About Service Retirement

Service retirement is a lifetime benefit that is derived from key employment information you provide. Your employee may apply for a service retirement when they have five years of CalPERS service and meet the age requirement. If they were hired prior to January 1, 2013 they must be age 50. If they were hired on or after January 1, 2013, they must be at least age 52.

When an employee retires, their lifetime retirement benefit is calculated using a formula that includes years of service credit, age at retirement, and final compensation. Final compensation is their highest average full-time monthly pay rate for a 1-year or 3-year period based on the employer contract or collective bargaining unit agreement. It is critical that service credit and final compensation be reported correctly to ensure the employee retires without delay and receives the correct retirement allowance.

While there are many variables in figuring your service retirement benefits, the basic formula is:

\[
\text{Service Credit (years)} \times \text{Benefit Factor (percent per year)} \times \text{Final Compensation (monthly, dollars)} = \text{Unmodified Allowance (pension)}
\]

A member’s retirement benefit formula is based on their membership category, which is determined by the employer, classification (miscellaneous, safety, industrial, or peace officer/firefighter) and specific provisions outlined in each agency’s contract with CalPERS.

Public Agency Contract Information

To contract for retirement benefits with CalPERS, an employer must be an agency or instrumentality of a State or a political subdivision of a State, under Internal Revenue Code (IRC) section 414(d), and meet the following definition of a “public agency” as defined by Government Code (Gov. Code) section 20056, of the California Public Employees’ Retirement Law (PERL): “Public agency” means any city, county, district, other local authority or public body of or within this state.

Retirement benefits can be provided for two general membership categories, miscellaneous and safety. Contracts vary depending upon the:

- Member categories covered
- Formula the agency elects to provide
- Optional benefit provisions selected

These optional benefits may be established with the original contract or they may be added through the contract amendment process at a later date (see Amendments and Valuation Requests).

Public agencies may contract for multiple plans and options. For example, an agency may have a miscellaneous plan for employees who are not in a hazardous occupation and one or more safety plans for police, firefighters, peace officers, and other safety employees.

The PERL stipulates certain components be incorporated in the public agency plans; whereas others are optional.

The following Gov. Code provisions are mandated for all public agencies:

- Section 21620 ($500 Retired Death Benefit)
- Section 21329 (2% Cost of Living (COLA))
- Section 20037 (Three-Year Final Compensation)
- Section 21551 (Continuation of Pre-Retirement Death Benefits After Remarriage of Survivor)

Gov. Code sections 20840, 20841, and 20842 authorize the CalPERS’ Board to create risk pools for public agencies and mandate participation for all agencies with less than 100 active members.

Beginning July 1, 2005, plans with less than 100 active members were mandated into risk pools. Gov. Code section 20840(e) requires that each pool contain the following benefits:

- Section 20965 (Credit for Unused Sick Leave)
- Section 21022 (Public Service Credit for Periods of Layoffs)
- Section 21023.5 (Public Service Credit for Peace Corps or AmeriCorps: VISTA Service)
- Section 21024 (Military Service Credit as Public Service)
- Section 21026 (Public Service Credit for Service Rendered to a Nonprofit Corporation)
- Section 21027 (Military Service Credit for Retired Persons)
- Section 21536 (Local System Service Credit Included in Basic Death Benefit) – only applicable when public agency transfers its Local Retirement System
- Section 21548 (Pre-Retirement Option 2W Death Benefit)

Prospective contracting agencies must choose a lump sum death benefit amount, COLA percentage for retired members and a level of pre-retirement survivor benefits for employees not covered by Social Security.

In addition to the mandated benefits listed above, agencies have the choice of optional benefits which can be located in the Optional Benefits Listing (PERS-CON-40) (PDF). The PERS-CON-40 contains a full listing of benefits available to public agencies and is available on the CalPERS website at www.calpers.ca.gov.

Through myCalPERS (CalPERS’ computer application), your agency has immediate access to all of its current contract information.

Initiate New Contract

Your agency must be a public agency as defined by the PERL, e.g., city, county, town or special district (refer to Gov. Code sections 20056 and 20057 for a complete description) and must undergo the CalPERS eligibility determination process to assess whether it qualifies for participation in a governmental plan, as defined by Internal Revenue Code 414(d) and the PERL.
If you are unsure whether your agency meets the criteria, you should contact our Customer Contact Center at 888 CalPERS (or 888-225-7377).

You must complete CalPERS’ Public Agency Applicant Questionnaire (PDF, 1.18 MB) (A.Q.) to initiate Phase I of the CalPERS two-phase contracting process (see Circular Letter 200-022-13 (PDF)) and have a pension contract analyst assigned to your case.

You will be notified by your pension contract analyst once the contract eligibility determination is complete.

Agencies that meet contract qualification requirements will receive a Phase II information packet which includes a New Agency Questionaire, Optional Benefits Listing (PERS-CON-40) (PDF), Summary of Major Provisions and copies of applicable benefit booklets and publications.

Depending upon the complexity of your case, the contracting process can take 12 months to complete.

If your agency chooses to pursue contracting with CalPERS, you must complete and return the Public Agency Applicant Questionnaire and return all supporting documents of origin, including the Employer Certification form. CalPERS cannot continue processing the contract request until all required documents have been received.

The retirement contract process includes (but is not limited to):

- Confirmation/validation of questionnaire information
- Determination of contract provisions and benefits
- An actuarial valuation
- Review of required documents
- Establishing contract effective date

As you near the end of the contracting process, a CalPERS customer service representative will contact you to schedule training.

If a unit of your agency has evolved into a separate entity independent from the CalPERS reporting employer, please contact our Customer Contact Center at 888 CalPERS (or 888-225-7377) for more information.

Amendments and Valuation Requests

You may request a contract amendment, actuarial valuation or to terminate a contract using myCalPERS. The required documents and associated contracts will be uploaded to the system to automatically begin the process.

You may also research in myCalPERS the:

- Contract change status
- Current phase of the contract amendment process
- Contract elements under review
- Request for additional information
- Approval of the contract amendment
- Contract amendment activation date

For additional information, visit the CalPERS website at www.calpers.ca.gov or contact the CalPERS Customer Contact Center at 888 CalPERS (or 888-225-7377).

The Optional Benefits Listing (PERS-CON-40) (PDF) contains all the benefits your agency can contract for and is available on the CalPERS website at www.calpers.ca.gov.

Additionally, you may request multiple valuations and confirm your intent to pay for the valuation using myCalPERS. A notification will be sent electronically when the valuation is ready to view online. Please note that CalPERS must receive payment before the valuation request can be processed.

Public Employees’ Pension Reform Act of 2013 (PEPRA)

Public employers will be prohibited from granting retroactive pension benefit enhancements that apply to service performed prior to the effective date of the retirement contract amendment (Gov. Code section 7522.44).

PEPRA Gov. Code section 7522.02 reduces benefit formulas and increases retirement age provisions and Gov.Code section 7522.15 creates new defined benefit formulas for all new miscellaneous (non-safety) and safety members on and after January 1, 2013.

NOTE:
Please see the Membership chapter of this Guide for the definition of a new member under PEPRA.
For new safety members, Gov. Code section 7522.25 the law provides for three possible retirement formulas and requires that new safety members be provided with the new formula that is closest to the formula offered to classic members of the same classification and provides a lower benefit at 55 years of age than the formula offered to classic members. The three new defined benefit formulas for new safety members include an early retirement age of 50 and a maximum benefit factor at age 57.

For all new miscellaneous members, Gov. Code section 7522.20 states that the new defined benefit formula is 2% at age 62; with an early retirement age of 52 and a maximum benefit formula of 2.5% at age 67.

The new formulas were implemented on January 1, 2013. Effective December 31, 2012, legislatively mandated formulas and provisions were merged with your agency’s existing optional provisions, with some exceptions, to create the new benefit groups.

Resolutions

In myCalPERS, you can upload and submit resolutions online. Sample resolutions are available on the CalPERS website, such as Employer Paid Member Contributions or Tax Deferred Member Contributions. These on-line resolutions, located under Forms & Publications, are available for your downloading, completing, and obtaining your governing body’s retirement contracting approval. Once the signed resolutions are submitted electronically via myCalPERS, myCalPERS will confirm receipt by displaying the status.

Risk Pooling (Gov. Code sections 20840, 20841 and 20842)

Risk pooling is the process of combining assets and liabilities across employers to produce large risk sharing pools. Most CalPERS employers are in a “risk pool”. These risk pools help reduce or eliminate the large fluctuations in the employer’s contribution rate caused by unexpected demographic events.

The CalPERS Board is authorized to create risk pools for public agencies and mandate participation for all plans with less than 100 active members. Your agency will be assigned to risk pools based on your service retirement formula and member category. An agency may have more than one risk pool in its plan. Gov. Code section 20840(e) requires that each pool contain certain benefits; however, agencies can amend their contracts for optional benefits.

For additional information visit the CalPERS website at www.calpers.ca.gov or contact the CalPERS Customer Contact Center at 888 CalPERS (or 888-225-7377).

NOTE: Any questions regarding establishing a contract or requesting an amendment should be directed to the CalPERS Customer Contact Center at 888 CalPERS (or 888-225-7377) or visit the CalPERS website at www.calpers.ca.gov

Employee Cost Sharing

Gov. Code section 20516 (Employees Sharing Additional Cost) permits employees to share a portion of their employer’s pension cost. There are two methods: Amendment Method and Memorandum of Understanding (outside CalPERS).

Amendment Method:
The employer and employees have agreed in writing to share additional cost. The agreement must be reviewed and approved by CalPERS before any agency may proceed with the amendment.
The increased member contributions will be credited to each member’s account as normal contributions and will be refundable to members who separate from CalPERS covered employment and elect to withdraw their contributions.

If an employer adopts an IRC section 414(h) (2) resolution, the members contributions (including the cost sharing portion) are tax deferred.

NOTE:
Please contact the Internal Revenue Service (IRS) regarding any questions involving tax consequences related to this method of cost sharing at 800-829-4059 or visit the IRS website at www.irs.gov
The County Superintendents of Schools were mandated into the California Public Employees’ Retirement System (CalPERS), effective July 1, 1949, by the State (Gov. Code section 20063) to provide for classified positions. Retirement coverage of CalPERS school members is uniform throughout the State excluding County Superintendents of Schools who have contracted for Two Years Additional Service Credit (Gov. Code section 20904; see Optional Contract Provisions for County Schools).

The following provisions are mandated benefits provided to (classified) school members by legislation:

**Military Service Credit (Gov. Code section 20997)**
If a member was granted a military leave of absence under Gov. Code section 20990, entered the military within 90 days of leaving the agency and returned within 6 months of his/her discharge, the agency will pay all the contributions for the absence.

**1959 Survivor Benefits (Gov. Code section 21574.7)**
Members covered by the 1959 Survivor Benefit are not covered by Social Security. This benefit consists of a monthly allowance payable to eligible family members if the member’s death occurs during employment.

**Sick Leave Credit (Gov. Code section 20963)**
Pursuant to Gov. Code section 20963.5, Gov. Code section 20963 shall apply to school members who retire on or after January 1, 1999, and will receive additional service credit at the rate of 0.004 years for each day of unused sick leave.

**Sick Leave Credit – School Safety Members (Gov. Code section 20963.5)**
Service credit for unused sick leave is not applicable to school safety members employed on July 1, 1980, and who retired prior to January 1, 1999. Credit for unused sick leave may apply to school safety members who retire after January 1, 1999. At retirement, each school safety member will receive 0.004 years of service credit for each day of unused sick leave.

**Retired Death Benefit (Gov. Code section 21623)**
This section provides that the death benefit paid to beneficiaries of retired members will be $2,000.

**Post-Retirement Survivor Allowance (Gov. Code sections 21629 and 21630)**
The Post-Retirement Survivor Allowance benefit provides that upon the death of a member after retirement for service or disability, an allowance shall be continued to the surviving spouse/domestic partner.

For service retirement, the surviving spouse/domestic partner must be married/registered to the member for one year prior to the member’s retirement and be married continuously to the date of the retired member’s death.

For disability retirement, there is no marriage vesting requirement. The surviving spouse/domestic partner who was married/registered to the member on the date of their retirement and continuously to the date of the member’s death is entitled to this benefit.

Natural or adopted unmarried children under age 18 are eligible if the member has no eligible spouse. The children will receive this monthly benefit until their marriage or age 18. An unmarried child who was disabled prior to age 18 and whose disability has continued, without interruption, will receive this benefit until the disability ends or until their marriage. Qualifying dependent parents are eligible if the member has no eligible spouse or eligible children.

**Final Compensation (Gov. Code section 20035.5)**
Final Compensation is the highest annual compensation earned by the school member during a consecutive 12-month period of employment immediately preceding the effective date of their retirement or any other highest paid consecutive 12-month period of CalPERS covered employment.
NOTE:
The Public Employees’ Pension Reform Act of 2013 (PEPRA) that took effect on January 1, 2013 implemented a 3-year final compensation period for school employees that meet the definition of a new member under PEPRA.

Reduced Workload Program – Certificated and Academic Employees (Gov. Code section 20900)
A member participating in the Reduced Workload Program will reduce his or her time base from full-time to part-time. While employed part-time the member shall receive the service credit that he or she would have earned if he or she was employed on a full-time basis, provided the member and his or her employer both elect to contribute to CalPERS the amount that would have been contributed if the member was employed on a full-time basis.

Employer personnel departments, in conjunction with CalPERS administrative staff, are responsible for the administration of the Reduced Workload Program and requirement to verify the eligibility of the applicant for the program. To be eligible to participate in the Reduced Workload Program, members must meet each of the following criteria:

1. A) Be a certificated employee of a school district; or
   B) Be an academic employee of a community college district; and
2. Employee must be subject to the criteria provided in Education Code sections 44922, 87483, or 89516;
3. Must not be older than 70 years of age;
4. Their appointment under the Reduced Workload Program is limited to a period of five years of part-time service.

The employer shall maintain the necessary records to separately identify each employee receiving credit pursuant to Gov. Code section 20900.

CalPERS members and employers must complete and submit the Reduced Workload Program Eligibility and Election Certification (PDF) form to CalPERS. This form can be downloaded from the CalPERS website under Forms & Publications.

Refer to the Payroll Reporting section for additional requirements and instructions on how to report payroll for employees in the Reduced Workload Program.

Reduced Workload Program – Classified Employees (Gov. Code section 20905)
A member participating in the Reduced Workload program will reduce their time base from full-time to part-time. While employed part-time the member shall receive the service credit that he or she would have earned if he or she was employed on a full-time basis, provided the member and his or her employer both elect to contribute to CalPERS the amount that would have been contributed if the member was employed on a full-time basis.

Employer personnel departments, in conjunction with CalPERS administrative staff, are responsible for the administration of the Reduced Workload Program. To be eligible to participate in the Reduced Workload Program, members must meet each of the following criteria:

1. A) Be a classified employee of a school employer; or
   B) Be a classified employee of a community college; and
2. Employee must be subject to the criteria provided in Education Code sections 45139 and 88038.

The employer shall maintain the necessary records to separately identify each employee receiving credit pursuant to Gov. Code section 20905.

Refer to the Payroll Reporting section for additional requirements and instructions on how to report payroll for employees in the Reduced Workload Program.
Optional Contract Provisions for County Schools

The following provisions are optional benefits that county schools may contract for:

Optional Membership for Part-Time Employees (Gov. Code section 20325)
Regular part-time employees who are excluded from CalPERS membership because they work less than an average of 20 hours per week (pursuant to Gov. Code section 20305) may individually elect to become members if a County Superintendent of Schools, a school district, or a community college district adopts a resolution and transmits it through the County Superintendent of Schools to the CalPERS Board. The resolution will not be effective until received by CalPERS. A sample resolution may be obtained from CalPERS upon request.

Compulsory Social Security coverage will result for regular part-time employees regardless of whether they elect to join CalPERS.

Individuals who elect membership will have the same contribution rate as other employees in the same member classification. Individuals may exercise their membership election rights anytime while in employment. Individuals who become members may purchase previously excluded part-time service.

Employer Cost: School districts subject to this benefit must pay Social Security contributions for their part-time employees in addition to CalPERS contributions (if the member elects to join CalPERS).
Member Cost: See description above.

School Police as "School Safety Members" (Gov. Code section 20444)
A school district or community college district which has a police department, pursuant to Education Code section 39670 or 72330, may enter into a contract with CalPERS to reclassify those employees whose principal duties consist of active law enforcement as a "school safety member." Gov. Code section 7522.44(b) (Prohibition on Retroactive Benefits Increases) only allows a change to a member’s retirement membership classification to be handled prospectively. Therefore, the reclassification of active school police to become safety members is prospective only.

Adoption of this provision will require the district to join a risk pool as a contracting agency with a higher safety benefit formula factor than the schedule for the miscellaneous formula. Districts may also provide any of the optional benefits listed which are available to "local safety members."

To initiate the process to enter into a contract, refer to the New Contracts section available on the CalPERS website.

Employer Cost: Valuation required.
Member Cost: The employee contribution rate will be at least 50% of the normal cost. Members subject to a safety formula other than the 2% @ 57, 2.5% @ 57, or 2.7% @ 57 formula, will have the right to elect to remain subject to the miscellaneous formula should they determine that the reclassification will be to their disadvantage.

Two Years Additional Service Credit, a.k.a. Golden Handshake (Gov. Code section 20904)
The County Superintendent of Schools may amend its contract to grant up to two years additional service credit to school members if the following conditions exist:

- The member is employed in a job classification or other organizational unit designated by the County Superintendent of Schools and retires within the period designated by the County Superintendent of Schools. (This benefit cannot be provided based on employee organization or non-represented groups.) The designated period must be subsequent to the amendment date and cannot be less than 90 days nor more than 180 days in length.

- The County Superintendent of Schools must transmit an amount to the Retirement Fund that is the actuarial equivalent of the difference between the allowance the member would receive under this section and the allowance the member would receive without this section.

- The County Superintendent of Schools must certify that the retirements under this section will either: (1) result in a net savings to the district or County Superintendent of schools,
or (2) result in an overall reduction in the work force of the organizational unit because of impending mandatory transfers, demotions, and layoffs that constitute at least one percent of the designated job classification, resulting from the curtailment of, or change in the manner of performing its services.

To be eligible to receive this service credit, the employees must already have at least five years of service credit. Because the member must be in employment status with the County Superintendent of Schools (office or their school district) during the designated period, the retirement date cannot be the first day of the designated period. A member cannot receive credit under this section if he/she receives any unemployment insurance payments during the designated period. If the retired member subsequently re-enters membership, the additional service credit is forfeited.

**Employer Cost:** This amendment does not affect the employer contribution rate since the cost of the benefit is payable in a lump sum or by installments. The cost of the benefit will be calculated after the expiration of the designated period and after the additional service credit has been credited to all eligible members.

If paying by installments, payment in-full must be made within 30 days of the billing date to avoid interest charges. Otherwise, semi-annual installment payments including interest charges can be scheduled for up to five years from the billing date.

**Member Cost:** None.

**Cost Estimate Factors Two Years Additional Service Credit, a.k.a. Golden Handshake**

The following chart may be used to estimate the cost of providing the two years additional service credit benefit. Multiply the total annual pay rate for each person by the corresponding factor (always use the full-time pay rate). The result is the approximate cost of the benefit.

### Amendment Procedures for Gov. Code section 20904

The procedures for contracting for Gov. Code section 20904 are as follows:

1. The County Superintendent of Schools must request to amend its CalPERS contract to provide Gov. Code section 20904. Individual districts must work in conjunction with the County Superintendent’s Office to ensure that correct information is provided to CalPERS.

2. Gov. Code section 7507 requires that cost implications incurred by an increase in retirement benefits must be made public at a public meeting at least two weeks prior to the adoption of the final resolution.

3. In addition to providing a Certification of Publication of Costs, the County Superintendent will be required to:
   - Certify that because of an impending curtailment of, or change in the manner of performing service, the best interests of the County Superintendent of Schools would be served by granting such additional service credit.
   - Certify that it is the intention at the time Gov. Code section 20904 becomes operative that the retirements under this section will either: (1) result in a net savings to the district or County Superintendent of Schools, or (2) result in an overall reduction in the work force of the organizational unit because of impending mandatory transfers, demotions, and layoffs that constitute at least one percent of the designated job classification, resulting from the curtailment of, or change in the manner of performing its services.

4. The Gov. Code provides that the final documents, which amend the agency’s contract, cannot be adopted by the governing body earlier than 20 days following the adoption of the Resolution of Intention documents. Upon receipt of the properly adopted Resolution of Intention with the required certifications, CalPERS will upload or mail the final documents and instructions.
5. After the contract has been amended to include Gov. Code section 20904, the County Superintendent of Schools may contact CalPERS to request a Two Year Additional Service Credit packet to open a window period. You will be able to select the designated period and employee classifications within that school district. If the resolution does not identify a specific district and/or classification, all employees who retire during the designated period will receive the additional service credit. Since CalPERS contracts with the County Superintendent of Schools and not the individual school districts, the resolutions must be adopted by the Office of the County Superintendent of Schools. Any number of designated periods may be established, but not overlap.

6. After the expiration of each designated period, the Office of the County Superintendent of Schools will be notified of the actual cost of the additional two years of service credit which was granted to the eligible members who retired during that period. Payment in full may be remitted within 30 days to avoid an interest charge or semi-annual installment payments including interest charges can be scheduled for up to five years from the billing date.

$3,000, $4,000, or $5,000 Retired Death Benefit (Gov. Code section 21623.6)
The lump sum death benefit paid to beneficiaries of retired members will be $3,000, $4,000, or $5,000. This benefit would be applicable to deaths occurring after the effective date of the contract amendment. The actuarial valuation request must specify the selected benefit amount. The benefit must be applicable to all districts under the jurisdiction of the County Superintendent.

Employer Cost: Valuation required.
Member Cost: None.

The information provided in this publication is for your convenience and reference as a general guide only and cannot be relied upon as an authoritative source for the law, practices, or policies of CalPERS. While CalPERS tries to include only accurate, timely and complete information in its publications, summaries, guidelines and other advisory printed materials, sometimes information provided in printed materials may be or become inaccurate, untimely, incomplete, unclear or misleading. In all instances, the law then in effect, not this publication, controls the application of the Public Employees' Retirement Law. It is the reader's responsibility to independently verify the accuracy of the information contained in this publication before engaging in a course of action.
If a person is currently a member of CalPERS (i.e., has contributions/service credit on account that have not been refunded), the person cannot be excluded from membership due to their time base (e.g., working less than 20 hours per week) or appointment length (e.g., 90 days). Therefore, persons who are currently members of CalPERS do not need to re-qualify for membership. This applies even if their membership was established through employment with another CalPERS agency, or if they are not currently working (i.e., are on inactive status) with a CalPERS-covered agency.

If a member has retirement contributions/service credit on deposit with CalPERS, or if they have met the criteria for membership (e.g., have completed 1,000 hours of service in a fiscal year) but have not been enrolled through myCalPERS, they are, by law, a member of CalPERS, even if the employer has not yet reported payroll to CalPERS on the employees' behalf.

Once membership has been established an employee remains in membership until (1) they take a refund of their member contributions after permanently separating from all CalPERS-covered employment, or (2) they retire.

You can determine whether a person is currently a member of CalPERS by:

1. Asking the employee (be aware some employees may not know they are a CalPERS member),
2. Using the Participant Inquiry function of the myCalPERS system,
3. Contacting the CalPERS Customer Contact Center at 888 CalPERS (or 888-225-7377)

Immediate Membership Upon Hire

Employees who must be enrolled into CalPERS membership on the date of hire are: (Gov. Code sections 20281, 20305):

- Employees hired to work full-time for more than six months
- Employees working "regular, part-time service," who work "at least an average of 20 hours a week" for one year or longer
- Already a CalPERS member, unless working in a position excluded by law or contract exclusion

Employees Who Must Be Monitored

Full-Time Employees

CalPERS considers full-time employment to be between 34 and 60 hours per week. Employers can generally determine what constitutes full-time for an employee provided that the employee works between 34 and 60 hours per week. However, Gov. Code section 20636.1 specifies that for all non-certificated school members full-time is considered 40 hours per week. This means that all hours up to 40 hours per week must be reported to CalPERS for non-certificated school members at the straight time pay rate.

Employees in full-time employment whose appointment/employment does not fix a term of employment longer than six months should be monitored; if full-time employment continues for more than six months, and the employment is compensated, the effective date of membership cannot be later than the first day of the first pay period of the seventh month of employment.

Less Than Full-Time Employees

Employers must track the number of hours their irregular-basis employees work in a fiscal year (July 1 – June 30).

Irregular-basis employees, i.e., seasonal, limited-term, on-call, emergency and intermittent are excluded from membership unless the employment is compensated and meets one of the following conditions:

- Works 1,000 hours in a fiscal year
- Works 125 days in a fiscal year, if paid on a per diem basis

In such cases, membership becomes effective no later than the first day of the next pay period after the completion of 1,000 hours or 125 days in a fiscal year. Employment in which the employee is compensated for time excused from
work due to vacation, sick leave, etc., is included in the computation of the 1,000 hours and 125 days.

When monitoring an employee for the 1,000-hour threshold, all hours the employee is compensated for must be counted towards membership qualifications - even if the compensation would not be reportable to CalPERS - if the employee was a member (e.g. compensation for overtime hours). In addition, hours subject to mandatory furloughs must be monitored for membership (see the following page).

For example, if an employee were called in to work 4 hours on July 4, which is a paid 8-hour holiday for the employee, the employee would have 12 hours counted towards their membership qualification.

However, if this example applied to an active CalPERS member, then the 4 hours would be considered overtime and not reportable to CalPERS.

**Notice of Exclusion from CalPERS Membership**

For employees who do not qualify for CalPERS membership, the Notice of Exclusion Form CalPERS Membership (PERS-EAMD-139) (PDF) form should be completed and given to the employee in order to inform the employee of the specific reason for their exclusion and to fulfill the employer’s responsibility of notification. This form should not be sent to CalPERS; however, a copy should be provided to the employee and the original should be kept in the employee’s personnel file.

**When Not to Report**

A CalPERS member should not continue to be reported in membership when:

- The member enters a position that is excluded by law (other than due to time base/appointment length), or by an agency’s contract.

- The member enters a position eligible for optional membership; the individual must file an Election of Optional Membership form to be a member in such position. (Refer to the "Optional Members of CalPERS" section for more information.)

- The member enters a position that is also in membership with another public retirement system. (Exceptions apply. Refer to the "Positions Excluded by Retirement Law (PERL) from CalPERS Coverage" section.)

- The member is subject to an Alternate Retirement Plan (ARP) under Gov. Code section 20306. (Refer to the "Alternate Retirement Plan (ARP)" information within this section.)

- The member is legally working after retirement. (The laws and reporting responsibilities for post-retirement employment are different from the laws for membership; refer to the "Employment of a Retiree" section for more information.)

**Qualification When Working More Than One Position**

Membership qualification can be met by employees who are working more than one position under the same employer; therefore, employment in all positions with an employer (including both safety and miscellaneous positions) must be combined in determining membership qualification. For example, an employee working a permanent 10-hour a week position, and a permanent 12-hour a week position with the same employer, would qualify for membership immediately, combining the hours of both positions to meet the 20-hour a week minimum.

All employees of a school district - with the sole exception of School Safety Members - are considered employees of the County Superintendent of Schools, and thus of the same employer for CalPERS purposes; (Gov. Code section 20610); therefore, employment with different districts (including charter schools) within the same county superintendent of schools should be added together for purposes of meeting the membership qualifications.

Employment with different CalPERS-covered agencies, such as a state agency and a public agency are not combined for membership qualification purposes.
A school district/county office of education that contracts separately for school safety members, or that participates in a risk pool, is a separate public agency by law; therefore, such employment would be kept separately when determining membership qualifications.

**Furlough Legislation - School Employers**

Legislation passed in 2010 added Gov. Code section 20969.2 to the Public Employees’ Retirement Law. This legislation ensures that certain persons subject to mandatory furloughs will not have their CalPERS retirement benefits negatively impacted due to the furlough.

**Membership Eligibility and Furloughs**

The work hours of employees who do not have a fixed term of appointment and who work on a seasonal, limited-term, on-call, emergency, intermittent, substitute, irregular, or other part-time basis as outlined in Gov. Code section 20305(3), must be monitored to determine the point at which employment would have been credited, but for the mandatory furlough would have qualified the employee for membership in CalPERS. The hours that an employee would have worked had the employee not been subject to mandatory furloughs should be counted toward qualification for CalPERS membership.

**Summary of General Principles**

The general principles to follow to determine when and if an employee is eligible for membership (if not excluded by agency’s contract or by law) are as follows:

1. Employees who are already members of CalPERS are not excluded from membership because they are working less than full-time (Gov. Code section 20305(a) (1)).

2. Employees enter membership upon appointment to a position with one of the following conditions:
   a. The appointment/employment fixes a term of full-time, continuous employment exceeding six months.
   b. The position requires regular, part-time service for at least an average of 20 hours per week for one year or longer.

3. Employees must otherwise be monitored to determine when and if they qualify for membership. Qualification for membership is reached when:
   a. No term (length) of appointment is specified in the appointment/employment, but full-time employment exceeds six months.
   b. The employee works more than 125 days in a fiscal year if paid on a "per diem" basis (i.e., "per day"). For this purpose, "day" means each 8 hours of compensated service (e.g. a firefighter working a 24-hour shift is working three "days" per shift).
   c. The person works 1,000 hours in a fiscal year if paid on other than a per diem basis. Any overtime hours worked are counted as qualifying time.

In such cases, membership becomes effective no later than the first day of the next pay period after (a) the sixth month of full-time employment or (b) completion of 1,000 hours or 125 days in a fiscal year.

When monitoring an employee for the 1,000-hour threshold, all hours the employee is compensated counts toward membership qualifications, even if the compensation would not be reportable to CalPERS if the person was a member (e.g. compensation for overtime hours).

For example, if an employee were called in to work 4 hours on July 4, which is a paid 8-hour holiday for the employee, the employee would have 12 hours counted towards their membership qualification.

However, if this example applied to an active CalPERS member, then the 4 hours would be considered overtime and not reportable to CalPERS.
Public Employees’ Pension Reform Act of 2013 (PEPRA) Definition of a New Member

PEPRA defines a new member as any of the following:

- A new hire who is brought into CalPERS membership for the first time on or after January 1, 2013, and who has no prior membership in any California Public Retirement System.

- A new hire who is brought into CalPERS membership for the first time on or after January 1, 2013, and who was a member with another California Public Retirement System prior to that date, but who is not subject to reciprocity upon joining CalPERS.

- A member who first established CalPERS membership prior to January 1, 2013, and who is rehired by a different CalPERS employer after a break in service of greater than six months.

CalPERS refers to all members that do not fit within the definition of a new member as “classic members.” All existing CalPERS members as of December 31, 2012, will retain their existing retirement benefit formula(s) for future service with the same employer.

PEPRA does not require retroactive reductions to benefits earned for prior service, even where a member is separated from service and later rehired as a new member by a new employer and becomes subject to the applicable PEPRA formula. In these cases, the member’s “classic member” service will be calculated separately from his or her service as a “new member.”

Employees should refer to the member benefit publication for more information on new member benefit formulas mandated by PEPRA.

Member Reciprocal Self-Certification Form (PERS-EAMD-801)

With the implementation of PEPRA, CalPERS requires that employers obtain and retain the Member Reciprocal Self-Certification Form (PERS-EAMD-801) (PDF) for members enrolled on or after January 1, 2013. On this form, members provide essential information regarding their membership in qualifying public retirement systems that you will use to enroll them in CalPERS membership in myCalPERS. The system will utilize this information to determine the member’s retirement enrollment level. Refer to the “Processing the Member Self-Certification Form” section for instructions.

This form must be provided to all members upon enrollment, including members who have prior CalPERS membership. It is important this form be processed correctly for every new enrollment in CalPERS as the determination of PEPRA membership is made on an appointment-by-appointment basis.

The member has 10 business days from the date you provide them the form to complete and return it to your agency’s personnel office. When the member submits the form, each required section should be thoroughly reviewed to ensure full dates were provided (including month, date and year), full names of qualifying retirement system(s) were used (no acronyms), and any CalPERS membership was excluded from the form. CalPERS data should not be indicated on the form or entered in the “Reciprocity” panel as this data is already stored in myCalPERS. If the form is incomplete or completed incorrectly, the member must complete and submit a new form.

An authorized representative from your agency must complete Section 4 of the form, titled “To Be Completed by Employer Only.” Enter the information regarding your agency and the member’s enrollment with your agency in the appropriate fields. The form should not be sent to CalPERS unless a member indicates they are a member of multiple qualifying public retirement systems. The original form must be retained in the member’s employment records for auditing purposes.
Processing the Reciprocal Self-Certification Form

Provide the form to all members upon membership. Review the form when the member returns it to the personnel office. Complete section 4 of the form and retain the original form in the member’s employment records. Do not send the form to CalPERS*. Process the form using the following steps.

Utilize the form to enroll a member in CalPERS. Did the member indicate they have reciprocal membership?

**YES**

Select “yes” under the reciprocity panel and select the qualifying public retirement system from the list and enter the membership date.

Did the member provide a separation date?

**YES**

Enter separation date.

**NO**

Leave the separation date field blank.

Select “no” under the reciprocity panel and save the appointment.

**YES**

Did member check that they refunded or retired?

Select “yes” and save the appointment.

Select “no” under the appropriate indicator and enter the date the member provided. Save the appointment.

*If the member indicates they have been a member of multiple qualifying public retirement systems, send the form via email to the CalPERS Member Election Team mailbox or fax to (916) 795-3287 for further review and processing.*
Processing the Member Self-Certification in myCalPERS

When you enroll the member in myCalPERS, utilize the self-certified data provided on the completed form to enter the information into the "Reciprocity" panel for the new appointment. The information on the form must be entered for every new appointment the member is enrolled in, even if you believe it will not impact their enrollment level.

If the member indicated they do not have membership in a qualifying public retirement system, select "no" under the reciprocal member indicator and save the appointment.

If the member indicated they were a member of a qualifying public retirement system, select "yes" under the reciprocal member indicator and follow the steps below to complete the data fields in the reciprocity panel in myCalPERS:

1. Enter the information the member provided exactly as the member self-certified. It is not the employer's responsibility to ensure the accuracy of the data or make reciprocal determinations.

2. When you select "yes" to indicate the member does have reciprocal membership, the system will require you to select a reciprocal agency from the drop-down list and enter the qualifying reciprocal membership date.

3. Enter the reciprocal permanent separation date in the appropriate field if the member provided one. A reciprocal permanent separation date is not required to enroll the member with reciprocal membership. If the member did not provide a separation date, leave the reciprocal permanent separation date field empty.

4. Choose the appropriate response for both questions regarding if the member has retired or refunded from the reciprocal system.
   a. If the member did not mark either of these boxes on the form, select "no".
   b. If the member checked either of these boxes, select "yes" under the appropriate indicator and then enter the date provided by the member.
   c. If you select "yes" for the retired or refunded reciprocal member indicator, the system will require you to enter a full date including month, date and year.

