birth certificate or adoption papers and social security number

Certified "Parent-Child Relationship" (PCR) Children
- Children of another person, given that a parent-child relationship exists between the employee or annuitant and the child
- Required: Affidavit of Parent-Child Relationship (PERS-HBD-40) (PDF)
- Required: Specific documents that substantiate their parental role within that PCR
- The subscriber has 60 days from the date the member assumed a primary custodial parental role to request enrollment
- If the request is outside of the 60 days from the date the member assumed a primary custodial parental role, the PCR may be added with a HIPAA Late Enrollment
Health Eligibility Requirements, Continued

Certified Disabled Dependent over age 26
A child age 26 and over who is incapable of self-support because of a mental or physical condition may be eligible for enrollment. The disability must have existed prior to reaching age 26 and continuously since age 26, as certified by a licensed physician.

Employees are required to complete and submit the Member Questionnaire for the CalPERS Disabled Dependent Health Benefit (PDF) form to CalPERS.

The physician must complete and submit a Medical Report for the Disabled Dependent Benefit (PDF) directly to CalPERS for approval.

The initial certification of the Disabled Dependent must occur during one of the following two eligibility periods (whichever applies):

- Within 60 days before and ending 60 days after the child’s 26th birthday (member and dependent currently enrolled), or
- Within 60 days of a newly eligible employee’s initial enrollment in the CalPERS Health Program
Health Eligibility Requirements, Continued

Certified Disabled Dependent over age 26, Continued
If the initial certification of the Disabled Dependent is upon the newly eligible employee's initial enrollment in the CalPERS Health Program, please complete an HBD-12 for the employee and any other eligible family members.

In the REMARKS box, indicate "Coverage of disabled dependent (name) is contingent upon approval by CalPERS."

The enrollment of a Certified Disabled Dependent is subject to CalPERS approval.

Important: The Medical Report form must be completed by the child's physician, who must mail the form to CalPERS directly for processing. The Medical Report must be received by CalPERS within 60 days following the initial enrollment or 60 days prior to or 60 days after the child's 26th birthday.

Recertification of a Disabled Dependent over age 26
Upon certification of eligibility, the dependent's CalPERS health and dental coverage must be continuous and without lapse. Upon expiration of the certification, the employee will be required to submit an updated questionnaire and the dependent's physician to submit a medical report for recertification. These documents must be received no earlier than 60 days prior to the expiration date and no later than the expiration date.

Exclusions
The following disabled children are excluded from coverage:

- Dependent children whose disability occurred after age 26
- Dependents who initially continued coverage as disabled dependents beyond age 26 under the PEMHCA program and who were later deleted from the enrollment
- Dependents who are capable of self-support
- Disabled dependents whose coverage (extension) was not requested in a timely manner
- If the member is actively employed and covered by an employer group health plan (EGHP), the Medicare eligible member's health coverage will be in a CalPERS basic health plan unless the disabled dependent has End Stage Renal Disease (ESRD), Amyotrophic Lateral Sclerosis (ALS), or a Social Security-qualified disability.
- When the employee retires, the employee must provide CalPERS with a copy of the Medicare eligible member's Medicare card and transfer the Medicare eligible member to a CalPERS Medicare health plan once the coordination of benefits period is completed.
Health Eligibility Requirements, Continued

Eligibility & Supporting Documentation Certified "Parent-Child Relationship"
An employee or annuitant may enroll a child up to the age of 26 (other than an adopted, step, recognized natural child or foster child) if the employee or annuitant:

- Has assumed a parental role
- Is considered the primary care "parent"
- Submits a signed Affidavit of Parent-Child Relationship (PERS-HBD-40) (PDF)
- Submits specific documents that substantiate their parental role within that Parent-Child Relationship (PCR)

Note: Foster children are not eligible to enroll in the CalPERS Health program.

Upon enrollment, and annually thereafter on the member's birth month, the employee must:

- Sign the Affidavit of Parent-Child Relationship (PERS-HBD-40) (PDF) under penalty of perjury, that the information they are providing is true and correct
- Acknowledge that it is unlawful to make false representation or to present false information
- Provide required supporting documentation

Note: Beginning January 1, 2016, members are now required to fully complete the new HBD-40 Affidavit of Parent-Child Relationship form and submit the required supporting documents for new and recertification requests. Effective May 1, 2017, all subscribers recertifying a PCR dependent under age 19 must submit a copy of the first page of their income tax return from the previous tax year listing the child as a tax dependent. No exceptions will be allowed.

Required supporting documentation for a PCR dependent under age 19 includes:

- A copy of the first page of the subscriber’s income tax return from the previous tax year listing the child as a tax dependent.
- In lieu of a tax return, for a time not to exceed one tax filing year, subscribers may submit other documents that substantiate the child’s financial dependency upon them, including the following (collectively referred to as "Other Suitable PCR Documentation"):
  - Current legal judgments or court documents showing the subscriber’s legal parental status or guardianship over the child
  - Bank, credit card, tuition or insurance statements or payments
  - School records
  - Bills or mail indicating common residency with the child
Health Eligibility Requirements, Continued

Eligibility & Supporting Documentation Certified "Parent-Child Relationship", Continued

Required supporting documentation for a PCR dependent under age 19 includes:

- A copy of the first page of the subscriber’s income tax return from the previous tax year listing the child as a tax dependent.
- In lieu of a tax return, for a time not to exceed one tax filing year, subscribers may submit other documents that substantiate the child’s financial dependency upon them, including the following (collectively referred to as "Other Suitable PCR Documentation"):
  - Current legal judgments or court documents showing the subscriber’s legal parental status or guardianship over the child
  - Bank, credit card, tuition or insurance statements or payments
  - School records
  - Bills or mail indicating common residency with the child

Required supporting documentation for a PCR dependent from age 19 up to age 26 includes:

- A copy of the first page of the subscriber's income tax return from the previous tax year listing the child as a tax dependent, OR
- Another suitable PCR Documentation, that substantiates that the child is financially dependent upon the subscriber provided that the child:
  - Either lives with the subscriber for more than 50 percent of the time, or is a full-time student, AND
  - Is dependent upon the subscriber for more than 50 percent of the child's support.

<table>

</table>
| Residency (more than 50% of the time) | • School records indicating full-time status, bills or mail in the child’s name **listing the same address** as the subscriber, such as:  
  - School correspondence  
  - Employment correspondence  
  - Bank statements or correspondence  
  - Vehicle registration, insurance bills/statements  
  - Credit card bills/statements  
  - Rental/lease agreements |
| Financial Dependence (more than 50% of child’s support) | • Recurring bills or statements of account, identified as Other Suitable PCR Documentation, paid by the subscriber on behalf of the child, such as:  
  - Tuition payments  
  - Cell phone bill payments  
  - Auto loan payments  
  - Auto insurance payments  
  - Credit card payments  
  - Bank statement, custodian account, cancelled checks, or other evidence of financial dependence. |

(Attachment 2: Affidavit of Parent-Child Relationship (PDF))
(Attachment 3: PCR Subscriber Letter (PDF))
(Attachment 4: Employer FAQs (PDF))

Restrictions
The CalPERS Health Program does not permit:

- **Dual Coverage** - Members cannot be enrolled in a CalPERS health plan in their own right ("self") and as a dependent of another member enrolled in a CalPERS health plan. Upon discovery, dual enrollments are cancelled on a retroactive basis, and the health plans will bill the employee for services provided on behalf of ineligible family members.

- **Split Enrollments** - If two parents are enrolled in a CalPERS health plan, each, all child dependents must be enrolled on a single CalPERS health plan. You cannot split these dependents among the two different CalPERS health plans.

Exclusions
Family member exclusions are allowed on a voluntary basis when a family member is:

- Covered under another group health plan
- A spouse not living in the employee’s household
- A child over 18; or
- In the military service

These family members may be added later during the Open Enrollment period due to HIPAA or loss of coverage.

Ineligible

- Children age 26 and over
- Children’s spouses
- Disabled children over age 26, who were never enrolled or were deleted from coverage
- Former spouses
- Stepchildren of former spouses or domestic partners*
- Parents
- Grandparents
- Parent in-laws
- Other relatives*
- Foster children

*Note: The child may be enrolled as a dependent in a Parent-Child Relationship if such relationship exists and can be substantiated.
Health Eligibility Requirements, Continued

Notification of Deletion of 26-Year-Old Dependents
Three months prior to the dependent’s 26th birthday, CalPERS will mail a notice to the employee advising that the child dependent is reaching age 26. The notice provides:

- Current enrollment data
- Dependent deletion information
- Referral to the employer for Certified Disabled Dependent or COBRA information and documents

CalPERS will notify the health plan. The employer should download the Employer Health Event Transaction report in myCalPERS which will show the 26-year-old deletion transaction.

Note: If you have a new employee who adds a 25-year-old child, the automatic deletion system may not work if the enrollment is not on our system prior to the three-month lead time. Contact CalPERS at 888 CalPERS (or 888-225-7377) if you are in doubt about the deletion system time frame.