5. If the member indicates they are a member of multiple qualifying public retirement systems send the form via email to the CalPERS Member Election Team mailbox or fax to (916) 795-3287 for further review and processing.
   a. If the form was completed incorrectly, it will be returned to the employer and member for corrections.
   b. Once the form is processed, CalPERS will send the member and employer correspondence via mail for your records.

Once the member's self-certified information has been saved in myCalPERS, the system will automatically assign the designated retirement benefit formula. If you believe the retirement benefit formula is incorrect, contact us at 888 CalPERS (or 888-225-7377).

The purpose of the Member Reciprocal Self-Certification Form (PERS-EAMD-801) (PDF) is to determine the member's enrollment level based on their reciprocal membership. The form does not establish reciprocity or initiate a request to establish reciprocity. The member does not need to be approved for reciprocity for the information self-certified on this form to be processed. Ensure you are providing this form to members timely upon enrollment and using the member self-certified data to enroll them into CalPERS correctly.

It is important to ensure you enter the member self-certified information exactly as provide for myCalPERS to accurately determine the member's retirement enrollment level. Failure to process the form correctly or enter information precisely in myCalPERS may cause the member's account to reflect an incorrect retirement enrollment level which can have many impacts to their account including ineligible retirement benefit formulas and adverse effects on how their retirement benefit is...
CalPERS Membership Eligibility

Calculated. It will also cause delays in CalPERS processing timeframes. These impacts may lead to later adjustments to payroll contributions that your agency and the member will be responsible for.

These instructions cover many frequently encountered issues and inquiries. If you have a situation or question not covered here, contact us at 888 CalPERS (or 888-225-7377) for further assistance.

NOTE:
Your agency must maintain a copy of the PERS-EAMD-801 form and the participant details necessary to categorize individuals as new members or classic members in your databases.

Assembly Bill 1222 – California Transit Employees

Assembly Bill (AB) 1222 (Chapter 527, Statutes 2013) was signed by Governor Brown on October 4, 2013. This bill exempted California transit employees of public employers from all provisions of the Public Employees’ Pension Reform Act of 2013 (PEPRA), until January 1, 2015, or until a court determined that the provisions of PEPRA did not violate specified federal transit labor laws.

On December 30, 2014, the United States District Court – Eastern District determined that the provisions of PEPRA did not violate federal transit labor laws. What this means is: All transit employees with appointments starting on or after January 1, 2013, through December 29, 2014, will retain their classic retirement benefit formula for this period of time. Effective December 30, 2014, these members will be placed in the PEPRA retirement benefit formula. Refer to Circular Letter 200-006-15 on the CalPERS website for more information.

Failure to Enroll Member on a Timely Basis

It is your agency's responsibility to determine if your employees are eligible for CalPERS membership. Gov. Code section 20283 states: "any employer that fails to enroll an employee into membership within 90 days of eligibility shall be required to pay all the arrears contributions (both employer and member) and a $500 administrative fee per member to the System." Any costs assessed due to untimely enrollment shall not be passed on to an employee. (Gov. Code section 20283)

What Are Arrears?

Arrears costs are the employee contributions due for a member’s earnings that have not been previously reported. Payment of arrears is mandatory, and interest is not charged on the amount owed. An account can be in arrears because either an employer failed to enroll the employee into membership or failed to report earnings and contributions for employment rendered.

There are two types of arrears:

- Gov. Code section 20283 Employer Paid arrears
- Gov. Code section 20160 Member Paid arrears

Gov. Code section 20283 Employer Paid arrears apply if any portion of the arrears period began prior to and continued after July 1, 1994; or the arrears period is after July 1, 1994. Arrear cases that are determined under Gov. Code section 20283 state the employer is responsible for the member and employer contributions for the arrears period.

Gov. Code section 20160 Member Paid arrears apply if a member qualified for membership and the entire arrears period is prior to July 1, 1994. In Member Paid arrears cases, the member is responsible for the member contributions and the employer is responsible for the employer contributions for the arrears period.

Member Paid arrears may apply to a period that is on or after July 1, 1994, when it is determined Gov. Code section 20283 Employer Paid arrears do not apply. In certain cases, an employer may be instructed not to submit payroll information through myCalPERS to resolve unreported contribution issues.

Employer Billing for Arrears

For any arrears due, your agency will be invoiced through myCalPERS and notified based on your preferred communication method in myCalPERS. Employers are required to pay
CalPERS directly by electronic funds transfer (EFT), Debit Method or Credit Method in myCalPERS.

A COGNOS report, "Arrears Receivable Summary Report" is available through myCalPERS. The report provides details regarding the member and the balance amount of the arrears.

NOTE:
The $500 administrative cost "is not a fee or penalty" to the agency – rather it is a reimbursement to CalPERS for costs associated with the process of administrating Gov. Code section 20283.
Alternate Retirement Plan (ARP)
Gov. Code section 20306 Optional Contract Benefit

Gov. Code section 20306 provides that public agencies and school districts that have an alternate retirement plan established as a pension trust ("Article 1.5 (commencing with section 53212) of Chapter 2 of Part 1 of Division 1 of Title 5") prior to July 1, 1997 must conduct an election among their non-safety members who are credited with less than five years of CalPERS service to determine whether they want to (1) retain their usual active CalPERS membership, or (2) participate in the alternate retirement plan if their time base drops below the minimum membership thresholds (e.g., 20 hours per week) specified in Gov. Code section 20305.

Employees entering employment after the original ARP election are mandated into ARP coverage if they (1) work less than the Gov. Code section 20305 threshold, and (2) have less than five years of service credit. The employer will determine new employees’ ARP status (based on any election they made; their 20305-qualification status; and whether or not they have five years of service), as follows:

- For employees' subject to collective bargaining, their MOU will determine their eligibility to participate in the ARP or CalPERS.

- For employees not represented by a bargaining group, the public agency shall determine the employees' eligibility to participate either in CalPERS or the alternate retirement plan if their time base falls below CalPERS membership thresholds.

Refer to the "Eligibility to Participate in the CalPERS/Alternate Retirement Plan Election" flowchart on the following pages for more information or contact the CalPERS Customer Contact Center at 888 CalPERS (or 888-225-7377).

Appointment Overview

An appointment is a continuous block of employment with a single employer from the hire date, regardless of whether the employee qualifies for membership on that date, until the permanent separation date. For schools, each district is treated as an employer, and an employee should not have more than one appointment under this condition, unless that employee has multiple jobs across school districts. Changes between districts are considered permanent separations or new appointments rather than appointment changes.

When an appointment is entered into myCalPERS, an Appointment ID is generated by the system. The Appointment ID is a conditional data element for payroll reporting.

New Appointments Required

A new appointment should be created when:

- A new employee is hired and qualifies for membership.
- An employee who previously did not qualify for membership is now qualified for membership.
- An employee who was permanently separated from the employer is rehired and meets membership eligibility criteria.
- An employee transfers from one school district to another, within the same county office of education, and between county offices of education.
- A CalPERS retiree begins working for your agency as a Retired Annuitant.
- A retiree/retired annuitant reinstates from retirement.

Multiple appointments may be established for one employee, for example:

- An employee with an existing appointment decides to take a second job in another school district and will maintain both jobs concurrently (a new appointment is required for the second job).
- An employee works concurrently in multiple member categories (miscellaneous and safety) during the same pay period.
- An employer must establish appointments by position (pay rate) if the employee worked in both positions during the same pay period.
- An employee with an existing appointment decides to take a second job with the same employer or school district and will maintain both jobs concurrently.

New Appointments Not Required

A new appointment is not required when:

- An employee reinstates to a former position by a court action (will be managed internally by CalPERS and cannot be reported by the employer). CalPERS will delete the permanent separation if the employee did not refund their member contributions.
- An employee reduces their time base resulting in changing to local ARP. Report using transaction type: To Local ARP.
- An employee changes member category. Report as an appointment change.
- An employee changes jobs. If the change impacts benefits, it should be reported as an appointment change.

Appointment Changes Not Required

An appointment change is not required when:

- There is a pay increase or decrease. This action is reported in the payroll file.
- A job change occurs that does not impact benefits.
- There is a promotion or demotion.
Permanent Separation Dates in myCalPERS

In myCalPERS, the permanent separation date is now part of a series of system validations; therefore, the permanent separation date must be reported as the day after the last day an employee works for your agency, which is often the day after the last day on payroll.

The permanent separation date will frequently be the same day as a member's retirement date or start date of a new appointment. It is imperative that your agency follow this important business rule to avoid transaction errors due to automatic system validations.

A permanent separation date must also be reported for all employees who end employment with your agency, regardless of the reason. This is required in myCalPERS to ensure benefits are administered timely and accurately, especially for those employees nearing retirement. All transactions within myCalPERS, including health and retirement, rely on the permanent separation date to be reported in this manner.

Reporting Appointment Changes
An appointment change must be reported when an employee permanently separates from the employer, including:

- Termination with the possibility of appeal.
- Transferring from one school district to another school district (even within the same county office of education).

Reporting Permanent Separation Not Required
A permanent separation is not required when an employee begins a leave of absence, but you must update myCalPERS with a Begin Leave. Upon the member's return from the leave of absence you again must update myCalPERS with an End Leave.

myCalPERS Member Self-Service
myCalPERS provides members access to their real-time account information. This enhancement allows members to see the information submitted on their behalf by their employers, including appointment, payroll, and service credit information.

It is critical to stay current with information reported to CalPERS on behalf of your employees. Employer accuracy and promptness will alleviate future concerns or questions members may have with their CalPERS account and the information provided by your agency.

NOTE:
Members may purchase certain service credit, such as Temporary Disability Leave of Absence. Begin Leaves and End Leaves must be reported in the member’s myCalPERS appointment profile for CalPERS to process the member’s request to purchase their eligible leave of absence.

NOTE:
If an employee does not return from a leave of absence, update myCalPERS with a permanent separation.
Membership Categories

All CalPERS members employed by your agency will fall into one of the following categories:

1. **Local Safety Members**
   This category "includes all local police officers, local sheriffs, firefighters, safety officers, county peace officers..., employed by a contracting agency who have by contract been included within this System" (Gov. Code section 20420).

2. **Local Miscellaneous Members**
   This category includes "all employees of a county office of education, school district, or community college district who are included in a risk pool and all employees of a contracting agency who have by contract been included within this System, except local safety members" (Gov. Code section 20383).

3. **School Members**
   This category "includes all employees within the jurisdiction of a school employer, other than local policemen, school safety members and members included in a risk pool" (Gov. Code section 20370(d)).

4. **School Safety Members**
   This category includes "any officer or employee of a school district or a community college district which has established a police department...whose principal duties consist of active law enforcement service" (Gov. Code section 20444). This category only applies to a school district or community college district that enters into a contract with the board on or after January 1, 1990.

For most employers, all or a majority of their employees will be in the "local miscellaneous" or "school member" categories rather than a "safety" category.

Determination of an employee’s membership category is based on the employee’s job classification and duties, compared to the standards defined in the Government Code, and as provided in the agency’s contract with CalPERS.

The Government Code provisions for the most common safety positions (e.g., police officer, firefighter, deputy sheriff, etc.) are all mandatory for contracting agencies whose contract includes such positions. There are many other provisions, however, for which a contracting agency may choose to contract if it so wishes, to provide safety membership to other employees, as well as to reclassify previous service with the same duties/job title in such classes. All contract activity can be viewed in myCalPERS, including reclassification information.

Your agency should know that, apart from the optional contract provisions to reclassify miscellaneous employees to the safety category, it is not permissible to report employees in a safety category whose job duties do not support such membership. Refer to the definitions for Local Safety Members on the following pages for the criteria for such membership.

Safety membership most commonly requires service having principal duties of providing either active law enforcement or active firefighting services. Such persons are known as safety employees because they are engaged in protecting the public safety and may be exposed to physical risk during employment. CalPERS relies upon an opinion of the Attorney General to define what is meant by the term "active" for safety service:

"It is suggested that active law enforcement work means 'physically active' work such as the arrest and detention of criminals...(T)he main reference is to duties which expose officers and employees to physical risk in the law enforcement field..."(22 Ops. Cal. Atty. Gen. 229)

Another important criterion in many of the sections defining safety membership is that a person be "employed and qualifying as patrol officers," "employed and qualifying as patrolmen," "employed and qualifying as firefighters," or "employed and qualifying as deputy sheriffs," irrespective of their current duties. Typically, such persons are referred to as sworn personnel; because they take an oath to uphold the Constitution, safeguard the lives and
property of citizens, etc. This sworn criterion is particularly important for persons who are promoted up through the ranks to supervisory/managerial positions (e.g., sergeant, captain, chief, etc.), but who retain their sworn status after promotion.

Almost all agencies with safety classifications have established procedures in place (e.g., certification and/or academy training, physical fitness requirements, etc.) by which persons originally become qualifying as patrol officers, firefighters, or deputy sheriffs, and have standards (such as periodic physical fitness tests) which must be met to maintain such status. Such sworn personnel in supervisory or managerial positions who remain "employed and qualifying" as patrol officers, firefighters, or deputy sheriffs could (perhaps in special circumstances such as a major emergency, or a work stoppage) be required to return to typical safety duties; accordingly, the safety status of such an individual is appropriate, even though the person’s current duties may not frequently involve such "active law enforcement/firefighting" duties.

However, if a person gives up such qualifying/sworn status after accepting a promotion, and is no longer qualifying as such, safety membership can no longer be given for this service.

NOTE:
There are no provisions in the law that would allow a member or employer to pay the difference in contributions between miscellaneous and safety membership, to allow a miscellaneous member to be reported to CalPERS as safety.

Exceptions
There are some instances where persons have been given mandatory safety membership only if employed during a specific period of time. For example, legislation passed in 1987 (AB 839, Chapter 1411) brought certain miscellaneous members employed in positions such as, fire investigators, fire prevention officers, or fire trainers between January 1, 1988, and October 2, 1989, into safety membership as local firefighters. In such exceptional situations, it is possible to have some persons in the same job classification who are "safety" and some who are not, if they were hired at separate times.

Cautions
CalPERS has had cases where an employee was inappropriately retained in safety membership after receiving an appointment to a non-safety position (such as City Manager, or Director of Public Safety). Even if such a member was formerly in safety membership (e.g., as Police Chief or Fire Chief), safety membership cannot be given where the job duties do not support this status, and the individual is no longer a sworn member of a police department, fire department, etc.

Inappropriate membership classification is one of the key factors that are investigated by CalPERS field auditors and corrective actions will be taken upon discovery by CalPERS staff of such inappropriate classifications. Such retroactive corrective actions may include correction of service credit, retirement contributions paid, and adjustment of retirement allowance paid (if any). If you are unsure about the proper membership category for a given position, submit a job description/duty statement for a determination to:

Such a review should also be requested upon establishing a new position, or upon making significant changes in the duties of a previously-reviewed position.

The following definitions for Local Safety Members will assist you in determining membership category:

"Local safety member" also includes all employees of a city who have by contract been included within this System, and whose principal duties consist of active protection, rescue, and rendition of aid or assistance to persons injured or imperiled in water areas at ocean beaches and the recovery from those water areas of submerged objects and bodies of persons drowned or believed to have drowned in those areas, or the immediate supervision thereof, including persons employed to perform the duties now performed under the titles of aquatics director, chief lifeguard, captain lifeguards, lieutenant lifeguards, beach lifeguard, but who performs additional duties, some of which (including the maintenance of peace and order and the apprehension of law violators) are customarily performed by police or peace officers, and whose other duties (such as resuscitation work involving the use of special equipment in cases having no connection with their principal duties) that in other areas are customarily performed by firefighters, and other and further duties that do not come directly within any of the above classifications but are essential to the safety and security of the public, excluding those whose principal duties are those of a telephone operator, clerk, stenographer, machinist, mechanic, or otherwise clearly do not fall within the scope of active life guarding or lifesaving service, even though the person is subject to occasional call, or is occasionally called upon, to perform duties within the scope of active life guarding or lifesaving service.

This section does not apply to the employees of any contracting agency having a contract with the board made prior to September 18, 1959, until the agency elects to subject itself and its employees to the provisions of this section by amendment to its contract with the board pursuant to Gov. Code section 20474; except that an election is required only among the employees to whom the provisions of this section apply.

The amendments of this section, made by Chapter 130 of the Statutes of 1982 do not constitute a substantive change in the law and
shall not be construed to entitle any person to any right or benefit that he or she was not already entitled to prior to December 31, 1982.

NOTE: This provision is mandatory for all contracting agencies with CalPERS contract dates of September 18, 1959 or later. It is an optional contract provision for contracting agencies with CalPERS contract dates of prior to September 18, 1959. Refer to the “Other Local Safety” listing in this section (Gov. Code section 20421).

Local Safety Officer
"Local safety officer" means any officer or employee of a public safety department of a contracting agency, except one whose principal duties are those of a telephone operator, clerk, stenographer, machinist, mechanic, or otherwise and whose functions do not clearly fall within the scope of active law enforcement or firefighting and prevention service even though the employee is subject to occasional call, or is occasionally called upon, to perform duties within the scope of active law enforcement or firefighting and prevention service, but not excepting persons employed and qualifying as patrol officers or equal or higher rank, or as firefighters, hose officers, or equal or higher rank, irrespective of the duties to which they are assigned.

"Local safety officer" does not include persons employed to perform identification or communication duties. This provision shall not apply to persons employed and qualified as patrol officers or equal or higher rank, or as firefighters, hose officers, or equal or higher rank (Gov. Code section 20424).

Other Safety Classifications — Provided by Optional Contract Provisions
The following classifications can be added to your safety categories by amending your agency’s contract. If your agency has contracted for these other safety classifications, they will be listed on your contract activity page in myCalPERS.

It should be noted that many of these optional sections do not contain the “employed and qualifying” language that is used to give police officers, firefighters, sheriff’s deputies, etc. safety status when they promote into the supervisory/managerial ranks. Therefore, persons must be performing the specified duties to qualify for safety coverage under such sections.

Reclassification
A member who is employed in a position that is reclassified from local miscellaneous to local safety (other than under the 2% @ 50, 3% @ 50, or 3% @ 55 retirement formulas) may make an irrevocable election in writing to remain subject to the miscellaneous service retirement benefit formula by filing a notice of that election with CalPERS within 90 days after notification by CalPERS (Gov. Code section 20443).

Local Police Officer

The election shall apply to the person's past as well as future service in the employment held on the effective date but may not apply to service following any subsequent acceptance of appointment to a position other than that held on the effective date. **H.R. 743 — Social Security Protection Act of 2004**
On March 2, 2004, President Bush signed H.R. 743, the Social Security Protection Act of 2004, into law. Section 419(c) of H.R. 743 provides that any individual entering employment on or after January 1, 2005 in a position not subject to Social Security, be provided a written notice explaining the maximum effect not being subject to Social Security may have on the calculation of the primary insurance amounts and on the benefit amounts of monthly periodic payments or benefits.

The notice has been developed by the Social Security Administration "in language calculated to be understood by the average individual". The written notice provided is to include a form for the individuals to complete and sign certifying receipt of the notice. Once completed and signed, the notification is to be submitted to the agency and to the retirement system the employing entity provides for its employees. H.R. 743 is silent as to any reason for the certifications being submitted to the retirement systems, how long the certifications must be retained, or any retrieval capability requirements. The Social Security

When determining retirement benefits for a new employee, the following items may impact which benefits the employee shall receive. This list only includes the most common items:

- Effective date of contract amendment(s)
- Retirement benefit formula
- Final compensation
- Member and/or employer rate
- Cost of living allowance (COLA)

Gov. Code section 20475(b) indicates a member shall be subject to the contract as amended only if, after the effective date of the contract amendment, the member either:

1. Receives service credit for the first time within a classification; or
2. Returns to employment in a classification following termination of membership as provided for in Gov. Code section 20340(b).

The member shall not be subject to the contract amendment under Gov. Code section 20475(b) if the member, in accordance with Gov. Code section 20750:

1. Has redeposited contributions; or
2. Requests or elects to redeposit contributions prior to 90 days after returning to service.

NOTE: The employer or member is responsible for submitting a request to CalPERS to obtain the cost calculation to redeposit the previously withdrawn contributions. It is the duty of the employer to notify the member of this requirement.

Scenario 1 – Classic Member
The employee was hired on January 1, 2009, in the first level of benefits. On May 1, 2011, the employer rehired the employee.

Result: Since the employee did not redeposit their contributions within 90 days of rehire, the employer is required to enroll the employee into the second level of benefits with the 36-month final compensation period.

Scenario 2 – Classic Member
The employee was hired by employer #1 on January 1, 2009, in the first level of benefits. On January 1, 2010, the employee separated from employer #1 and withdrew their contributions from CalPERS. On May 1, 2011, the employee was hired by employer #2 and qualified for membership. However, on July 1, 2011, the employee separated from employer #2, but left their contributions on deposit. On July 2, 2011, the employee was rehired by employer #1. While the employee was not working for employer #1 a second level of benefits was added for the same member category, changing the retirement benefit formula from 2.7% @ age 55 to 2% @ age 55 effective September 1, 2010.

Result: Since the employee did not redeposit their withdrawn contributions from employer #1 within 90 days of rehire; employer #1 is required to enroll the employee into the second level of benefits with a benefit formula of 2% @ age 55.

Scenario 3 – Classic Member
The employee was hired on January 1, 2009, in the first level of benefits. On May 1, 2011, the employer added a second level of benefits for the same member category, changing the final compensation from 12 to 36 months. On January 1, 2012, the employee separated and withdrew their member contributions from CalPERS. On June 1, 2012, the employer rehired the employee.

Result: Since the employee redeposited their contributions within 90 days of rehire, they should be enrolled into the first level of benefits with a final compensation period of one year.

Scenario 4 – Classic Member
The employee was hired part-time on January 1, 2011 and did not qualify for immediate membership and had to be monitored. On May 1,
2011 the employer added a second level of benefits changing the cost of living allowance (COLA) from 3% to 2%. On January 1, 2012 the employee qualified for membership.

**Result:** Since the employee qualified for membership after the addition of a second level of benefits, the employer is required to enroll the employee into the second level with a COLA of 2% and a membership date of January 1, 2012.

**Scenario 5 – New Member**
The employee was hired on January 1, 2012 and separates from the employer on March 31, 2012. The employee is subsequently hired by a different CalPERS-covered employer on February 1, 2013 after the Public Employees’ Pension Reform Act of 2013 (PEPRA) took effect on January 1, 2013.

**Result:** Since the employee had a break in service greater than six months between the separation date with the previous employer and the appointment date with the subsequent employer, the employee would be considered a new member.

**Scenario 6 – Classic Member**
The employee was hired on January 1, 2012 and separates from the employer on November 30, 2012. The employee is subsequently hired by a different CalPERS-covered employer on March 1, 2013 after PEPRA took effect on January 1, 2013.

**Result:** Since the employee had a break in service of less than six months between the separation date with the previous employer and the appointment date with the subsequent employer, the employee would be considered a classic member.

**Scenario 7 – Classic Member**
The employee was hired on October 1, 2012 and separates from the employer on March 31, 2013. The employee is subsequently hired by the same CalPERS-covered employer on December 1, 2013 after PEPRA took effect on January 1, 2013.

**Result:** Since the employee had a break in service more than six months between the separation date, but returned to the same employer, they are considered a classic member.

**Scenario 8 – Refunded Classic Member**
A member separated from a public agency as a classic member on March 1, 2010 and withdrew their member contributions from CalPERS. On April 1, 2019, the member was rehired by the same employer and qualified for CalPERS membership.

**Result:** The member would return to employment as a classic member since the member is returning to the same employer they were previously eligible for classic membership. However, they may be subject to a different formula. Refer to Scenario 1 for more information.

**NOTE:**
All State of California departments are considered the same state employer. All school county offices and districts are considered the same school employer. Each public agency is considered a separate employer.

**Scenario 1 – Retired Classic Member**
A State employee retired on August 1, 2012 and reinstated from retirement effective March 1, 2013 to a public agency.

**Result:** The member would be enrolled as a PEPRA new member and subject to the PEPRA retirement benefit formula since the member retired and reinstated to a different employer.

**Scenario 2 – Retired Classic Member**
A member retired from a public agency as a classic member on November 1, 2012 and reinstated from retirement on June 1, 2013 to the same employer.

**Result:** The member would return to employment as a classic member and entitled to the same retirement benefit formula that applied while the member was in active status since the member is returning to the same employer.

**Scenario 3 – Retired Classic Member**
A member retired from a public agency as a classic member on June 1, 2012 and reinstated from retirement on March 1, 2013 to a different employer.

**Result:** The member would be a PEPRA new member and subject to the PEPRA retirement benefit formula since the member retired and is reinstating to a different employer.
Scenario 4 – Retired Classic Member
A member retired from a public agency as a classic member on February 1, 2013 and reinstated on September 1, 2013 to the same employer.

Result: The member would return to employment as a classic member and entitled to the same retirement benefit formula that applied while the member was in active status since the member is returning to the same employer.

Scenario 5 – Retired Classic Member
A member retired from a public agency as a classic member on March 1, 2013 and reinstated on October 1, 2013 to a different employer.

Result: The member would be considered a New Member and subject to the PEPRA New Member retirement benefit formula since the member is reinstating to a different employer.

NOTE:
Upon re-retirement, a member’s prior service remains at the same retirement benefit formula that was applied at the time of the member’s initial retirement.

NOTE:
To learn more about reinstatement from retirement refer to the "Reinstatement From Retirement” section.
The following is a list of positions that are excluded from CalPERS membership as stated by California Public Employees' Retirement Law (PERL):

**Members of Other Retirement Systems**
Persons who are receiving service credit in another public retirement system (federal, state, county, city, other local or CalSTRS) are excluded from receiving service credit with CalPERS for the same employment under Gov. Code section 20303.

**Persons Who Are Not "Employees" of a CalPERS-Covered Agency**
Only compensated "employees" of agencies contracting with CalPERS for retirement coverage are eligible for CalPERS membership. CalPERS uses the "Common Law Control Test" as a guide to determining whether an individual is an employee, as well as which entity (if more than one) is purportedly employing a worker.

**Independent Contractors**
Independent contractors are not "employees" and are excluded from membership in CalPERS by Gov. Code section 20300(b). An independent contractor is someone who contracts to provide a service or complete a task according to his or her own methods and is not subject to the contracting entity's control as to the end product, final result of work, or manner and means by which the work is performed.

CalPERS uses the "Common Law Control Test" as a guide to determining independent contractor status. The common law control test factors are enunciated in the case of Albert B. Tieberg v. Unemployment Insurance Board (1970) 2 Cal.3d 943, 949. These factors are also cited in the CalPERS Precedential Decision No. 05-01 (PDF), in the Matter of the Application for CalPERS membership credit by Lee Neidengard, Respondent and Tri-Counties Association Regional Center, Respondent.

A "contract employee" (i.e., a common law employee who periodically signs an employment contract) is eligible for CalPERS membership, if otherwise qualified.

The Supreme Court decision in the case of Metropolitan Water District of Southern California v. Superior Court of Los Angeles (32 Cal. 4th 491) may be referenced for additional guidance in this area. The Court concluded that the law "requires contracting public agencies to enroll in CalPERS all common law employees except those excluded under a specific statutory or contractual provision." Also, "the PERL contains no broad exclusion for... [Employees] hired through private labor agencies or suppliers." This decision also cited the Tieberg v. Unemployment Ins. App. Bd. Case (2 Cal.3rd 949), which stated that, "The right to control the means by which the work is accomplished is clearly the most significant test of the employment relationship."

**NOTE:**
Persons can have dual membership in two or more public retirement systems if it is for different employment.

**NOTE:**
CalPERS may also defer to other appropriate authorities.

**NOTE:**
CalPERS commonly corresponds with agencies (e.g., sends a questionnaire to be completed by both the worker and the contracting entity) to determine whether a worker is an "employee" of a CalPERS covered agency, an employee of a non-CalPERS agency, or is an independent contractor. It is important that such questions be answered authoritatively by an appropriate certifying officer at your agency, since the employer may be liable for arrears costs (if membership is determined to be applied retroactively), or for service credit purchased by the employer, if the worker is found to be an "employee" of your agency.

For further clarification of independent contractors or contract employees, we recommend contacting the CalPERS Customer Contact Center at 888 CalPERS (or 888-225-7377).
Elected or Appointed Officers
Gov. Code sections 20320–20325 exclude certain public officers and employees from membership unless an election is filed with CalPERS to waive the exclusion and establish membership. Those persons qualifying for "optional" membership rights are predominately, but not limited to, elected and appointed officers of public agencies, schools, and the State of California. Refer to the "Optional Members of CalPERS" section for more complete information to determine who is excluded but may be eligible under optional member provisions.

Student Assistants/Aides
A student in public school who is also employed in the same district in which he/she is a student and whose student status is a prerequisite for employment, is excluded from CalPERS membership by Gov. Code section 20300(c).

Temporary Teacher-Assistant Certificate
Persons employed as teacher-assistants under Education Code section 44926 (who possess a temporary certificate to serve as a teacher-assistant and are enrolled in a California teacher training institution) are excluded from CalPERS membership by Gov. Code section 20300(d).

Professional Legal Services to a City
Persons rendering professional legal services to a city are excluded under Gov. Code section 20300(h) except for persons in one of the following offices/positions:

1. The office of city attorney
2. The office of assistant city attorney
3. An established position of deputy city attorney

However, a city attorney, assistant city attorney, or deputy city attorney, may also be eligible for the "optional" member provisions of Gov. Code section 20322. Refer to the "Optional Members of CalPERS" section for further information.

Inmates of Public Agency Institutions (i.e., Prison/Penitentiary or Mental Hospital)
Such persons are excluded from CalPERS membership by Gov. Code section 20300(a) even if receiving compensation for services they perform.

Board Members of the State Compensation Insurance Fund
Board Members of the State Compensation Insurance Fund, including those appointed by the Governor are excluded from electing CalPERS membership under Gov. Code section 20300(m).

Additional Information

Contract Exclusions (Public Agencies Only)
Gov. Code section 20502 gives CalPERS authority to grant to contracting agencies exclusions from CalPERS coverage. Such exclusions may not be made for individual employees (e.g., City Manager, Fire Chief, etc.) but must be for groups of employees, in categories such as by departments or duties (e.g., lifeguards; crossing guards; federally-funded non-civil service employees, etc.).

Any current exclusions in your agency’s CalPERS contract will be shown on your contract activity page in myCalPERS. CalPERS Board Resolution MSD-97-01 (PDF) provides the criteria used to review and approve/deny requested contract exclusions. As a general guideline, the exclusion of groups of employees who are career employees, or could reasonably be anticipated to become career employees, is not permitted.

Such exclusions, when granted, are effective only with respect to future entrants into such a group; persons employed in this group prior to the exclusion are not affected by the addition of such exclusion, even if they have not yet qualified for CalPERS membership.

Invalid/Superseded Contract Exclusions
There are some agencies with contract exclusions which were granted prior to January 1, 1975, where the basis for the exclusion was the "temporary" or "seasonal" employment base of the employees. Such exclusions have been superseded by Gov. Code section 20305; therefore, such exclusions no longer apply with respect to employees entering such employment after January 1, 1975.

Gov. Code section 20305(b) states that this section "shall supersede any contract provision excluding persons in any temporary or seasonal employment basis and shall apply only to persons entering employment on or after January 1, 1975; except as provided in Gov. Code section 20502, no contract or contract amendment entered into after January 1, 1981, shall contain any provision excluding persons on an irregular employment basis."

Employees not excluded by contract must still meet the normal criteria for membership in CalPERS.
The Government Code provides "optional" membership rights for certain public officers and employees. Those eligible "optional" members are excluded from membership unless and until a written election for membership is filed with CalPERS. Membership becomes effective no earlier than the date the election form is received and filed with CalPERS.

NOTE:
Changes in legislation have made optional member eligibility determinations more complex. This section provides basic information based on employer type and/or "optional" position category to assist in making those determinations. However, if you have any questions concerning optional membership eligibility or rights, contact the CalPERS Customer Contact Center at 888 CalPERS (or 888-225-7377).

Once membership has been elected, an optional member may elect to contribute and receive service credit for prior optional member service. Refer to A Guide to Your CalPERS Service Credit Purchase Options (PERS-PUB-12) (PDF), publication for more information.

When an "optional" member purchases service credit for prior optional member employment, it will not change his or her membership date.

General Principles
1. Elected or appointed officials who do not receive "compensation" other than reimbursement of expenses (or who waive such compensation) cannot elect membership or receive service credit.

2. Once membership is elected and established, optional members are generally subject to the same CalPERS laws and regulations that apply to compulsory members (except as stated below).

3. Electing optional membership is an irrevocable election. There is no Government Code provision to allow for cancellation of membership prior to separation from the elected/appointed position. A separate election form must be made for each optional membership position, even if the positions(s) are with the same employer.

4. Elected or appointed officials occupying a fixed term of office are required to complete an election of optional membership for each term served.

5. For members of a City Council or County Board of Supervisors first elected or appointed on or after July 1, 1994 (unless continuously in employment since June 30, 1994), final compensation at retirement will be based only on salaries earned in such office (Gov. Code section 20039).

6. Optional members listed below receive full-time service credit and are deemed full-time for CalPERS retirement purposes (Gov. Code section 20899).

NOTE:
Such full-time status may result in an overtime situation, if the member has any other concurrent CalPERS covered positions. If a member is requesting additional information regarding these situations, have them email the CalPERS Member Election Team for further information prior to electing optional membership.

Optional members at public agencies and schools are those defined by Gov. Code section 20322, to include the following groups:

Elective Officers
Elected officers are persons elected by vote of the people (e.g., Mayor, City Council members, County Supervisors, Sheriff, District Attorney, City Clerk, etc.). This also includes persons who are appointed to fill the unexpired office of an elective officer (e.g., a person appointed by a City Council to fill the remainder of a term for a member who resigns; or dies in office).
Optional Members of CalPERS

NOTE:
County Board of Education members are considered, for CalPERS purposes, as employees of the county, rather than employees of the County Superintendent of Schools, even if the board is fiscally independent of the county. Therefore, the county must contract for CalPERS coverage for such persons to be eligible, unless it provided Gov. Code section 20361.2 prior to its repeal effective July 1, 1994.

Appointive Officers of a City or County
Persons who are appointed to a "fixed term of office" with a city or county are included in the definition of "elective officer" by Gov. Code section 20322(b). Such officers are listed in Gov. Code sections such as 24000, 36501, etc.

City Attorney
Persons holding this office, provided they are common law employees, are eligible for optional membership in certain conditions:

- Prior to March 4, 1972, an elected City Attorney was an optional member. (An appointed City Attorney was not, but was subject to compulsory membership, if meeting the normal time base/appointment length qualifications for membership.)

- From March 4, 1972 through June 30, 1994, all City Attorneys were defined as elective officers and thus optional members whether or not they were elected to office.