Important: Please report address changes immediately. This will ensure notifications about coverage and COBRA are sent timely and to the correct location.

Effective Date
Health coverage will terminate on the last day of the month in which the dependent attains age 26.

Continuation of Coverage as Certified Disabled Dependent
The deletion of a 26-year-old dependent is mandatory unless incapable of self-support because of a physical or mental disability. If the 26-year-old qualifies as a Certified Disabled Dependent, the dependent is eligible for continued coverage. Please refer to the Certified Disabled Dependent section of this guide for further information.

Continuation of Benefits
Overage dependents are eligible to continue their coverage through the federal COBRA provision. The agency is responsible for offering the COBRA continuation coverage under the federal guidelines. Please refer to the COBRA section of this guide for further information.

(Attachment D: COBRA Subscriber (PDF))
School Employers: 10-Month Work Schedule

10-Month Work Schedule
Schools may have employees who work 10 months a year but are entitled to 12 months of health coverage.

- CalPERS will continue to bill on a monthly basis for 12 months in a calendar year
- The school employer should collect an extra portion of the premium each month for 10 months, so they have the amount needed to pay for the premium during the two months the employee is not receiving a check

Termination
If the employee terminates employment, coverage will end the first of the second month following the last day on payroll.

If you have collected premiums for the additional two months, you can refund the premiums to the member or work with the member to pay for their first two months of COBRA premiums.

Separation
When a member separates to retire, coverage will end the first of the second month following the last day on payroll. Once the member’s retirement date is confirmed, coverage is, in many cases, reinstated automatically. In the cases where it is not, coverage may be able to be reinstated manually. Please contact the CalPERS Customer Contact Center at 888 CalPERS (or 888-225-7377) for assistance.

The employee will be moved from the active billing to the retired billing the first of the second month following the last day on payroll.

If you have collected premiums for the additional two months, you should refund the premiums, so the member can pay their share of the premiums as a retiree. The billing system will recognize the retirement and charge only the employer share on the monthly invoice. The balance will be taken from the member’s retirement warrant.
Summary of Benefits and Coverage & Uniform Glossary

Purpose
The Affordable Care Act (ACA) requires health plans and other responsible parties to make available a Summary of Benefits and Coverage (SBC) and a uniform glossary of common health insurance terms. Together, these documents provide important information to help individuals better understand their health benefit coverage and more easily compare health plan options.

Newly Eligible Employees
The SBC implementing regulations require responsible parties to provide SBC and glossary information to newly eligible employees no later than the first date on which they are eligible to enroll in coverage.

To meet the SBC and glossary notification requirements, employers must insert their school/agency letterhead at the top of the Summary of Benefits and Coverage Notice (PDF) (or create their own) and include it in their hiring or benefits package.

Current Members
CalPERS and its health plans currently notify existing members of how to access and obtain copies of these documents during Open Enrollment.

Penalties
Failure to provide SBC and uniform glossary information, as described in the regulations, could yield penalties of up to $1,000 for each failure.

Additional Information
Please refer to the August 16, 2018 CalPERS Circular Letter 600-053-18 (PDF) titled Distribution of 2018 Summary of Benefits and Coverage Notice to New Employees.
Health Enrollment

PERS-HBD-12 Active Employees – Electing, Changing, Adding/Deleting Dependents or Cancelling Coverage

The Health Benefits Plan Enrollment Form (PERS-HDB-12) (PDF) and Instructions (PDF):
- The HBD-12 document is used to report enrollment transactions for active employees
- Must be submitted within 60 days of the date of a qualifying appointment/event
- Should be copied for the agency’s file and for the employee
- Is used for single transactions with few exceptions. When multiple transactions are necessary, have employee submit as a package, stapled together.
- Includes a REMARKS box for explanations that resulted in the submission of the document

HBOs are responsible for the accuracy of all enrollment documents.

28
Health Enrollment, Continued

If an employee elects no coverage within the 60-day time limit, a subsequent enrollment can only be requested upon:
- HIPAA’s special or late enrollment period
- Open Enrollment
- Involuntary loss of coverage
- Loss of coverage for any reason where the employee is a dependent of another CalPERS member (CCR 599.502 f (4))

An employee who elects no coverage and subsequently retires will be eligible for coverage as an annuitant if they meet the following criteria:
- Retires within 120 days of permanent separation
- Receives a monthly allowance through CalPERS or another retirement system
- They are eligible for health benefits upon permanent separation
- Their former employer still contracts with CalPERS for health benefits for their specific bargaining unit
- Enrolls within 60 days of retirement; or enrolls during any future Open Enrollment period, HIPAA late enrollment, or involuntary loss of coverage

CalPERS Health Open Enrollment
As the employer, you are responsible for educating employees on CalPERS Health Open Enrollment. Each year, prior to Open Enrollment, an Employer Bulletin is sent to you with information regarding:
- Health Program Highlights which provides important details regarding health plans and premium rates for the new year
- Various communications released to employees, available online tools and employer resources
- Your additional responsibilities

The CalPERS Health Open Enrollment period is traditionally held annually each fall and allows eligible employees to:
- Enroll
- Change health plans
- Add/delete eligible dependents
- Cancel coverage
- Change health plans based on employer’s ZIP Code

All transactions become effective January 1 following the Open Enrollment period.

Note: Learn more about Open Enrollment by viewing FAQs - Open Enrollment on the CalPERS website.
Health Enrollment, Continued

HBD-30 Retirees and Survivors – Electing, Changing, Adding/Deleting Dependents or Cancelling Coverage

The Health Benefits Plan Enrollment Form for Retirees/Survivors (PERS-HBD-30) (PDF):

- The HBD-30 document is used to report enrollment transactions for retirees or survivors
- Must be submitted within 60 days of the date of a qualifying appointment/event
- Provided to CalPERS by the retiree or survivor

If a retiree or survivor elects no coverage within the 60-day time limit, a subsequent enrollment can only be requested upon:

- HIPAA’s special or late enrollment period
- Open Enrollment
- Involuntary loss of coverage
- Loss of coverage for any reason where the annuitant is dependent of another CalPERS member (CCR 599.502 f (4))

Note: Retirees or survivors enrolling in a CalPERS Supplement to Medicare or Managed Medicare plan must provide a copy of the Medicare card for each Medicare eligible enrollee (subscriber and/or dependent).

Live/Work Rule

The availability of health plans to a member is determined by their eligibility ZIP Code.

- Active employees can use either their residential ZIP Code or their employer’s ZIP Code to qualify for a health plan (only upon initial enrollment, Open Enrollment or change of address)
- Retirees can use either their residential ZIP Code or their employer’s ZIP Code to qualify for a health plan if they are enrolled in a non-Medicare plan. A “working” retiree in a Medicare plan must use their residential ZIP Code to determine health plan eligibility.
- P.O. Boxes cannot be used to determine eligibility

Medical Identification Cards

Members should receive their medical identification cards (ID cards) within 2-3 weeks after submission of the enrollment or after the health coverage effective date. Members can go online and access Member Self-Service to confirm enrollment.

If not, the HBO should confirm the transaction. If the transaction is confirmed, the employee should contact the health plan directly to inquire about their ID card(s).

Changes to health plan and/or dependents

- Active employees need to submit the PERS-HBD-12 (PDF) to their HBO during Open Enrollment or special enrollment period or qualifying event
- Retirees need to contact CalPERS or they can make most changes online using myCalPERS Member Self-Service
Health Enrollment, Continued

Changes
Demographic changes or corrections
• Active employees and their dependents – HBO can key directly into myCalPERS
• Retirees and their dependents – Contact the CalPERS Customer Contact Center at 888 CalPERS (or 888-225-7377)
  – e.g., When dependent moves out of the service area, i.e., out-of-state

Changes to primary care physicians or medical group
• Members should contact the health plan directly

Communication
All mail concerning the CalPERS Health Program should be directed to the following:

Enrollment forms, related documents and correspondence:
  CalPERS Health Account Management Division
  P.O. Box 942714
  Sacramento, CA 94229-2714

Note: If using FedEx or UPS for mailing purposes:
  CalPERS Health Account Management Division
  400 Q Street, Second Floor LPN
  Sacramento, CA 95811

For remittance of billing invoice payment and coupon:
  California Public Employees’ Retirement System
  P.O. Box 4032
  Sacramento, CA 94812-4032

Specific Provider Needs
If a specific doctor, medical group or hospital is preferred, a health plan must be selected which allows access to the specific provider. Each enrollee should contact the health plan(s) and/or provider directly to inquire about the availability of the specific provider before enrolling.

IMPORTANT: When employees enroll in a health plan, services are provided through the health plan’s delivery system and the continued participation of any one doctor, hospital, or other provider cannot be guaranteed. The provider network may change during the plan year. Employees may be permitted to select another provider but not another plan. If the health plan is unable to offer a satisfactory “Physician/Patient” relationship with the enrollee for reasons such as a limited provider network in a particular area an active employee must have their employer submit the request for a plan change outside of Open Enrollment to CalPERS for review. A retiree would submit the request to CalPERS directly.
**Health Enrollment, Continued**

**Special Medical Needs**
Health plan benefit designs are not identical. Current or anticipated medical needs must be considered in choosing a plan to minimize out-of-pocket expenses and fulfill individual needs. Individual *Evidence of Coverage* booklets are available from each health plan which explain benefits, limitations and exclusions.

**Out of Pocket Expenses**
The out-of-pocket expenses vary greatly between the plans. In addition to the monthly premium (if any employee share applies), there may be deductibles and co-payments to meet. Not all plans require such deductibles and co-payments. The *Health Benefit Summary (PDF)* publication (HBD-110) provides more information on these expenses.

**Evidence of Coverage**
The EOC provides detailed information about the benefits, limitations and exclusions of the health plan.

EOCs are sent to all new enrollees and are also available:
- By returning the publication request postcard sent during Open Enrollment
- For download or order online at [www.calpers.ca.gov](http://www.calpers.ca.gov)
- By contacting the health plan directly

**Member Claims and Appeals**
Any disputes about medical benefits, coverage or claims should be resolved through the health plan. This includes requests for a change in primary care provider, the referral process, and clarification about co-payments. If the health plan denies a benefit that is listed in the EOC booklet, the enrollee should follow the grievance procedure outlined in the EOC. If that is not successful, the employee may then contact CalPERS Health Plan Administration Division at **888 CalPERS** (or **888-225-7377**) or in writing for assistance.

**IMPORTANT:** CalPERS can only provide assistance if the enrollee has made every reasonable effort to resolve the dispute with the health plan **first** and is requesting a benefit that is listed in the EOC booklet. Requests for "additional" benefits which are not listed in the EOC booklet or requests by the enrollee for plan changes because a particular provider is no longer available **cannot** be resolved by the claims assistance officer. Government Regulation Code: 599.518

**Circular Letter 600-060-10**
[Collecting and Maintaining Dependent Social Security Numbers (PDF)](https://www.calpers.ca.gov)
Retroactive Reimbursement

Retroactive Transactions
Retroactive transactions occur when the eligibility status for a member or dependent changes due to death, marital status, changes in employment and other circumstances, and the change is not reported in a timely manner.

These transactions often result in a difference between the premiums paid and the premiums that should have been paid if the transaction had been reported timely.

Reimbursement
Reimbursement to members and employers is limited to the amount of excess health premiums paid for a period of up to six months prior to the date on which the action is processed and recorded, pursuant to the member’s request for retroactive cancellation or deletion of the ineligible family member.

Please note that if the enrollment is updated on a prospective basis, there may be no refund of health premiums given.

Responsible Parties
Timely notification requires a collaborative effort between employers, members and CalPERS. When enrolling in the CalPERS health care program, members certify that all dependents are eligible family members. Employers are responsible for accurately reporting changes from members to CalPERS, as well as advising CalPERS of employment changes to covered members. CalPERS is responsible for confirming updated information so that health plans are providing services to eligible members only.

Members who fail to report an enrollment change could be liable for retroactive reimbursement to their employer of premiums in excess of six months prior to the date on which the action is processed and recorded.

Employers who do not record the transaction are only entitled to retroactive benefit premiums up to six months from the date the deletion or cancellation is processed and recorded.
Retroactive Reimbursement, Continued

Example 1
The following is an example of a retroactive reimbursement claim caused by failure of a member to appropriately report a mandatory deletion or cancellation:

An employee gets a divorce, on December 12, 2013; however, the employee does not report the divorce until December 6, 2016. This is a mandatory deletion with an effective date of January 1, 2014. If the employee had reported the divorce in a timely manner, the former spouse’s coverage would have been cancelled, and he/she would have received COBRA group continuation information.

Since the member reported the event late, this creates a retroactive health benefit premium overpayment for 36 months (January 2014 – December 2016). The reimbursement of excess premiums will be calculated for only the last six months (July 2016 – December 2016), and the health plan may bill the member for any claims submitted for the former spouse subsequent to January 1, 2014.

Example 2
The following is an example of a retroactive reimbursement claim caused by failure of an employer to appropriately report a mandatory deletion or cancellation:

An employee separates from employment on January 5, 2014; however, the employer does not report the separation until December 6, 2016. This is a mandatory cancellation with an effective date of March 1, 2014. If the employer had reported the separation in a timely manner, the former employee’s coverage would have been cancelled, and he/she would have received COBRA group continuation information.

Since the employer reported the event late this creates a retroactive health benefit premium overpayment for 34 months (March 2014 – December 2016). The reimbursement of excess premiums will be calculated for only the last six months (July 2016 – December 2016), and the health plan may bill the member for any claims submitted subsequent to March 1, 2014.

Health Enrollment Reason Codes

Reason Codes Guide
Use the following guide as a tool when preparing an HBD-12 enrollment form or entering a transaction in myCalPERS. The guide should be referenced on a consistent basis to ensure that the appropriate code and effective date is applied.

Note: Reason Codes replaced Permitting Event Codes and will be entered in box 14 of the HBD-12 health benefits plan enrollment form. See the myCalPERS Health Aid (PDF) for more information.

Using the Guide
The reason codes are grouped into sections such as new enrollments, adding or deleting dependents, changing plans and cancellation.

Important: When adding or deleting dependents, make note if the event is mandatory or permissive. This will affect effective dates and COBRA rights.

Mandatory Transactions (M)
Additions to or deletions from health enrollments due to requirement by law. Events such as divorce, death of a dependent, overage 26-year-old dependent, spouse/dependent enrolling in a CalPERS health plan in their own right, and birth of a newborn, are all mandatory transactions.

The effective date is the first of the month following the event date.

Although a member's divorce decree may stipulate that they must provide health benefits for the ex-spouse, the ex-spouse cannot remain enrolled in CalPERS health benefits, as they are no longer an eligible family member.

Permissive Transactions (P)
Additions to or deletions from health enrollments due to voluntary request of the member and not required by law. Events such as a dependent who moves out of the household, obtains other non-CalPERS health coverage, or enters military service, as well as a change in child custody or addition of a new spouse or stepchild, are all permissive transactions.

The effective date is the first of the month following the HBO received date.

**Note:** When processing health transactions in my|CalPERS, you will use Health Event Reasons in lieu of the Reason Codes. For more information, see the online [my|CalPERS Health Aid (PDF)](https://my.calpers.ca.gov/).
New myCalPERS Health Event Reasons

The new myCalPERS will change the way that you process health transactions for your agency.

Please review the following list of the new Health Event Reasons created for external CalPERS employers to use.

NEW HEALTH ENROLLMENT REASONS

New Contracting Survivor without Benefits
Use this reason to enroll Public Agency survivors who, by agency resolution, continue health coverage but receive no survivor benefit.

Re-Employment
Use this reason when the reason for enrollment is re-employment.

Open Enrollment Enroll Half-Time Employee New Enrollment
Use this reason to enroll Public Agency half-time employees during Open Enrollment.

NEW HEALTH ENROLLMENT REASON

Change Plan Due to Eligibility ZIP Change
Use this reason when a request to change health plan accompanies a change-in-eligibility ZIP Code.

HEALTH PLAN CANCELLATION REASONS

Military Leave
Use this reason to cancel coverage if the member goes on military leave and opts not to continue health coverage.

Reinstatement (Non-PERS)
Use this reason to cancel a Non-PERS Public Agency retiree who reinstates their employment.

Subscriber Request-COBRA
Use this reason when the subscriber requests cancellation of COBRA coverage.
New myCalPERS Health Event Reasons, Continued

UPDATES TO DEPENDENT ADDRESS, MISC. ENROLLMENT, DEPENDENT RECERTIFICATION REASONS

Address Update
Use this reason when a dependent address is updated.

Change Medical Group
Use this reason to continue health coverage for Public Agency enrollees when there is a change of qualifying medical groups on a current basis.

Update Demographics
Use this reason to continue health coverage when there is a change to the demographic information for the subscriber or dependent.

Opt-in Vesting
Use this reason when a Public Agency member, who is not required to opt in based on hire date or Memorandum of Understanding effective date, elects to opt in to the vesting provision as part of the health contract.

Opt-Out Vesting
Use this reason when a Public Agency member, who previously opted into the vesting provision but was not, required to opt in based on hire date or Memorandum of Understanding effective date, now elects to opt out of the provision.
Health Insurance Portability & Accountability Act (HIPAA)

Implementation
In 1996, Congress enacted the Health Insurance Portability and Accountability Act (HIPAA). This section’s focus of HIPAA is on the portability of health insurance. The requirements of HIPAA took effect January 1, 1998 and changed enrollment practices and policies for employees and family members eligible to enroll in a CalPERS health plan.

Implications
These changes did not eliminate or alter current enrollment rules and procedures except for the elimination of the Health Statement, which was replaced with "Special Enrollment" and "Late Enrollment" periods. These enrollment periods allow employees and their dependents specific opportunities to enroll in the CalPERS Health Program.