- After July 1, 1994, all City Attorneys are excluded from the definition of elective officer. Thus, even if they are elected to office, they no longer are considered elective officers or optional members for CalPERS purposes. Consequently, they must now meet the qualifications for membership under Gov. Code section 20305. In addition, City Attorneys must take an oath prescribed by the constitution before entering the office. Failure to take and file the constitutional oath of office results in a vacancy in the office.

In addition to the above, between January 1, 1986 and June 30, 1994, an Assistant/Deputy City Attorney in a city that had contracted for Gov. Code section 20361.3 (now repealed, but still applicable for an agency that contracted for it while it was law) was included in the definition of elective officers, and was thus an optional member - even though the individual had not been elected to office.

Part-Time Employees
Employers can contract for Gov. Code section 20325, to allow all part-time employees who work less than 20 hours a week for one year or more to elect optional membership. If such an amendment or resolution is adopted, all employees eligible to elect membership are automatically subject to the same Social Security coverage provided for members whether or not they elect membership.

If such an eligible employee wishes to elect "optional" membership, they should complete the Election of Optional Membership – PART TIME EMPLOYEE (myCalPERS 0843) (PDF) form, which can be downloaded from the CalPERS website.

Exclusions from Membership
Since July 1, 1994, persons who formerly had optional membership rights are now excluded from electing CalPERS membership entirely.

Those excluded are members of commissions, boards, councils, or similar legislative or administrative bodies (e.g., water districts, sanitation districts, redevelopment agencies, transportation commissions, etc.). Regular employees of such agencies are not excluded; only the members of the governing board of such bodies.

NOTE:
City Council members and members of a County Board of Supervisors are specifically not excluded from membership by these law changes and remain eligible for optional membership (Gov. Code section 20322 (c)).

Persons first elected or appointed prior to July 1, 1994 and continuously remained in such office, still have the right to elect optional membership. For example, a person who was elected in 1990 and has remained continuously in the same office but has not yet elected optional membership has the right to elect membership; whereas, a person first elected in 2000 does not have the right and would be excluded from membership. The excluded positions are:

School Board Members
School board members are excluded if they are first elected or appointed to their position on or
"Optional" Members of CalPERS

after July 1, 1994. However, if the person has been in the same position continuously since before July 1, 1994, they have the right to elect optional membership, and/or should still be reported in membership.

Elected/Appointed Officers of Administrative Bodies of Non-City/County Contracting Agencies
Members with a contracting agency other than a city or county are excluded if they are first elected or appointed to their position on or after July 1, 1994. However, if the person has been in the same position continuously since before July 1, 1994, they have the right to elect optional membership, and/or should still be reported in membership.

Elected/Appointed Officers of Administrative Bodies of Any Contracting Agencies
Members are excluded if they are first elected/appointed to their position on or after January 1, 1997. However, if the person has been in the same position continuously since before July 1, 1997, they have the right to elect optional membership, and/or should still be reported in membership. As stated above, City Council members, and County Supervisors are not excluded.

Election of Optional Membership
A completed and signed Election of Optional Membership – ELECTIVE OFFICER (myCalPERS 0841) (PDF) form which can be downloaded from the CalPERS website, is required to establish membership for an officer who qualifies as an optional member as an elective/appointive officer under Gov. Code section 20322.

When to Complete
Once it has been determined that the officer is eligible for and requests "optional" membership, the myCalPERS 0841 form must be completed and submitted to CalPERS for review and approval of membership.

1. The optional member must be advised of his or her rights to elect membership when first eligible for membership (i.e., upon first taking office) but the election can be made at any time while in that elected/appointed position - even on the incumbent's last day in office. You should document in your personnel records that information was provided to the officer, as well as any direct response received from the officer (e.g., "Ms. Smith declined membership at this time"). Do not send a notice to CalPERS if membership is declined.

2. When a current active or inactive member assumes an optional member position and elect's membership for that office, complete the myCalPERS 0841 election form and enroll the optional member through the myCalPERS system and submit the myCalPERS 0841 form to CalPERS.

NOTE:
The officer’s current CalPERS membership status does not serve as qualification for eligibility to continue the person in membership automatically; an optional member election form must be submitted.

Other General Provisions and Instructions
1. For CalPERS retirement purposes, optional members are eligible to elect CalPERS membership under Gov. Code section 20322 and are deemed full-time and earn full-time service credit (Gov. Code section 20899).

NOTE:
This full-time status may result in an overtime situation, if the member has any other concurrent CalPERS positions.

2. Optional members excluded by an agency's CalPERS contract remain excluded regardless if an Election of Optional Membership – ELECTIVE OFFICER (myCalPERS 0841) (PDF) form is filed. Typical contract exclusions that apply are defined as "Elective Officers and Members of the Governing Body," and those citing specific position titles.

3. The optional member must receive "compensation" for membership to be reported and service credit earned. Reimbursement of expenses alone is not considered compensation under the Government Code.

4. Elimination of, or waiver of compensation; once membership has been elected does not constitute a "permanent separation" from membership for purposes of canceling membership and electing a refund of
contributions if the person remains active in the same elected position with that employer.

5. Membership should not be established for an optional member unless the myCalPERS 0841 election form is signed and filed with the CalPERS Board of Administration in accordance with the "When to Complete" instructions.

6. Submit the original signed myCalPERS 0841 form to CalPERS; retain copies for the member and employer personnel records.

7. Refer to the "Pay Rate and Earnings Relationship" section in the Payroll Reporting chapter for normal contribution reporting instructions.

8. An optional member may elect to purchase and receive service credit for prior optional member service. When purchasing prior optional member service credit, an officer must purchase all prior optional member service for that employer, not just a portion of the optional member service period.

9. An officer who is no longer in office, but is currently an active or inactive CalPERS member, may also elect to contribute for prior optional member service.

10. Refer to the A Guide to Your CalPERS Service Credit Purchase Options (PERS-PUB-12) (PDF) or the Redeposit of Withdrawn Contributions and Other Types of Service publications for more information.

NOTE:
Do not attach the Service Credit Purchase inquiry to the myCalPERS 0841 election form; it should be submitted separately.
Public school positions in California are divided into two basic types:

1. **CERTIFICATED**
   An employee in a position requiring certification qualifications by or pursuant to the Education Code. Credentialed employees (e.g., teachers, administrators, health care, and library media workers) are all in certificated positions. Changes to the Education Code effective January 1, 2016 further clarified the definition of "creditable service" to the California State Teachers' Retirement System (CalSTRS).

2. **CLASSIFIED**
   An employee in a non-certificated position (e.g., office workers, custodial staff, and cafeteria workers).

In general terms, employees in certificated or creditable positions are, upon meeting normal qualification requirements, or by permissive election, eligible for membership in the California State Teachers' Retirement System (CalSTRS), while classified employees may be eligible for membership in CalPERS.

Pursuant to Gov. Code sections 20300(g), 20501, and 20610, CalPERS can cover school employees only with respect to employment in which they are not eligible for CalSTRS coverage. Some persons who are employed in certificated or classified positions may not actually qualify for membership in either system (due to "part-time" or "temporary/seasonal", status, etc.); thus, some school employees may not be members of either system until their working hours or conditions change.

The Education Code 22508 provision may give persons certain rights regarding choosing retirement coverage under one system or the other. The Public Employees Retirement Law (PERL) also contains Gov. Code Sections 20309 and 20309.5 that pertain to election rights.

A member of CalSTRS who becomes employed by the same or a different school district, a community college district, a county superintendent of schools or limited state employment, as defined in Education Code Section 22508, to perform service that requires membership in CalPERS will have that service credited with CalPERS unless he or she files a written election (within 60 days from the date of hire in the new position) to have the service credited with CalSTRS.

A member of CalPERS who was employed by a school employer, Board of Governors of Community College Districts or State Department of Education within 120 days before the member date of hire to perform service that requires membership in the Defined Benefit program of CalSTRS or has at least five years of CalPERS credited service, as defined in Gov. Code section 20309, and who subsequently becomes employed to perform creditable service that requires membership in CalSTRS Defined Benefit Program, will have that service credited with CalSTRS unless he or she files a written election (within 60 days of the date of hire in the new position) to have the service credited with CalPERS.

**Amendments – Inclusion of State Employees, State Board of Governors of the California Community Colleges and Vested Members**

**Employees in Certain State Bargaining Groups**

SB 1694 (Chapter 880, Statutes of 2000) amended Section 22508 of the Education Code, and now provides that this same election right will be given to CalSTRS members that enter State employment where one of the following conditions apply:

A. The employee is represented by a State Bargaining Unit that represents educational consultants, professional educators, or librarians employed by the state.

B. The employee is excluded from the definition of "State employee" in Gov. Code section 3513(c), yet performs, manages or supervises work similar to employees under Subparagraph "A" above.

C. The employee is in a non-civil service position in the Executive branch, yet performs, manages or

4. The member must be subject to the State Second-Tier.

5. The member meets one of the following criteria:
   a. Is represented by a State Bargaining Unit that has agreed to an MOU making their represented employees subject to Gov. Code section 20309.5.
   b. Is excluded from the definition of "State employee" in Gov. Code section 3513(c), yet performs, manages or supervises work similar to employees under Subparagraph "A" above.
   c. Is in a non-civil service position in the Executive branch, yet performs, manages or supervises work similar to employees under Subparagraph "A" above.

Information and Instructions
The right of election arises when the employee is hired into a position that requires membership in another retirement system and the employee, as a member of their current retirement system, is eligible to elect.

The election must be made in writing by completing the "Retirement System Election" (ES-372) which can be found in the CalSTRS website www.calstrs.com. The election and written information regarding the benefits of each system is required to be provided to an eligible employee within 10 working days of the date of hire into the position that qualifies for this election (Ed. Code section 22509). The publication "Join CalSTRS? Join CalPERS?" (COM-151) can be obtained at www.calstrs.com or by calling CalSTRS.

If the employee elects, the completed form must:

- Be clearly marked with the choice of retirement system
- Be signed and dated by both the employee and employer
School Employment: CalPERS or CalSTRS?

- Indicate the date the employee entered the new position
- Be filed with CalPERS with a copy to CalSTRS within 60 days of the entry into the new position

Incomplete forms will be returned to the employer for further action.

An election is irrevocable and will remain in effect until a change in employment occurs that qualifies the employee for the election right or until the employee separates from employment and receives a refund of all accumulated contributions and interest. An election cannot be accepted after a refund or retirement event because the membership ceases. Retirement does not cancel an election and may affect post-retirement employment.

If the employee does not exercise the right of election within 60 days from the date of hire, the employee will be reported to the retirement system that normally covers that employment.

When enrolling a member into myCalPERS it is required to upload the completed election and certify information to create an appointment for a member electing CalPERS coverage for a CalSTRS reportable position.

Use the charts following this section as a guide to determine if the employee is eligible for this election and the retirement system coverage.

Differences Between CalPERS and CalSTRS

There are many factors that might influence a person’s decision about coverage under one system or the other. Some of the differences between the two systems are the following:

1. CalPERS members may or may not have Social Security coverage (most do), whereas CalSTRS members generally do not.
2. The Benefit Factors based on age for service retirement may be different.
3. The employee contribution rates may be different.
4. Persons entering membership in either system between July 1, 1980 and December 31, 1998 may not be eligible to convert unused sick leave credits to service credit at retirement.

We suggest you contact CalPERS or CalSTRS if you have any specific questions or need additional information relating to an employee’s eligibility and/or choice of coverage.

Additional Information
1. A person is a "member" of CalPERS or CalSTRS unless they have permanently separated from all employment covered by the system and received a refund of his or her contributions and interest on deposit. Retired members are not considered members for the purposes of this election.

2. It is possible to be an active (i.e., currently employed) member of both CalSTRS and CalPERS if this dual coverage is for distinct positions.

3. A CalPERS member with less than five years of service must have been employed by a school employer, the Board of Governors of the California Community Colleges, or the State Department of Education within 120 days before the member's date of hire to perform service that requires membership in the Defined Benefit Program of the State Teachers’ Retirement Plan to be eligible for the right of election.

4. The right of election can only be offered to an eligible CalPERS employee when the new certificated position qualifies for mandatory
membership on the date of hire in the Defined Benefit Program under CalSTRS requirements.

5. The election should be filed with the system indicated by the Education Code section (see previous page); send a duplicate copy to the other system for informational purposes, clearly labeled “COPY”.

Reporting Multiple Positions/Overtime Positions

Gov. Code section 20635, defines "overtime" as follows:

"The aggregate service performed by an employee as a member for all employers and in all categories of employment exceeding the hours of work considered normal for employees on a full-time basis, and for which monetary compensation is paid."

CalPERS considers full-time employment to be between 34 and 60 hours per week. Employers can generally determine what constitutes full-time for an employee provided that the employee works between 34 and 60 hours per week (the exception is non-certificated school employers which is discussed below). Once the full-time weekly hours are determined the additional hours worked during the week by the employee will constitute overtime under Gov. Code section 20635.

Gov. Code section 20635.1, defines overtime as follows for school members:

"For the purposes of this part, overtime for school members is the aggregate service performed by an employee as a member for all school employers and in all categories of employment exceeding 40 hours of work per week, and for which monetary compensation is paid."

Gov. Code section 20636.1, states that for all non-certificated school members full-time employment is considered 40 hours per week. This means that all hours up to 40 per week must be reported to CalPERS for non-certificated school members at the straight time rate and only those hours above 40 are considered overtime.

In situations where a member is working two full-time positions, the position with the highest pay rate or base pay will determine what employment should be reported to CalPERS.

With the implementation of myCalPERS, all positions should be reported to CalPERS. This means you should enroll the employee into myCalPERS and submit payroll with contributions for all CalPERS covered employment. CalPERS will determine what employment is considered overtime, meaning which positions will be contributory (where employer and employee contributions are submitted to CalPERS), and which positions are non-contributory (where no contributions are submitted).

If CalPERS determines that a position is overtime, you will be instructed to reverse the overtime contributions for that participant which will provide a credit to the employer’s account. When submitting payroll for the participant’s overtime position you must report the payroll as non-contributory on your payroll reporting. If the member contributions are not employer paid member contributions, the overtime contributions will need to be refunded to the employee by the employer. CalPERS will not refund the member their overtime contributions.

The following scenarios illustrate proper enrollment and reporting of participants when working in multiple positions:

1. The employee currently holds one full-time position subject to CalPERS and accepts a second concurrent qualifying part-time position.

   **ACTION**: The part-time position must be enrolled and reported to CalPERS. CalPERS will make the determination on which position is overtime.

2. The participant holds more than one part-time position with the same CalPERS covered employer.

   **ACTION**: All positions should be enrolled and reported to CalPERS.

3. The participant works two full-time positions, either with the same employer (e.g., a school district) or with another CalPERS-covered employer.

   **ACTION**: Both positions must be enrolled and reported to CalPERS. CalPERS will determine which position is overtime.
Additional Information
Pursuant to changes made to Gov. Code section 20635 by Senate Bill 53, Chapter 1297, Statutes of 1993, the treatment of more than one full-time position has been changed; the crucial distinction now is whether the service in question was worked before or after July 1, 1994:

- **BEFORE JULY 1, 1994:** The member has the right to elect which of the two full-time positions will be reported to CalPERS; CalPERS will, upon discovery of the second full-time position, send the member an election allowing this choice to be made. If no election is made (i.e., if the member does not respond to CalPERS’ notification of election rights), the employment with the latest hire date will be deemed the non-reportable "overtime" position.

- **AFTER JULY 1, 1994:** The position with the highest pay rate or base pay must be reported to CalPERS, with the other position deemed the non-reportable "overtime" position.

If the employment began before July 1, 1994 and continues after July 1, 1994, the member will have election rights indicated above only for the employment prior to July 1, 1994. Employment on and after July 1, 1994, will require the position with the highest pay rate or base pay to be reported to CalPERS.
Updating Employee Demographic Information

To ensure consistent information between your agency and CalPERS, you should validate and make any changes to your employees’ demographic information via myCalPERS, as this will update CalPERS automatically. This includes changes to the following items:

- Name
- Address
- Social Security Number

- Gender

NOTE:
Member and beneficiary birthdates must be accurate for CalPERS to calculate and pay benefits. Member and beneficiary birthdate verification from the Acceptable Documents list will be required at the time a retirement application is submitted. **Do not send originals and always include the Social Security number or CalPERS ID on all documents in the upper right-hand corner.**

myCalPERS Member Self-Service
myCalPERS provides members access to their real-time account information. This enhancement allows members to see the information submitted on their behalf by their employers, including appointment, payroll, and service credit information.

Therefore, it is critical to stay current with information reported to CalPERS on behalf of your employees. Employer accuracy and promptness will alleviate future concerns or questions members may have with their CalPERS account and the information provided by your agency.

Employers are expected to be knowledgeable of all areas covered in the Guide, as well as in Circular Letters and other standard CalPERS publications. If you encounter an unusual situation not addressed in any of these forums we would strongly urge you to contact us in advance for advice about such situations, so that we can review the facts and advise you appropriately.
Reciprocity

Full Reciprocity

"Reciprocity" is an agreement among public retirement systems to allow members to move from one public employer to another within a specific time limit.

There is no transfer of funds or service credit between retirement systems when an employee establishes reciprocity. The employee is a member of both systems and is subject to the membership and benefit obligations and rights of each system, except as they are modified by the reciprocity agreement.

For full reciprocity to apply:

- The member must meet the specific reciprocal requirements.
- The member must have retired on the same date from each public retirement system participating in a reciprocal agreement.
- The member must apply to retire from each system separately; this means that the member will receive a separate retirement allowance from each system.

CalPERS authority extends only to applying and implementing the California Public Employees Retirement Law; it does not extend to applying and implementing the laws or regulations under which other public retirement systems are administered. Questions relating to rights, benefits, and obligations under any of the other public retirement systems should be addressed directly to the appropriate system.

For more information on reciprocity, download or order a copy of the When You Change Retirement Systems (PUB-16) (PDF) publication at www.calpers.ca.gov or by calling 888 CalPERS (or 888-225-7377).

The University of California Retirement System (UCRS)
Only UCRS members who participate in the University of California Defined Benefit Retirement Plan (UCRP), which contracted with CalPERS on October 1, 1963, may be eligible for reciprocal provisions.

NOTE:
All Reciprocal 1937 Act Counties and Reciprocal Public Agencies have reciprocity with each other as a result of contracting for reciprocity with CalPERS. EXCEPTION: This agreement does not apply to UCRP. UCRP is not part of this agreement with any other reciprocal agencies.
Conditions for Acquiring Full Reciprocity

Where CalPERS rights and benefits are involved, CalPERS will recognize reciprocity upon movement between reciprocal retirement systems if the following requirements are met:

- Maintain Membership
  The employee must continue membership in the first retirement system by leaving their service credit and contributions (if any) on deposit. The employee voluntarily elects reciprocity and continues in membership in CalPERS by leaving his or her contributions (if any) on deposit or by later re-depositing contributions he or she had withdrawn.

- Movement to a New Reciprocal System
  The employee must enter employment that results in membership in the new system within six months of leaving CalPERS-covered employment. Eligibility for reciprocity is determined by the retirement laws in effect at the time of movement between employers and retirement systems. Since July 1, 1976, retirement law has required movement within six months.

- No Overlapping Service
  The employee must discontinue their employment relationship from the first system before entering employment or membership with the subsequent system; resulting in membership in the new system within six months of discontinuance of employment as a member of CalPERS.

- Concurrent Retirement Between Reciprocal Systems
  To receive full reciprocal benefits, the employee must retire on the same date from both or all systems by submitting a retirement application in accordance with the rules and regulations associated with each system.

Certain exceptions may exist if the employee is employed under an independent public agency retirement system before the effective date of that system’s reciprocal agreement with CalPERS.

NOTE:
Eligibility for reciprocity is determined by the retirement laws in effect at the time of movement between employers and retirement systems. Current CalPERS law requires movement within six months.

A member should complete the Confirmation of Intent to Establish Reciprocity When Changing Retirement Systems form in the When You Change Retirement Systems (PUB-16) (PDF) publication and mail it to the address on the form.

Important Restrictions
When changing retirement systems, the employee must satisfy several statutory conditions, as follows, to receive the full benefits of reciprocity:

Concurrent Employment
Reciprocity does not apply when the employment under the first retirement system overlaps the employment under the new system. For the benefits of reciprocity to apply, the employee must have been separated under the first system prior to joining the new system. This may be true even if the overlapping time is due to running out leave credits or while on a leave of absence. The employee should check with their current system and new system about their rules before they change employment. If they are concurrently employed, we will use their highest rate of pay under CalPERS when computing their retirement allowance.

Refund Restriction
Some retirement systems may not allow the member to withdraw their member contributions while they are employed in a position covered by the California State Teachers Retirement System (CalSTRS), Judges’ Retirement System (JRS), Judges’ Retirement System II (JRS II), Legislators’ Retirement System (LRS), the University of California Retirement Plan (UCRP), or if, within six months of leaving State service, the member entered employment covered by a system under the County Employees’ Retirement Law of 1937 or covered by certain other public agency retirement systems.
Reinstatement from Retirement
If in the future an employee reinstates to active employment in a CalPERS-covered position and had retired under reciprocity, there is no provision in the law to allow the employee to apply reciprocal rights to their subsequent retirement since they will no longer be retired from both systems on the same date.
Provisions Under Full Reciprocity

Final Compensation
The highest compensation earnable under any system is used when computing final compensation if retirement from all systems is concurrent.

NOTE:
If an employee retires on a service retirement from another reciprocal system before meeting the CalPERS minimum retirement age, they can later retire under CalPERS effective the first date they become eligible for retirement. We will still use the highest rate of pay under any of the reciprocal systems. This provision does not apply to the nonreciprocal systems.

If the member became an elective or appointed officer after July 1, 1994, we will use the highest rate of pay under CalPERS only. Reciprocal provisions of final compensation sharing do not apply even if the requirements are met (Gov. Code section 20039).

Vesting
If the employee is a CalPERS member who is also a member of a reciprocal retirement system, they are eligible to retire from CalPERS without meeting the CalPERS minimum service credit requirement (but they must still meet the minimum age requirement). Vesting requirements of the other systems must be met to retire concurrently from each system. Contact the other retirement system to determine their retirement requirements.

Disability Retirement
If the member is eligible for disability retirement from another system (or disability income from the University of California Retirement Plan) they may be entitled to CalPERS disability retirement benefits, if they retire from both systems on the same date. CalPERS would pay an amount that does not exceed the difference between the amount that would be paid by the other system if all the member’s CalPERS service were under that system, and the amount paid under the other system, but not less than an annuity that is the actuarial equivalent of the member’s contributions.

When retirement under the other system is for disability arising out of and during employment under the other system, CalPERS pays an annuity that is the actuarial equivalent of the member’s contributions.

Pre-Retirement Death Benefits
If the member dies prior to retiring while employed as a member of another system, a lump-sum Basic Death Benefit consisting of a return of their CalPERS retirement contributions will be payable to a beneficiary. An additional benefit, Employer Share, may be payable; however, the total paid by both systems cannot exceed the maximum lump-sum benefit allowable if all service had been under the other system.

If the member is a Safety member of CalPERS and the death is job-related, the monthly Special Death Benefit allowance may be payable to a qualifying survivor.

Membership Rate Age
Miscellaneous members and most Safety members in CalPERS have retirement formulas with a fixed rate of contribution and are not affected by their age at entry into the other system. However, other systems may use age at entry for their contribution rate. The member should check with the appropriate system for information.

Redeposit Rights
If a member withdrew their CalPERS contributions and interest and later joined a reciprocal retirement system, they can re-establish CalPERS service credit and membership by making a redeposit. If establishing reciprocity by redepositing formerly withdrawn CalPERS contributions, their retirement date can be no earlier than the day following CalPERS’ receipt of their election to purchase this service.
Reciprocal Provisions for Non-Qualifying Individuals

Even if the member does not qualify for full reciprocity, CalPERS offers the following provisions for some non-qualifying individuals:

**Redeposit Rights**
If an employee withdrew their CalPERS contributions and interest and later joined a reciprocal retirement system, they can re-establish CalPERS service credit and membership by making a redeposit.

**Vesting**
If an employee is a CalPERS member who is also a member of a reciprocal retirement system, they are eligible to retire from CalPERS without meeting the CalPERS minimum service credit requirement (but they must still meet the minimum age requirement). Vesting requirements of the other systems must be met to retire concurrently from each system. Contact the other retirement system to determine their retirement requirements.

**Movement to a Reciprocal System Prior to Reciprocity Agreement**
If their employer established a reciprocal agreement with CalPERS after the employee changed membership, and they would have been eligible for reciprocity had an agreement been in effect at the time of their membership change, their retirement allowance will still be based on the highest final compensation under either system, if they retire on the same date under both systems.
The University of California Retirement System (UCRS)
Members eligible for these provisions are only those of the University of California Defined Benefit Retirement Plan (UCRP), also known as the Defined Benefit Plan, which was contracted with CalPERS on October 1, 1963.

Some UCRP members after October 1, 1963 were given an election to remain in CalPERS. Members should always submit a formal request for eligibility review.

Members of UCRS who participate in the Defined Benefit Plan (or UCRP), may qualify for provisions even if the reciprocal movement requirements are not met for full reciprocity.

Redeposit Rights
If an employee withdrew their CalPERS contributions and interest and later joined a reciprocal retirement system, they can re-establish CalPERS service credit and membership by making a redeposit.

Vesting
If an employee is a CalPERS member who is also a member of a reciprocal retirement system, they are eligible to retire from CalPERS without meeting the CalPERS minimum service credit requirement (but they must still meet the minimum age requirement). Vesting requirements of the other systems must be met to retire concurrently from each system. You will need to contact the other retirement system to determine their retirement requirements.

Final Compensation
The average pay rate during any 12-month or 36-month period of employment with the University of California will be used for computing final compensation, if the member retires from both systems on the same date if membership requirements in both systems are met (Gov. Code section 20034).
**CalPERS Provisions with Non-Reciprocal Public Retirement Systems**

There is no formal reciprocity agreement established between CalPERS and the following systems:

- California State Teachers’ Retirement System (CalSTRS)
- Legislators’ Retirement System (LRS)
- Judges’ Retirement System (JRS)
- Judges’ Retirement System II (JRS II)

There is however an agreement with these systems which provides similar provisions. The following apply to CalPERS members who enter employment with these systems:

**Final Compensation**
CalPERS will compute the member’s final compensation based on the highest rate of pay under CalSTRS, LRS, JRS, JRS II, or CalPERS during any consecutive 12-month or 36-month period of service if they retire on the same date under both systems.

If a member became an elective or appointed officer on or after July 1, 1994, we will use their highest rate of pay **under CalPERS only**, provisions of final compensation sharing will not apply even if the requirements are met.

**Redeposit Rights**
A member of CalSTRS, LRS, JRS, or JRS II may redeposit in CalPERS any previously withdrawn CalPERS contributions to re-establish service credit in our system.

To receive this credit, a member’s election must be filed with CalPERS before their retirement is effective (Gov. Code section 21032). The employee should request cost information at least one year prior to their retirement date to ensure accurate and timely payment of benefits.

The right to redeposit contributions is not one of the uniform reciprocal provisions; it varies among public retirement systems. The member should contact the particular retirement system to learn of its policy regarding re-depositing.

**Vesting**
A CalPERS member who is a member of CalSTRS, LRS, JRS, or JRS II is eligible to retire from CalPERS without meeting the CalPERS minimum service credit requirement (but must still meet the minimum age requirement).

**Disability Retirement**
There is no provision for CalPERS disability retirement when a member is eligible for a disability retirement benefit from CalSTRS, LRS, JRS, or JRS II. They must instead take a CalPERS service retirement from the other system for the provisions of final compensation to apply.

If the memberretires on a disability retirement from the other system before they have met the CalPERS minimum service retirement age, they can later retire under CalPERS. We will use their highest CalPERS pay rate to determine their final compensation amount.

If the member will be receiving a disability allowance from CalSTRS, they can take a service retirement from CalPERS at the same time (if they meet the minimum retirement age) OR at age 60, when the disability allowance under CalSTRS is changed to a service retirement. Either way, they are considered to have retired on the same date under both systems, and CalPERS will compute their final compensation based on the highest rate of pay under either system.

**Refund Restriction**
A member’s CalPERS contributions may not be withdrawn while the member is in active employment as a member of CalSTRS, LRS, JRS, or JRS II.
How to Notify CalPERS when the Member Changes Retirement Systems

When an employee becomes a member of a reciprocal or non-reciprocal public retirement system, they can notify CalPERS by completing and submitting the **Confirmation of Intent to Establish Reciprocity When Changing Retirement Systems** form available in the **When You Change Retirement Systems (PERS-PUB-16) (PDF)** publication.

Please direct requests for information or inquiries to:

For more detailed information on reciprocity, refer to the **When You Change Retirement Systems (PERS-PUB-16) (PDF)** publication.

**JRS, JRS II, and LRS Members**
Due to PEPRA, effective January 1, 2013, the statutes that govern the Legislators’ Retirement System (LRS) closed the LRS to all newly elected or appointed officers. Newly elected or appointed Constitutional Officers, Insurance Commissioner and Legislative Statutory Officers are only eligible for optional CalPERS membership.

myCalPERS has been modified to remove LRS enrollment as an option for new members. The current enrollment process that allows new members to elect optional membership into CalPERS will not change.

**Long-Term Care Program Members**
If the member is enrolled in the CalPERS Long-Term Care Program and has premiums deducted from their check, they should call the program’s Customer Service Center at (800) 982-1775 to find out what steps they need to take to continue their premiums after retirement.
Service Credit Purchase Options

Service credit represents the accumulated amount of your employees' service time at work or on paid status under their CalPERS-covered employer or employers, counted on a fiscal year basis.

Service credit is one of three prime factors used to calculate an employee's retirement benefit, along with their retirement formula and final compensation.

For a complete list of service credit types, payment options, and instructions, please refer to the CalPERS publications A Guide to Your CalPERS Service Credit Purchase Options (PERS-PUB-12) (PDF) and A Guide to Your CalPERS Military Service Credit Options (PERS-PUB-15) (PDF) available through the Forms & Publications page online or by calling 888 CalPERS (or 888-225-7377).

Employer Role in Service Credit Purchases

The following types of service credit require employer certification on the application requesting the service credit purchase:

- Service Prior to Membership (SPM)
- Leave of Absence
- Layoff, Prior Service, Optional Member Service
- Comprehensive Employment & Training Act (CETA) or Fellowship

CalPERS offers a variety of service credit purchase options to your employees that do not require employer certification. These include:

- Redeposit of Withdrawn Contributions
- Military Leave of Absence
- Military
- Alternate Retirement Program (ARP)
- Peace Corps, AmeriCorps VISTA & AmeriCorps
- Base Realignment and Closure (BRAC) Firefighter

Employer Cost

The service credit types where employers are billed are:

- Redeposit Arrears (for the employer share)
- Member-Paid Arrears (for the employer share)
- Employer-Paid Arrears (for the member and employer share) (Gov. Code section 20283)

For service credit purchases, the employer liability is funded by the actuarial evaluation and setting of the employer rate based on the service that has been posted to the employer.

Service Credit Cost Estimator

The Service Credit Cost Estimator tool (Cost Estimator) provides members a cost estimate for purchasing various types of service credit. The Cost Estimator is located on the CalPERS website at www.calpers.ca.gov, or members may visit their local CalPERS Regional Office to utilize the self-service computer, to generate an online cost estimate and access the required request forms from the results page, when applicable. The Cost Estimator can calculate a cost estimate for the following types of service credit:

- ARP
- Maternity/Paternity Leave of Absence
- Military
- Redeposit of Withdrawn Contributions (Redeposit)
- Peace Corps or AmeriCorps*Vista Service
- Sabbatical Leave of Absence
- SPM

For Military, SPM, and Redeposit, it is recommended that a cost estimate be attached to the service credit purchase request form. For
To request service credit cost information members should follow these steps:

- Visit the CalPERS website at [www.calpers.ca.gov](http://www.calpers.ca.gov)
- If applicable, search for the Service Credit Cost Estimator.
- Complete a cost estimate for the appropriate service credit type. Print out the service credit cost estimate from the results page.
- Go to the Forms and Publications page.
- Select the link to download the applicable Service Credit Cost Request form.
- Complete the request form and mail it to CalPERS (include a copy of the cost estimate when applicable).

Additionally, your agency may receive requests to certify employment history and payroll information for employees wishing to purchase service credit. Any requests received by CalPERS without the required employer certification will be returned to the member as incomplete and the request will be closed.

**NOTE:** A member’s election to purchase service must be received by CalPERS before their effective retirement date.

### Redeposit

Members of CalPERS have the right to redeposit contributions previously withdrawn from CalPERS. The redeposit of withdrawn contributions restores service credit for previous employment. The member must redeposit the amount withdrawn, plus a sum equal to the interest, which would have accrued, had the member’s funds been left on deposit. Interest will be charged in the manner it would have accrued if the contributions had not been withdrawn, through the completion of payments.

A member, whose ex-spouse received a portion of the member’s account as part of a community property judgment or settlement AND took a refund of the contributions, may be eligible to redeposit those funds in CalPERS. It is recommended that members submit their request form at least one year in advance of their planned retirement date; all elections to purchase service credit must be received prior to retirement.

### Service Prior to Membership

Service Prior to Membership (SPM) is service rendered after the date of contract between a public agency, State, or School District and CalPERS, but before the employee entered CalPERS membership. An election to contribute for SPM will result in additional service credit.

Persons who were employed under the following conditions may be eligible to request SPM:

1. Those employed less than 87 hours per month or less than an average of 20 hours per week prior to becoming a member.
2. Those formerly employed in temporary or seasonal employment in which they were excluded from membership under Gov. Code section 20305.
3. Those "optional" elective officers, Governor appointees and Legislative employees who are no longer working in an "optional" position. If still in an "optional" position, refer to the "Optional Member Service" section.

Active or inactive CalPERS members cannot purchase CalPERS SPM service credit if:

1. The agency where the service was earned does not currently have a contract with CalPERS.
2. Their service is excluded by law or by the employer's contract with CalPERS
3. They worked at a school in a certificated position. (They should contact the California State Teachers’ Retirement System (CalSTRS) to find out if they can purchase the service with that system.)
4. They worked at the University of California after October 1, 1963.
5. They are retired.
Verification of Service Prior to Membership
When members request to purchase SPM, they obtain a Request for Service Credit Cost Information Service Prior to Membership (PERS-MEM-370) (PDF) form available through the Service Credit Cost Estimator results page or through the Forms and Publications page. On this form, members must indicate the prior employer information including the period of employment and the hours and time base worked per month. If this employment is with a State agency that reports payroll through the State Controller’s Office (SCO) or with the California State University, the form is sent directly to CalPERS for review.

If this employment is with a non-SCO State agency, public agency, or school district, this form is sent to that employer for certification. The employer must follow the directions on the form to complete the required pay period detail information section of the form, per pay period, and then return the completed form to the member to submit to CalPERS.