In all instances, the employee and dependent must be eligible for enrollment in a CalPERS-sponsored health plan as defined by Part 5, The Public Employees' Medical and Hospital Care Act (PEMHCA).

Special Enrollment
The employee may request enrollment for self or self and all eligible family members. The request must include proof of loss of other coverage and be received within 60 days after the other coverage ends. The effective date is the first of the month following the request to enroll.

A. Enrollment Decisions After January 1, 1998
On or after January 1, 1998, employees who were not provided written notice by the employer of the consequences of declining or cancelling coverage are eligible to enroll. The effective date of enrollment is the first of the month following receipt of the request to enroll.
(HIPAA), Continued

Special Enrollment, Continued

B. Loss of Other Coverage
If an employee declines or cancels enrollment for self or dependents because of other coverage (employer sponsored or other insurance coverage), they can enroll when the other coverage is no longer available. Involuntary loss of other coverage is defined as:

- Termination of employment of the individual through whom the employee or dependent was covered
- Termination of the other plan’s coverage
- COBRA continuation coverage has been exhausted
- Cessation of employer’s contribution toward employee or dependent coverage, or
- Death, divorce, or legal separation of a person through whom the employee or dependent was covered

C. Non-Enrolled Employee Acquiring a Dependent or Enrolled Employee’s Non-Enrolled Spouse
If an employee declines or cancels enrollment or an enrolled employee declines or cancels enrollment for spouse and later acquires a dependent because of marriage, birth, adoption, or placement for adoption, they can enroll self or self and all newly eligible dependents. The request must be received within 60 days of acquiring the dependent. The effective date is:

- Marriage, the first of the month following request to enroll
- Birth, the first of the month following request to enroll
- Adoption or placement for adoption, the first of the month following request to enroll

The employee may request enrollment for self or self and all eligible family members. The request must include proof of loss of other coverage and be received within 60 days after the other coverage ends. The effective date is the first of the month following the request to enroll.

D. Court-Ordered Coverage
1. Child of an enrolled employee: A court has ordered coverage be provided for a child under an enrolled employee’s health plan. If the employee’s current health plan has a restricted geographical service area and is not available in the child’s residential area, the employee must change to a health plan that will cover the child. If the employee refuses to change health plans, the employer must enroll the employee and dependent child in PERS Choice. The effective date is the first of the month following the court order date (unless the court order specifies a specific effective date of coverage).
(HIPAA), Continued

Special Enrollment, Continued

D. Court-Ordered Coverage, Continued

2. Child of a non-enrolled employee: A court has ordered coverage be provided for a child under a non-enrolled employee’s health plan. The employee can enroll in a health plan available in the child’s residential area. If the employee refuses to enroll, the employer must enroll the employee and child in PERS Choice. The effective date is the first of the month following the court order date (unless the court order specifies a specific effective date of coverage).

3. Spouse of an enrolled employee: A court has ordered that coverage be provided for a spouse under an enrolled employee’s health plan. If the employee’s current health plan has a restricted geographical service area and the health plan is not available in the spouse’s residential area, the employee must change to a health plan that will cover the spouse. The effective date is the first of the month following the court order date (unless the court order specifies a specific effective date of coverage).

Late Enrollment

Employees who decline or cancel enrollment for self or dependents (including spouse) and who do not qualify for a "Special Enrollment" may enroll during Open Enrollment or at any time may request enrollment as a Late Enrollee. Employees who request Late Enrollment for self or dependents must normally wait a minimum of 90 days before they are enrolled in a CalPERS-sponsored health plan. The effective date is the first of the month following the 90-day waiting period or the Open Enrollment effective date, whichever comes first.

Certification of Group Health Plan Coverage

HIPAA requires that employees and their dependents receive a Certification of Group Health Plan Coverage when health coverage terminates. Health plans contracting with CalPERS will be responsible for providing a Certification of Group Health Plan Coverage when enrollees, or dependents who were covered under the plan, lose coverage. The Certification of Group Health Plan Coverage will be mailed to the enrollee’s last known address and will be provided when:

- Individual ceases to be covered under the plan and has a right to elect COBRA continuation coverage;
- Individual ceases to be covered under the COBRA continuation provisions; or
- A request is made by an individual not later than 24 months after the date of cessation of coverage.

CalPERS is committed to providing timely and accurate information. Implementation of HIPAA is an evolving process and may be amended with further clarification issued by federal regulators. If you have any questions regarding this material, contact the CalPERS Customer Contact Center at 888 CalPERS (or 888-225-7377).
SPECIAL ENROLLMENT – ENROLLMENT DECISIONS AFTER 1/1/1998
The employer cannot produce an HBD-12 indicating the employee declined coverage for an eligible but non-enrolled employee or a non-enrolled dependent of an enrolled employee. **Note:** Applies to employees who declined or canceled enrollment or deleted a dependent on or after January 01, 1998. THIS SECTION DOES NOT APPLY TO RETIREES.

HIPAA Reason Codes Guide, Continued

SPECIAL ENROLLMENT – LOSS OF OTHER COVERAGE
An eligible *non*-enrolled employee/retiree or eligible *non*-enrolled dependent(s) of an enrolled employee/retiree may enroll when they lose other health insurance coverage. Employee/retiree provides proof of loss of other coverage and employee/retiree requests to enroll within 60 days of the date of loss of other coverage.

<table>

</tbody>
</table>
SPECIAL ENROLLMENT – NON-ENROLLED EMPLOYEE/RETIREE ACQUIRING A DEPENDENT OR ENROLLED EMPLOYEE/RETIREE’S NON-ENROLLED SPOUSE

An eligible non-enrolled employee/retiree may enroll if the employee/retiree acquires a new dependent by marriage, birth, adoption or placement for adoption. Employee/retiree can enroll self or self and all eligible dependents.

An enrolled employee/retiree may enroll a non-enrolled spouse when the employee/retiree acquires a dependent by birth, adoption or placement for adoption. Employee/retiree can enroll spouse, newly acquired dependent(s), and all other eligible dependent(s).

Time limit is 60 days from the event date to request enrollment (except for newborns or newly adopted children who are effective the 1st of the month following date of event).

<table>

</tbody>
</table>
SPECIAL ENROLLMENT – COURT ORDERED COVERAGE

Dependent (spouse/child) of an eligible but non-enrolled employee/retiree:
Court orders coverage for the dependent of an eligible but non-enrolled employee/retiree. The employee/retiree must enroll in a plan that is available in the dependent’s area. The employer or CalPERS must enroll the employee/retiree and the dependent in PERS Choice if the employee/retiree refuses enrollment.

Dependent (spouse/child) of an enrolled employee/retiree:
Court orders coverage for a dependent of an enrolled employee/retiree. If the employee/retiree is enrolled in a geographically restricted plan, which is not available in the dependent’s service area, the employee/retiree must change to a plan that will cover the dependent. The employer or CalPERS must change the employee’s plan to PERS Choice if the employee/retiree refuses to change plans.

</tbody>
</table>
LATE ENROLLMENT

An eligible employee/retiree can request "late" enrollment for self and/or his/her dependent(s) at any time if the employee/retiree or dependents do not qualify for a Special Enrollment or any other enrollment provided by PEMHCA. The late enrollee must wait 90 days from the date the request to enroll was received by the employer or by CalPERS. The effective date is the first of the month following the 90-day waiting period.

Note: Request for late enrollment during the Open Enrollment period will be effective the first of the month following the 90-day waiting period or the Open Enrollment effective date, whichever is earliest.

Direct Payment Authorization, Continuing Coverage while on "Off-Pay" Status

**Direct Payment**
An employee who is not on regular pay status for a full pay period or more may elect to either cancel their health benefits coverage or **continue coverage** by paying the premium directly to the health plan.

The employee’s pay status must be updated **prior** to processing an employee’s health benefits election (off-pay status, cancel coverage or payment method).

**PERS-HBD-21**
To elect Direct Payment, an employee must complete a [Direct Payment Authorization Form (PERS-HBD-21) (PDF)](#) within 30 days of his or her last day on pay status.

The employer must update the employee's appointment status in my|CalPERS. The employer must process the PERS-HBD-21 information in my|CalPERS. The employer must update the health enrollment to reflect enrollment in direct pay, cancellation due to off-pay status, **and** return to work status.

The health plan will then bill the employee directly on a monthly basis. The employee must send payments directly to the health plan.
- Remittance address will be provided on the bill
- Checks payable to the health plan
- Failure to submit the payment timely will result in cancellation and a lapse in coverage

"Off-Pay" Pending Disability Retirement
**Direct payment may be made by any enrolled employee when the employee is in an "off-pay" status and is awaiting approval for a disability retirement.**

Any enrollee in this situation is in a state of limbo, having been separated but not yet a retiree. The member's situation may remain unresolved for a lengthy period of time. To ensure continuation of services and prompt payment of claims while a disability retirement is pending, prepare an HBD-21 for the employee’s signature within thirty (30) days of their last day on pay status.

**If disability retirement is approved:**
Then the member is placed on the retirement roll and CalPERS will verify payments made to the health plan by the member. If payments were made, the agency will be billed for the employer share of the premiums paid by the member. The health plan will then refund the member.

**If disability retirement is denied:**
Then the member who has been paying directly to the health plan will be entitled to group coverage until the last day of the month in which the denial is issued. If the member becomes ineligible because of a denial for disability retirement, the member will be entitled to COBRA.
Direct Payment Authorization, Continuing Coverage while on "Off-Pay" Status, Continued

"Off-Pay" Other Reason
Direct payment may be made by any enrolled employee when the employee is in an "off-pay" status of over 30 days such as a leave of absence, pending worker’s compensation/claim, suspension, FMLA, or termination due to lay-off.

Note: An employee terminated due to lay-off may elect to use Direct Payment for up to one year or continue coverage for up to 36 months under the provisions of the Consolidated Omnibus Budget Reconciliation Act (COBRA). If the employee elects Direct Payment, they may forfeit their COBRA rights, as COBRA must be elected within 60 days of COBRA notification.

Adding or Deleting Dependents
While on Direct Payment, the employee may add or delete dependents. Open Enrollment plan changes are allowed during the annual Open Enrollment period while on "off-pay" status, or the employee may defer changing plans within 60 days after returning to regular pay status.

COBRA
Please refer to the COBRA section of this guide for further information.
Direct Payment Authorization, Continued
How to Complete the HBD-21

Part A
ITEMS 1-4: Complete with the appropriate employee information.

Part B
ITEMS 5-6a: Enter name, address, plan code and gross premium of the carrier.

ITEMS 6b-6c: Enter the ALPHABETICAL month and NUMBERICAL year to which the first direct pay premium is to be applied.

ITEMS 6d-6e: Employee must sign and date the form.

Part C
ITEMS 7-14: Check reason for the direct payment authorization. If Box #14 is checked, an explanation must be entered.

Part D
ITEMS 15a-15b: Enter agency name and employee position information.

ITEM 16: Enter the NUMERICAL beginning and ending dates that must correspond with the dates reflected on the employment history database. If the ending date is not available, such as for reasons 8, 13 and 14, allow one full year for direct pay.

Example: Employee applies for disability retirement and is separated on 10/15/00, which is the "from" date in box 16. The employer pays the November 2000 premium out of the October 2000 pay period. The employee starts the direct pay beginning with the December 2000 premium, and it may continue through November 30, 2001 which is the "to" date. The coverage may be extended after November 2001 if the disability retirement is still pending at that time.

Note: If the direct pay dates are extended through myCalPERS, a member will remain covered unless the employer contacts CalPERS.

ITEM 17: Enter the ALPHABETICAL month and NUMBERICAL year of the last pay period from which a payroll deduction was taken.

Note: If the employee enters non-pay status April 10, April should be entered in Item 17, and June in Part B, Item 6b. The appropriate year must also be entered. Deductions from the April pay period pay the May premium.

ITEMS 18-20: Health Benefits Officer or Assistant must complete and sign.
Direct Payment Authorization, Continued
Cancelling Coverage while on "Off-Pay" Status

Cancellation
An employee who is not on regular pay status for a full pay period or more may elect to either cancel their health benefits coverage or continue coverage by paying the premium directly to the health plan.

The employee’s pay status (appointment) must be updated in my|CalPERS prior to processing an employee’s health benefits election (cancel coverage or payment method).

PERS-HBD-12
If opting to cancel coverage, an employee must complete and submit the HBD-12 form (to be retained in the employee’s file) to their employer no later than the last day of the month following the month in which the last payroll deduction was taken. Once the appointment has been updated, the health benefits cancellation can be processed. A cancellation, off pay status must be processed through my|CalPERS.

Note: If the leave type is an "Unpaid Leave" or "Other Leave," the system will automatically cancel the health benefits and the employer will no longer be billed for the employee’s premiums.

Example:
Change in pay status (leave of absence)
1. Employee will be going on "off-pay" status on March 15.
2. Employer adds an appointment event (Begin Leave) in my|CalPERS to reflect the employee’s leave of absence. A leave type of "Unpaid Leave" or "Other Leave" will automatically cancel the employee’s health. March pay period pays the April premium; therefore, April is the last month of coverage.
3. Employee submits to the employer the HBD-12 electing to cancel coverage before they go on leave.
4. For all leave types other than an "Unpaid Leave" or "Other Leave," the employer would process a Cancel Coverage" health event type with a "Off Pay Status Cancel" health event reason in my|CalPERS.
Direct Payment Authorization, Continued
Cancelling Coverage while on "Off-Pay" Status

Resuming Coverage
If the employee elects to resume health coverage upon return to active pay status, another HBD-12 must be completed and retained in the employee’s file. The new enrollment must reflect the same health plan and dependents covered prior to the change in pay status, subject to eligibility factors. After my|CalPERS reflects the appointment with the return to pay status, my|CalPERS must then be updated with a new enrollment, Return from Off Pay Status during the month the employee returns to pay status to ensure proper health premium payment.

Example:
Change in pay status (return to work from an unpaid leave)
1. Employee returns to work on June 15.
2. Employer adds an appointment event (End Leave) in my|CalPERS to reflect the employee’s return to work. An "End Leave" will not automatically re-enroll an employee for health benefits.
3. Employee submits to the employer the HBD-12 by June 30 electing to re-enroll in health coverage.
4. Employer processes a "New Enrollment" health event type and a "Return from Off Pay Status" health event reason in my|CalPERS.

Timely completion and processing of the cancellation and resumption of coverage is necessary to avoid premium discrepancies and retroactive adjustments. If the employee does not elect to resume coverage upon the return to active pay status a request for reenrollment will only be allowed during a future Open Enrollment period under the provisions of the Health Insurance Portability and Accountability Act (HIPAA).
Direct Payment Authorization, Continued
How to Complete the HBD-21

"Off-Pay Status Cancel Health Coverage
ITEMS 1-4: Employee must complete with appropriate information.

ITEM 14: Enter Event Code 533.
ITEM 15: Enter date employee goes off pay status.
ITEM 16: Enter second month following the event date.
ITEMS 20-21: Employee must sign and date the form.
ITEMS 28-34: Enter agency specific information.
ITEM 35: Enter "EE elects to cancel coverage while off pay status."

The Health Benefits Officer or Assistant must sign the HBD-21 and retain it in the employee's file.
COBRA/Cal-COBRA (Group Continuation)

COBRA
Consolidated Omnibus Budget Reconciliation Act (COBRA) is a federally mandated program which requires continuation of health coverage when an event occurs that normally would have terminated coverage for an employee or dependent. This section is intended to provide basic information regarding COBRA. It is general in nature and not designed to render legal advice.

Generally, the employer must provide employees with COBRA rights within 45 days of separation from employment, or for dependents losing coverage, within 45 days of notification of dependent’s ineligibility for coverage.

Forms
- COBRA Election Form (PERS-HBD-85) (PDF)
- COBRA Election Form – Retirees Only (PERS-HBD-85R) (PDF)

Applicability
COBRA allows the employee or dependent to continue identical health coverage, regardless of pre-existing conditions.

COBRA is mandated by the federal government for employers with 20 or more employees.

Benefits & Rates
COBRA enrollees’ coverage (medical benefits, deductibles and co-payments) is identical to regular coverage under the Public Employees’ Medical and Hospital Care Act (PEMHCA). COBRA enrollees retain all benefits under their previous coverage, including Open Enrollment plan changes, addition of family members, etc.

Note: Enrolling in COBRA is a qualifying event to change health plans.

The monthly premium under COBRA is normally 102% of the current health plan rate. CalPERS sends out the new contract year COBRA rates with annual Open Enrollment information.

Payment
As an employer under PEMHCA, the agency does not collect premiums from the COBRA enrollee or maintain any record keeping for the health plans. Once the COBRA form is processed through myCalPERS, the COBRA enrollee interacts directly with the health plan carrier, unless the enrollee has future changes, e.g., changing plans, adding or deleting dependents, etc.

Coverage is continuous, so payment for premiums must be made from the date coverage is lost. Therefore, timely distribution of COBRA election materials is critical.
COBRA/Cal-COBRA (Group Continuation), Continued

Month Events
An employee and/or dependents may enroll in federal COBRA coverage for the following events:

<table>
<thead>
<tr>
<th>Qualifying Events</th>
<th>Coverage Period</th>
</tr>
</thead>
<tbody>
<tr>
<td>Separation from employment (except for “gross misconduct”)</td>
<td>18 months</td>
</tr>
<tr>
<td>Reduction in work hours (including layoff)</td>
<td>18 months</td>
</tr>
<tr>
<td>Military leave</td>
<td>24 months</td>
</tr>
<tr>
<td>Divorce or domestic partnership termination</td>
<td>36 months</td>
</tr>
<tr>
<td>Legal separation</td>
<td>36 months</td>
</tr>
<tr>
<td>Child that ceases to be dependent</td>
<td>36 months</td>
</tr>
<tr>
<td>Death of an employee or annuitant (unless dependent qualifies for continued coverage as a survivor)</td>
<td>36 months</td>
</tr>
</tbody>
</table>

Under COBRA, continuation coverage for the above events would end after 18 months. Cal-COBRA provides an additional 18 months of coverage for these events. However, the monthly premium for the additional 18 months is 110% of the health plan rate. (Up to 150% can be charged for disabled individuals.)