It is recommended that members submit their request form at least one year in advance of their planned retirement date; all elections to purchase service credit must be received prior to retirement.

Comprehensive Employment & Training Act (CETA) or Fellowship Service
Gov. Code sections 21030 and 21020.5 provide employees the option to purchase eligible time spent working as a permanent career civilian federal firefighter or permanent career state firefighter who had their services terminated at a California federal military installation.

The member must submit a completed Request for Service Credit Cost Information – Base Realignment and Closure (BRAC) Firefighter (PERS-MSD-374) (PDF) form to CalPERS, with all required documentation.

It is recommended the member submit their request form at least one year in advance of their planned retirement date; all elections to purchase service credit must be received prior to retirement.

NOTE:
To determine eligibility, supporting documentation (e.g. Standard Form 50) must be submitted with the completed request form.

Additional Retirement Service Credit (ARSC)
Due to the Public Employees’ Pension Reform Act of 2013 (PEPRA), ARSC has been eliminated as a service credit purchase option. All requests received prior to January 1, 2013 have been processed. If the member has already elected to purchase ARSC, their purchase will not be impacted.

Peace Corps, AmeriCorps Vista, and AmeriCorps
A member may be eligible to purchase credit for up to three years of service in the Peace Corps, AmeriCorps VISTA (Volunteers in Service to America) or AmeriCorps. The member must be able to provide CalPERS with documentation certifying their dates of service. If the member does not have a certification letter, one may be requested. The member may request a letter by visiting:

www.peacecorps.gov or
www.nationalservice.gov/programs/americorps
The member must submit a completed request form to CalPERS. It is recommended the member submit their request form at least one year in advance of their planned retirement date; all elections to purchase service credit must be received prior to retirement.

**Credit for Military Service Prior to Employment Public Agency Members**
Gov. Code section 21024 provides that public agency members may be eligible to receive active duty military service credit, provided:

1. Public agency amends their contract to provide this benefit.
2. Military service was rendered prior to CalPERS membership with contracting agency which has amended their contract.
3. Member elects to purchase military service credit.
4. Members may receive credit not to exceed four years.

**Public Agency Retirees**
Gov. Code section 21027 provides that public agency retirees may be eligible to receive credit for their military service, provided:

1. The public agency amends their contract for Gov. Code section 21024 and 21027.
2. Military service was rendered prior to CalPERS membership with contracting agency that has amended their contract accordingly.
3. The member retired immediately (within 120 days of separation from employment) from the contracting agency and before the effective date of the agency’s contract amendment for Gov.Code section 21024.
4. Retiree elects to purchase military service credit.
5. Retiree may receive credit not to exceed four years.

**Military Service Credit as Prior Service**
Gov. Code section 20996 provides employees, who are or were on military leave at the time your agency contracts for CalPERS coverage and returned to employment with your agency within six months after discharge from active military duty, can receive prior service credit for the period of their absence. If your agency provides this benefit, former employees employed by other CalPERS employers would also be eligible for this service credit. Your agency would be liable for the cost.

**State and County School Members and Retirees**
Gov. Code section 21029 provides that State and School employees and retirees may be eligible to receive credit for their military service. To be eligible the member or retiree must:

1. Currently be employed with or retired directly (within 120 days of separation) from State and School employment.
2. Must have a minimum of one year of CalPERS service and one year of military service. Service is granted on a basis of one year of military service credit for each year of credited CalPERS service credit, not to exceed four years.
3. Make an election to purchase military service credit.
4. In addition, State retirees must have retired on or after December 31, 1981.

Members can use the online Service Credit Cost Estimator on the CalPERS website to get an estimate of this cost.

For more information on active duty military, visit the CalPERS website at [www.calpers.ca.gov](http://www.calpers.ca.gov) or refer to the A Guide to Your CalPERS Military Service Credit Options (PERS-PUB-15) (PDF) publication.

The member must submit a completed request form to CalPERS, with all required documentation. It is recommended the member submit their request form at least one year in advance of their planned retirement date; all elections to purchase service credit must be received prior to retirement (not including requests for retired military).
NOTE:
To determine eligibility, a copy of the discharge or other document (such as DD214) indicating the beginning and ending dates of active duty must be submitted to the system.

A copy of the discharge document can be obtained from the National Personnel Records Center, Military Personnel Records, 9700 Page Avenue, St. Louis, MO 63132-5100. The member can also complete and mail in the Standard Form 180, available on their website at www.archives.gov

Leave of Absence
There are certain conditions in which some leaves of absence types may be creditable in CalPERS.

Temporary Disability Leave
Temporary disability leave of absence is time off while receiving temporary disability payments because of a job-related injury or job-related illness.

A member may purchase as much service credit that was not credited to their account as a result of the leave of absence.

Educational Leave of Absence (Not Available to Public Agency and School Employees)
Educational leave of absence is an employer approved leave for the purpose of further education.

Members must be a State, University of California, or California State University employee both before and on their return from the leave. Members may purchase a maximum of two years of service credit (even if the combined total of the members’ educational leave exceeds two years).

Serious Illness Leave of Absence
Serious Illness leave of absences an employer-approved leave due to the member’s own serious illness or injury.

The employer must certify the member was on an employer-approved leave due to the member’s own serious illness or injury. The member must return to active service with a CalPERS-covered employer following the leave.

A member may purchase as much service credit that was not credited to their account because of the leave of absence.

Sabbatical Leave of Absence
Sabbatical leave of absence is time off for a partially compensated leave of absence from CalPERS-covered employment. The member must return to CalPERS-covered employment at the end of the leave of absence.

A member may purchase as much service credit that was not credited to their account as a result of the leave of absence.

Maternity/Paternity Leave of Absence
Maternity/Paternity leave of absence is time off after the birth or adoption of a child. The member must return to CalPERS-covered employment at the end of the approved leave and remain in the CalPERS-covered employment at least the same amount of time. A member can purchase up to one year of service credit per leave of absence period.

Service Leave
Service leave of absence is time off to work with a college or university; a local, state, federal, or foreign government agency; or certain nonprofit organizations.

Members may purchase a maximum of two years of service credit for each service leave. Members must return to CalPERS-covered employment after service leave.

Certification
When a member requests to purchase service credit for a leave of absence, they must complete a Request for Service Credit Cost Information – Leave of Absence (PERS-MSD-371) (PDF) form. On this form, the member indicates the information for the employer that granted the leave, including the type of leave granted and the start and end dates for the period of the leave of absence. The employer that granted the leave of absence would also need to certify the dates and type of the leave. Upon completion, the employer may return the form to the member or if appropriate, forward it to the employee’s Worker’s Compensation carrier for temporary disability certification, as appropriate.

For all leave of absence types, the member must submit a completed request form to
CalPERS, with all required documentation. It is recommended the member submit their request form at least one year in advance of their planned retirement date; all elections to purchase service credit must be received prior to retirement.

Credit for Absence from Employment for Military Service
Gov. Code section 20997 provides that a member who was absent on military service may be eligible to receive service credit for the absence at employer cost. The employer does not need to amend its contract for the benefit. If the member is not eligible to receive the service credit at employer cost, the member may be eligible to purchase the service credit at member cost (Gov. Code section 20991).

To be eligible for this service credit (at employer cost or member cost) the member must have:

1. Been in the employment of a CalPERS covered agency prior to entering military service.
2. Been granted a military leave or have resigned from employment for the purpose of entering active duty in the armed forces.
3. Entered active duty within 90 days after leaving agency employment.
4. Returned to CalPERS-covered employment after being discharged from active duty military service.

CalPERS will determine the member’s eligibility, and whether there is a member cost associated to the military leave of absence service credit.

For more information on Military Leave of Absence, consult the CalPERS website at www.calpers.ca.gov or refer to the A Guide to Your CalPERS Military Service Credit Options (PERS-PUB-15) (PDF) publication.

The member must submit a completed request form to CalPERS, with all required documentation. It is recommended the member submit their request form at least one year in advance of their planned retirement date; all elections to purchase service credit must be received prior to retirement.

Alternate Retirement Program
If the member was previously employed by the State of California as a new first-time State miscellaneous or industrial employee hired on August 11, 2004 through June 30, 2013 and DID NOT elect to transfer their ARP contributions from their ARP account to CalPERS to receive retirement service credit for the time the member was enrolled in ARP, the member remains eligible to purchase the ARP time from CalPERS in the future. If the member decides to purchase this service in the future, the service will be calculated at a present value cost.

It is recommended the member submit their request form at least one year in advance of their planned retirement date; all elections to purchase service credit must be received prior to retirement.

Layoff, Prior Service, and Optional Member Service

Layoff
Gov. Code section 21022 allows certain local members, under specified conditions, to purchase service credit for a period of unemployment resulting from a formal layoff. The section only applies when a member previously laid off is then rehired by the same public agency and only when the public agency has contracted for this provision. No similar provision exists for State and school employees.

Prior Service
Prior Service is service rendered before the date of contract between a public agency and CalPERS or for service rendered before the effective date contract exclusion is removed, pursuant to Gov. Code section 20503, for those in previously excluded classes.

If included in the agency’s contract, the cost of Prior Service is an expense of the agency where the member rendered the Prior Service. The cost of the Prior Service liability is included in the employer’s rate of contribution.

Public agencies may amend their contract to allow members to purchase Prior Service which is not provided at employer cost (Gov. Code section 21031).
Exception – Local System
A former member of the local retirement system who withdrew any contributions prior to the effective date of that agency's contract with this system is entitled to credit for the service upon which those contributions were made if they elect to deposit any of those withdrawn contributions with this system under the terms and conditions specified in Gov. Code sections 20750, 20531 and 20972.

Optional Member Service
Optional Member Service is service rendered prior to membership in certain exempt, appointed, or elected positions that allow employees the option of joining CalPERS. Employees can purchase service credit for Optional Member Service if they are (or elect to become, if eligible) a CalPERS member.

Employees cannot purchase credit for Optional Member Service if the position held is ineligible due to law or the employer’s CalPERS contract.

The following employees are considered to be rendering Optional Member Service:

- A State employee who was appointed by the Governor, Lieutenant Governor, Attorney General, Controller, Secretary of State, Treasurer, or Superintendent of Public Instruction and is exempt from civil service.

- Some officials elected or appointed to a fixed term of office with a city or county and elected officials of the state or a contracting agency. (This may include city attorneys, assistant city attorneys, and elected/appointed officials of schools and contracting agencies; however, eligibility is determined by the dates of your term of office).

- An employee of the California State Senate or Assembly whose wages are paid from funds controlled by either body.

Employees must be in one of the above positions on the date they request their cost information, and they must elect CalPERS membership before or at the same time the credit is elected. There are no limitations on the amount of service credit that can be purchased.

Employees who are CalPERS members, but no longer in an Optional Member Service position may be eligible to purchase credit for their past service under the Service Prior to Membership service credit type.

Certification
When a member requests to purchase service credit for layoff, prior service, or optional member service, they must complete the Request for Service Credit Cost Information - Layoff, Prior Service & Optional Member Service (PERS-MSD-372) (PDF) form. Once the member has completed the member section of the request form, the member must send the form to the applicable employer for certification. The employer must follow the directions on the form to complete the required pay period detail information section of the form, per pay period and then return the completed form to the member to submit to CalPERS.

It is recommended the member submit their request form at least one year in advance of their planned retirement date; all elections to purchase service credit must be received prior to retirement.

Contract Exclusions
If the requested employment is excluded by the employer’s CalPERS contract, the purchase of this service credit is not possible. If the exclusion was removed or superseded by law after the employment was rendered, service credit rights would depend on the Government Code provisions under which the exclusion was removed.

Payment Methods
A member may elect, at any time prior to retirement, to make contributions for an eligible service credit. If a member elects a cash lump-sum payment, no notification will be sent to the employer.

If a member elects to purchase service credit with installment payments, upon approval CalPERS will send the current employer an authorization for payroll deductions. No deductions should be made until the authorizing form is received.

The agency must begin the payroll deductions authorized on the effective date and continue until payments are completed or the employee separates from employment. In the event an employee is making installment payments and permanently separates from employment, they should contact
CalPERS directly at the CalPERS Customer Contact Center at 888 CalPERS (or 888-225-7377).

At retirement, any unpaid balance may be paid by lump sum or will be continued as a deduction from the retirement allowance (Gov. Code section 20776).

It is recommended the member submit their completed request to purchase service credit at least one year in advance of their planned retirement date; all elections to purchase service credit must be received prior to retirement.

**Important Considerations When Purchasing Service Credit**

The purchase of service credit may impact and/or be subject to the following:

- Community Property Orders. Refer to the CalPERS publication Community Property (PUB-38A).
- Social Security Benefits. Refer the member to their local Social Security office.
- Taxability in Retirement. Refer the member to a tax consultant.
- Disability/Industrial Disability Retirement. Please refer to the CalPERS Disability Retirement Election Application (PERS-PUB-35) (PDF) publication.

**Inquiries**

The member may obtain cost information if they are eligible by first completing the appropriate request form. The forms can be downloaded from the Forms and Publications page on the CalPERS website at www.calpers.ca.gov. The following is a list of the forms:

- Redeposit of Withdrawn Contributions (PERS-MSD-368)
- Military Service (PERS-MSD-369)
- Military Leave of Absence
- Base Realignment and Closure (BRAC) Firefighter (PERS-MSD-374)
- Service Prior to Membership (PERS-MEM-370)
- CETA & Fellowship Service (PERS-MEM-370A)
- Leave of Absence (PERS-MSD-371)
- Layoff, Prior Service & Optional Member Service (PERS-MSD-372)
- Peace Corps, AmeriCorps\^VISTA or AmeriCorps Service (PERS-MSD-373)

The request forms used for military and military leave of absence service credit can also be obtained from the A Guide to your CalPERS Military Service Credit Options (PERS-PUB-15) (PDF) publication.

For Military, Redeposit, and SPM, it is recommended that a cost estimate be attached to the service credit purchase request form. Request forms are available for download on the Cost Estimator Results Page (if applicable) once a member has generated an estimate.

Additionally, your agency may receive requests to certify employment history and payroll information for employees wishing to purchase service credit. Any requests received by CalPERS without the required employer certification and/or attached cost estimate will be returned to the member as incomplete and the request will be closed.

**NOTE:**

To receive service credit, a member’s election must be received by CalPERS before their effective retirement date (not including requests for Military Service Credit).

GENERAL INFORMATION FOR ALL REPORTING METHODS

Reportable/Non-Reportable Compensation

All reportable compensation must be pursuant to written pay schedules, ordinances, or similar documents that are available for public review.

The statutes and regulations governing reportable compensation are outlined in the California Public Employees’ Retirement Law (PERL) Government Code (Gov. Code) sections 20630, 20636, 20636.1, 7522.34 and the California Code of Regulations (CCR) sections 570, 570.5, 571 and 571.1.

Compensation (Gov. Code section 20630)

Compensation is broadly defined as the remuneration paid out of funds controlled by the employer in payment for the member's payment to employees for services performed during normal working hours or for time during which the employee is excused from work because of holidays, sick leave, industrial disability leave, (payable pursuant to Labor Code sections 4800, 4850 or Education Code sections 44043, 87042) vacation, compensatory time off, or leave of absence.

The employer shall identify and report compensation for the pay period in which the compensation was "earned" regardless of when paid and shall not exceed compensation earnable.

Workers’ Compensation Temporary Disability and Industrial Disability Leave Payments

Labor Code section 4850 contains industrial disability leave provisions for various specified safety members of CalPERS. This pay is reportable to CalPERS. Education Code section 44043 or 87042 contains industrial disability leave provisions for employees of the Superintendent of Schools. This compensation may also be reported to CalPERS.

Workers’ Compensation Temporary Disability payments in lieu of Workers’ Compensation that are not pursuant to the above-mentioned law codes are not reportable to CalPERS. However, if a miscellaneous member uses accrued leave credits such as vacation, sick leave or compensated time off (CTO), the compensation attributable to the used leave credits is reportable to CalPERS.

Compensation Earnable (Gov. Code Sections 20636 and 20636.1)

Compensation earnable is the pay rate and special compensation of the member as defined by sub sections (b), (c) and (g) and as limited by Gov. Code section 21752.5.

Pay Rate (Gov. Code Section 20636(b))

"Pay rate" is broadly defined as the normal monthly rate of pay or base pay of the member paid in cash to similarly situated members of the same group or class of employment for services rendered on a full-time basis during normal working hours, pursuant to publicly available pay schedules. For classified school members, full-time employment is 40 hours per week, and payments for services rendered, not to exceed 40 hours per week, shall be reported as compensation earnable for all months of the year in which work is performed.

"Pay rate" for a member who is not in a group or class means the monthly rate of pay or base pay of the member, paid in cash and pursuant to publicly available pay schedules, for services rendered on a full-time basis during normal working hours, subject to the limitations of paragraph (2) of subsection (e) of Gov. Code section 20636.

Group or Class of Employment (Gov. Code Sections 20636 (e) (1-2))

Group or class of employment means a number of employees considered together because they share job similarities, work location, collective bargaining unit, or other logical work-related grouping. One employee may not be considered a group or class.

Increases in compensation earnable granted to an employee who is not in a group or class shall be limited during the final compensation period and the preceding two years to the average of the increases in compensation earnable during
the same period reported by the employer for all employees in the same membership classification, except as may otherwise be determined pursuant to regulations adopted by the board that establish reasonable standards for granting exceptions.

Requirements for a Publicly Available Pay Schedule (CCR Section 570.5)

This regulation requires that each pay schedule meet the following requirements:

- Has been duly approved and adopted by the employer's governing body in accordance with requirements of applicable public meeting laws
- Identifies the position title for every employee position
- Shows the pay rate for each position, which may be stated as a single amount or multiple amounts within a range
- Indicated the time base for each pay rate, including, but not limited to, whether the time is hourly, daily, bi-weekly, monthly, bi-monthly or annually
- Is posted at the office of the employer or immediately accessible and available for public review from the employer during normal business hours or on the employer's website
- Indicates an effective date and date of any revisions
- Is retained by employer and available for public inspection for not less than five years

This regulation also contains criteria for ensuring the pay schedule is publicly available and does not permit a reference to another document in lieu of disclosing the pay rate. Further, the regulation clarifies that "compensation earnable" will be limited to the amount listed on a pay schedule that meets all the established criteria and identifies how a pay rate may be determined if an employer fails to meet the requirements.

Special Compensation (Gov. Code Section 20636 (c) (1-7))

Special compensation is payment received for special skills, knowledge, abilities, work assignment, workdays or hours, or other work conditions.

Special compensation shall be limited to that which is received by a member pursuant to a labor policy or agreement to similarly situated members of a group or class of employment and is reported in addition to and separately from pay rate.

Special Compensation shall be for services rendered during normal working hours. When reporting special compensation, the employer must:

- Identify the pay period in which the special compensation was earned, regardless of when paid
- Identify each type and category of special compensation

Special compensation is delineated specifically and exclusively in the regulations adopted in (CCR) section 571 (a) and (b). Subsection ‘b’ specifies the standards that all special compensation items must meet.

Only those items listed in CCR section 571(a) and meeting all criteria listed in subsection (b) may be reported to CalPERS.

CCR Section 571 (a) — Definition of Special Compensation

The following list exclusively identifies and defines special compensation items for members employed by contracting agencies and school employers that must be reported to CalPERS if they are contained in a written labor policy or agreement.

(1) Incentive Pay

Bonus — Compensation to employees for superior performance such as "annual performance bonus" and "merit pay." A program or system must be in place to plan and identify performance goals and objectives. If provided only during a member’s final compensation period, it shall be excluded from the final
compensation as "final settlement" pay. (Excluded for PEPRA members)

**Dictation/Shorthand/Typing Premium** — Compensation to clerical employees for shorthand, dictation or typing at a specified speed.

**Longevity Pay** — Additional compensation to employees who have been with an employer, or in a specified job classification, for a certain minimum period exceeding five years.

**Management Incentive Pay** — Compensation granted to management employees in the form of additional time off or extra pay due to the unique nature of their job. Employees within the group cannot have the option to take time off or receive extra pay. This compensation must be reported periodically as earned and must be for duties performed during normal work hours. This compensation cannot be for overtime, or in lieu of other benefits excluded under the statutes, nor for special compensation not otherwise listed in section 571. (Excluded for PEPRA members)

**Marksmanship Pay** — Compensation to local police officers, county peace officers and school police or security officers who meet an established criterion, such as, "certification" as a marksperson.

**Master Police Officer** — Compensation to local police officers, county peace officers and school police or security officers who meet specified requirements, years of employment, performance standards, education, Peace Officer Standard Training (POST), and perform a specialty assignment.

**Physical Fitness Program** — Compensation to local safety members and school security officers who meet an established physical fitness criterion.

**Value of Employer-Paid Member Contributions (EPMC)** — The full monetary value of employer-paid member contributions (EPMC) paid to CalPERS and reported as an item of special compensation on behalf of all members in a group or class. (Excluded for PEPRA members)

The value of EPMC is calculated on all "compensation earnable" excluding the special compensation of the monetary value of EPMC paid to CalPERS by the employer under Gov. Code section 20636(c)(4) thus eliminating a perpetual calculation.

A. A resolution or ordinance of the governing body must be provided to CalPERS indicating the group or class, effective date, and the percent or amount of EPMC being paid and reported as an item of special compensation. The resolution or ordinance must be formally adopted by the employer’s governing body and submitted to CalPERS for review and approval.

B. The resolution or ordinance must specify that the value of EPMC will be reported as an item of special compensation consistently, for all members in the affected group or class of employment — except that the employer’s governing body may elect a "time-in-grade exception" which shall only apply to persons newly hired into the pertinent group or class of employment.

C. To be classified as "newly-hired", a member of the group or class must not have been previously hired or retained by the employer in any capacity whatsoever.

D. The time-in-grade exception must be elected in the same resolution or ordinance, or by amendment thereto, as adopted by the employer's governing body for the purpose of paying and reporting the value of EPMC, pursuant to this section 571. The exception can only be used for the value of EPMC, and not for any other item of special compensation.

1. The time-in-grade exception must be applied consistently to all newly-hired employees in the pertinent group or class.

2. The time-in-grade requirement may be incremental, not to exceed a total of five (5) years. For example, the initial requirement may be three years for paying fifty percent (50%) with increases of twenty-five percent (25%) for each additional year of time-in-grade.

3. Once the initial time-in-grade requirement has been met by a newly-hired employee, the employer shall begin paying and reporting the value of EPMC for him or her to the same extent.
General Information for All Reporting Methods

as for all others in the pertinent group or class.

E. To implement the time-in-grade exception, the employer’s governing body must acknowledge that it may experience an upward adjustment to its employer contribution rate. The acknowledgment must be included in the resolution or ordinance by which the employer’s governing body elected to pay and report EPMC as an item of special compensation, by adoption or amendment thereto.

F. The full terms of the resolution or ordinance by which the employer’s governing body elects to pay and report the value of EPMC as an item of special compensation, along with any time-in-grade exception for newly-hired employees, must be incorporated into the written labor agreement that pertains to the affected group or class of employment.

The time-in-grade exception from paying and reporting the value of EPMC as an item of special compensation pursuant to CCR section 571, is separate and apart from the time-in-grade exception from paying EPMC pursuant to CCR section 569 of these regulations. Both exceptions are separate and apart from, nor do they apply to, the process for converting EPMC to pay rate during the period of final compensation, pursuant to Gov. Code section 20692.

Off-Salary-Schedule Pay — Compensation in addition to base salary paid in similar lump-sum amounts to a group or class of employees. These payments are routinely negotiated through collective bargaining in lieu of increases to the salary schedule. The contracting agency or school employer may adopt similar action for non-represented groups or classes of employment as were negotiated through collective bargaining.

(5) **Statutory Items**

**Fair Labor Standards Act (FLSA)** — Compensation paid for normal full-time work schedule including premium pay required by FLSA.

For example, a firefighter’s normal work schedule is 56 hours per week. FLSA states premium pay must be paid on all hours worked above 53 hours per week up to what is considered normal for employees on a full-time basis.

In this example, the firefighter works 56 hours in a normal work week. In addition to the 56 hours of normal full-time pay, the premium pay component or half-time for the three hours of FLSA would be reported separately as special compensation. Any work performed above 56 hours per week would be considered overtime and would not be reported to CalPERS.

For PEPRA members, as set forth in Gov. Code section 7522.34 (c) (8), FLSA is only reportable for safety members.

**Holiday Pay** — Additional compensation for employees who are normally required to work on an approved holiday because they work in positions that require scheduled staffing without regard to holidays. If these employees are paid over and above their normal monthly rate of pay for approved holidays, the additional compensation is holiday pay and reportable to CalPERS.

For those employees with written labor agreements providing holiday credit and allowing employees to cash out accumulated holiday credit, the cash out must be done at least annually and reported in the period earned. If a written labor agreement allows an employee to accumulate holiday credit beyond the year in which it is earned, and an employee later elects to cash out accumulated holiday credit, it is not compensation for CalPERS purposes.

If an employee utilizes the cash out option only during their final compensation period, it will be considered final settlement pay and excluded from reportable compensation.

If the cash out option is also utilized near their final compensation period, it may still be excluded based upon a review of the contracting agency or school employer’s experience relating to:

- The number of employees in the group with this option
- The number of employees who exercise this option
- The frequency with which employees exercise this option
- Whether or not the cash out is paid periodically, and in a manner, that is historically consistent
- Whether or not the cash out would create an unfunded liability over and above CalPERS actuarial assumptions

This review will be conducted by CalPERS on a case-by-case basis.

**Uniform Allowance** — Compensation paid or the monetary value for the purchase, rental and/or maintenance of required clothing, including clothing made from specially designed protective fabrics, which is a ready substitute for personal attire the employee would otherwise have to acquire and maintain. This excludes items that are solely for personal health and safety such as protective vests, pistols, bullets, and safety shoes (Excluded for PEPRA members).

1. Contained in a written labor policy or agreement and:
   a. Have been duly approved and adopted by the employer’s governing body in accordance with requirements of applicable public meetings laws
   b. Indicate the conditions for payment of the item of special compensation, including but not limited to, eligibility for, and amount of, the special compensation
   c. Posted at the office of the employer and be immediately accessible and available for public review from the employer during normal business hours or posted on the employer’s website
   d. Indicate an effective date and date of any revisions
   e. Retained by the employer and available for public inspection for not less than five years; and
   f. Do not reference another document in lieu or disclosing the item of special compensation

2. Available to all members in the group or class

3. Part of normally required duties

4. Performed during normal hours of employment

5. Paid periodically as earned

6. Historically consistent with prior payments for the job classification

7. Not paid exclusively in the final compensation period

8. Not final settlement pay; and,

9. Not creating an unfunded liability over and above CalPERS actuarial assumptions

NOTE:
Special Compensation items must meet definitions listed in CCR 571 (a) as well as the criteria outlined in CCR 571 (b) to be reported to CalPERS.

CCR Section 571 (c)

Only items listed in CCR 571 (a) have been affirmatively determined to be special compensation. All items of special compensation reported to CalPERS will be subject to review for continued conformity with all the standards listed in CCR 571 (b).

CCR Section 571 (d)

If an item of special compensation reported for a member is not listed in CCR 571 (a) or is out of compliance with any of the standards in CCR section 571 (b) as reported for an individual, then it shall not be used to calculate the final compensation for that individual.

Only those items listed in the CCR 571 (a) and meeting the criteria listed in subsection (b) are reportable. If the special compensation item is not included in the exclusive list, it is not reportable for retirement purposes. Please note:

- All special compensation is required to be reported separately from pay rate as special compensation, as it is earned.
- Do not report special compensation prospectively, it must be reported for the pay period in which it was earned.
- Special compensation shall be for services rendered during normal working hours, and the employer shall identify the pay period in which the special compensation was earned.

Special compensation does not include final settlement pay, payments made for additional services rendered outside normal working hours,
or any other payments the CalPERS Board of Administration has not affirmatively determined to be special compensation.

Special compensation items must meet the definitions listed in CCR section 571 (a) as well as the criteria outlined in subsection (b) to be reported to CalPERS.

CCR Section 570 - Final Settlement Pay - Excluded
Final settlement pay means any pay or cash conversions of employee benefits, in excess of compensation earnable, that are granted or awarded to a member relating to or in anticipation of a separation from employment. Final settlement pay is excluded from payroll reporting to CalPERS, in either pay rate or compensation earnable and may consist of severance pay or so called “golden parachutes.”

It may be based on accruals over a period of prior service. It is generally, but not always, paid during the period of final compensation. It may be paid in either lump sum, or periodic payments.

Final settlement pay may also take the form of any item of special compensation not listed in section 571, bonus, retroactive adjustment to pay rate, conversion of special compensation to pay rate, or any other method of payroll reported to CalPERS. All forms of final settlement pay are prohibited from being considered special compensation.

Pensionable Compensation (PEPRA) (Gov. Code section 7522.34) and Special Compensation for New Members (CCR 571.1)

For new PEPRA members, as defined in Gov. Code section 7522.04 (f) “pensionable compensation” must meet the following four criteria set forth in both Gov. Code section 7522.34 (a) and CCR 571.1 (a):

1. Pay is the normal rate of pay or base pay that is earned for normally required duties and historically consistent with prior payments for the job classification.
2. Paid in cash to similarly situated members of the same group or class of employment.
3. Paid for services rendered on a full-time basis during normal working hours.

4. Paid pursuant to publicly available pay schedules.

CCR section 571.1 (b) provides an exclusive list and defines the forms of pay the Board has determined to meet the criteria of “pensionable compensation” for individuals who are considered new members, so as each of the criteria in CCR section 571.1 (a) have been met.

As set forth in CCR section 571.1 (c), pensionable compensation for all new members does not include the items explicitly excluded from pensionable compensation under Gov. Code section 7522.34 (c).

The following forms of compensation are not reportable for PEPRA members:
- Temporary Upgrade Pay
- Management Incentive Pay
- Uniform Allowance
- Bonus
- Value of Employer Paid Member Contributions
- Off-Salary-Schedule Payments
- Fair Labor Standards Act for miscellaneous members (reportable for safety members only)

Refer to Circular Letter No. 200-064-17 (PDF) Public Employees’ Pension Reform Act (PEPRA) of 2013 Adoption of Pensionable Compensation Regulations (Attachment – California Code of Regulations (CCR) section 571.1 (PDF)).

The purpose of this Circular Letter is to inform CalPERS covered employers of the adoption of section 571.1 to title 2 of the CCR, which further clarifies what CalPERS considers to be "pensionable compensation" as defined in Gov. Code section 7522.34.

This Circular Letter supersedes and replaces Circular Letter No. 200-062-12 dated December 27, 2012, as it applies to "pensionable compensation".
The statutes and regulations for paying and reporting member contributions are Gov. Code sections 20636, 20691 and 20692; CCR sections 569 and 571; and Internal Revenue Code (IRC) 414 (h) (2).

There are six provisions for paying and reporting member contributions. On the following pages, each provision is briefly described, and includes the requirements for implementation (e. g., resolution) and links to sample resolutions. These samples can also be found on our website under Forms & Publications.

To implement a change or eliminate one or more of these optional provisions, a resolution must be completed, and a copy sent to:

Employer Paid Member Contributions (EPMC)
Gov. Code section 20691 provides for a contracting public agency or school employer to pay all or a portion of the normal contributions required to be paid by members of a group or class. This is called Employer Paid Member Contributions (EPMC).

If an individual is not part of a group or class, the agency must pay EPMC for the closest related group or class in order to pay EPMC for the individual. Determinations for "group of one" and closest related group are made on a case-by-case basis by the Employer Account Management Division, Compensation Compliance & Review Unit.

Agencies who wish to modify EPMC for classic members may do so under existing law through collective bargaining and contract amendments. Existing PERL statutes allow employers to periodically increase, reduce or eliminate EPMC.

PEPRA prohibits EPMC for new members employed by public agencies, school employers, the judicial branch or California State University (CSU), unless an employer’s existing MOU would be impaired by this restriction. It is up to each employer to determine if an MOU would be impaired by this restriction on EPMC for new members. The impaired MOU must have an effective date of January 1, 2013, or earlier.

NOTE:
Please see the Membership chapter of this Guide for the definition of a new PEPRA member.

Payroll will error in myCalPERS if EPMC is reported for a new member.

(1) EPMC
To elect EPMC, your agency's governing body must adopt a resolution (see Resolution for Employer Paid Member Contributions (DOC)).

(2) EPMC with Time-in-Grade Exceptions
Pursuant to CCR section 569, the payment of EPMC within the applicable group or class may include a cumulative "time-in-grade exception" for newly hired employees upon the election by the contracting agency or school employer.

To elect the "time-in-grade exception," your agencies governing body must adopt a resolution (see Resolution for Employer Paid Member Contributions with Time-in-Grade Exceptions (DOC)) or ordinance that specifies the "time-in-grade" schedule and group or class involved. The "time-in-grade exception" cannot take effect until after the resolution or ordinance has been reviewed and approved by CalPERS.

To be classified as "newly hired", a member of the group or class must not have been previously hired or retained by your agency in any capacity.

(3) Paying and Reporting the Value of EPMC as Special Compensation
Effective July 1, 1994, under Gov. Code section 20636 (c) and CCR section 571 (a) (1), an employer has the option of reporting the value of EPMC to CalPERS as special compensation. This provision must be adopted and applied equally to everyone in a group or class of employment.

If an individual is not part of a group or class, your agency must pay and report the value of EPMC for the closest related group for the individual. Determinations for "group of one" and
Employers Paying Member Contributions

closest related group are made on a case-by-case basis by the CalPERS Employer Account Management Division, Compensation Compliance & Review Unit.

Should your agency decide to report the value of EPMC, it must comply with the following criteria:

1. Each written labor policy or agreement must acknowledge the fact that your agency is paying and reporting the value of EPMC for everyone in that group or class.

2. The governing board must pass a resolution utilizing language like the Resolution for Paying and Reporting the Value of Employer Paid Member Contributions (DOC).

3. The resolution must be sent to the Pension Contracts and Prefunding Programs Division and written confirmation of compliance will be returned to your agency.

4. The amount (percent) of EPMC being paid by your agency is the value (amount) that must be reported as special compensation.

5. The value of EPMC must be reported on all compensation, i.e., pay rate and special compensation. Do not report the value of EPMC on the value of EPMC under Gov. Code section 20636(c)(4). This avoids the perpetual loop of reporting the value of EPMC on the previous value of EPMC.

NOTE:
School districts may negotiate for this provision on a district by district basis. It does not have to apply to all districts under the County Office of Education.

Reporting the value of EPMC should not affect the calculations you make for overtime or other special payments employees receive as a factor of base salary. Reporting the value of EPMC is not subject to state and federal income taxes, nor Social Security and Medicare taxes. However, since there is no case or ruling directly related to Social Security and Medicare, affected employers should consider seeking a ruling from the Internal Revenue Service on this issue.

The cost of reporting the value of EPMC will be an increase in your agency’s employer and employee contributions due to the increased earnings reported. There could also be an increase to your employer’s rate similar to increases associated with comparable pay rate increases for groups of employees. The cost for this provision is expected to be the same as the cost of converting EPMC to salary in the final compensation period.

(4) Paying and Reporting the Value of EPMC with Time-in-Grade

Under the CCR section 571 regulation, an employer may implement a cumulative “time-in-grade exception” for newly-hired employees for contracting agency or school employers to pay and report the value of EPMC as an item of "special compensation" within the pertinent group or class. To elect the "time-in-grade exception," your agency's governing body must adopt a resolution (see Resolution for Paying and Reporting the Value of Employer Paid Member Contributions with Time-in-Grade Exception (DOC)) that specifies the "time-in-grade" schedule and the group or class involved.

The "time-in-grade exception" cannot take effect until after the resolution has been reviewed and approved by CalPERS. To be classified as "newly hired", a member of the group or class must not have been previously hired or retained by the employer in any capacity.

Converting EPMC to Pay Rate in the Final Compensation Period (Contract Amendment Method)

The conversion of EPMC to pay rate in an employee’s final compensation period is the only conversion provision allowed in the PERL. To contract for this provision, your agency must have a resolution on file for EPMC. This provision must be adopted and applied equally to everyone in a group or class of employment.

If an individual is not part of a group or class, your agency must adopt this provision for the closest related group or class to convert EPMC to pay rate for the individual. Determinations for "group of one" and closest related group are made on a case-by-case basis by the Employer Account Management Division, Compensation Compliance & Review Unit.

Gov. Code Section 20692

This section was made effective July 1, 1994 and provides: "(a) Where a contracting agency employer or a school employer has elected to pay all or a portion of the normal contributions of members of a group or class of employment
pursuant to Gov. Code section 20691, the employer may, pursuant to a labor policy or agreement, stop paying those contributions during the final compensation period applicable to the members and, instead, increase the pay rate of the members by an amount equal to the normal contributions paid by the employer on behalf of the employees in the pay period immediately prior to the final compensation period or increase the pay rate of the members by an amount established by a labor policy or agreement in existence and in effect on June 30, 1993. That amount shall not exceed the amount of the normal member contributions that are required to be paid by the members."

Request a valuation from the Pension Contracts and Prefunding Programs Division and follow the contract amendment procedures for this provision. For more information on requesting a valuation, refer to the Contract Coverage chapter.

After your agency amends its contract with CalPERS to provide this conversion, the new employer rate is effective the same day the amendment is effective. All employees in a group or class must be treated the same and there can be no "election" on the part of individual employees to convert EPMC to pay rate in the final compensation period. The conversion would be allowed from the effective date of the contract amendment and cannot be reported prior to the contract amendment effective date.

Should your agency decide to stop paying members’ contributions in the final compensation period and instead increase the pay rate by an equal amount, you would need to comply with the following:

1. Include the provision in each written labor policy or agreement adopting this provision. The amount of EPMC converted to pay rate must be the same amount (percent) of EPMC being paid by the employer unless there is a written labor agreement still in effect that was adopted prior to June 30, 1993 allowing the conversion of a smaller amount of EPMC than what is being paid.

2. Stop paying the member’s contribution in the final compensation period and give a pay increase for all purposes. This is not just reporting the value of EPMC in the final compensation period.

3. The conversion of EPMC must be on all compensation (i.e., pay rate and special compensation).

If an employee only gives two weeks’ notice of retirement, your agency must retroactively adjust and report payroll for the conversion in the full final compensation period (for any final compensation period after the effective date of the contract amendment). If an employee cancels a retirement date, your agency can reverse the entries for the conversion but must commence the conversion again in the new final compensation period.

NOTE:
Individual school districts cannot amend for this provision. All districts in a County Office of Education must amend for this provision by passing a resolution. After all districts have passed a resolution, the County Office of Education may amend its contract to convert EPMC to pay rate in the final compensation period.

For more information or questions, please refer to the CCR, section 566.1, found in the PERL or contact the CalPERS Customer Contact Center at 888 CalPERS (or 888-225-7377).

(5) Tax-Deferred Member-Paid Contributions
Internal Revenue Code section 414(h)(2)

A benefit that employers can provide to their employees at no cost to the employer or employee is Internal Revenue Code (IRC) section 414 (h) (2), commonly referred to as Employer Pick-Up.

Under this provision, employees pay their own member contributions from reportable compensation and defer state and federal income taxes on the member contributions. The Employer Pick-Up allows employee contributions to be treated as employer contributions for federal and state tax purposes, thus lowering the employees’ taxable gross income.

The amount reported to the Internal Revenue Service is reportable compensation less the member contributions. Federal and state taxes on the amount of contributions are postponed
Employers Paying Member Contributions

until distribution either through a retirement allowance or a lump sum payment (refund).

All supplemental pay that is based upon employees’ salary, such as overtime will be computed on the employees’ original gross salary (base pay including the member contributions). There is no increase in the member’s pay rate reported to CalPERS when reporting tax-deferred member contributions under IRC section 414 (h) (2). For more information on IRC section 414 (h) (2), visit www.irs.gov.

To implement this provision, your agency’s duly authorized board of trustees must adopt the appropriate resolution for the affected group or class of employees (see Resolution for Employer Pick-Up (DOC)). Once the resolution is adopted, contributions for all employees in the affected group or class must be reported to CalPERS on a tax-deferred basis. Employees may not elect Employer Pick-Up on an individual basis.

Copies of all resolutions for member contributions should be sent to:

CalPERS
Pension Contracts and Prefunding Programs Division
Pension Contract Services
P.O. Box 1652
Sacramento, CA 95812-1652

For more information, contact the CalPERS Customer Contact Center at 888 CalPERS (or 888-225-7377).

(6) Pre-tax Payroll Deduction Plan (a.k.a. Plan) for Service Credit Purchase(s)

By filing an Employer Resolution for Tax Deferred Payroll Deduction Plan for Service Credit Purchases (DOC) with CalPERS, your agency is allowed to extend the pick-up of member contributions under IRC section 414(h)(2) provisions for member payments by payroll deductions for service credit purchases. Agencies that opt to participate in this "pick-up" program provide their employees, who elect to participate, with the benefit of deferring income tax liability on member service credit purchases.

County Superintendents of Schools are only required to submit one resolution which will cover all the districts/units within that superintendent’s jurisdiction. The effective date for commencement of the Plan cannot be any earlier than the date the completed resolution and the completed Readiness to Report form are received and approved by CalPERS.

Plan Restrictions/Requirements - Employer

1. Your agency must complete, obtain your governing body's approval and submit a resolution in myCalPERS for Tax-Deferred Service Credit Purchases. The resolution will allow your employees to participate in the Plan. To navigate in myCalPERS to submit the resolution follow this path: Profile/Retirement Contract/Employer Resolutions/Written Labor Agreements, then select "Add New". Then select the resolution for Tax-Deferred Service Credit Purchases.

2. The wording of the resolution cannot be altered.

3. The resolution applies to all employees in the specified member category (ies).

4. Upon receipt of an approval letter from CalPERS, your agency must also complete the "Readiness to Report" form. This form certifies that your payroll system can concurrently report both after-tax (taxed) and pre-tax (tax-deferred) payroll deductions for any employee with multiple service credit elections.

5. Pre-tax payroll deductions must not be reported until the member has elected the Plan. For each electing member, CalPERS will send a payroll deduction authorization form specifying their effective date of pre-tax reporting. IRS does not allow retroactive deductions.

6. Your agency is responsible for reducing the taxable income of a member by the pre-tax payroll deduction amount.

7. Pre-tax deductions will be completed through the payroll reporting process. Contributions should be reported in the Tax-deferred Member Contribution fields instead of the Normal Member Contribution fields.

8. If an employee has more than one service credit purchase authorization, each authorization must be reported as separate entries.
9. Overpayments must be reported as negative adjustments through the payroll reporting process. Your agency will be responsible for returning such funds to the member as taxable income.

10. Your agency is responsible for all payroll corrections (including W-2 reporting) for the member.

11. Your agency will report payroll deductions for service credit purchases for members who choose not to elect the Plan on an after-tax basis.

12. Once the Plan resolution is adopted, it is irrevocable.

Plan Restrictions/Requirements - Member
1. Upon approval of the employer/CalPERS resolution, the member has the option to file a binding irrevocable election with CalPERS to elect the Plan for each type of service credit purchase.

2. Members with an existing after-tax receivable who are not within 90 days of retirement or do not have a delinquent status on their receivable account will be notified by CalPERS of their opportunity to elect the Plan.

3. Members requesting service credit purchase(s) will be provided the pre-tax election opportunity (if the employer is a Plan participant and the member’s membership category(ies) is covered under the resolution) with their cost information letter.

4. The Plan amount and time-period are irrevocable and cannot be adjusted or discontinued at any time during the payroll deduction schedule.

5. The deductions are member contributions and are subject to income taxes when received by the member as either a retirement benefit or refund.

6. A member who elects the Plan deductions then changes employers will automatically continue pre-tax payroll deduction payments if the new employer is a Plan participant. If the new employer does not have a pre-tax resolution on file with CalPERS, the deductions will be taken on an after-tax basis.

7. A member who elects the Plan is not allowed to make changes to their payment schedule; such as: additional direct cash payments (i.e., lump sum, partial payments, or increased scheduled payments).

8. A member who elects the Plan and terminates employment will be given the option to pay the lump sum balance or continue payments on an after-tax basis through direct payments to CalPERS.

9. A member who elects the Plan and retires may request to pay the lump sum balance prior to retirement. If no request is made, payments will continue through retirement allowance deductions as after-tax deductions.

10. Electing the Plan will reduce the taxable gross and may lower the amount the member can contribute into a defined contribution plan. It is the member’s responsibility to determine the potential impact prior to electing the Plan.

11. Once pre-tax deductions are elected, it is irrevocable unless #6, #8, or #9 above applies.

COMPENSATION LIMITS

(IRC section 401(a) (17))

Section 401 (a) (17) of the Internal Revenue Code provides dollar limitations on annual compensation that can be considered under qualified retirement plans. Below are the procedures for reporting a member who has reached the limit. CalPERS notifies all employers of the new limits each year by sending a Circular Letter, and myCalPERS will automatically track the compensation limit.

The compensation limit is only applicable to persons who first became members or participants of California Public Employees’ Retirement System (CalPERS) on or after July 1, 1996.

For those members who are subject to the limit, their final compensation will be capped at the limit in effect for each 12 consecutive-month period that is used to calculate their allowance if they were to retire. The determination of compensation for each 12-month period shall be subject to the annual compensation in effect for the calendar year (January – December), in which the 12-month period begins.

For example, the compensation limit for 2020 is $285,000. Therefore, the member should not make contributions on earnings that exceed the $285,000 limit within the 2020 calendar year.

The earnings that are mentioned are those reportable to CalPERS, which exclude earnings for overtime, automobile allowances, lump sum payouts, etc. The compensation limit does not limit the salary an employer can pay an employee who is a member of CalPERS.

If an employee’s compensation reaches the limit, payroll will error out in myCalPERS prompting you to not report employee contributions.

You will continue reporting pay rate, and member earnings, but no member or employer contributions for the earned periods remaining in the calendar year. Reporting the earnings allows the employee to continue earning service credit without making contributions on earnings that exceed the limit.

If an employee’s pay rate increases after the time you cease reporting contributions, please report the higher pay rate and earnings on your Earned Period Report.

Once the calendar year is over, myCalPERS will prompt you to report contributions for the employee and begin the monitoring for the new calendar year.

Public Employees’ Pension Reform Act of 2013 (PEPRA)

PEPRA mandated all new members be subject to contribution caps which differ from the caps set for classic members. New member contribution caps are effective January 1, 2013. Adjustments to the caps are permitted annually based on changes to the Consumer Price Index for all urban consumers.

**New Member Contribution Caps**

</tr>
</tbody>
</table>

**NOTE:**
Please see the Membership chapter of this Guide for the definition of a new PEPRA member.

Employers will report full pay rate and actual earnings for all members in myCalPERS and the system will flag and notify the employer when the contribution limit has been reached for that calendar year. Member and employer contributions must stop when the member’s actual earnings reach the contribution limits outlined above.

Note that this does not necessitate a change to your file formatting structure; rather it is related to how your agency tracks and reports payroll. Reporting up to the compensation cap for new members will occur in the same manner it does
currently for classic members subject to the 401(a) (17) limit.

PEPRA requires the CalPERS Board to define excessive compensation as "a significant increase in actuarial liability due to increased compensation paid to a non-represented employee" and further directs the Board to implement program changes to ensure that a public agency that creates a significant increase in actuarial liability bears the increased cost associated with that liability.

PAYROLL REPORTING

As a CalPERS contracting agency, you must submit specific information about each employee to CalPERS in the form of a payroll report. Government Code (Gov. Code) sections 20120-20124 require payroll to be submitted by contracting agencies.

Accurately Reporting Payroll

CalPERS retirement benefits are funded by contributions paid by contracting employers, member contributions, and earnings from CalPERS investments.

It is your responsibility to ensure your employees are enrolled and reported accurately and timely. It is important that member contributions and payroll be reported accurately and on a timely basis to ensure correct payment of benefits.

Eligible employees must be enrolled into CalPERS membership within 90 days of hire. If not, your agency will be responsible for:

- Employee and employer retirement contributions for the time in violation
- A $500.00 administrative fee per person

Issues Resulting from Inaccurate Payroll Reporting

CalPERS needs timely and accurate payroll information to correctly calculate your employees' service credit and final compensation for retirement benefits. If you report incorrect pay rates and earnings for your employees, you may cause:

- Service credit accrual discrepancies
- Service credit inaccuracies
- Delays in member retirement processing
- Inaccurate retirement estimates
- Incorrect payment of benefits
- A $200.00 delinquency fee for late payroll reporting (CCR 585.3)

Payroll Record Information

The payroll record is the most common record type. It contains information about an employee's earnings, contributions, and other pertinent information, such as:

- Appointment*
- Pay Rate Type* (e.g., hourly, daily, monthly)
- Pay Rate*
- Reportable Earnings*
- Scheduled Full Time Hours per Week* (required for all pay rate types)
- Scheduled Full Time Days per Week* (only applicable for the daily pay rate type)
- Total Hours Worked* (required only if employee is a retired annuitant)
- Special Compensation
- Contribution Amounts (such as taxed member paid, tax deferred member paid, and tax deferred employer paid)

*Items required when reporting retired annuitants.

Transaction Type

Each payroll record will have one of the following transaction types to describe the type of contribution, deduction, or adjustment being reported:

- Earned Period Reporting – Current earned period contribution/deduction payroll record
- Prior Period Adjustment – Adjustment to prior period payroll record
- Earned Period No Contribution and No Service – Earned period payroll record for a retired annuitant, Local Alternate Retirement Plan member and overtime positions
- Prior Period No Contribution and No Service – Adjustment to prior period payroll record for a retired annuitant, Local Alternate Retirement Plan (Gov. Code 20306) member and overtime positions
- Retroactive Salary Adjustment – To report a salary increase covering a single or multiple earned period(s)
- Retroactive Special Compensation Adjustment – To report special compensation covering a single or multiple earned period(s)
Appointment

Information about each of the employee’s appointments, including the CalPERS ID, appointment date, and associated member category compensation is required. Detailed information about appointments is outlined in the Appointment Overview section of the "Membership" chapter of this guide.

Pay Rate Type

This denotes the pay rate type for paying employees either an hourly, daily, or monthly amount.

Pay Rate

"Pay rate" is the normal full-time rate of pay or base pay of the member, paid in cash to similarly situated members of the same group or class of employment for services rendered on a full-time basis during normal working hours. It can be an hourly, daily, or monthly rate.

NOTE: When submitting a payroll report, always use the member’s full-time pay rate.

The pay rate must be a positive numeric value. CalPERS requires that pay rates be reported with two places after the decimal.

For example:
- An hourly rate of $8.70 would be reported as 8.70.
- A daily rate of $60.00 would be reported as 60.00.

For further information on reporting pay rates, refer to the “Pay Rate and Earnings Relationship” section later in this chapter.

Reportable Earnings

Employees’ earnings represent compensation earned during normal working hours. When you report earnings, you must identify the earned period in which the employee earned the compensation, regardless of when you pay the compensation or report it to CalPERS. This is true for both pay rate and special compensation payroll entries.

In addition, earnings generate service credit and are crucial to the retirement calculation. If earnings are incorrectly reported on payroll then you will have to make adjustments to ensure your employees receive the correct retirement allowance.

Scheduled Full-Time Hours per Week

This denotes the number of hours per week that are considered full-time for the position reported and is required for all pay rate types. CalPERS considers full-time employment a minimum of 34 hours per week. However, for classified school members, Gov. Code 20636.1 requires full-time employment up to 40 hours per week. See the Pay Rate and Earnings Relationship section later in this chapter for more information.

Scheduled Full-Time Days per Week

This denotes the number of days per week that are considered full time for the position reported and is required for the daily pay rate type.

Total Hours Worked

This information is required only if the employee is a retired annuitant. Reporting total hours worked notes the total number of hours that an employee works during the specified earned period.

Special Compensation

There are over 100 types of special compensation that fall within one of the five following special compensation categories:

- Educational pay
- Incentive pay
- Premium pay
- Special assignment pay
- Statutory items

You will add or delete each special compensation type and amount to an applicable employee’s payroll record. In addition, an employee’s payroll record may contain multiple categories and types of special compensation. Each special compensation item should be separated into its own line item. Do not combine special compensation. Special compensation should never be included in pay rate and earnings.
Contribution Amounts

Employee contributions are a percentage of your employees' earnings that are reported to CalPERS to fund their retirement benefits. This percentage is based on the group or class of employees, the retirement benefit formula and other options in your contract. You must report and submit employee contributions to CalPERS on behalf of each employee.

Public Employees’ Pension Reform Act of 2013 (PEPRA) – Elimination of Off-Sets (also known as OASDI and Social Security Modification)

Prior to PEPRA, local public agency and California State University (CSU) employers did not collect CalPERS employee contributions on the first one-third of a member's payroll up to $400.00 and $513.00 per month respectively. This resulted in local public agency and CSU employees with coordinated service (paid Social Security taxes) experiencing a one-time adjustment of $133.33 to the final compensation factor used to calculate their pension.

PEPRA eliminates the contribution and off-set adjustments to the final compensation factor for all employees of local public agencies and CSU's enrolled in any of the new PEPRA formulas. For more information, see Circular Letter 200-024-13 (PDF).

Employer Paid Member Contribution Types

Information about the following two employer paid member contribution types may be contained within a payroll record:

- Tax Deferred Employer Paid Member - Tax deferred and paid by the employer for the specified earned period
- Tax Deferred Employer Paid Additional Contributions - Additional contributions that are tax deferred and paid by the employer (this program is discontinued and is not available to new members, i.e., this type of contribution is only applicable to members who have participated in the program continuously prior to July 1, 1983).

Member Paid Contribution Types

A payroll record may contain information about the following types of member paid contributions for the specified earned period:

- Taxed Member Paid - Taxed and paid by the employee for the specified earned period
- Tax Deferred Member Paid - Tax deferred and paid by the employee for the specified earned period
- Survivor Contribution - Paid by the employee into a 1959 survivor account during the specified earned period
- Taxed Member Paid Additional Contribution - Additional contributions that are taxed and paid by the employee (this program is discontinued and is not available to new members, i.e., this type of contribution is only applicable to members who have participated in the program continuously prior to July 1, 1983)

Survivor Contribution Type

Survivor Contribution is the amount of contribution a member pays for the 1959 Survivor Benefit. Members covered by the 1959 Survivor Benefit contribute the amounts on the table following based on the reporting frequency. Please note that the survivor contribution index levels change each fiscal year.

The 1959 Survivor Benefit provides for a survivor benefit upon death of the member before retirement. In most cases, a member does not have both 1959 Survivor Benefit coverage and Social Security coverage with a single employer.
Contact the CalPERS Customer Contact Center at **888 CalPERS** (or **888-225-7377**) if you have questions.

The full amount of survivor contribution is due for an earned period even if only one day's earnings are reported. Only one deduction is made for each earned period. The contribution is not due on retroactive salary adjustments, retroactive special compensation or non-contributory entries. When the member is covered, the survivor contribution should always be shown as a 3-digit numeric value. It may be positive or negative depending on the circumstances.

If a member does not receive any compensation for an earned period because of an official leave of absence, no contribution is due for that earned period. Entries adjusting the survivor contributions should be included as part of the current entries or prior period earnings adjustment entries. The survivor contribution is not credited to the member’s account and is not refundable.

**Payroll Schedule Types**

You can report payroll on the following four types of payroll schedules:

- Monthly
- Semi-monthly
- Bi-weekly
- Quadri-weekly

**NOTE:** Changes in the frequency in which payroll reports are submitted must be approved by CalPERS in advance. If you have questions regarding changing payroll frequencies, contact the CalPERS Customer Contact Center at **888 CalPERS** (or **888-225-7377**).

**NOTE:** If you use different time periods to report employees’ earnings and contributions, you may have more than one type of payroll schedule (e.g., when you have optional members that are reported differently than your regular employees or divisions that report payroll differently).
Payroll Reporting

Payroll Report Types

There are two payroll report types:

**Earned Period Report** - The normal payroll report submitted by your agency for each earned period according to your payroll schedule.

For example: Your agency has a monthly payroll schedule. Your January earned period begin date could be January 1 and the earned period end date could be January 31 or the begin date could be January 10 and the earned period end date could be February 9.

**Adjustment Report** - A report that contains corrections for previously posted earned period records reported in error or omitted. The payroll adjustment date reflects the date the report is uploaded in or manually created in myCalPERS.

For example: Your agency creates an adjustment report file on January 1. The adjustment report begin date and end date are January 1, 20xx.

Payroll Reporting Deadlines

All payroll reports for the last complete earned period with an ending date in June must be created and posted in myCalPERS by the original due date, on or before July 30, whichever is earlier. All payroll reports for June received in July will accrue service credit and interest.

Adhering to this schedule allows for timely processing of Payroll Earned Period and Adjustment reports and provides for proper service, contributions, and interest to be credited to the member accounts.

Selecting an Earned Period

Each payroll report is submitted in association with an earned period that is identified by the begin date and end date of the employer’s payroll schedule (i.e., the earned period must be selected for each payroll and SIP report submitted to myCalPERS).

The earned period of each payroll report record is populated with the earned period from the payroll report. However, these dates should be adjusted if the member did not work for the full earned period or if they are reporting an adjustment transaction (i.e., the record period begins, and end dates should be modified to reflect a mid-period appointment or separation).

Sample Scenarios

1. **First Day on Payroll in the Middle of an Earned Period** - The participant’s appointment must be entered in myCalPERS before payroll can be reported. The begin date of the payroll record should be listed as the participant’s start date, not the first day in the earned period.

For example: Your agency has a bi-weekly payroll schedule; the earned period is March 3 to March 16. The participant’s appointment date is March 8. The payroll record should be keyed with a start date of March 8 and an end date of March 16.

2. **Last Day on Payroll Before the End of the Earned Period** - The participant’s permanent separation date should be entered in their appointment history before the payroll is submitted. The permanent separation date must be reported as the day after the last day an employee works for your agency, which is often the day after the last day on payroll.

For example: Your agency has a bi-weekly payroll schedule; the earned period is March 3 to March 16. The participant’s last day on pay is March 7 and the separation date is March 8. The payroll record should be keyed with a start date of March 3 and an end date of March 7.

If you copy a prior posted payroll report, the participant record will need to be updated to reflect the correct earned period end date.

**NOTE:** The first day after the last day payroll is earned is the earliest the permanent separation date or retirement date may be. For more information on this, refer to the Appointment Overview section in the "Membership" chapter of this guide.
Transmitting Payroll Information

There are four options for transmitting payroll information via myCalPERS:

- **Copy Forward** - You can copy a previously posted payroll report, make modifications to the copied records, and then submit the report for the current earned period. This method is the most commonly used and is best when earnings are the same (or very similar) across earned periods.

  **NOTE:** When an adjustment record or a retired annuitant record has been submitted to correct a previous payroll report record, the adjustment record will not be copied forward when you copy the original payroll record.

- **File Upload** – You can select a new payroll report file from your local system and upload it to myCalPERS.

- **File Transfer Protocol (FTP)** - A myCalPERS reporting method where you can create an XML file to contain enrollment and payroll contributions data with a scheduled process to transfer the file to myCalPERS.

- **Manual Entry** – You can create a payroll report by manually entering the necessary information for each payroll record within the report. This method is used primarily by a new agency.

For more information on the four options for transmitting payroll information visit the Employer Technical Resources page or the myCalPERS Payroll Reporting (PDF) on the CalPERS website.

Processing - Payroll Report Statuses

There are four statuses when processing payroll reports via myCalPERS:

- **Pending Release** - This is a new report that needs to be validated.

- **Processing** - If no errors are found, the status will change from "Processing" to "Posted." If even one error is found, the status will change from "Processing" to "Suspended." You will need to correct the error(s), and then select the Process Report button to resubmit the report.

- **Suspended** - The report may be suspended if there are errors detected, however, when this occurs, you may accept valid records only (recommended) and correct the errors later.

- **Posted** - The file has been processed and all records have posted to the member account.

Payroll Record Statuses

A payroll record will be in one of the following statuses:

- **Pending Validation** - The payroll record status prior to the record being validated.

- **Valid** - When a payroll transaction is valid, it has nothing technically wrong with any of its elements. Valid transactions can be posted immediately, however be sure to validate (review and save) what is being posted to the member’s account.

- **Valid but Held** - The record has been validated with warnings; you must correct error records for the same participant prior to this record posting. For example, if an error record for the same earned period exists, then valid payroll transactions for the same earned period will be in a "Valid but Held" status. Once you correct the error transaction to reflect a "Valid" status, then the held records will become valid and post.

- **Valid with Exceptions** - The record has been validated with warnings; employers must validate the transaction records for accuracy prior to posting. For example, if a pay rate is extremely high, the payroll transaction will be in an "Exception" status. Once you manually validate the transaction to be correct, it can then be posted. If you validate (save to validate) and the exception remains incorrect, then it can be corrected and posted.

- **Error** — The record has been validated and contains an error. You must correct an "Error" status before the transaction can post. myCalPERS will indicate which element of the payroll record has an error.
• **Posted** — The record has been validated, is free of errors, and has posted to the employee’s account. To make any changes and or corrections to a "Posted" record, you must submit an adjustment report.

**myCalPERS Member Self-Service**

On July 30, 2012, CalPERS launched an enhanced version of myCalPERS for members to access their real-time account information. This enhancement allows members to see the information submitted on their behalf by their employers including appointment, payroll contributions, service credit details, and other relevant information.

It is critical to stay current with information reported to CalPERS on behalf of your employees. Employer accuracy and promptness will alleviate future concerns or questions members may have with their CalPERS account and the information provided by your agency.

**NOTE:** Failure to correct and post payroll in a timely manner will result in incorrect service credit accrual and/or incorrect or delayed benefits that may be payable to these members. Also, note that the data submitted on the payroll reports, whether correct or incorrect, is used by CalPERS actuaries to determine your agency’s contribution rate. Inaccurate or incomplete data may inadvertently cause your agency’s contribution rate to be incorrect.

**Retired Annuitants**

A retired annuitant (RA) working for your agency must be reported to CalPERS. Only after the appointment is updated for the RA, you must submit their payroll with a transaction type of Earned Period No Contribution No Service. If RA payroll details are not posted within 30 days following the last day of the earned period when the retired annuitant worked, CalPERS will assess an administrative fee of $200.00 per retired annuitant monthly until the information is reported.

Currently, RA records are not included in files submitted via the copy forward method. If using this method, you will need to manually add each RA record to the file. myCalPERS will track their hours as their records are posted. A letter will be sent to both the RA and your agency when the RA reaches 700 and 800 hours.

The following items are required when reporting RAs:

- Transaction Type
- Appointment
- Pay Rate Type
- Pay Rate
- Reportable Earnings
- Scheduled Full Time Hours per Week
- Scheduled Full Time Days per Week
- Total Hours Worked
Reporting Deadlines & Penalties

Earned Period Reports
Earned Period Reports must be submitted on or before 30 calendar days following the last day of the earned period to which it refers.

Contribution Projections for Active Members
Only active/qualified appointments with no reported payroll after an earned period due date can be subject to projected contributions. Projected contributions are based on actual historical payroll reported and posted to myCalPERS. The system will use the highest member and employer contributions recorded within the last 90 days from the earned period end date to project contributions. Projected contributions will post to the payroll period receivable 31 days after the earned period end date. Projected contributions will reverse when payroll is successfully reported, the participant's appointment status is updated, or missing payroll for an earned period is confirmed non-reportable. Projected contributions will not impact or be recorded against the member's account balance.

Missing/Late Earned Period Reports
If a completed Earned Period Report for your agency is not submitted on time, CalPERS will assess an administrative fee of $200.00 for every Earned Period Report that is delinquent.

Incomplete Earned Period Reports
You have 60 calendar days from the date that myCalPERS gives an error message on the payroll record to correct and post the suspended payroll file. Any un-posted payroll records or errors that have not been corrected after 60 calendar days will generate a monthly $200.00 late payroll correction administrative fee until all records and errors are correct and posted.

Payment of Contributions
All contributions due to CalPERS must be remitted on or before 15 calendar days from the end date of the earned period to which they refer (e.g., contributions for earned period ending April 30 are due no later than May 15).

Payroll Reporting Extensions & Waivers
CalPERS may, for good cause, grant an extension of time for the posting of an Earned Period Report. This is provided that your agency sends a payroll schedule extension request for the Earned Period Report via myCalPERS Payroll Schedule page at least 10 working days before the due date.

CalPERS may waive assessed fees upon satisfactory proof of conditions existing beyond your agency's control. Normally, CalPERS does not consider internal procedures used by an employer as acceptable justification for incomplete or late reporting. Requests to waive assessed fees should be submitted via the myCalPERS Billing & Payment page.

The Fees List will display the status of all assessed and waived fees and can be viewed from the Billing and Payment Summary page under "Admin/Other Fees." The payroll schedule extension status can be viewed from the Payroll Schedules page under the appropriate "View Periods" link.
This section defines the basic method of calculating a member’s normal contributions. It does not apply to receivables or additional contributions. The method of calculating the member’s normal contributions varies depending upon the member’s contribution rate, provisions of the employer contract and whether the member has Social Security coverage. However, the following basic instructions apply to all members:

1. In myCalPERS, locate the member category within the Retirement Contract – Rate Summary panel that applies to the member.

2. One of the following will apply (depending upon participant retirement enrollments):
   a. Without Social Security modification
   b. With Social Security modification

3. If (a) applies, multiply the reported member total compensation by the percentage rate indicated in the Retirement Contract – Rate Summary panel.

   If (b) applies, modify the member total compensation for each earned period (using the Old Age and Survivors Disability Insurance (OASDI) modification chart below). Multiply the modified total compensation by the percentage rate indicated in the Retirement Contract – Rate Summary panel.

   **NOTE:** Total Compensation is the combined total of reportable earnings and special compensation for the reported earned period.

   Employees working in two or more units will have a Social Security modification factor applied only once for the total compensation in the earned period.

**NOTE:** CSU Auxiliary Organizations that contract for the same contribution rate and modification factors as State Miscellaneous members will calculate contributions according to the formula applicable (Gov. Code section 20680).

**NOTE:** Do not apply the full OASDI modification factor more than once per earned period. If total compensation (reportable earnings and special compensation) are less than the total compensation on the OASDI modification chart, total compensation will be modified by 0.66667 to calculate member contributions.

**NOTE:** PEPRA eliminates the contribution and off-set adjustments to the final compensation factor for all employees of local public agencies and CSU enrolled in any of the new PEPRA formulas. For more information, see Circular Letter 200-024-13 (PDF).
Pay rate is the amount of compensation a member is paid for a unit of time (i.e., hour, day or month) and must be listed on a publicly available pay schedule (CCR 570.5). The pay rate should remain in compliance with all applicable statutes. In addition, the pay rate should remain stable throughout a fiscal year except for pay raises, demotions, or changes of position. If a member works in more than one position or receives a raise in the middle of an earned period, report amounts earned under each pay rate separately.

An hourly pay rate for both a full-time and part-time employee is the rate of compensation to which an employee is entitled under an employment agreement which provides for compensation for each hour of regular time worked by the employee.

A daily pay rate for both a full-time and a part-time employee is the amount of compensation to which a full-time employee is entitled when the employee’s services are performed under an employment agreement which provides for a daily rate of compensation.

A monthly pay rate for both a full-time and a part-time employee is the amount of compensation to which a full-time employee is entitled, when the employee’s services are performed under an employment agreement which provides for a monthly rate of compensation.

CalPERS considers full-time employment a minimum of 34 hours per week. Employers can generally determine what constitutes full-time for an employee provided that the employee works a minimum of 34 hours per week. However, Gov. Code section 20636.1 specifies that for all classified school members full-time is up to 40 hours per week. This means that all hours up to 40 per week must be reported to CalPERS for classified school members at the straight time rate.

Impact on Final Benefits
Reporting correct pay rates for your active members is essential in calculating correct member benefits at retirement. The three critical elements used in calculating retirement benefits are:

- Service Credit
- Benefit Factor
- Final Compensation

Service credit is derived from the pay rate and earnings reported to CalPERS.

Service Credit Accrual
The amount of service credit a member accrues during the fiscal year will depend on the number of days, hours or months they work and are reported to CalPERS.
Full-Time Service Credit
Service credit is one of the three critical elements that are used to calculate a member's retirement allowance. CalPERS limits the amount of service credit a member can earn to 1,000 year per fiscal year (July 1 – June 30).

Gov. Code section 20962 explains what constitutes a full year of service credit for monthly, hourly, or daily employees while Gov. Code section 20966 speaks to partial service credit calculations.

Gov. Code section 20962 – Explains What Constitutes 1 Year of Service Credit
1. Daily Employee = 215 days to earn 1 year of service credit
2. Hourly Employee = 1,720 hours to earn 1 year of service credit
3. Monthly Employee = 10,000 months to earn 1 year of service credit

Gov. Code section 20966 – Partial Service Credit Calculations
The following partial service credit calculations are illustrative examples of the ratio used to calculate service credit for part-time employees:

<table>
<thead>
<tr>
<th>Example</th>
<th>Member Earnings Monthly Pay Rate</th>
<th>=</th>
<th>$1,200.00 $1,200,000</th>
<th>=</th>
<th>1 month worked divided by 10 = 0.100 years of service credit</th>
</tr>
</thead>
<tbody>
<tr>
<td>1.</td>
<td>Member Earnings $600.00 $1,200.00</td>
<td>=</td>
<td>= 0.5 months worked divided by 10 = 0.050 years of service credit</td>
<td></td>
<td></td>
</tr>
<tr>
<td>2.</td>
<td>Member Earnings $600.00 $7.500</td>
<td>=</td>
<td>= 0.047 years of service credit</td>
<td></td>
<td></td>
</tr>
<tr>
<td>3.</td>
<td>Member Earnings $600.00 $30.000</td>
<td>=</td>
<td>= 0.093 years of service credit</td>
<td></td>
<td></td>
</tr>
</tbody>
</table>

Earnings Divided by Pay Rate Equals Service Credit – Examples:
1. Daily: Employee works 185 days during the fiscal year
   • 185 days ÷ 215 days = 0.860 years of service credit
2. Hourly: Employee works 1295 hours during the fiscal year
   • 1295 hours ÷ 1720 hours = 0.753 years of service credit
3. Monthly: Employee works 7,200 months during the fiscal year
   • 7,200 months ÷ 10,000 months = 0.720 years of service credit

If a member does not meet the full-time markers established under Gov. Code section 20962, then they will not earn a full year of CalPERS service credit.