Events pertaining to employees apply to all "qualified beneficiaries." A qualified beneficiary is anyone who is covered on the plan on the day prior to the COBRA event. Each qualified beneficiary has separate election rights under COBRA and may choose their own health plan.

Dependents may enroll in COBRA for the following events:
- Divorce
- Legal separation or spouse moves out of household
- Death of an employee/annuitant that causes a covered spouse or dependent child to lose coverage
  - Survivor is pending determination for survivor benefits due to the "Pre-Retirement Death" of member
- Employee becomes eligible for Medicare and the Medicare entitlement causes covered dependent(s) (spouse or child) to lose coverage
- Dependent child ceases to be a dependent
  - Dependent child reaches age 26
  - Children of ’57 and ’59 Survivors reach age 18 and 22 respectively
**Secondary Events**
An extension of the 18-month continuation period can occur, if during the 18 months of continuation coverage, a second event takes place.

Second events include:
- Divorce
- Legal separation
- Death
- Medicare coverage
- Dependent child ceasing to be a dependent

The original 18 or 24 months of continuation would be extended to 36 months from the date of the original qualifying event for the qualified beneficiary spouse and/or dependent children. Since this "second event" is mandated by COBRA, the additional 18 months will be at 102% of the health plan premium. It is the responsibility of the qualified beneficiaries to notify the employer or CalPERS of the second event within 60 days of the event. Coverage cannot extend beyond 36 months from the original COBRA event.

**Disabled Enrollees**
The determination of a disabled individual (employee or dependent) must be made by the Social Security Administration. The plan administrator (former employer) must be informed within 60 days following the determination but prior to the end of the original 18-month enrollment. Individuals who become disabled within the first 60 days of COBRA may qualify for an additional 11 months of COBRA coverage up to a total of 29 months. The premium is 150% of the applicable group rate for the additional 11 months (months 19-29). Generally, Medicare begins in the 30th month and COBRA will end. However, if there is a need for coverage to be extended further, Cal-COBRA would provide seven additional months of coverage for a total of 36 months.

**Termination of COBRA Coverage**
The following events will terminate COBRA coverage:

- Termination of employer contracted health benefits coverage
- Failure to pay the premium in a timely manner
- Subscriber becomes entitled to Medicare coverage (but coverage for dependents may continue)
- Coverage as an employee under another group health plan, except if the other plan excludes a pre-existing condition which the COBRA coverage does not
- The expiration of the applicable coverage period

Upon involuntary expiration of the COBRA coverage, the enrollee may apply for a conversion policy.
Individual Conversion Policy
An individual conversion policy is an alternative to COBRA, or it can follow COBRA coverage. If an employee loses their CalPERS health benefits or COBRA coverage, they can request an individual conversion policy through their prior health plan, which is then underwritten by the plan. Individuals must request this new policy within 30 days of losing coverage. All CalPERS health plans offer this individual conversion policy option. The cost and benefits will differ from the cost of your previous coverage.

COBRA Provisions for New Contracting Agencies
A qualified beneficiary already participating in COBRA through the agency’s old plan may, if old plan is terminated, finish the COBRA period in a PEMHCA plan.

Some newly contracting agencies have agreements to continue children on plan after age 26 prior to joining CalPERS. These children will be set up in our COBRA plan for a period of 36 months from the date of the agency contract with CalPERS health. Dependents can choose any plan within his/her residential ZIP Code area.
Employee Separations

Reporting
Employers must update the appointment status of their employees in myCalPERS.

Always report the separation date.
Accurate reporting of employee separations will ensure correct billing on a monthly basis. Transactions that update the member’s enrollment status with the health plan, update the billing as well. During these status changes, timely* and accurate information will ensure a smooth transition for your employee and his/her dependents. The agency’s responsibility in each type of separation is listed below.

*Recent amendments to the California Code of Regulations (CCR), sections 599.502(f) (2) and 599.506(c) (1), limit the liability of health plans to reimbursement of premiums to six months. Please see the Retroactive Reimbursements section of this guide for more information.

Employee Resignations
Effective Date
Termination of the health insurance coverage as an active employee is the first day of the second month following the last day on payroll. Since this is prepaid health coverage and payroll deductions are taken the month preceding the coverage month, the employee is entitled to coverage for the month following the dismissal or resignation date (CCR 599.506).

COBRA
Provide employee with COBRA election forms. Please see the COBRA section of this guide for more information.

 Cancelling Coverage
If the employee does NOT want the coverage for the month following his/her separation, the employee must sign an HBD-12 electronically or physically electing to voluntarily cancel his/her coverage. If the employee cancels coverage, he/she will NOT be eligible for group continuation benefits (COBRA).

Leave of Absence
Continuing or Cancelling Coverage while on Leave of Absence
An employee who is not on regular pay status for a full pay period or more may elect to either cancel their health benefits coverage or continue coverage by paying the premium directly to the health plan (Direct Payment). The effective date is the last day of the second month following the Begin Leave date. Please refer to Direct Payment Authorization section of this guide for more information.
Employee Separations, Continued

Death of Employee
Effective Date
The effective date of the termination of the health insurance coverage is the first day of the month following the date of death. Provide dependents, if any, with COBRA election forms. Please see the COBRA section of this guide for more information.

Eligible Survivors of Deceased Active Employees
If your agency has filed a resolution electing participation under section 22819, complete an HBD-12 to enroll the eligible surviving family members.

Special provision for Survivors of Police and Firefighters
If the employee died because of injury or disease out of, and during his or her official duties, section 22820 will apply. Contact 888 CalPERS (or 888-225-7377) for more information.

Separation for Service Retirement Reporting
- Employees must apply for Service Retirement from their respective retirement systems
  - CalPERS members must file an Application for Service Retirement (PERS-BSD-369-S) (PDF) which can be done online through myCalPERS member self-service. If possible, the employee should submit this form to PERS at least 90-days prior to retirement date
- Employers must update the appointment status (permanent separation) for their employees in myCalPERS
- Please see the Health into Retirement section in this guide for more information.

Effective Date
Termination of the health insurance coverage as an active employee is the first day of the second month following the last day on payroll. After a permanent separation is entered, the system will use the previous day to derive the effective date for health into retirement. Our office will continue billing as an active employee until then.

Direct Pay
While it is not necessary to submit a Direct Payment Authorization (PERS-HBD-21) (PDF) form when an application for service retirement is being processed, it may be done if a delay in receiving retirement benefits is anticipated. Please refer to the Direct Payment Authorization section in this guide for a more information.

After the permanent separation is processed, process a new enrollment "pending retirement" in myCalPERS.
Employee Separations, Continued

Separation for Disability Retirement Reporting
- Employees must apply for disability retirement from their respective retirement systems
  - CalPERS members must file an Application for Disability Retirement (PERS-BSD-369-D) (PDF)
- Employers must update the appointment status for their employees in my|CalPERS
- For CalPERS members, employers also submit a Report of Separation and Advance Payroll Information (PERS-BSD-194) (PDF)

Effective Date
Termination of the health insurance coverage as an active employee is the first day of the second month following the last day on payroll. Our office will continue billing as an active employee until then.

Continuing Coverage (Direct Pay)
Applications for disability retirement can take a long time to process (months), resulting in a delay of retirement benefits. It is strongly recommended that employees submit an HBD-21 when a disability retirement is pending. Otherwise, the member will not be covered until the retirement account is established. If the member requires health services during this time, they will be denied. Please refer to the Direct Payment Authorization section of this guide for more information.
Health Benefits into Retirement

Eligibility
To be eligible for health coverage in retirement, the following conditions must be met:

- Person must retire within 120 days from date of separation
- Person must receive a monthly retirement allowance from CalPERS, CalSTRS, or other retirement system*
- Person must have been eligible for enrollment on date of separation
- Agency remains contracted with CalPERS for health benefits for their specific bargaining unit

*Note: Retirees who elect a lump sum payment are not eligible for health benefits.

Health into Retirement CalPERS & CalSTRS
The employer must change the employee’s appointment status to "Permanent Separation" in my|CalPERS. The permanent separation will cancel the health.

Note: The employer must verify if the permanent separation is updated.

For STRS employees who do not want to continue health into retirement, employers can select the checkbox in the Appointment Event Details panel labeled:

- STRS member wishes to decline continuation of CalPERS health coverage into retirement

Note: For STRS employees, employers can update the appointment in my|CalPERS or via file upload, depending on how the agency submits enrollment changes.

Do not process a New Enrollment – Retirement transaction.