The pay rate and earnings relationship which drives service credit accrual is illustrated in the table below.
Reporting Equal Payments

In accordance with Gov. Code sections 20630 and 20633 employers shall identify the earned period in which the compensation was earned by the employee regardless of when it is reported in myCalPERS or paid.

Some employers make equal salary payments to their employees throughout the year. Employers may report equal payments during the member’s appointment period provided the member renders services within the earned period reported to CalPERS.

Salary withheld during the year to pay members during the time they are off should be reported as earned. To comply with Gov. Code section 20630, equal payments cannot be reported outside the appointment period during a time when the member does not render service.

School Member Pay Rates

In accordance with Gov. Code section 20636.1, pay rate means the base pay of the member for services rendered on a full-time basis during normal working hours.

For classified members, full-time employment is 40 hours per week and shall be reported for all months of the year in which work is performed. Reporting the hourly pay rate for classified members is recommended, as positions are generally defined by service or duty days. The salary for positions does not generally represent a 40-hour pay rate equivalent when converted. Additionally, an hourly or daily pay rate should not be converted to a monthly equivalent, as this could result in incorrect final benefits for the member. If a contract employee is working outside the timeframe of the contract (e.g., summer session), use the salary schedule for the position worked.

For certificated members, pursuant to Government Code section 20962(a)(1), members may earn one year of service credit for services rendered and compensated in a fiscal year in full-time employment of one academic year. Reporting the compensation as equal payments may ensure that one year of service credit is granted.

Proper Reporting of Overtime Pay Rates for School Members

Gov. Code section 20636.1 requires all services rendered up to 40 hours per week be reported for non-certificated school members. Gov. Code section 20635.1 indicates that overtime compensation is excluded from reporting. Schools commonly have employees who have a regular work week that is less than 40 hours per week. These employees may or may not be paid at a straight-time, hourly rate for those hours.

For any services rendered in excess of their regular work week, they receive an overtime rate of pay. To comply with Gov. Code section 20636.1, schools must report this employee to CalPERS for the hours worked over their normal work week, up to 40 hours per week. Even though the member is being paid an overtime rate, any hours worked between the regular work week and 40 hours per week are required to be reported to CalPERS at the straight time hourly rate that corresponds with the salary schedule for that classification. All earnings for services rendered in excess of 40 hours per week should not be reported to CalPERS.

Overtime rates should not be reported to CalPERS for non-certificated school employees in accordance with Gov. Code 20635.1.

Examples of proper and improper reporting follow.

These examples are for an employee being paid $15.00 per hour for up to 35 hours per week (35 hours x 4 weeks = 140 hours); And $22.50 per hour for hours from 36 to 40 per week (5 hours x 4 weeks = 20 hours). The $22.50 per hour pay rate should not be reported to CalPERS.

All pay rates and earnings should reflect the straight time rate of $15.00 per hour. In the correct example below, reporting to CalPERS may be consolidated on one line reflecting a $15.00 hourly pay rate and total earnings of $2,400.00.

Reduced Workload Program for Classified/Certificated/Academic School Members

For payroll purposes, employers shall report employees under the reduced worktime program as if he or she is working full time (i.e. report the pay rate and earnings the employee would receive if she/he works full-time). The member will be required to pay member contributions based on the full-time earnings reported to CalPERS. This will result in full-time earned service credit and benefits based on full salary levels. The employer contributions shall also be based on the employee’s full-time earnings and will automatically pay for the cost of the program.

Refer to the Contract Coverage Procedures section for additional requirements and eligibility information regarding the Reduced Workload Program.

Furlough Reporting

A furlough plan represents any time-period during which members are directed to be absent from work without pay on the day or days designated by their employer or by a memorandum of understanding by the parties for purposes of achieving budgetary savings. A reduction in pay or pay cut imposed by an employer without any corresponding days off does not constitute a furlough. The result of a furlough is a reduction in earnings.

Local Safety & School Member Furlough Legislation

Furlough legislation, which added Gov. Code section 20969.2 to the PERL, protects local safety and school members who have their retirement benefits reduced due to furlough. The employer will need to report the full pay rate and the reduced earnings resulting from the furlough days. The member may see a reduction in service credit depending on the nature of the furlough program.

If a member is reported as working less than 10 full months, 215 days, or 1720 hours in a fiscal year, the service credit earned will be less than one year. A member would begin to see less than a full year of service if they are working 12 months and less than 144 hours per month.

Implementation of Gov. Code section 20969.2 does not change the way an employer reports payroll to CalPERS. Employers should continue to report the member’s normal pay rate and the furlough reduced earnings to CalPERS. Due to the variety and complexity of the furlough plans being administered among employers, CalPERS has determined that the most efficient approach to implement this legislation is through an annual adjustment process, in which CalPERS will request employers to furnish specific furlough information.

NOTE: This provision in the PERL has no sunset date; therefore, future furloughs which impact local safety or school members will be covered.

Circular Letter 200-005-11 (PDF) has more detailed information about Furlough Legislation and can be found on the CalPERS website.

Service Purchase Option

There is no provision in the PERL which allows members to purchase furlough time.

For more information, call the CalPERS Customer Contact Center at 888 CalPERS (or 888-225-7377).

Reporting Out-of-Class Appointment Total Hours Worked

Gov. Code section 20480 requires all contracting agency employers or school employers to track hours worked by an employee serving in an out-of-class appointment.
and report that service to CalPERS no later than 30 days following the end of each fiscal year.

**Out-of-Class Appointment**
Gov. Code section 20480 defines an out-of-class appointment to mean an appointment to an upgraded position or higher classification due to a vacancy for a limited duration.

For this section, a "vacant position" refers to a position that is vacant during a recruitment for a permanent appointment. A vacant position does not refer to a position that is temporarily available due to another employee’s leave of absence.

**Penalties**
Employers who violate this provision must make payments to the system equal to three times the employee and employer contributions that would otherwise be paid to the system on the difference between the compensation paid for the out-of-class appointment and the compensation that otherwise may have been paid and reported to the system for the employee’s permanent position in accordance with a publicly available pay schedule.

The penalty shall be applied for the entire period the employee works in an out-of-class appointment. In addition, the employer will be responsible for a fee of $200 to cover administrative expenses.

Penalties paid to the system are not normal contributions or additional contributions that would normally be credited to an employee’s individual PERS account. The employee shall bear no liability, obligation, or expense because of the unlawful actions of the employer.

Electronic Fund Transfer (EFT) is a method of instructing financial institutions to electronically transfer money from one account to another, eliminating the use of paper checks. Transfers are initiated by using the online payment service at myCalPERS.

CalPERS is now offering EFT payment services for all receivables. With EFT payments, you may expect to benefit from a reduction of manual paper processing and the associated errors. You will also reduce costs associated with check processing, reconciliation, and postage, as well as assuring the date your payment is received.

How Funds Are Transferred

Funds are transferred through an Automated Clearing House (ACH). The ACH is a partnership of financial institutions established to exchange funds electronically between participants.

CalPERS offers two electronic payment services you can use to make and manage your receivables, EFT (debit) method — online through myCalPERS or ACH (credit) method initiated through your financial institution.

Electronic payment services let you transfer funds from your agency’s checking account directly to our bank — safely, securely, and easily.

- Save time and money — no postage costs and no worries about lost or stolen checks.
- Control your payments — schedule in advance the exact date and time your payments are dispersed.
- Eliminate any penalties or assessments due to missed payment deadlines.
- Any location, at any time — all you need is Internet access.

EFT-Debit Method Payment Service

myCalPERS offers real time access, tracking of your payment transactions, control and flexibility.

- Security – all payment information is encrypted using "Verisign" technology.
- Accuracy – review, modify, or cancel a payment any time before settlement.
- Convenience – Enroll online at myCalPERS by entering your bank information and payment history is just a click away. Payment amount, settlement date and time, and more can be reviewed, sorted, printed, and used for validation or accounting reports.
- No Cost – CalPERS pays the cost for you to report an EFT debit transaction.

EFT-Debit Method Enrollment

The debit method allows you to transfer funds by authorizing CalPERS to electronically debit a bank account you control for the amount you report via the CalPERS website to the CalPERS Data Collector.

CalPERS does not have access to your bank account without your authorization by the EFT debit process for each payment. Funds can only be transferred to CalPERS for the specific purpose and dollar amounts you request and initiate.

The information you are requested to provide will identify you, the purpose of the payment, and the amount. If you authorize a payment before 5:00 p.m. Pacific Time, it will be withdrawn from your bank account and deposited into a CalPERS account the following banking day. Two banking days from your settlement date, payment identification is downloaded into the CalPERS accounting system crediting your agency with a payment.

Please make allowance for this time-period when reviewing the date your payment is due and determining your settlement date.

For example: If your payment is due Monday, March 10, you must have a settlement date by Thursday, March 6. Then, the payment will be credited in the CalPERS accounting system on
Monday, March 10. Remember to calculate additional time for bank holidays.

**ACH – Credit Method Payment Service**

This payment option is for agencies unable to utilize the EFT debit method. For ACH credit payments, you instruct your financial institution to debit your account and credit the State’s bank account. For this type of transaction, you must ensure your financial institution has the ability to send ACH credit transactions in the required format (CalPERS Credit File Specifications). There are normal set-up and transaction fees for which you are responsible. There may also be special hardware and software requirements. Contact your financial institution for requirement details.

**ACH - Credit Method Enrollment**

An Enrollment Authorization (PDF) form must be completed and signed for each employer transferring funds to CalPERS. If you are transferring funds on behalf of other employers, you must obtain a separate authorization for each entity.

Email the ACH Enrollment Authorization form to: FCSD_Cashiers@CalPERS.ca.gov.

Following your registration for the ACH Credit Method, CalPERS will provide you the ACH file specifications for your financial institution. Do not attempt to transfer funds until you have received the file specifications.

For more information, visit the CalPERS website at www.calpers.ca.gov or contact a CalPERS representative by calling 888 CalPERS (or 888-225-7377).

The information provided in this publication is for your convenience and reference as a general guide only and cannot be relied upon as an authoritative source for the law, practices, or policies of CalPERS. While CalPERS tries to include only accurate, timely and complete information in its publications, summaries, guidelines and other advisory printed materials, sometimes information provided in printed materials may be or become inaccurate, untimely, incomplete, unclear or misleading. In all instances, the law then in effect, not this publication, controls the application of the Public Employees' Retirement Law. It is the reader's responsibility to independently verify the accuracy of the information contained in this publication before engaging in a course of action.
The purpose of the Pre-Retirement Lump Sum Beneficiary Designation Form (myCalPERS 0772) is to:

1. Provide a means for a member who is not retirement eligible and who is not eligible for the Alternate Death Benefit (first tier members under age 50 with 20 or more years of service, second tier members under age 55 with 20 or more years of service, members under PEPRA age 52 with 20 or more years of service) to designate beneficiaries' other than the statutory beneficiaries provided by the retirement law. The statutory beneficiaries are listed under Section 4; item C of the myCalPERS 0772.

2. Provide a means for a member who is married or in a registered domestic partnership and is either eligible to retire or who is eligible for the Alternate Death Benefit to designate beneficiaries to receive a one-time payment of the member's community property share. The spouse/registered domestic partner, by law, is still entitled to a choice of a monthly allowance or lump sum benefit. However, the amount is limited to just their community property share if the member designates other beneficiaries on this form.

3. Change the designated beneficiaries. (Gov. Code sections 21490 and 21492)

4. Designate any person or legal entity such as a college, university, corporation, trust, or estate as beneficiary. CCR 582 and Gov. Code section 21490)

Any of the following life events will revoke the Pre-Retirement Lump Sum Beneficiary Designation form (myCalPERS 0772) (Gov.Code section 21492):

1. Marriage/Registration of Domestic Partnership.
2. Dissolution or annulment of marriage or termination of domestic partnership. (However, a designation filed after the initiation of dissolution of marriage, termination of partnership, or annulment is NOT revoked when the dissolution, termination, or annulment is finalized.)

3. Birth or adoption of a child.
4. Termination of membership that results in a refund of contributions, or in payment of a monthly retirement allowance.

NOTE: Following a revoking action, lump sum benefits will be paid to the statutory beneficiaries unless a new Pre-Retirement Lump Sum Beneficiary Designation Form (myCalPERS 0772) has been filed. Members may designate or change beneficiaries at any time through their online account at my.calpers.ca.gov or filing a new Pre-Retirement Lump-Sum Beneficiary Designation Form. (Gov. Code sections 21492 and 21493)

Special Instructions

1. Changes on the form not acceptable unless specified on the instructions page.
2. Complete the Pre-Retirement Lump Sum Beneficiary Designation form, make a copy for your records, and then mail to CalPERS at the address provided on the form.
3. After CalPERS reviews the form, a confirmation letter will be mailed to the member generally within 4 weeks. If the form is not acceptable, a new form will be mailed to the member.
4. Wet signature is required on the form.

NOTE: The Pre-Retirement Lump Sum Beneficiary Designation form allows a member to designate benefits on a percentage basis if more than one beneficiary is named. The percentages must add up to 100%. If no percentage is indicated, the benefits will be paid equally to each beneficiary.

Also, there is a box on Section 3 of the form that the member can check to certify they are not legally married or not in a registered domestic partnership. If this box is checked, the Justification for Absence of Spouse or Registered Domestic Partner’s Signature (PERS-BSD-800A) form is not required.
When your agency becomes aware of an employee’s imminent death, terminal illness, or serious surgery, the employer should immediately contact CalPERS by calling **888 CalPERS** (or **888-225-7377**).

Imminent death or terminal illness implies that the member is not expected to live more than 90 days. This also applies to cases where death may not necessarily be imminent, but competency to act on one’s own behalf may become impaired thereby jeopardizing later desired retirement action.

If a person is competent to complete the CalPERS Special Power of Attorney (PERS-OSS-138) (PDF) form located in the A Guide to the CalPERS Special Power of Attorney (PUB-30) (PDF) publication, the person may give his/her "attorney-in-fact" the power and authority to complete transactions relating to CalPERS, including filing applications, making benefit elections, designating beneficiaries, and endorsing warrants.

CalPERS will then contact the parties concerned regarding the benefit options available, the filing requirements which must be satisfied, and how best to expedite the filing process.

**NOTE:**
For CalPERS to carry out the desired retirement action (e.g., provide an allowance to the beneficiary), it is imperative the member be alive on the effective date of retirement and an application election is filed with CalPERS prior to the member’s death. (Gov. Code sections 21503 and 21530)

The retirement application/election form can be faxed to CalPERS at (916) 795-1281 with a notation of "Emergency Retirement" in the top margin on the front page. Do not mail the original. The original should be provided to the member for their records.

**Power of Attorney**
For information on the A Guide to the CalPERS Special Power of Attorney (PUB 30), please visit the Forms & Publications page on the CalPERS website at [www.calpers.ca.gov](http://www.calpers.ca.gov).

**NOTE:**
If the member is married or in a registered domestic partnership and the member’s life expectancy is so short that there is no time to call CalPERS, then the employer should complete a Disability Retirement Election/Application (PERS-BSD-369D) (PDF).

You cannot elect an option or name a beneficiary, but you must complete the "Survivor Continuance" section 7 to the best of your knowledge. After the completed form is signed, write "PRECAUTIONARY" in the top margin on the first page, and then fax it to (916) 795-1281. Keep the original for your records.

**To expedite processing, the person reporting an imminent death should provide CalPERS with the following information:**

1. Member’s name, Social Security Number, and birth date.
2. Probable effective retirement date or date when leave credit will expire.
4. Name, relationship, birth date, and sex of the person to be designated as the member’s beneficiary.
5. Address and telephone number where information can be communicated.
6. Nature and seriousness of illness, estimated life expectancy, and whether the member is presently competent.
Death of an Active Member

Employer Notification to System

1. Member name, CalPERS ID or Social Security Number and birth date.
2. Date of death, and date of separation
3. Name, address and telephone number of next-of-kin

1. Employer name and CalPERS ID
2. Member name, CalPERS ID and the last four digits of the member’s Social Security Number
3. Date of death

Instructions for Completion of myCalPERS 0697 form
The employer should verify and, if necessary, correct any information on the form. Complete the remainder of form as follows:

PART I — EFFECTIVE DATES
1. Separation Date – Provide the last day that the member was considered an employee of your organization. This can be the date of death, any day prior to the death date, or the day after death.
2. Reason for Separation – If separation is not due to death, enter a brief explanation for the reason for separation.
3. Last Day on Pay Status – Provide the date that the member was last on pay status with your organization. This would be the last day the member was subject to CalPERS contributions, whether or not they were deducted from their earnings. Please explain any difference between date of separation and last day on pay status, or, if member was on leave of absence, please provide the dates of absence.
4. Time base – Provide time base. If part-time, also indicate required hours. Required hours are needed for the entire period of employment.

PART II — UNUSED SICK LEAVE AND EDUCATIONAL LEAVE AT TIME OF SEPARATION
Please indicate the total number of days or hours of unused sick leave and educational leave credited (if any) to the member at the time of separation. Show partial days to three decimal places.

PART III — HEALTH INSURANCE
Complete only if the member had health insurance coverage under the Public Employees’ Medical and Hospital Care Act. A request for change in health benefits coverage based upon change in family status (death) may be made by an enrolled surviving family member who continues to receive an allowance.

PART IV — SIGNATURE
Have this form signed by an authorized officer; enter title, phone number, extension, and date. Fax completed myCalPERS 0697 form to CalPERS immediately at (916) 795-3988.

Notification by Other than Employer
When CalPERS is informed of an employee’s death by someone other than the employer, CalPERS will also initiate the myCalPERS 0697 form, partially filled in, and forward to the employer. The employer completes the balance of the form per instructions found on page 2 of the form.
When CalPERS is notified of an active employee’s death, a letter (which may not provide an estimate of the benefits payable) and the publication Pre-Retirement Survivor Benefits (PUB-55) will be sent to the next of kin. The booklet explains the benefits which may be payable and provides an Application for Active Member/Non-Member Survivor Benefits (myCalPERS 0675).

If an estimate is not provided, or if only lump sum benefits are payable, the myCalPERS 0675 may serve as the claim form if completed by the designated or statutory beneficiary. If there is a choice of monthly or lump sum benefit an election must be made on the myCalPERS 0675. If the information provided in the initial myCalPERS 0675, along with any designation on file, indicates the proper beneficiary remains to be contacted, a claim form will be sent to the proper beneficiary. Payment of death benefits will be as soon as possible after receipt of the claim form and any other documents required (e.g., marriage, birth, or death certificates). (Gov. Code sections 21498 and 21499)

To determine the beneficiary(ies), CalPERS will check the system for a valid beneficiary designation, filed either by Pre-Retirement Lump Sum Beneficiary Designation Form (myCalPERS 0772) (PDF) [See Beneficiary Designation form section for more information] or completed online through myCalPERS. If a valid beneficiary designation has been filed and if the member was eligible for retirement, or if the Alternate Death Benefit is payable, the allowance payable to the surviving spouse will be reduced and the beneficiary (ies) designated will receive a one-time payment of the employee’s community property share. If the beneficiary designation is no longer valid or has not been filed, survivor benefits will normally be paid to the statutory beneficiary as follows:

I. If the member was eligible for retirement or if the Alternate Death Benefit is payable on the date of death (Gov. Code section 21493):
   a) Member’s surviving spouse or registered domestic partner, if married/registered for at least one year or prior to the onset of the illness or injury that caused the member’s death,
   b) Unmarried minor child(ren)

II. If the member was not eligible for a monthly allowance (Gov. Code section 21493):
   a) Member’s registered domestic partner or surviving spouse (whether or not still living together at the time of death); or, if none,
   b) Natural and adopted children, including (in limited circumstances) a natural child adopted by another, share and share alike; or, if none,
   c) Parents, share and share alike; or, if none,
   d) Brothers and sisters, share and share alike; or, if none,
   e) Member’s estate (if probated, or subject to probate); or, if not,
   f) Member’s trust, if one exists; or, if not,
   g) Stepchildren, share and share alike; or, if none,
   h) Grandchildren, including step-grandchildren, share and share alike; or, if none,
   i) Nieces and nephews, share and share alike; or, if none,
   j) Great-grandchildren, share and share alike; or, if none,
   k) Cousins, share and share alike.

III. Any of the following events will, by law, revoke the beneficiary designation (Gov. Code section 21492):
   a) Marriage or registration of domestic partnership.
b) Dissolution or annulment of marriage or termination of partnership if initiated after the designation was filed.

c) Birth or adoption of a child.

d) Termination of membership that results in a refund of contributions, or termination of employment that results in payment of a monthly retirement allowance.

Following the member’s death, a spouse or registered domestic partner may request a Disclaimer of Benefits (BAS-140) form if he/she does not wish to receive their community property interest in the death benefits. If the Disclaimer of Benefits (BAS-140) form is completed, then the entire Basic Death Benefit may be paid to the designated beneficiary(ies), unless the member is survived by a minor child who would become the statutory beneficiary entitled to a monthly allowance.

NOTE:
Original documents (death certificate, marriage certificate, etc.) should NOT be sent to CalPERS. Only clear photocopies of these documents should be submitted. To expedite the survivor benefit payment process, ensure that the deceased member’s CalPERS ID Number or Social Security number appears in the top right corner of each photocopy to associate the documents with the correct file.
Members who wish to obtain an estimate of their CalPERS retirement allowance can do one or more of the following:

1. Members who are more than one year from retirement may obtain retirement estimates by logging into their personal myCalPERS account at my.calpers.ca.gov. These estimates are based on the most current payroll and final compensation information submitted to CalPERS and allows them to save multiple estimates based on different retirement dates and beneficiary scenarios.

2. Members may use the CalPERS Retirement Estimate Calculator at www.calpers.ca.gov if they want the flexibility to calculate an estimate using their own anticipated assumptions or projections. The CalPERS Retirement Estimate Calculator does not require the member to log-in and will only provide an estimate of the Unmodified Allowance.

3. CalPERS generated retirement estimates are processed by the Benefit Services Division. These estimates use the payroll reported by the employer and do not project future salary increases, changes in time base, or unreported special compensation. Please note, actual final compensation may be different after payroll reconciliation and review and will be based on compensation allowable by law. Members who are within one year of their expected retirement date may request a CalPERS generated Retirement Estimate if they download, complete, and mail the Retirement Allowance Estimate Request (PERS-BSD-470) (PDF) form to CalPERS located on the CalPERS website. Members within one year of retirement may request two CalPERS generated estimate requests in a 12-month period. Alternatively, a request form can be mailed by calling CalPERS at 888 CalPERS (or 888-225-7377).

4. All information on the Retirement Allowance Estimate Request form must be completed before an estimate can be processed. Important: Please be sure the address and CalPERS ID and/or Social Security number are legible.

5. Retirement benefit estimates will be mailed to the address on file within 30 days of receipt of the request by CalPERS. If the address indicated on the estimate request form does not match the address on file, the estimate request will be rejected. Address changes for an active employee must be submitted by the employer. An inactive employee will be mailed an address change form to submit back to CalPERS.

6. A request for an estimate is NOT an application for retirement. A Service Retirement Election Application (PERS-BSD-369-S) (PDF) or Disability Retirement Election Application (PERS-BSD-369-D) (PDF) must be submitted to apply for retirement. An application for retirement may not be used to request an estimate. If the member plans to retire in the near future, the employer should provide the member with our CalPERS publication Planning Your Service Retirement (PUB 1) (PDF, 1.38 MB) and the CalPERS Local Miscellaneous Benefits (PUB 8) (PDF, 4.91 MB) publication or the CalPERS Local Safety Benefits (PUB 9) (PDF) publication or the CalPERS School Benefits (PUB 2) (PDF) publication. These publications provide additional benefits to consider in preparing for retirement.

7. Members are encouraged to take a CalPERS retirement planning class prior to submitting their application for retirement. CalPERS offers classes designed to educate and inform CalPERS members at any stage of their careers. Members are encouraged to take these classes throughout their careers to ensure they understand their benefits and to prepare for retirement. These classes are available both online and in a classroom with an instructor. They can visit the Member Education area on our website www.calpers.ca.gov to view the latest schedules and enroll in a class.

How to Apply
Members may apply for retirement online through their personal myCalPERS account at my.calpers.ca.gov or they can submit and mail a hardcopy retirement application available in the Forms & Publications area on our website at www.calpers.ca.gov.
Members can also print an application started in myCalPERS and bring it to a Regional Office if they don’t want to submit their application online.

**When to Apply**
Members should submit an application for retirement no more than 120 days prior to the desired effective retirement date.

**NOTE:**
A disability retirement application should be submitted as soon as a medical condition becomes disabling and prior to the expiration of benefits to ensure the member is eligible for the earliest effective date possible.

The application must be received within nine months after discontinuance of employment, or, in the case of retirement for disability, if the member was physically or mentally incapacitated to perform his or her duties within nine months from the date the member discontinued service, to be eligible for the earliest possible retirement date, which is the day following the last day on payroll. If not, the retirement date can be no earlier than the first of the month in which CalPERS receives the application. (G.C § 21252(a))

**Additional Notes for Submitting Forms**
If the application is submitted by fax (800-959-6545) to the Benefits Services Division, DO NOT have the member also send the original hard copy application.

They should NOT submit any original certificates (Marriage, Birth, Death, etc.). Send only photocopies of important documents, as CalPERS cannot return original documents. Each page should have the member’s Social Security number or CalPERS ID for identification.

**Who May Apply**

**Service Retirement**
A Local public agency or school member who has reached age 50 and has earned at least five years of credited service may apply for retirement (Gov. Code section 21060(a)). A Local Miscellaneous or School member with a membership date on or after January 1, 2013 with all service credited after that date must be age 52 unless a member is a transit employee exempt from PEPRA under Assembly Bill 1222. (Gov. Code section 7522.20). Members may be eligible to retire at age 50 if he or she has a combination of classic and PEPRA service. Local members with service credit under the Second-Tier formula must be age 55 unless they were a member of the system prior to the employer’s contract amendment to provide that formula. (Gov. Code section 21093 (b)) The application must show a definite retirement date and be submitted by the member. It is the employee’s responsibility, not the employer’s, to see that the retirement application is sent to CalPERS.

A member who is employed on a permanent part-time basis and has worked at least five calendar years may be eligible to retire with less than five years of credited service. The retirement benefits the member will receive will be based on their actual service credit amount. (Gov. Code sections 20962 and 20970)

**Disability or Industrial Disability Retirement**
Please refer to the instructions found under "Disability Retirement or Industrial Disability Retirement" in this section of the guide.

**Before Retirement**

**To be Eligible for Retirement a Member Must Terminate All CalPERS Employment:**
A member must terminate, i.e., "separate from", all employment with all CalPERS employers to be eligible for retirement. This applies if the member works for more than one employer or works in more than one position for a single employer, if the member is employed full time for one employer and part time for a different employer, or holds any combination of full-time and part-time jobs with one or more than one employer, or is in an elected or appointed position with a CalPERS employer, even though they may not be receiving service credit for one or more of the positions. (Gov. Code sections 21252,22970.23 and 22970.25). If the member does not terminate all CalPERS employment before the retirement date the retirement will either be cancelled, or an automatic change of the retirement date will be processed when this violation is discovered.

**Requesting to Purchase Service Credit**
The retirement date can be no earlier than the day following receipt of the election to purchase service credit by CalPERS. It is important the member requests service credit purchase information well in advance of their retirement to avoid possible delays or impacts to the retirement date and benefits.
A Guide to Your CalPERS Service Credit Purchase Options (PUB 12) (PDF) can be downloaded from the Forms & Publications page on the CalPERS website at www.calpers.ca.gov.

Service credit requests and questions should be directed to:

CalPERS
Member Account Management Division
P.O. Box 942704
Sacramento, CA 94229-2704

For more information visit the Service Credit page on the CalPERS website or contact CalPERS at 888 CalPERS (or 888-225-7377).

Final Compensation
The final compensation in the calculation of an employee’s retirement benefit is the highest average annual compensation earnable during any 12 or 36 consecutive months, depending on the employee’s membership date and employer’s contract.

If a member has a combination of classic and PEPRA service, we determine the final compensation for service credit accrued as a classic member separately from the final compensation for service accrued as a PEPRA member. We use both figures when calculating the retirement benefit.

(CCR) 579.24 (b)

Cancellation of Retirement Application
If a member wants to cancel their service retirement application or defer retirement to a later date, the member must request to do so within 30 days of receiving the first retirement benefit payment. For cancellation of disability retirement, refer to the instructions found under the "Disability or Industrial Disability Retirement" section. A cancellation is binding; the member must thereafter re-apply whenever the member is ready to retire.

1. Once 30 days after the first retirement payment has been issued (regardless of whether the check is cashed), the member will not be allowed to cancel the retirement.

2. A member may request a refund of accumulated contributions in writing in lieu of retirement prior to the issuance of the first retirement payment. (Gov. Code section 20730)

Divorce or Termination of Domestic Partnership
We will not release any service or disability retirement benefits, health or dental benefits, refund of contributions, or death benefits until the member’s community property claim is resolved. A member may still apply for retirement pending resolution to an unresolved community property claim; however, no benefits can be released until the community property issue is resolved. Once benefits become payable, they will be released and paid retroactively to the member’s retirement date.
Minimum Requirements for Service Retirement
A member shall be retired for service upon written application if the member has reached the minimum retirement age and has earned at least five years of credited service. Minimum retirement age is 50 for the First-Tier retirement plan. (Gov. Code section 20160(a)) Local Miscellaneous and School members with a membership date on or after January 1, 2013, with all service credited after that date, must be age 52 unless a member is a transit employee exempt from PEPRA under Assembly Bill 1222. (Gov. Code section 7522.20) Members may be eligible to retire at age 50 if he or she has a combination of classic and PEPRA service. Minimum age for the Second-Tier retirement plan is 55 unless they were a member of the system prior to the employer’s contract amendment to provide that formula. (Gov. Code section 21093)

A member who is employed on a permanent part-time basis and has worked at least five calendar years may be eligible to retire with less than five years of credited service. The retirement benefits the member will receive will be based on their actual service credit amount. (Gov. Code sections 20962 and 20970)

Service Retirement Processing — Document Sequence
1. Service Retirement Election Application (PERS-BSD-369-S) (PDF) is received by CalPERS from the member. Please note that the member’s spouse or registered domestic partner must sign the Service Retirement Election Application form unless the member has elected the 100 Percent Beneficiary Option 2 or 100 Percent Beneficiary Option 2 with Benefit Allowance Increased as his or her retirement payment option and designated his or her spouse or registered domestic partner as the beneficiary and the sole primary beneficiary of any lump sum benefits. Otherwise, the member must complete and submit a Justification for Absence of Spouse’s Signature (PERS-BSD-800A) (PDF). (Gov. Code section 21261)

The application package must include information regarding required marriage and birth date evidence. (Gov. Code section 20128) Do not submit any original certificates. Send only photocopies of important documents as CalPERS cannot return original documents. Each page of all documents submitted to CalPERS should include the member’s Social Security number or CalPERS ID in the upper right-hand corner for identification.

A member may complete the direct deposit information section on the election application form or submit a separate Direct Deposit Authorization (PERS-BSD-1199P) (PDF) form at a later date. (Gov. Code section 21269)

2. Employer Certification Employers must certify the separation information by submitting it and any updates online using myCalPERS. Separation information includes the employee’s permanent separation date and any unused sick leave balances. If the information is submitted prior to CalPERS processing the member application the additional service credit will be included in the member’s initial retirement benefit. Otherwise the member’s account will be adjusted after the information is submitted. To receive sick leave credit according to Collective Bargaining Unit Contracts, the member’s retirement date must be within 120 days from the date of separation from the employer granting the sick leave. (Gov. Code sections 20963 and 20965)

Service credit for unused sick leave is a mandated benefit for public agencies that participate in risk pools. For all others, it is an optional benefit. (Gov. Code sections 20963 and 20965)

It is imperative that you report a permanent separation when an employee retires or otherwise ends employment with your agency, regardless of the reason. (Gov. Code section 20221(a)) All transactions within myCalPERS, including health and retirement, rely on the permanent separation date to be reported to determine proper benefit eligibility and cost for both the employer and the member.

Conversion of Sick Leave Credits
All employees, regardless of their work schedule (6.6 hours, 10/4/40, 9/8/80, 52 hours, etc.) will have any accumulated unused hours of sick leave service credit divided by eight to determine the
number of days to report to CalPERS for the purposes of enhancing the retirement benefit.

Sick leave is converted to service credit by: days of reported sick leave X .004 = service credit. (Gov. Code sections 20692, 20963, 20965) Example: 35 days X .004 equals .140 years of service credit.

The accrual of sick leave credits must be consistent for members of the same group or class who work like or similar hours. (Gov. Code section 20630) Service credit, which was not earned through the "accrual of sick leave" policy, may not be credited on an individual basis for the purposes of enhancing the retirement benefit. Unused sick leave for which a member receives compensation, (sick leave cash out) should not be reported to CalPERS for purposes of enhancing the retirement benefit. (Gov. Code sections 20963 and 20965)

3. A **Retirement Acknowledgment Letter to Participant** (myCalPERS 0964) is sent to the member within 5-10 days of receipt of the Service Retirement Election Application (PERS-BSD-369-S) (PDF) in our Sacramento Headquarters office letting them know we have begun processing the request. If the member does not receive an acknowledgment letter within 10 days, they should contact CalPERS immediately.

4. A **First Payment Acknowledgement Letter** (myCalPERS 0924) will be sent to the member prior to receipt of the first retirement check. This letter will provide the date of the first retirement check, the amount the member can expect to receive, the retirement option election, beneficiary and survivor information and important income tax information.

   Also included is the **Account Detail Information Sheet** which explains the data used to calculate the member’s retirement allowance. The member must notify CalPERS immediately if any of the information in this letter is inaccurate. They may be responsible for repaying any overpayment of retirement benefits resulting from the inaccurate information.

5. **Notice of Placement on Retirement Roll** (myCalPERS 0926) is sent to the employer after the employee is placed on the retirement roll. The myCalPERS 0926 provides the employer with the number of sick leave days that were included in the employee’s retirement calculation. If all the information is correct, then no action is needed.

   The myCalPERS 0926 is mailed to the employer prior to the issuance of the member’s first retirement check, but usually after the member’s separation date.