Complimentary Annuitant Premium Program (CAPP)
CAPP allows annuitants the option to remain enrolled in a CalPERS-sponsored health plan when their retirement warrant does not cover the full health premium.

CAPP is a prepaid program which requires a monthly health premium payment.

The annuitant must elect to enroll in CAPP by checking the "Continue Health Coverage" box on the mailed CAPP Election form, sign and return to CalPERS along with the payment required on the election form. If CAPP is not elected, health coverage must be cancelled. The annuitant will not be allowed to re-enroll until the next Open Enrollment period.

When will coverage into retirement begin?

<table>
<thead>
<tr>
<th>If separation and retirement dates are...</th>
<th>and...</th>
<th>then health coverage...</th>
<th>Note</th>
</tr>
</thead>
<tbody>
<tr>
<td>within 30 days of each other</td>
<td>the employee is enrolled in a health plan at the time of separation</td>
<td>will continue automatically into retirement without a break</td>
<td>If the employee does not want to continue health benefits into retirement, they must cancel health coverage through the employer.</td>
</tr>
</tbody>
</table>
| between 31 and 120 days of each other     | the employee is enrolled in a CalPERS health plan at the time of separation | will not automatically continue. The employee may request to re-enroll with CalPERS as follows:  
  - Within 60 days of the retirement date  
  - During Open Enrollment  
  - Due to the 90-day HIPAA Late Enrollment | When the health coverage lapses they may be eligible for COBRA. |
| more than 120 days apart                  | regardless of whether they are enrolled in a CalPERS health plan at the time of separation | cannot be reinstated. They are no longer eligible for CalPERS health benefits. | There are some exceptions to the rule.  
For more information regarding exceptions, contact CalPERS. |

**Note:** If the person is NOT enrolled in health as an active employee but wants health in retirement, he/she must contact CalPERS to enroll into health as a retiree.
Health Benefits into Retirement, Continued

**Health into Retirement Non-CalPERS**
The employer must change the employee’s appointment status to "**Permanent Separation**" in my|CalPERS. Do not cancel health itself, as the separation will cancel health.

**What will happen-?**

<table>
<thead>
<tr>
<th>If the person retires within 120 days of separation…</th>
<th>He/she is eligible to participate in CalPERS health benefits as a retiree.</th>
</tr>
</thead>
<tbody>
<tr>
<td></td>
<td><strong>There is no automatic continuation into health.</strong> Employers can set up the participant’s retiree health by processing a <strong>New Enrollment – Retirement</strong> transaction in my</td>
</tr>
<tr>
<td></td>
<td>• <strong>Health Event Type: New Enrollment</strong></td>
</tr>
<tr>
<td></td>
<td>• <strong>Health Event Reason: Retirement</strong></td>
</tr>
<tr>
<td></td>
<td>• <strong>Health Event Date: The month prior to the effective date</strong></td>
</tr>
</tbody>
</table>

| If the person retires after 120 days of separation… | He/she is **no longer eligible** to participate in CalPERS health benefits. |

**Billing of Retiree Share**
- For PERS members, CalPERS will set up warrant deductions for the retiree share of the health premium
- For STRS members, CalPERS will contact STRS to set up warrant deductions for the retiree share of the health premium
- For Other Non-PERS members, CalPERS will continue to bill the employer for the full premium. Employers must set up a payment system between the Non-PERS retiree and the agency for the retiree’s share.

**CalPERS as HBO**
Remind employees that CalPERS becomes the HBO for retirees and to direct retirees to the CalPERS Customer Contact Center if they have enrollment changes or questions about their CalPERS Health Benefits.

**Circular Letters**
For more information on permanent separation dates, please refer to Circular Letters [200-070-11 (PDF)], [200-002-13 (PDF)] and [200-015-16 (PDF)].
Health Benefits into Retirement, Continued

Options Upon Retirement After Reinstatement
Government Code (Gov. Code) 22838 allows a retiree who reinstates and retires a second time to receive health benefits from the employer from which the retiree first retired, provided the retiree was eligible for post-retirement health coverage with the first employer and has separated and retired within 120 days from the second employer. The Gov. Code applies to retirees who, after reinstatement subsequently retire on or after January 1, 2014 if all the following criteria are met.

- The retiree was eligible for retiree health coverage prior to reinstatement from retirement, and
- The employee then retires a second time within 120 days of separation, and
- The post-retirement employer contribution of the first employer is higher than the second employer, and
- The request must be sent to CalPERS by the retiree.

A retiree meeting these eligibility requirements may elect to enroll in health under the former employer during the following times:

- Within 60 days of the annuitant’s re-retirement date, or
- During an Open Enrollment period where no prior election has been made
Medicare

Medicare
Medicare is a federal health insurance program for individuals age 65 and older or those under age 65 with certain Social Security-qualified disabilities. The Social Security Administration (SSA) is the federal agency responsible for Medicare eligibility determination, enrollment and premiums. The Centers for Medicare & Medicaid Services (CMS) regulates the Medicare program.

- Medicare Part A is hospital insurance that helps pay for inpatient hospital stays, skilled nursing facilities, hospice care and some home health care.
- Medicare Part B is medical insurance that helps pay for outpatient health care expenses, including doctor visits. Annually, SSA establishes the monthly Medicare Part B premium amount. The monthly Medicare Part B premium must be paid to the SSA to remain enrolled in Part B.

Medicare Enrollment (Turning Age 65)
Four months prior to the active or retired member’s and/or dependent(s) 65th birth month, they will receive notification from CalPERS of the requirements to continue CalPERS health coverage after turning age 65. The notification includes:

- Ineligibility of Medicare Certification form
- Medicare Plan Options

Medicare-eligible members (Over Age 65)
Gov. Code section 22844 and California Code of Regulations (CCR) 599.17 prohibits members and their dependents over 65 and eligible for premium free Medicare Part A from enrolling in a CalPERS basic health plan. Medicare-eligible is defined as members who are eligible for Medicare Parts A and B. Members will need to provide CalPERS verification of Medicare status by submitting the Certification of Medicare Status (PDF) form available on the CalPERS website.
Medicare, Continued

Active Members
When a member is actively employed past age 65 and their health coverage is based on current employment, they will remain enrolled in a CalPERS basic health plan.

Active Medicare-eligible members and/or dependents:

1. May defer Medicare enrollment through the SSA if they are covered under an active employer group health plan (EGHP).
2. Must provide CalPERS verification of Medicare status by submitting the Certification of Medicare Status (PDF) form available on the CalPERS website.

If a member is deferring enrollment in Medicare Part B, they must complete and submit the Ineligibility of Medicare Certification (PDF) form or the Certification of Medicare Status form indicating the reason for deferral:

- Member is still working and has active employer group health coverage
- Member's spouse is still working, and the member is covered under their active employer group health coverage

The member must provide supporting documentation showing proof of enrollment in an active EGHP through the current employer.

Once this information is received by CalPERS, the member may remain in a CalPERS Basic (non-Medicare) health plan until retirement or until the member loses their active coverage in the EGHP. If the member later retires or loses their employer group health coverage through active employment, they'll no longer be eligible to remain in a CalPERS Basic (non-Medicare) health plan. To continue CalPERS health coverage the member must enroll in Medicare Part A and Part B, provide documentation of enrollment to CalPERS and transition to a CalPERS Medicare health plan. The SSA will allow the member to enroll in Medicare Part B without a late-enrollment penalty if they're eligible to enroll during a Special Enrollment period.

Coordination of Benefits
If a member has Medicare and other health coverage, each type of coverage is called a "payer". When there is more than one payer, CMS coordination of benefits rules decide which party pays first. The primary payer pays what is owed on a member's bill first and a secondary payer is sent the remainder to pay.

An active member and/or dependent may enroll in Medicare; however, the basic health plan will be the primary payer while the member is actively working and covered by an EGHP and Medicare will be the secondary payer.

To learn more about CMS coordination of benefits rules, CMS publishes Who Pays First, a guide to how Medicare works with other types of coverage.
Medicare, Continued

Retired Members
When a member is retired and the member and/or dependent is over 65 and Medicare eligible they must enroll in Medicare or provide supporting documentation to CalPERS from the SSA that they are ineligible for Medicare.

This action must be taken prior to their 65th birth month or within 90 days of retirement or CalPERS health coverage will be cancelled the first of the month following the retirement date.

Retired Medicare-eligible members must:
1. Enroll in Medicare Parts A and B with the SSA.
2. Provide CalPERS verification of Medicare status by submitting the Certification of Medicare Status form.
3. Enroll in a CalPERS Medicare health benefits plan to continue their CalPERS health enrollment. CalPERS offers several Medicare health plans and will enroll you in a CalPERS Medicare health plan of your choice.

If a member and/or their dependent(s) are not enrolled in Medicare and eligible for premium free Part A, they will need to contact SSA to enroll in Medicare Part A and Part B. After enrolling in Part A and Part B with SSA, they will need to submit documentation of their Medicare status to CalPERS.