   For future employment of the retiree, please refer to the section on "Employment of a Retiree" and the section on Reinstatement from Retirement".

**NOTE:**
The member must notify CalPERS within 30 days of the issuance of their first benefit payment if any changes need to be made in their benefit option election, beneficiary or retirement date.
**Health Insurance**

For public agencies covered under the Public Employees’ Medical and Hospital Care Act (PEMCHA), enrollment of a member is continued without change when the member retires. Coverage will continue into retirement if the individual is enrolled at the time of separation from employment and their effective date of retirement is within 120 days of separation (CCR § 599.501(d) (e)). For questions on health insurance benefits, please refer to the Public Agency & Schools Health Benefits Guide (PDF).

Direct Authorization may be established for automatic deduction of payments for group health insurance administered by the employer as well as life insurance premiums, union dues, credit union payments or shares, or contributions to charitable organizations. (Gov. Code sections 21264 and 21265)

**NOTE:**
Most deductions will stop at retirement and the member will need to re-establish necessary deductions.

**General Procedures for Direct Authorization of Health/Life Insurance**

1. Your agency determines the eligibility of the member to continue such coverage into retirement and forwards the authorization form to the carrier, not to CalPERS. This form must be signed by the member.

2. The Direct Authorization deductions are now processed by the carrier using myCalPERS for on-line transaction processing or file uploads. The deductions are no longer processed by CalPERS staff. CalPERS does not have the authority to start, stop, or change a Direct Authorization deduction. The member must contact the employer or carrier to affect any change on a Direct Authorization.

3. Normally, the carrier will require two (2) months premiums in advance to provide CalPERS with adequate time to process the deduction.

**Direct Authorizations**

Direct authorization deductions for union dues, credit union payments or shares, or charitable organizations may be established provided that (Gov. Code sections 21264 and 21265):

1. The organization has contracted with CalPERS to provide this service (members must contact the organization for this information);

2. The member authorizes to have money deducted through the organization; and

3. The organization submits the authorization directly to CalPERS.

Authorized deductions are stopped or changed upon receipt of written authorization from the organization.

CalPERS function is limited to the mechanics of deducting and determining what deduction authorization is proper. Inquiries concerning these types of "other deductions," should be directed to the organization.

**Income Tax Withholding**

Federal and California State income tax deductions will be withheld from monthly or lump sum benefit payments unless the retiree specifically elects no tax withholding. A Tax Withholding Election form (myCalPERS 1289) must be completed. If the election form is not filed with CalPERS, automatic withholding begins based on a married person with three (3) exemptions. Any questions retirees have concerning the taxability of their allowance should be directed to the Internal Revenue Service or California State Franchise Tax Board.

**Payments for Purchasing Service Credit**

A member who previously elected to purchase public service credit, redeposit contributions for service credit, or has arrears contributions, may elect upon retirement to continue any payments due into retirement. In such cases, service credit will be included in the retirement calculation and a monthly payment will be taken from the member’s retirement allowance. Any balance still unpaid
Deductions after Retirement

upon the member’s death shall be deducted from death benefits otherwise payable. A retired member’s survivor entitled to a monthly survivor allowance may elect to continue such deductions from the monthly allowance in lieu of the lump sum payment otherwise required. The following criteria must be adhered to:

1. No installment payments (deductions) are permitted unless an election has been made prior to retirement.

2. Death benefits against which unpaid balances may be deducted include the lump sum benefit, survivor continuance benefits, and payments under all optional settlements.

Social Security Instructions

Members having Social Security coverage, integrated with CalPERS coverage, should contact their local federal Social Security Office approximately three months before their retirement. Reference material needed by the Social Security Office will be: Social Security number, name of the employer, and documentary proof of birth.

Temporary Annuity Payments

Members applying for service retirement can elect to receive an additional monthly allowance from CalPERS.

For members entering CalPERS membership prior to January 1, 2002, the benefit is payable from retirement date to a specific age that the member selects, 59 ½ or any whole age from 60 to 68. The member can name the dollar amount they wish to receive within certain limitations. (Gov. Code section 21461)

For members entering CalPERS membership on or after January 1, 2002, their employment must be in a position covered by Social Security and the maximum dollar amount that can be received is the amount of their potential Social Security benefit. They must elect to receive temporary annuity payments until any whole age from 62 to 70. (Gov. Code section 21461.5)

This benefit is NOT free. The member’s CalPERS lifetime allowance is permanently reduced to pay for the temporary annuity.

The Temporary Annuity (PUB 13) (PDF) publication can be downloaded and member questions on the program can be directed to the CalPERS website at www.calpers.ca.gov, or by calling CalPERS at 888 CalPERS (or 888-225-7377).
**Disability Retirement and Industrial Disability Retirement**

Your agency should maintain a supply of [A Guide To Completing Your CalPERS Disability Retirement Election Application (PUB 35) (PDF)] which includes the disability retirement application, forms to be completed with step-by-step instructions and important information regarding disability and/or industrial disability retirement.

Please familiarize yourself with the information in the publication to provide assistance to your employees. CalPERS strongly recommends that members complete and mail the [Retirement Allowance Estimate Request (PERS-BSD-470) (PDF)] form prior to completing the [Disability Retirement Election Application (PERS-BSD-369-D) (PDF)].

**Disability Retirement**

Retirement for disability, available to all members (miscellaneous, industrial and safety classifications) credited with five or more years of service, is retirement resulting from mental or physical incapacity for the performance of the usual duties. There is no minimum age requirement for disability retirement. The injury or disease causing the incapacity need not be job-related. (Gov. Code sections 20026, 20027 and 21150)

**When to Apply**

The application for disability retirement shall be made only:

- While a member is in local agency service, or;
- For a member whose contributions will be made under Gov. Code section 20997, and is absent on military service, or;
- Within four months after the discontinuance of the local agency service of the member, or while on approved leave of absence, or;
- While the member is physically or mentally incapacitated to perform his/her duties from the date of discontinuance of local agency service to the time of application. (Gov. Code section 21154)

As soon as it is believed the member is unable to perform the job because of an illness or injury, which is expected to be permanent, or last at least twelve consecutive months or will result in death as determined based on competent medical opinion, the member or someone on the member’s behalf, should submit an application for disability retirement. The medical condition does not have to be "permanent and stationary" under Workers’ Compensation to submit the application. (Gov. Code sections 21153 and 21252)

**Emergency Retirement**

CalPERS can expedite retirement processing for members who are facing a terminal illness. If this is the case, CalPERS should be contacted immediately to discuss an emergency retirement. We will make every effort possible to quickly obtain the necessary information and complete our processing. However, for any post-retirement death benefits to be paid, the member must be living on the effective date of retirement. For more information, contact CalPERS at [888 CalPERS](or [888-225-7377]). (Gov. Code sections 21153, 21252 and 21503(d))

**Who Can Apply**

Application for disability or industrial disability retirement may be made by the member, by a duly authorized official of the employing agency, or by any person on behalf of the member. "Duly authorized official" is defined in Gov. Code section 21152(a) (b) (c).
Gov. Code section 21153 provides that the employer may not separate a member because of disability who is otherwise eligible to retire for disability. The employer must apply for the disability retirement of such member unless the member waives the right to retire for disability and elects to either withdraw his contributions or leave them in the fund for a future service retirement.

Employer Originated Application

When an employer is submitting a disability retirement application on the member’s behalf, they must complete the Employer-Originated Disability Retirement Application (PERS-BSD-369-D-ER) (PDF). The application must be signed by the duly authorized official on file with CalPERS or processing will be delayed.

What to Submit with Application (excluding Local Safety members) –

The following documentation should be submitted with the application the employer files on behalf of the member:

- Job Duty Statement
- Physical Requirements of Position/Occupational Title form
- Medical information to support application (e.g., Fitness for Duty reports, Doctor Notes, etc.)

Provide the following documentation if the employee has a pending “Adverse Action”, was terminated for cause, resigned in lieu of termination, or is being investigated for or has been convicted of a work-related felony:

- Personnel Records
- Adverse Actions
- SPB Decisions
- Investigation Reports

Once CalPERS receives the employer originated application, the member will be notified and sent A Guide to Completing Your CalPERS Disability Retirement Election Application (PUB 35). The member is required to complete the Disability Retirement Election Application (PERS-BSD-369-D) unless the member elects to waive the right to retire for disability. The local safety employer should not begin a medical determination until receiving CalPERS’ notification that the member’s application has been accepted.

The Employer-Originated Disability Retirement Application (PERS-BSD-369-D-ER) (PDF) and Disability Retirement Election Application (PERS-BSD-369-D) (PDF) forms are available on the CalPERS website at www.calpers.ca.gov or contact CalPERS at 888 CalPERS (or 888-225-7377).

NOTE:
A member cannot cancel an Employer-Originated Disability Retirement Application. If the member does not submit his/her application within the requested timeframe, CalPERS will administratively cancel the Employer-Originated Application.

Local Safety Members

Safety members submit applications for disability retirement on the Disability Retirement Election Application (PERS-BSD-369-D) (PDF). Safety members are required to complete all sections in the disability retirement application.

Along with the application, Local Safety members are required to complete, sign and date the following forms:

- Employer Information for Disability Retirement
- Authorization to Disclose Protected Health Information

Local Safety members must send the Employer Information for Disability Retirement form to employers directly. Employers will use this form as a cover sheet for all the documents submitted to CalPERS. Local Safety members must send the Authorization to Disclose Protected Health Information form to CalPERS. An incomplete application or missing required forms will delay the application process.

Application Acknowledgement

Upon receipt of a request for disability retirement, CalPERS will make an administrative determination on the member’s eligibility to apply for disability retirement. Upon approval, CalPERS will contact the member and employer, acknowledging receipt of the application.
CalPERS will continue to notify the employer of the member’s request for disability or industrial disability retirement; however, a copy of the retirement application will not accompany the letter.

Determination
In accordance with Gov. Code section 21156, a local safety member shall be retired for disability only upon the employer’s determination that the member is substantially incapacitated physically or mentally for the performance of the usual job duties with the current employer. Please refer to the Local Safety Determination Procedures section in this chapter for more information.

Industrial Disability Allowance
Generally, the industrial disability retirement allowance of a local safety member under age 50 will be 50% (or more by additional contract provisions) of final compensation. Please refer to your Business Partner Retirement Contract Report for a complete list of provisions in your agency’s contract. You can view your Business Partner Retirement Contract Report in myCalPERS.

The Public Employees’ Pension Reform Act of 2013 (PEPRA) allows a calculation for a safety member under age 50 who qualifies for an industrial disability retirement that may result in a higher benefit than 50% of salary. These provisions remain in effect only until January 1, 2023, after which, the new industrial disability retirement provisions will not apply unless the date is extended by statute.

A safety member who retires on or after January 1, 2013 for industrial disability shall receive a disability retirement benefit equal to the greater of the following:

- 50% of final compensation (or more by additional contract provisions). An additional annuity may be payable if the member has contributions associated to non-safety service. (Gov. Code section 21413)
- A service retirement allowance, if qualified for service retirement.
- If under age 50, an actuarially reduced benefit factor (determined by the retirement formula and how many quarter years under age 50) multiplied by the number of years of service credit. (Gov. Code section 21400)

Local Agency Determination Procedures
The disability decision is based upon competent medical opinion and all medical and vocational information provided by the member, employer and workers’ compensation carrier. (Gov. Code section 21156)

The employer shall not use disability retirement as a substitute for the disciplinary process. (Gov. Code section 21156 (a) (2)) Employers must forward all relevant personnel documents and medical records to CalPERS for any of the following circumstances and obtain CalPERS’ determination of the member’s eligibility for disability retirement before the employer begins the process of a disability determination:

- Disciplinary process underway prior to the member’s separation from employment
- The member was terminated for cause
- The member resigned in lieu of termination
- The member signed an Employer Reinstatement Waiver as part of a legal settlement
- The member has been convicted of or is being investigated for a work-related felony

The determination must be made within six months of CalPERS’ request for a determination in accordance with Gov. Code section 21157.

Failure to provide this determination within six months places your agency in violation of Gov. Code section 21157. As a contracting agency of CalPERS, you are the statutory delegate with authority to perform the function of disability determinations for your local safety employees, within the time frame specified by law. However, the member may waive this requirement. Your agency needs to submit to CalPERS the member’s signed waiver with an expiration date.

The employer will determine if the disability is industrial, except in disputed cases the agency, or the member, may refer the matter to the Workers’ Compensation Appeals Board for a determination of industrial causation. The Workers’ Compensation Claim should be accepted if the employer determines the disability is industrial and accepts the liability. It would be paradoxical if the claim is not accepted, yet the employer
determines the disability is industrial. (Gov. Code sections 21153, 21156 (a), 21157 and 21166)

Before the Retirement System can act on any local safety member's application for disability retirement, the following questions must be resolved by the agency and the information mailed to CalPERS in the form of a Resolution or determination letter:

1. Is the member presently substantially incapacitated from performing the usual duties of the position?

2. If incapacitated, what is the medical opinion on the disability duration, a) permanent, b) expected to last at least twelve consecutive months from the date of an application for benefit or c) will result in death?

To qualify for a disability retirement, a CalPERS member must be substantially incapacitated for the performance of his or her duties. This "substantial incapacity" must be due to a medical condition of permanent or extended duration of at least twelve consecutive months or will result in death. (Gov. Code section 20026)

The law distinguishes between a person who suffers some impairment and one who suffers impairment sufficient to become eligible for disability retirement. The courts have concluded that the test is whether the member has a substantial inability to perform the usual and customary duties of the position. **Difficulty in performing certain tasks alone is not enough to support a finding of disability.** It is the inability to perform the essential functions of the actual and present job duties that determines whether the member is substantially incapacitated for the performance of his or her job duties.

If the member cannot substantially perform the duties of the position, then he/she is disabled for CalPERS retirement purposes; otherwise, the member is not disabled. **A CalPERS disability retirement must be based upon an actual and present (not prospective) inability to substantially perform the member's actual and usual job duties. Furthermore, prophylactic restrictions are not a basis for a disability retirement.** If a disability is not currently present but just may occur in the future, the member is presently ineligible for a CalPERS disability retirement.

It is the agency's responsibility to order a medical examination and obtain such evidence as is necessary to make a determination. (Gov. Code section 21156)

Such evidence may be obtained from the Workers' Compensation insurer. On the basis of its accumulated evidence, the agency must determine whether the member is disabled within the meaning of the Public Employees' Retirement Law.

This determination must be made within six months from the date of CalPERS' request for a determination. The agency is responsible for the reevaluation of retired members for possible reinstatement. (Gov. Code sections 21157 and 21192)

3. Has the member filed a Workers' Compensation claim(s) for the disabling condition(s)? Was the claim accepted?

4. If a determination is made that the member is disabled, is the disability considered "industrial"?

Industrial means disability as a result of injury or disease arising out of and in the course of employment as a local safety member (Gov. Code section 20046). Such evidence may be obtained from the Workers' Compensation insurer. If there is no application filed with the Workers' Compensation Appeals Board for a determination pursuant to Gov. Code section 21166, the agency is required to certify that the member had an accepted Workers' Compensation claim(s) for the disabling conditions(s) and body part(s) to approve the member for industrial disability retirement.

If the employer is waiting for the Workers' Compensation insurer to make a determination on industrial causation, the employer should approve the member for disability retirement instead of industrial disability retirement pending a Finding of Fact.

If either the member or agency applies to the Workers' Compensation Appeals Board for a determination, only that Board can decide the "industrial" question. (Gov. Code section 21166)

A copy of this decision must be sent to CalPERS. CalPERS will assume the findings are not disputed, and will proceed accordingly, unless the
agency notifies CalPERS a Petition for Reconsideration has been filed.

5. Has the member established continuous disability?

A member must provide medical records of his or her physical or mental incapacity to perform the duties of his or her job from one year before his or her last day of physical work to present. To establish continuous disability, there must be medical substantiation on file from the last date of physical work to present, with no gaps in medical treatment records more than six months during this period. Rules of presumption do not apply. Even if the Workers’ Compensation Appeals Board awards industrial disability benefits to the member under the Labor Code, the judgment does not bind the California Public Employees’ Retirement System, which is governed by a different body of law. The medical determination must be based on the following:

- Competent medical opinion
- Medical records and other available information to support the medical opinion

6. What is the last day of compensation?

7. What is the effective date of retirement?

The retirement effective date must be established in accordance with Gov. Code sections 21163 and 21164. These sections state that the member’s retirement cannot be effective, without the member’s consent, until:

a. The expiration of accrued sick leave or compensating time off, unless, with respect to such leave, the provisions of local ordinances or rules of the employer provide to the contrary; and/or

b. The termination of the employee’s fully compensated leave of absence under L.C. section 4850; and/or

c. An earlier date during the leave when the disability is found to be permanent and stationary by the Workers’ Compensation Appeals Board.

CalPERS requires the agency determining the member’s disability to provide information necessary for CalPERS to determine the effective date. The member should not be kept on payroll to exhaust accrued vacation once a disability determination has been made. Gov. Code section 21252 may also apply.

NOTE:
Under L.C. section 4850, the leave cannot end earlier than one year unless the disability is determined to be permanent and stationary by the Workers’ Compensation Appeals Board and the member will be receiving advanced disability pension payments — paid by the employer. See “Advanced Disability Pension Payments.”

8. Is there any third-party liability related to the injury which caused the disability?

CalPERS requires the agency provide an accident report along with its decision if there is any third-party liability. (See the "Subrogation" section later in this chapter for more information.)

If a determination is made that the member is not disabled, the agency must notify the member and CalPERS. Notification to the member of their right to appeal the agency’s decision and request a hearing within a designated number of days from the date of the notice shall be by certified mail, return receipt requested, or by personal service. (Gov. Code section 21156)

If the member appeals the determination, the agency is required to comply with the Administrative Procedures Act (APA) in the disability retirement determination process. (Gov. Code section 21156(b) (2))

Advanced Disability Pension Payments (ADPP)

Employers must make "advanced disability pension payments" to safety members who have qualified for benefits under L.C. section 4850 and have submitted an application for industrial disability retirement, until the member begins receiving their retirement benefits directly from CalPERS, or the application for disability retirement is denied. (L.C. section 4850.4 (d))
Employers must commence ADPP no later than 30 days from the date of the last payment of salary/wages, benefits under L.C. section 4850 or sick leave. Employers are required to commence ADPP when the employee files an application for disability retirement at least 60 days prior to the payment of ADPP and cooperates with providing medical information, attending medical examinations, and the evaluation process established by CalPERS. The 30-day period for the commencement of ADPP shall be tolled by whatever period of time is directly related to the employee’s failure to apply for disability retirement or full cooperation with the process. (L.C. section 4850.4)

NOTE: ADPP cannot be paid to members who are receiving a service retirement allowance.

Contact CalPERS at 888 CalPERS (or 888-225-7377) before paying ADPP if the member has applied for Service Retirement pending Industrial Disability Retirement.

When a safety member begins receiving ADPP, any payments made under L.C. Section 4850 are discontinued. CalPERS will notify the employer by phone prior to the member being placed on the retirement roll. The ADPP is then stopped. When CalPERS begins paying the disability retirement allowance to the member, the amount of the ADPP the employer paid to the member will be deducted from the retroactive portion of the member’s retirement allowance. If the retroactive portion does not cover the total amount, CalPERS will reduce the member’s monthly allowance by as much as 10% until the balance has been paid. (Gov. Code section 21419)

ADPP is not considered compensation for retirement purposes. (Gov. Code section 20630)

The local safety employer is required to pay ADPP until the employee is approved or disapproved for a disability retirement allowance, only if the employee meets specified conditions set forth in L.C. section 4850.4. If an employee’s disability retirement application is denied, the local agency and the employee shall arrange for the employee to repay all ADPP.

Advanced disability pension payments shall not exceed 50% of the average monthly base pay rate for the last three years prior to retirement. If the member plans to choose an optional settlement, the ADPP should be reduced accordingly. (L.C. section 4850.3)

In a situation where a community property claim has been filed against a member’s account, it is recommended that your agency reduce the ADPP to 25% of the member’s average monthly base pay rate for the last three years prior to retirement. If CalPERS has notified your agency of the existence of a community property claim and the non-member spouse is awarded a portion of the member’s monthly allowance, the amount awarded to the non-member spouse will be paid from the retroactive portion of the member’s retirement allowance before the ADPP is reimbursed to your agency.

If the member’s remaining retroactive portion is not sufficient to cover the ADPP, the member’s share of the allowance will be reduced by 10% until the total ADPP has been repaid. If the application for disability retirement is denied, the employee is responsible for reimbursing the employer the amount of ADPP received and any repayment plan is decided between the employer and employee. CalPERS will not reimburse the employer in these situations.

It is the employer’s responsibility to report to CalPERS the amount of ADPP paid to a member. If the employer fails to notify CalPERS that ADPP is paid or if the member service retires, the local agency and the employee shall arrange for repayment. CalPERS will not reimburse the employer in these situations.

Since retirement allowances are paid monthly, CalPERS would prefer that the employer make advanced disability pension payments monthly. ADPP should be paid for the preceding month. If the retirement effective date is a day other than the first of the month, the member is entitled to receive retirement pay from the retirement effective date until the end of the month.

Example:

<table>
<thead>
<tr>
<th>Retirement Date</th>

</thead>
<tbody>
<tr>

<td>27 out of 31 days (27/31)</td>
</tr>
<tr>
<td>September 30</td>
<td>1 out of 30 days (1/30)</td>
</tr>
</tbody>
</table>

Please include in the Resolution or determination letter to CalPERS the following information:
1. Whether or not advanced disability pension payments will be made;
2. Amount of monthly advanced disability pension payment;
3. Amount of the first payment, if retired date is other than the first of the month;
4. Address to send the reimbursement check.

Local Agency Re-Evaluation Procedures
The agency should undertake regular periodic reviews of determinations for disability retirees under voluntary service retirement age to verify whether the recipient remains physically or mentally disabled from the position which they disability retired for the condition(s) that they were approved for. The re-evaluation process is not a process to discover new conditions. It should include, but is not limited to, gathering the following information:

- Is the retiree currently employed? What type of work is he/she doing? Is he/she working within his/her work restrictions? Obtain a duty statement and physical requirements of the job for comparison. When an independent medical examination is deemed necessary, submit these documents for the examiner’s review.
- Is the retiree currently being treated for his/her disability? If so, obtain a list of his/her treating physician(s) and contact information, and request his/her medical records since retirement.
- If the retiree is not currently being treated or the medical records received from the treating physician do not substantiate a continuous disability, the member should be evaluated by an Independent Medical Examiner.
- If indicated, consider surveillance.

Failure to cooperate with any stage of the re-evaluation process will be considered a refusal to submit to a medical examination. Gov. Code section 21175 states, “If any recipient of a disability retirement allowance under the minimum age of voluntary retirement for service applicable to members of his or her class refuses to submit to a medical examination, the pension portions of his or her allowance may be discontinued until his or her withdrawal of the refusal. If the refusal continues for one year his or her disability retirement allowance may be cancelled." The agency should inform CalPERS in writing to take proper actions if a retiree is uncooperative with the process.

In accordance with Gov. Code sections 20127, 20221 and 21192, the agency is requested to submit their determination on the re-evaluation or action requested for uncooperative retirees (discontinue the pension portions if refusal is less than a year; cancel the full allowance if refusal continues for one year) to CalPERS in the form of a Resolution or determination letter.

Transmittal of the Agency’s Determination
There are sample resolutions located in the Appendix of this Guide that may be used by your agency in transmitting the required information to CalPERS. All resolutions should state whether or not the employer will be making advance disability pension payments to the member. All such documentation must be signed by the governing body or its lawful delegate (i.e., City manager, Chief Administrative Officer, County Executive, or other comparable individual). If the governing body chooses to delegate the responsibility of making the disability determination, a certified copy (approved and signed by the governing body) of the delegation order of the authority must accompany the finding by such delegate in every instance.

All related local agency determination documents can be mailed to:

CalPERS
P.O. Box 2796
Sacramento, CA 95812-2796
Fax: (916) 795-1280

NOTE:
All determinations submitted to CalPERS must have all required information and language to be accepted. Please refer to Circular Letter 200-018-17.

School Members and Local Miscellaneous Members

Application Process
The member or individual applying on the member’s behalf, other than the employer, is responsible for forwarding all forms to the appropriate party(ies) for completion. (See the "Employer Originated Application" section earlier in this chapter for further information).
Estimate — The member’s first step should be to request a Disability Retirement Estimate, by completing and submitting the Retirement Allowance Estimate Request (PERS-BSD-470) (PDF) form available online. Alternatively, a request can be made by calling CalPERS at 888 CalPERS (or 888-225-7377). Disability estimates are not available online.

Complete Package — For CalPERS to process a request for disability retirement, a complete package must be received within 21 calendar days. If a complete package is not received within this time frame, CalPERS will cancel the member’s application. A complete package consists of:

- A completed Disability Retirement Election Application (PERS-BSD-369-D) (PDF).
- A completed Authorization to Disclose Protected Health Information (PERS-BSD-35) (PDF) signed by the member.
- A completed Physician’s Report on Disability (PERS01M0051DMC) (PDF) from a physician who specializes in the member’s disabling condition. The physician must provide a diagnosis on the member’s condition and include information about how it prevents the member from performing their job duties (an incomplete form will delay the review process).
- An Employer Information for Disability Retirement (PERS01M0052DMC) (PDF) form with the job description attached. This form must be used as a cover sheet for the job description and any other documents the employer submits to CalPERS.
- A completed Workers’ Compensation Carrier Request (PERS-BSD-92) (PDF) form along with medical records related to the claimed disability for an application for Industrial Disability Retirement, if the member has a job-related injury.

All the required forms needed are included in A Guide to Completing Your CalPERS Disability Retirement Election Application (PUB 35) (PDF). The member should read the entire publication prior to completing any forms so the information submitted is complete and accurate. This will assist CalPERS in making a determination in a timely manner.

Application — When the member submits the Disability Retirement Election Application (PERS-BSD-369-D), the following sections must be completed:

Sections 1 - 14 - Completed by the member or by someone on the member’s behalf.

Section 2 - Member does not need to designate a retirement date to begin the process unless requesting service pending disability or industrial disability retirement.

Section 5 - Member must select an option, and to make an informed decision, they must first request an estimate.

Section 14 - Member’s signature must be witnessed by a CalPERS representative or be notarized.

Determination — Employers must forward all relevant personnel documents to CalPERS for any of the following circumstances for CalPERS’ determination of the member’s eligibility:

- Disciplinary process underway prior to the member’s separation from employment.
- The member was terminated for cause.
- The member resigned in lieu of termination.
- The member signed an Employment Reinstatement Waiver as part of a legal settlement.
- The member has been convicted of or is being investigated for a work-related felony.

The disability decision is based upon competent medical opinion; and all medical and vocational information provided by the member, employer, and workers’ compensation carrier is considered.
in the determination. The determination is based on actual/present disability, not prospective inability to perform the job duties. In the event the medical information supplied to CalPERS is insufficient to make a determination, CalPERS may arrange an Independent Medical Examination (IME).

If the member is found to be disabled due to a mental disorder, a valid Power of Attorney may be required before benefits are payable. For Power of Attorney instructions, please refer to the booklet CalPERS Special Power of Attorney (PUB 30) (PDF).

NOTE:
If the member is currently enrolled in the CalPERS health plan and becomes employed in another job pending the determination of disability retirement benefits, eligibility for CalPERS health benefits may be affected after retirement. (Gov. Code sections 599.502 and 599.504)

Retirement Effective Date

If the application was received within nine months after discontinuance of employment, the effective date of disability retirement will be the day following the last day of payroll. (Gov. Code section 21252) In the case of an application for disability retirement filed with CalPERS more than nine months after discontinuance of the member’s service, the effective date of the application shall be determined in accordance with Gov. Code section 20160 or if no date is indicated the effective date will be the first of the month the application is received.

If a member has been approved for disability retirement, the law states the member must be retired immediately. The member may, unless contrary to local rules or regulations, remain on pay status to use sick leave and/or compensating time off that a person is entitled to; entitlement is a matter that must be resolved by each employer. (Gov. Code section 21163)

Member Alternatives Following the Disability Determination

When the member has been found to be "disabled," the member will be notified of the finding and advised that he/she must be retired immediately. The member cannot cancel the application for disability retirement after disability has been determined. However:

1. If the member is also eligible and applies to retire for service (prior to the effective date of retirement for disability or within 30 days of notification of disability retirement approval), the member may be retired for service. (Gov. Code section 21156(a)(1))

2. The member may also elect to separate from employment and accept a refund of accumulated contributions in lieu of all future rights and benefits from CalPERS. (Gov. Code section 21172)

3. The member may appeal the determination directly to the employer for local safety members and to CalPERS for miscellaneous members.

When the member has been found to be "not disabled" and the application is denied, the member will be notified of the finding and provided the opportunity to appeal the decision. Both the member and the employer have the right to appeal a CalPERS disability determination. (CCR sections 555 and 555.1-555.4)

NOTE:
Except for Local Safety members, all appeals must be submitted in writing directly to CalPERS within 30 days from the date of the notification letter.

Appeals may be mailed to:
CalPERS
P.O. Box 2796
Sacramento, CA 95812-2796

CalPERS is subject to the Administrative Procedures Act (APA) and the governing body of the contracting agency (or its authorized representative) acts as a delegate of the CalPERS Board of Administration in making the determination of substantial incapacity/disability. Therefore, the contracting agency is bound by the APA in the same manner as the CalPERS Board. So, in case of an appeal to the determination, the dispute must be heard by an administrative law judge of the State Office of Administrative Hearings.

The APA is set forth in the Government Code and the statutes describe the requirements and methods for conducting an administrative hearing. If the contracting agency determines that the member is not incapacitated for the performance
Disability Retirement and Industrial Disability Retirement

of duty, it shall notify the member and CalPERS of this determination. The determination should be sent to the member by certified mail (return receipt requested) giving the member a specified time period in which to appeal and request a hearing. This is proper due process. Please refer to the APA Sample Procedural Resolution in the Appendix section of this Guide.

General Disability Calculation
You can get an idea of what the member’s monthly unmodified disability retirement allowance will be. To do so, you need to know three things:

- How many years of service credit the member has;
- The benefit factor (1.8 percent for public agency and school members, or 1.35 percent for the local 1.5 percent at 65 formula) (Gov. Code sections 21098 and 21423(a)); and
- The final compensation, the highest average annual compensation earnable during any 12 or 36 consecutive months, depending on the employee’s membership date and employer’s contract. (Gov. Code sections 20035-20039, 20041 and 20042)

Find the benefit factor and years of service credit in the following groupings. Follow the instructions listed and fill in the worksheet.

Local Public Agency and School Members
A Local Public Agency Miscellaneous or School Member must have at least five years of service credit to be eligible for disability retirement. (Gov. Code section 21150)

If the member has between 5 and 10 years, OR 18 ½ or more years of service credit, multiply the years of service by 1.8 percent to determine the percentage of final compensation.

If the member has between 10 and 18 ½ years of service credit, add to that figure the number of years until the member will be age 60 and multiply the TOTAL by 1.8 percent to determine the percentage of final compensation. (The maximum percentage allowable is 33 1/3 percent).

THEN
Multiply the percentage of final compensation by the highest average annual compensation earnable for 12 or 36 consecutive months (depending on employer’s contract) to determine the Unmodified Allowance. Please note if the member is eligible for service retirement, the member will receive the higher allowance payable, service or disability. (Gov. Code section 21423)

Other Local Public Agencies
If your agency contracts for the 1.5 percent at 65 formula, the member must have five years of service credit to be eligible for disability retirement. (Gov. Code sections 21100 and 21150)

If the member has between 5 and 10 years, OR 24.692 or more years of service credit, multiply the years of service by 1.350 percent to determine the percentage of final compensation.

If the member has between 10 and 24.691 years of service credit, add to that figure the number of years until the member will be age 65 and multiply the TOTAL by 1.350 percent. (The maximum percentage allowable is 33 1/3 percent).

THEN
Multiply the percentage of final compensation by the highest average annual compensation for 12 or 36 consecutive months (depending on employer’s contract) to determine the Unmodified Allowance. Please note if the member is eligible for service retirement, the member will receive the higher allowance payable, service or disability. (Gov. Code section 21098)

Multiply the percentage of final compensation by the highest average annual compensation earnable for 12 or 36 consecutive months to find the Unmodified Allowance. Please note if the member is eligible for service retirement, the member will receive the higher allowance payable, service or disability. (Gov. Code section 21423)
Cancellation of Application
If a member wants to cancel the disability retirement application, other than an employer originated application, the request must be made in writing. The member’s signature is required.

Cancellation requests can be mailed to:
CalPERS
P.O. Box 2796
Sacramento, CA 95812-2796

A cancellation is binding; the member must thereafter re-apply whenever he/she is ready to retire. However, if the member is currently receiving service retirement benefits, the member cannot re-apply for disability or industrial disability retirement.

If the member has been found to be disabled, and the disability was approved, please refer to the Member Alternatives Following Disability Determination section earlier in this chapter for more information.

Subrogation (Gov. Code sections 20250, 20252, 20253, 20254, and 20255)
Under the law, if someone other than the employer caused an injury that results in disability retirement benefits being paid to the member, CalPERS has the right to recover up to one-half of the total retirement benefit costs from the responsible party. This is known as the “right of subrogation.” (Gov. Code section 20250)

If the member pursues a claim against any person for the same injuries that also entitles the member to a disability retirement from CalPERS (other than a Workers’ Compensation claim or an uninsured motorist claim), the member must inform CalPERS by calling 888 CalPERS (or 888-225-7377).

This is true even if the claim has not yet resulted in a court action. CalPERS has the right to participate in the claim through filing its own action against the responsible party, intervening in the claim, or filing a lien against any judgment recovered.

If such a claim is settled without notifying CalPERS, we may also be entitled to file a lawsuit against the member for recovery under our subrogation rights.

Instructions for Completion of the PERS-BSD-194
Upon approval of an application for disability retirement by CalPERS, the Benefit Services Division will require payroll information to begin the disability retirement payments.

The Report of Separation and Advance Payroll Information (PERS-BSD-194) (PDF) must be completed by the employer.

The first section is to be completed by the member:

Section 1 – Employing Agency and Member Information
- Name of Employing Agency
- Member’s name
- Social Security number or CalPERS ID
- Retirement date requested by the applicant

The following three sections are to be completed by the employer:

Section 2 – Effective Separation or Termination Dates
- Separation Date
- Termination Date (if applicable)
- Last Day on Pay Status
- Beginning and ending dates of leave of absence with compensation
- Explanation of the difference between the date of separation and last day on pay status, if any.
NOTE:
In the integrated myCalPERS system, the permanent separation date is now part of a series of system validations. Therefore, the permanent separation date must be reported as the day after the last day an employee works for you which is the day after their last day on payroll or the day after a leave of absence with or without pay ends. The permanent separation date will frequently be the same day as a member’s retirement date or start date of a new appointment. It is imperative that all Business Partners follow this important business rule to avoid transaction errors due to automatic system validations.