Medicare Enrollment (Under Age 65)
If a member is under the age of 65 and Medicare eligible they may provide their Medicare Part A and Part B information to CalPERS by submitting a copy of your Medicare card and electing to transfer to a CalPERS Medicare health plan. Enrollment into a CalPERS Medicare health plan will be processed and effective upon approval by CMS.

If a member or a dependent is enrolled in Medicare Parts A and B, then they or their dependent(s) may be eligible to enroll in a CalPERS Medicare health plan. For active employees and their dependents, federal law limits enrollment in a CalPERS Medicare health plan to those diagnosed with Amyotrophic Lateral Sclerosis (ALS) or End-Stage Renal Disease (ESRD) that have completed any applicable coordination periods.
**Medicare, Continued**

**Additional Resources**
The Social Security Administration (SSA) is the federal agency responsible for Medicare eligibility determination, enrollment and premiums. For more information contact the SSA at (800)772-1213 or TTY (800) 325-0778 or visit their website at www.ssa.gov.

The Centers for Medicare & Medicaid Services (CMS) regulates the Medicare program. For more information contact CMS at (800) 633-4227 or TTY (877) 486-2048 or visit their website at www.cms.gov.

CMS publishes Medicare & You, a handbook that provides general information about Medicare.

Who Pays First, a guide to how Medicare works with other types of coverage.

The CalPERS Medicare Enrollment Guide (MEG) provides information about how Medicare works with CalPERS health benefits. For additional information regarding CalPERS health benefits, visit our website at www.calpers.ca.gov or call CalPERS at 888 CalPERS (or 888-225-7377).
Survivor Benefits (Special Legislation)

STRS Survivors without an Allowance
Effective January 1, 2001, Assembly Bill 2383 established an annuitant category for survivors of CalSTRS retirees left without an allowance. Please refer to Gov. Code section 22760(i), which states the conditions for such survivors to be eligible for CalPERS health coverage.

(1) A family member of a deceased retired member of CalSTRS, if the deceased member meets the following conditions:
(A) Retired within 120 days of separation from employment; and
(B) Retired before the member’s school employer elected to contract for health benefit coverage under PEMHCA, and
(C) Prior to death received a retiree allowance from STRS but did not provide for a survivor allowance to family members.

In the instance of a school employer that newly elects coverage under PEMHCA, the family member must elect coverage as an annuitant within one calendar year from the date that the school employer elected health benefit coverage through PEMHCA.

These survivors are deemed annuitants and have a mandatory right to enroll by law. Survivors are entitled to the employer contribution the employer provides other retirees of the same bargaining group.

Survivors of Active Employees
Gov. Code section 22819 allows survivors of active employees to be eligible for CalPERS health coverage. The survivors of the active employee would be made an eligible annuitant on the date of the active employee’s death.

Employers must file a separate resolution electing this provision.

(a) A family member of a deceased employee of a contracting agency who is validly enrolled or is eligible for enrollment hereunder on the date of the employee’s death is deemed to be an annuitant under Section 22760, pursuant to regulations prescribed by the board.

(b) A contracting agency shall remit the amounts required under Section 22901 as well as the total amount of the premium required from the employer and enrollees hereunder in accordance with regulations of the board. Enrollment of the annuitant and eligible family members shall be continuous following the death of the employee, or the effective date of enrollment, so long as the surviving family members meet the eligibility requirements of Section 22775 and regulations pertinent thereto. Failure to timely pay the required premiums and costs or the cancellation of coverage by the annuitant shall terminate coverage without the option to reenroll. The contracting agency may elect to require the family members to pay all or any part of the employer premium for enrollment.

(c) This section shall apply to a contracting agency only upon the filing with the board of a resolution of its governing board electing to be subject to this section.
Survivor Benefits (Special Legislation), Continued

Survivors of Other Annuitants without an Allowance
Effective January 1, 2011, Gov. Code section 22819.1 allows for other survivors without an allowance to be eligible for CalPERS health coverage.

Employers must file a separate resolution electing this provision.

(a) A family member of a deceased annuitant who retired from a contracting agency prior to the effective date of the agency’s contract to provide health coverage under this part, and who was validly enrolled in the agency’s health plan on the day prior to the effective date of the contract under this part, but who does not receive an allowance in place of the annuitant, is deemed to be an annuitant for purposes of Section 22760, pursuant to regulations prescribed by the board.

(b) A contracting agency shall remit the amounts required under Section 22901 as well as the total amount of the premium required from the employer and enrollees in accordance with regulations of the board. Enrollment of the eligible family members shall be continuous following the death of the annuitant, or the effective date of enrollment, as applicable, so long as the surviving family members meet the eligibility requirements of Section 22775 and any regulations promulgated with respect to that section. Either a failure to timely pay the required premiums and associated costs of the coverage or the cancellation of coverage shall terminate the coverage without the option to reenroll. The contracting agency may elect to require the family members to pay all or any part of the employer premium for enrollment.

(c) This section shall apply to a contracting agency only upon the filing with the board of a resolution of its governing board electing to be subject to this section.

Billing
CalPERS will charge the employer for the survivor’s full premium. This will appear on the retired portion of the Health Premium Statement. It will be the responsibility of the employer to collect from the survivor any premium due in excess of the contracted employer share.
Billing Instructions

What You Are Billed For
Employers are billed on a monthly basis for the following:

<table>
<thead>
<tr>
<th>Billed</th>
<th>For</th>
<th>Note</th>
</tr>
</thead>
<tbody>
<tr>
<td>Full premium</td>
<td>Active employees</td>
<td>Member share of premium is collected by employer</td>
</tr>
<tr>
<td>Employer contribution</td>
<td>Retirees/Survivors (PERS or STRS)</td>
<td>Member share of premium is deducted from member’s monthly warrant</td>
</tr>
<tr>
<td>Full premium</td>
<td>Retirees/Survivors (Other Non-PERS)</td>
<td>Member share of premium is collected by employer</td>
</tr>
<tr>
<td>Full premium</td>
<td>Survivors without an allowance</td>
<td>Member share of premium is collected by employer</td>
</tr>
<tr>
<td>Administrative fee</td>
<td>All subscribers, including active employees and retirees/survivors</td>
<td>Administrative fee is calculated on Total Active and Retired Premium</td>
</tr>

</table>

my|CalPERS Transaction Cut-Off Dates
For public agencies and school employers, cut-off dates change each month. The cut-off dates are published annually in a Circular Letter.

Transactions processed after the cut-off dates will be reflected on a subsequent Health Premium Statement.

Health Premium Statement
Health Premium Statements are available in my|CalPERS on or about the 15th of each month. For employers who have selected "Mail" as the Preferred Communication, a copy of the statement will also be mailed on or about the 15th. Payment is due in full on the 10th of the following month. If the 10th falls on a holiday or weekend, payment is due on the last business day prior to the 10th. Interest will be assessed on late payments (California Code of Regulations section 599.515).
Billing Instructions, Continued

Delinquency
Payment is to be paid as billed and on time, or the agency will be placed in delinquent status and subject to interest, penalties, premium deposits and/or termination.

CalPERS has the authority to impose interest penalties pursuant to Gov. Code section 22899: (c) If a contracting agency fails to remit the contributions when due, the agency may be assessed interest at an annual rate of 10 percent and the costs of collection, including reasonable legal fees, when necessary to collect the amounts due. In the case of repeated delinquencies, the contracting agency may be assessed a penalty of 10 percent of the delinquent amount. That penalty may be assessed once during each 30-day period that the amount remains unpaid. Additionally, the contracting agency may be required to deposit one-month’s premium as a condition of continued participation in the program.

CalPERS also has the authority to terminate an agency’s health resolution pursuant to Gov. Code section 22939: The board may terminate the participation of a contracting agency if it fails for three months after a demand to perform any act required by this part or by board rules or regulations.

Reconcile Your Statement
The Monthly Employer Billing Roster is located within the Billing and Payment Summary section in my|CalPERS and provides a detailed listing of health premiums billed, including adjustments, for both active and retired subscribers. Please ensure that only eligible members are enrolled in coverage and that their enrollment information, such as retirement system and medical group, is accurate.

Once you download your monthly billing roster, you can format it into HTML, PDF, XML or Excel by using the drop-down arrow in the top right corner of the screen.

Any discrepancies or errors will be adjusted on a future statement. You must pay the total amount billed to avoid interest and penalties.
Billing Instructions, Continued

Remitting Payment by Electronic Funds Transfer (EFT)

Effective 1/1/2018, all payments must be made via EFT.
- Establish an EFT account in myCalPERS
- Notify your bank that the CalPERS ACH ID number (1946207465) is assigned as an approved payee
- Allow two banking days prior to the due date for payments to be received by CalPERS on time

Multiple Accounts
When submitting your remittance through EFT, you must complete separate transfers for each account.

Resources
If you have any questions or need assistance setting up your EFT account in myCalPERS, refer to the myCalPERS Electronic Funds Transfer guide or contact the CalPERS Customer Contact Center at 888 CalPERS (or 888-225-7377).