Section 3 – Unused Sick Leave at Time of Separation
If the member has a sick leave balance that was not used at the time of separation from employment, report the total number of 8-hour days, not hours, of unused sick leave. (Gov. Code sections 20962, 20963, and 20965)

Section 4 – Certification of Employer
- Signature of Payroll Officer
- Title
- Date
- Phone number

Immediately mail the PERS-BSD-194 form to the address provided on the form. Failure to submit the form on a timely basis may result in a delayed warrant to the recipient. Please note the following:

- Do not combine contributions for maintenance and Special Compensation with normal contributions. Use the “other” column.

- Do not deduct retirement contributions from lump sum vacation payments.

- Do not delay submission of this form awaiting final payroll data. Estimate the last period’s payroll information and label this line "Estimate."
EMPLOYMENT OF A RETIREE

Retirees must be enrolled (appointed) as a "Retired Annuitant" and their payroll must be reported to CalPERS. Refer to the New Appointments Required and Retired Annuitants sections of this guide for instructions. (Gov. Code section 20221.5)

Government Codes (Gov. Code)

California retirement law and federal tax law provide specific restrictions for employment after retirement. Gov. Code sections 7522.56, 7522.57, 21202, 21220, 21220.5, 21221(h), 21224, 21227, 21229, 21231, 21232 and 21233 provide the requirements for employment of a CalPERS retiree. Gov. Code section 7522.56 provides that a retired person cannot serve, be employed by or be employed through a contract directly by a public employer in the same public retirement system from which the retiree receives benefits without reinstatement from retirement (i.e. termination of the retirement), except as permitted.

"Retired annuitant" is our general term for a CalPERS retiree employed by a CalPERS employer under the authority of Gov. Code sections 7522.56, 21221(h), 21224, 21227 and 21229.

Civil Service Eligibility Requirement for Retired Annuitant Employment and Employment under Gov. Code section 21232

CalPERS service retirees can only be lawfully employed in retired annuitant compliant positions. CalPERS disability retirees can be lawfully employed in retired annuitant positions or upon CalPERS’ pre-approval be employed in permanent positions with certain restrictions.

A CalPERS retired state civil service employee may be appointed as a retired annuitant to a position that is either (a) in the class in which the person had permanent or probationary status or a Career Executive Assignment (CEA) appointment at the time of retirement; or (b) in another class to which the person could have been permanently transferred, reinstated, or demoted at the time of retirement.

A CalPERS retiree who is not retired from state civil service, i.e. retired from a CalPERS public agency or school employer or a retired state employee exempt from civil service can only be appointed as a retired annuitant if they are either:

(a) Qualified for the appointment under other civil service provisions such as emergency appointment, temporary authorization (TAU) appointment, or

(b) Eligible for the position on a civil service employment list.

For more information refer to the CalHR Personnel Management Policy and Procedures Manual (pages 360.1 – 360.4) available from the California Department of Human Resources (CalHR).
Employment of a Retiree

Termination of Retirement Due to Unlawful Employment

Employers and retirees have equal responsibility to ensure any post-retirement employment is lawful. CalPERS service retirees can only be lawfully employed in retired annuitant compliant positions. CalPERS disability retirees can be lawfully employed in retired annuitant positions or upon CalPERS’ pre-approval be employed in permanent positions with certain restrictions.

Employment that violates any of the retired annuitant requirements or Gov. Code sections 21232 and 21233 requirements for disability/industrial disability retirees is unlawful employment. Unlawful employment results in reinstatement from retirement for the retiree, i.e., termination of the retiree’s monthly retirement allowance and any other post-retirement benefit.

When reinstated for unlawful employment, the retiree is required to reimburse CalPERS for any retirement allowance received during the period of unlawful employment. Upon enrollment into active membership, the employee will pay member contributions plus interest to the employer for the period of unlawful employment. The employer will pay retroactive employer contributions plus interest and submit the member contributions thereby crediting the employee with service credit for the period of unlawful employment.

Screen for Retirees When Hiring

When interviewing potential employees, the employer should ensure they lawfully hire CalPERS retirees with the following actions:

- Ask if the candidate is a CalPERS retiree and if so, to specify the type of retirement: service, disability, or industrial disability.

- If the candidate is a CalPERS service retiree and the position is not a retired annuitant position, inform the candidate that reinstatement from retirement (i.e., termination of CalPERS retirement and enrollment as an active employee) is required to be hired into the position. Refer to the publication Reinstatement from Retirement (PUB 37) (PDF), for the voluntary reinstatement process.

- If the candidate is a CalPERS disability/industrial disability retiree and the position is a retired annuitant position, ensure the job duties differ significantly from those required under the position from which the candidate retired. The position should not include duties or activities the candidate was previously restricted from performing at the time of their retirement. If the position is not a retired annuitant position, inform the candidate that CalPERS’ pre-approval must be obtained before being hired. Refer to the Employment of a Disability/Industrial Disability Retiree section of this guide for more information.

Wait Periods for Retirees

To be eligible for employment as a retired annuitant, all retirees (both service and disability/industrial disability) must meet the following requirements to work for a CalPERS employer.

A. The 60-calendar day bona fide separation in service requirement if younger than normal retirement age on retirement date.

B. The 180-day wait period requirement or an allowable exception.

These requirements are further explained below.

For exceptions for CalSTRS covered positions or positions in any other public retirement system refer to Employment in Other Public Retirement Systems in this section.

Bona Fide Separation in Service Requirement

The bona fide separation in service is required of CalPERS by Internal Revenue Code (IRC) tax regulations to maintain our federal tax-qualified status. The only exception to the 60-calendar day separation is when a declared emergency as provided in Gov. Code section 8558 requires the employment of the retiree. (California Code of Regulations (CCR) sections 586-586.2 and Gov. Code section 21220.5).

When the retiree is under "normal retirement age" on the retirement date, employment cannot begin, even if an exception to the 180-day wait period applies, unless both of the following conditions are met:
Employment of a Retiree

- There was no verbal or written agreement to return to work, either as a retired annuitant or in a position under Gov. Code section 21232, between the member and the employer before the member retired.

- There is a termination of employment (separation in service) for 60 calendar days between the retirement date and the date the retiree’s employment will begin.

"Normal retirement age" is the age named in the member’s retirement benefit formulas. For example, the normal retirement age for a 2% at 55 retirement benefit formula is 55. If the member has more than one retirement benefit formula, then the "normal retirement age" is the maximum normal retirement age up to age 62. This applies even if the service in that formula was with a previous CalPERS employer and/or several years prior. Members can view their retirement formulas on their most recent or final Annual Member Statement, available online via their myCalPERS member account, or mailed (if elected) each November.

**Example 1:** Joe Smith is a local miscellaneous member who retired June 30, 2012 at age 52. His retirement benefit formula is 2% at 55. Because he has not reached his normal retirement age of 55, he must have the bona fide separation in service.

**Example 2:** Joe Smith is a current local miscellaneous member. His two retirement benefit formulas are 2% at 60 and 2% at 55. The normal retirement age for Joe is the maximum normal retirement age of 60, not 55. If Joe retires prior to age 60, he must have the bona fide separation in service.

If the retiree has reached their normal retirement age, the bona fide separation is not required.

### 180-Day Wait Period Requirement

All employees whose post-retirement employment begins January 1, 2013 or later must serve a 180-day wait period between the retirement date and the first day of post-retirement employment.

Certain exceptions to this wait period are identified as follows.

**NOTE:** None of the following exceptions apply if the retiree receives a Golden Handshake or any other retirement incentive (Gov. Code section 7522.56(f)).

### 180-Day Wait Period Exceptions

The exceptions to the 180-day wait period for public agency and school employers are as follows:

- **Firefighter or Public Safety Officer:** The person retired as a firefighter or public safety officer as defined in Gov. Code section 3301 (peace officer) and they will perform public safety officer retired annuitant work. (Gov. Code section 7522.56(f) (4) and CCR section 579.25).

- **Employer Resolution Certification:** The governing body of a public agency or the County Office of Education for the school employer presents CalPERS with a resolution, passed in a public meeting, that approves the appointment. The employer resolution certifies in writing the nature of the employment and that the appointment is necessary to fill a critically needed position before 180 days has passed. This resolution may not be placed on a consent calendar.

**Sample 180-Day Exception Resolutions:**

To secure a 180-day wait period exception, the employer must submit the resolution-certification package (refer to submission instructions and links to sample resolutions below) and a copy of the retiree’s employment agreement or personnel appointment document to CalPERS before the first day of employment.

For service retirees, submit documents by fax to (916) 795-4166, mail or email to:
Service Retirement vs. Disability/Industrial Disability Retirement

Service Retirement
A CalPERS service retiree may work for a CalPERS employer, i.e., an employer who contracts with CalPERS for retirement benefits or state agencies in a retired annuitant-designated position only. If a retiree is appointed to a permanent regular staff position, regardless of whether part time or full time, they are unlawfully employed and subject to termination of retirement, i.e., reinstatement from retirement. Refer to the Termination of Retirement Due to Unlawful Employment section for more information.

Disability/Industrial Disability Retirement
A CalPERS disability/industrial disability retiree may work for a CalPERS employer, i.e., an employer who contracts with CalPERS for retirement benefits or state agencies either in a retired annuitant position or in a permanent position with certain restrictions. A retired annuitant position does not require CalPERS pre-approval. However, disability retirees cannot be employed in the same position from which they retired or in a position which includes duties or activities they were restricted from performing at the time of their disability retirement.

CalPERS pre-approval is required for working in a permanent position (full-time or part-time). Refer to the Employment of a Disability/Industrial Disability Retiree section of this guide for more information.

Retired Annuitant Employment Requirements for All Retirees
For all retirees, CalPERS pre-approval is not required for appointment to retired annuitant positions. There are two types of retired annuitant appointments for public agency and school employers, "extra help" and "vacant position". The retired annuitant employment requirements are the same for both, and there are additional requirements for the vacant position appointment.

- Limited Duration Work: The retiree has the skills needed to perform work of limited duration or the employment is needed during an emergency to prevent stoppage of public business.

- Extra Help Positions Only: Retirees cannot be employed in any regular staff position such as "seasonal," "permanent intermittent," "exempt from membership," "TAU," or any other "temporary" position other than a retired annuitant position.

- 960-Hour Fiscal Year Limit: A retired annuitant can work no more than 960 hours in a fiscal year (July 1st - June 30), for employment with all CalPERS employers combined. There is no exception to this limit. The retiree and employer have equal responsibility to track the hours worked.
  - A CSU academic retiree may be employed in any fiscal year as a member of the CSU academic staff in a retired annuitant position not to exceed 960 hours for all employers or 50 percent of the hours the member was employed during the last fiscal year of service prior to retirement whichever is less (Gov. Code sections 7522.56 and 21227).

- Pay Rate Only Compensation: A retiree in any retired annuitant position can be paid no less than the minimum and no more than the maximum and no more than the maximum monthly base salary paid to other employees performing comparable duties as listed on the employer's publicly available pay schedule divided by 173.333 to equal an hourly rate.

- No Benefits, Other/Compensation: The retiree cannot receive any benefit, incentive, compensation in lieu of benefits, or other form of compensation in addition to the hourly pay rate. Overtime pay is allowed as is required by the Federal Fair Labor Standards act. Additional compensation such as, but not limited to: Sick Leave, Holiday Pay and Shift differentials is not allowed. The retiree can only receive the hourly pay rate. There are no exceptions.

- No Retirement Contributions: No retirement contributions are required.
Employment of a Retiree

Contributions are collected or paid for employed retirees. Only active members pay contributions. (Gov. Code sections 7522.56 and 21224).

- **Enrollment**: All retirees hired as retired annuitants must be enrolled in myCalPERS. If an employer fails to enroll a retired member employed at their agency without reinstatement within 30 days of the effective date of hire, a $200 fee may be assessed per retired member per month until the retired member’s appointment is enrolled (Gov. Code section 21220(d)).
  - These fees apply to appointments beginning July 1, 2018 or later. These fees shall not be passed on to the employee.

- **Payroll Reporting**: The hours and pay rate for retired annuitant appointments must be reported in myCalPERS. If an employer fails to report the pay rate and number of hours worked of a retired member employed at their agency without reinstatement, within 30 days of the last day of the pay period in which the retired member worked, a $200 fee may be assessed per retired member per month until the information is reported. Refer to the Payroll Reporting, Retired Annuitants section of this guide for more information (Gov. Code section 21220(e)).
  - These fees apply to appointments beginning July 1, 2018 or later. These fees shall not be passed on to the employee.

- **Vacant Position Appointments**: All the retired annuitant requirements above except the 'Extra Help Positions Only' rule apply to Vacant Position Appointments. A retiree can be appointed once as an interim employee by the governing body of the employer to a vacant position during the recruitment for a permanent replacement. The search for a permanent appointment authorized by the governing body must be active and in place before the retiree is appointed. (Gov. Code sections 7522.56 and 21221(h)).
  - While not required for retirees who have passed the 180-day wait period, we recommend having a resolution for retirees in vacant position appointments as evidence of compliance with the vacant position restrictions. Refer below for a sample resolution.
    - Sample Resolution for Hiring a Retiree in an Interim Appointment (PDF)

### Unemployment Insurance Benefits and Retired Annuitant Employment

California law prohibits the reappointment of a retired annuitant by a CalPERS employer if, during the 12-month period prior to reappointment, the retiree received unemployment insurance compensation for prior retired annuitant employment with any public employer.

- A retiree shall certify in writing to the employer upon accepting an offer of post-retirement employment that they are compliant with this requirement.

- Employers may require retirees provide a current Unemployment Insurance Benefit (UIB) printout from the Employment Development Department (EDD) indicating whether or not they have collected unemployment insurance within the last 12 months to verify compliance.

If a currently employed retiree is discovered to have received unemployment insurance compensation based on prior retired annuitant employment, with a CalPERS employer, the current employment must be terminated on the last day of the current pay period and the retiree shall not be eligible for reappointment by a CalPERS employer for 12 months following the termination of the current employment. A violation of this provision will not result in reinstatement from retirement, i.e., termination of retirement. (Gov. Code sections 7522.56(e) and 21224)
Special Appointments – Retired Annuitant Requirements Do Not Apply

- **Elected and Appointed Officers:** As authorized by Gov. Code sections 21231 (previously Gov. Code section 21221(d) and 21222), a CalPERS retiree may serve in an elected or appointed office while retired. However, if all or part of this retiree’s retirement allowance is based on service credit in that office, the portion of the retirement allowance based on that service credit is suspended during this retiree’s time in office. When this retiree leaves the office, their allowance is unsuspended prospectively. Elected and Appointed Officers authorized by Gov. Code section 21231 do not have to be enrolled into myCalPERS.

- **Full-time State Board or Commission:** A CalPERS retiree may be appointed to serve on a full-time salaried state board or commission. The retiree may serve without reinstatement from retirement as a non-salaried member and receive only the per diem authorized to all members of the board or commission. If the retiree accepts the salary, the retiree must reinstate from retirement. (Gov. Code section 7522.57(c))

- **Part-time State Board or Commission:** A CalPERS retiree may be appointed to serve on a part-time state board or commission provided the annual salary is no more than $60,000. This annual salary shall only be increased in any fiscal year in which a general salary increase is provided to state employees. (Gov. Code section 7522.57(b))

- **Full-time State Board or Commission, Not a CalPERS Retiree:** A retiree from a public pension system other than CalPERS appointed to a full-time salaried board or commission shall choose one of the following:
  - The retiree may serve without reinstatement from retirement as a non-salaried member and receive only the per diem authorized to all members of the board or commission.
  - The retiree may suspend their retirement allowance(s) and reinstate as a new member of CalPERS to serve as a full-time salaried board or commission member. This service shall not be eligible for reciprocity with any other retirement system or plan. (Gov. Code section 7522.57(d))

- **State Board of Parole Hearings:** A person retired from a public employer may serve without reinstatement from retirement upon appointment as a full-time member of the Board of Parole Hearings. This appointment is made by the Governor and requires confirmation from the California Senate. (Penal Code section 5075 and Gov. Code section 7522.57(e))

**Independent Contractor Employment – Independent Contractor, Consultant or Third-Party Employee**

Before employing a retiree as an independent contractor, consultant or third-party employee, refer to the Positions Excluded from CalPERS Coverage, Independent Contractor section of this guide and note the following:

- Independent contractors are not "employees" and are excluded from membership in CalPERS by Gov. Code section 20300(b). An independent contractor is someone who contracts to provide a service or complete a task according to their own methods and is not subject to the contracting entity’s control as to the end product, final result of work, or manner and means by which the work is performed. CalPERS uses the "Common Law Control Test" as a guide to determining independent contractor status. The common law control test factors are enunciated in the case of Albert B. Tieberg v. Unemployment Insurance Board (1970) 2 Cal.3d 943, 949. These factors are also cited in the CalPERS Precedential Decision No. 05-01, In the Matter of the Application for CalPERS membership credit by Lee Neidengard, Respondent and Tri-Counties Association Regional Center, Respondent. https://www.calpers.ca.gov/docs/05-01-neidengard-tri-counties-disabled.pdf

A "contract employee" (i.e., a common law employee who periodically signs an employment contract) is eligible for CalPERS membership, if otherwise qualified.
Employment of a Retiree

- If the retiree will be your employee under common-law employment principles, i.e., there is an employer-employee relationship, the employment is subject to the retired annuitant requirements.

- Statutory positions, i.e., positions that are employees of your agency by statute cannot be filled by an independent contractor, consultant or third-party employee. Examples are City Mayor, Police Chief and Fire Chief.

It is recommended that prior to hiring a retiree as a purported independent contractor you obtain an Independent Contractor vs. Employee determination from CalPERS.

Contact the Employer Account Management Division at 888 CalPERS (or 888-225-7377) to request the Independent Contractor Checklist package.

If you would like a review of your proposed independent contractor service agreement, please send the complete agreement by email to: Working_After_Retirement@calpers.ca.gov

Employment Through a Third-Party Employer (All Retirees)

Before employing a retiree through a third-party employer or temporary employment agency, refer to Positions Excluded from CalPERS Coverage, Independent Contractors section in this guide and note the following:

- The fact a third-party employer pays the retiree's wages or salary does not exempt the employment from the retired annuitant requirements.

- If the retiree will be your employee under common-law employment principles, i.e., there is an employer-employee relationship, the employment is subject to the retired annuitant requirements.

- Statutory positions, i.e., positions that are employees by statute cannot be filled by employees of a third-party employer. Examples are City Mayor, Police Chief and Fire Chief.

- Payroll reporting for retired annuitants hired through a third-party employer: If a retiree hired through a third-party employer qualifies as a retired annuitant the retiree must be enrolled as a retired annuitant with CalPERS and you must obtain the pay rate and hours worked from the third-party and report that payroll the same as for your directly employed retired annuitants.

It is recommended that prior to hiring a retiree as a purported employee of a third-party employer you obtain an Independent Contractor vs. Employee determination from CalPERS.

Contact the Employer Account Management Division at 888 CalPERS (or 888-225-7377) to request the Independent Contractor Checklist package.

If you would like a review of your proposed independent contractor service agreement, please send the complete agreement by email to: Working_After_Retirement@calpers.ca.gov

Employment in Other Public Retirement Systems

If a retiree is a service retiree, they can be employed in positions that qualify for membership in any other public retirement system without terminating their CalPERS retirement.

If a retiree is a disability retiree, they can work for an employer in a different retirement system and continue to receive their CalPERS retirement allowance with the following restrictions:

- The employment must be in a position significantly different from the one from which the retiree retired. The position should not include duties or activities they were previously restricted from performing at the time of their retirement.

- If a retiree is a disability retiree under the minimum service retirement age, their retirement benefit will be subject to an earnings limit. They are required to report employment earnings to CalPERS either on a monthly or quarterly basis. The total employer-paid portion of their monthly retirement allowance and new earnings cannot be greater than the current compensation of the position from which they retired. If the total is greater, their retirement allowance will be reduced.
Employment of a Retiree

- Contact us at www.calpers.ca.gov or call 888 CalPERS (or 888-225-7377) to request a Disability Retiree’s Report of Earnings form.

- If a retiree is an industrial disability retiree, their retirement allowance is not subject to an earnings limit, even if they are under the minimum service retirement age.

- If a retiree is under the service retirement age and is determined to be performing duties similar to those from which they were previously found disabled, CalPERS can re-evaluate their medical condition to determine whether they should be reinstated from retirement back into their former position.

A retiree’s disability retirement requires them to inform CalPERS immediately if they are no longer incapacitated or if they are currently employed in a position similar to the job they retired from.

Employment in CalSTRS Certificated Positions

Upon clarification – by the Department of Finance and the appropriate legislative committee analysts – of the legislative intent of PEPRA’s Gov. Code section 7522.56, Conditions and Limitations on Service After Retirement, CalPERS will no longer interpret this section to prohibit CalPERS’ retirees from accepting CalSTRS covered certificated positions or positions in any other public retirement system. Given this, no new statute or amendment to Gov. Code section 7522.56 is required to allow for the lawful employment of CalPERS’ retirees in CalSTRS covered certificated positions or positions in any other public retirement system. The 180-day wait period and bona fide separation requirements do not apply to CalSTRS covered certificated positions or positions in any other public retirement system.

CalPERS retirees cannot elect CalSTRS membership for CalPERS covered classified positions per Gov. Code section 20309, which only applies to active CalPERS members.

Employment in JRS II or LRS

For information about employment in positions that qualify for membership in the Judges’ Retirement System II (JRS II) or the Legislators’ Retirement System (LRS), call (916) 795-3688.

Private Sector Employment After Retirement

If a retiree is a service retiree, they can work for a private industry employer not associated with any CalPERS employer without restrictions and continue to receive their retirement allowance.

If a retiree is a disability retiree, they can work for a private industry employer not associated with any CalPERS employer and continue to receive their CalPERS retirement allowance with the following restrictions:

- The retiree’s employment must be in a position significantly different from the one from which they retired. The position should not include duties or activities they were previously restricted from performing at the time of their retirement.

- If a retiree is a disability retiree under the service minimum service retirement age, their retirement benefit will be subject to an earnings limit. They are required to report their employment earnings to CalPERS either on a monthly or quarterly basis. The total employer-paid portion of their monthly retirement allowance and their new earnings cannot be greater than the current compensation of the position from which they retired. If the total is greater, their retirement allowance will be reduced.

- Contact us at 888 CalPERS (or 888-225-7377) to request a Disability Retiree’s Report of Earnings form.

- If a retiree is an industrial disability retiree, their retirement allowance is not subject to an earnings limit, even if they are under the service retirement age.

- If a retiree is under the service retirement age and is determined to be performing duties similar to those from which they were previously found disabled, CalPERS can re-evaluate their medical condition to determine whether they should be reinstated from retirement back into their former position.

A retiree’s disability retirement requires the retiree to inform CalPERS immediately if they are no longer incapacitated or if they are currently employed in a position similar to the job they retired from.
Employment of a Disability/Industrial Disability Retiree

To be eligible for employment in a permanent position (part time or full time) while receiving a disability/industrial disability retirement allowance, a disability retiree must first meet the following requirements:

A. The bona fide separation requirement if applicable.

B. The 180-day wait period requirement or an allowable exception (if applicable).

C. No receipt of unemployment insurance payments for previous retired annuitant employment 12 months before the appointment.

NOTE: State Employer Civil Service Eligibility is a requirement for employment with a state agency employer.

CalPERS pre-approval is required for working in a permanent position (including permanent part time and full time) without reinstatement. Such employment cannot begin prior to the Board’s approval and must meet the requirement in Gov. Code section 21232. Violation of any of these requirements will result in reinstatement from disability/industrial disability retirement and the member’s retirement benefits will be terminated. (Gov. Code sections 21202 & 21220)

A disability/industrial disability retiree cannot be employed in a pre-approved Gov. Code section 21232 permanent position and be employed in a retired annuitant position at the same time.

Gov. Code section 21232 states, "On and after January 1, 2013, a person who has retired for disability and has not attained the mandatory age for retirement for persons in the employment in which they will be employed, and whom the board finds is not disabled for that employment, may be so employed by any employer without reinstatement from retirement if the position is not the position from which this person retired or a position in the same member classification. The person’s disability retirement pension shall be reduced during this employment to an amount that, when added to the compensation earnable by a person holding the position that they held at the time of retirement. This employment shall terminate upon the person’s attainment of the mandatory retirement age for persons in that employment. A person employed under this section shall not be concurrently employed under this article."

To request re-employment approval:

1. The retiree is required to review A Guide to CalPERS Employment After Retirement (PUB 33) (PDF) for information and requirements regarding working while receiving disability/industrial disability retirement benefits before applying.

2. The retiree completes and signs Section 1 of the Request to Work While Receiving Disability/Industrial Disability Retirement Benefits (PERS07M0044DMC) (PDF) form.

3. The prospective employer completes Section 2 of the request form, stating their “intent to hire” the retiree upon CalPERS approval. Attach a copy of the current job duty statement and a completed and signed Physical Requirements of Position/Occupational Title (PERS01M005DMC) (PDF) form for the position which the retiree is requesting to work.

4. The retiree must schedule an appointment with a specialist for the disabling condition(s) that precluded them from working and provide the specialist with a copy of the position duty statement and the completed Physical Requirements of Position/Occupational Title (PERS01M005DMC) (PDF) form.

5. The retiree must provide CalPERS with a medical report on appropriate letterhead from the specialist visited. The report must include the following information:

   - Retiree’s name and the date of the most recent examination
   - Confirmation that the specialist reviewed and discussed with the retiree the position duty statement (by title) and the Physical Requirements of Position/Occupational Title (PERS01M005DMC) (PDF) form
Employment of a Retiree

- Whether or not the retiree has any limitations or restrictions to performing all tasks involved
- Specific details explaining the restrictions, if any
- Specialist’s signature printed name, medical specialty, and contact information

6. CalPERS may require an independent medical evaluation to supplement the doctor’s report. If so, CalPERS will select the physician, schedule the appointment, and pay for the examination. (Gov. Code section 20129)

Additional Medical Reports from Local Safety Members

If the retiree retired for disability or industrial disability from a public agency local safety position, the retiree must also submit the medical documentation used at the time of their retirement identifying the restrictions placed upon them to CalPERS.

Upon approval of the re-employment, the employer is required to enroll the retiree in myCalPERS and report the retiree’s payroll. No retirement contributions are collected or paid for employed retirees. Only active members pay contributions.

The retiree will be required to submit a copy of their first paystub and a copy of their W-2 tax form annually, in January to CalPERS, as the disability retirement pension is subject to an earnings limit for as long as the employment continues. (Gov. Code section 21232)

If the retiree has a position change (i.e., promotion, demotion, lateral transfer, reclassification, job location change, restart of a previously approved position or changes to a different employer), a new re-employment approval must be obtained prior to the position change, or the retiree may be subject to retroactive reinstatement from disability/industrial disability retirement and be liable for reimbursement of any retirement allowance paid.
Public Employees’ Pension Reform Act of 2013 (PEPRA)

Employees who reinstate from retirement on or after January 1, 2013 with the same employer from which they retired would be entitled to the retirement formula that was in effect on December 31, 2012. (Gov. Code sections 7522.02 and 7522.04)

NOTE:
All State agencies, including CSU, are treated as a single employer under PEPRA. Additionally, all school employers are treated as a single employer.

However, such employees who reinstate from retirement with an employer which the employee has not previously worked under may be enrolled into one of the new retirement formulas depending on whether or not they are considered a "new member" under PEPRA.

NOTE:
Refer to the Membership chapter of this Guide for the definition of a new PEPRA member.

If you wish to hire a service retired person in a permanent position, whether full-time or part-time, the service retired person must reinstate from retirement into active CalPERS membership (Gov. Code section 21196). A person on service retirement does not need approval prior to beginning active employment. However, to avoid an overpayment of retirement benefits and prevent payroll reporting problems for the employer, it is important to submit the Reinstatement from Service Retirement Application (PERS-BSD-145) in a timely manner.

If a disability or industrial disability retiree wants to reinstate to a permanent position, whether full-time or part-time, the disability retiree must obtain CalPERS’ pre-approval for reinstatement prior to being hired as a regular employee. (Gov. Code sections 21191, 21192 and 21193). Violation of this requirement will result in reinstatement from disability/industrial disability retirement, (i.e., termination of retirement), and may impact the retiree’s future re-retirement benefits, such as losing the benefit stated under Gov. Code section 21197.

The publication Reinstatement From Retirement (PUB 37) (PDF) includes the reinstatement applications for retired members on service, disability, or industrial disability retirement as well as information about the voluntary reinstatement process in general. There is also information about mandatory reinstatement and the other consequences of unlawful or "illegal" employment. This publication is available through the Forms & Publications page on the CalPERS website.

Be aware that reinstatement to an employer other than the one the member retired from could change the benefits the member was previously entitled to receive. The member should contact the employer’s personnel office and clarify any questions they have about health benefits, vision care, dental care and death benefits that they offer their employees and retirees. A previous Golden Handshake is permanently lost upon reinstatement with any employer.

Reinstatement from retirement affects the cost-of-living adjustment (COLA) benefits the member will be entitled to receive in the future. The annual COLA increase will begin in the second calendar year after re-retirement. COLAs are determined based upon the year in which the member retires. Reinstatement will change the base year of the future retirement, and will therefore, also change the date the member will be entitled to begin receiving future COLAs. (Gov. Code section 21310.5, 21311, and 21313)

To be retired again following the member’s reinstatement, they must submit a new application for retirement. The member should contact their employer’s personnel office or CalPERS prior to retirement to obtain the correct application document(s).

Service Retirement

The Board, pursuant to the provisions of Gov. Code section 21196, may reinstate a person who has been retired from CalPERS for service upon:

1. CalPERS receipt of the completed Reinstatement from Service Retirement Application (PERS-BSD-145) form. This form is enclosed in the Reinstatement from Retirement (PUB 37) publication.
2. The retiree is responsible for completing Sections 1 and 3. Section 2 must be completed by a Human Resource or Personnel representative of the employer certifying the start date or hire date of the permanent position.

A person who has been retired under this retirement system for service, following an involuntary termination of the person’s employment, and who is subsequently reinstated to such employment by action on or after October 1, 1965, pursuant to an administrative or judicial proceeding, shall be returned to employment status for the period specified by the judgment. The requirements of Gov. Code section 21196 shall not apply in this case (Gov. Code section 21198).

A person who has been retired under this retirement system for service may be reinstated from retirement pursuant to this article without regard to the requirements of Gov. Code section 21196, upon the retiree’s application to the Board, if upon reinstatement, the retiree will be appointed by the Governor to any State office or employment (Gov. Code section 21199).

When a person is reinstated from retirement, the retirement allowance is cancelled, and the retiree becomes a member of the retirement system as of the date of reinstatement. The retiree’s individual account shall be credited with the actuarial equivalent of the retiree’s annuity at the date of reinstatement, not to exceed the amount of accumulated contributions at the date of retirement (Gov. Code section 21200).

Disability/Industrial Disability Retirement (Gov. Code sections 21191, 21192, 21193, And 21201)

A retiree retired for disability/industrial disability may request approval from CalPERS to reinstate to another CalPERS covered position.

1. The Board may require any retiree receiving a disability retirement allowance, under the minimum age for voluntary retirement for service, to undergo a medical examination for the approved disabling condition(s). If the Board determines that such recipient is not incapacitated for duty, the agency shall be notified that such person is eligible for reinstatement to duty. The fact the retiree was retired for disability does not prejudice any right to reinstatement to duty, which the retiree may claim. The retiree’s disability retirement allowance will be canceled on the effective date of the employer’s job offer (Gov. Code sections 21192 and 21193).

2. Any retiree may request approval from CalPERS to reinstate, whereby the retirement allowance is cancelled, and the retiree resumes active member status, including earning additional service credit towards their subsequent retirement. Upon a disability retiree’s application for reinstatement, the Board may require the retiree, who is at least six months less than the age of compulsory retirement for service applicable to members of the class or category in which the retiree is applying for, to undergo a medical examination for the approved disabling condition(s) (Gov. Code sections 21192 and 21193).

3. If a retiree retired from the CSU, they have reinstatement rights to the retired position. If they request approval to reinstate in a different position or with a different employer other than the one they retired from, the retiree will be determined whether they can perform all the duties for either the retired position or the new position. If they are is still disabled for the retired position and not disabled for the new position, they still have reinstatement rights to the retired position. If they are not disabled for either of the positions, they have the right to reinstate to the retired position. However, if they decide to reinstate to the new position, they will lose the reinstatement rights to the retired position. (Gov. Code section 21193)

To request approval, the employer and retiree must:

- Complete Sections 1 and 2 (if applicable, refer to the Additional Information for Industrial Disability section following) of the Reinstatement from Disability/Industrial Disability Retirement application (PERS01M0036DMC) found in the Reinstatement From Retirement (PUB 37) (PDF) publication
- If the retiree is requesting reinstatement into a different position from which they retired, the prospective employer must complete section
3 stating their intent to hire the retiree upon CalPERS approval. (Gov. Code sections 21192 and 21193)

- The employer provides a current job duty statement for the position and a completed and signed Physical Requirements of Position/Occupational Title (PERS01M0050DMC) (PDF) form to the retiree. If the retiree disability retired with the CSU and is requesting reinstatement into a different position from which they retired or reinstatement with a different employer, the retiree will need to obtain a current job duty statement and a completed and signed Physical Requirements of Position/Occupational Title (PERS01M0050DMC) form for the retired position from the former employer as well.

- The retiree must schedule an appointment with a specialist for the disabling condition(s) that precluded them from working and provide the specialist with a copy of the position duty statement and the completed Physical Requirements of Position/Occupational Title (PERS01M0050DMC) form.

- If the retiree wants to reinstate to the retired position, or the retiree did NOT disability retire with the CSU and wants to reinstate to a different position or with a different employer, the specialist(s) must include in the medical report the following pertinent information on appropriate letterhead:
  - The retiree’s name and the date of the most recent examination.
  - The retiree’s current diagnosis
  - Confirmation that the specialist(s) reviewed and discussed with the retiree the position duty statements (by title) and the Physical Requirement of Position/Occupational Title (PERS01M0050DMC) forms for both the position they retired from and the new position they have applied for.
  - A statement as to whether the retiree is presently capable of performing all tasks involved for either of these positions with or without restrictions or limitations.
  - If there are restrictions or limitations, include specific details about the restrictions for both positions.
  - The specialist’s signature, printed name, medical specialty, and contact information.

- CalPERS may require an independent medical evaluation to supplement the doctor’s report. If so, CalPERS will select the physician, schedule the appointment, and pay for the examination. (Gov. Code 20129)

If the retiree whose disability/industrial disability retirement has been canceled does not re-enter CalPERS covered employment, an amount which is the actuarial equivalent of the retiree’s annuity at cancellation shall be credited to the individual account and shall be refunded unless the retiree is eligible to elect, and does elect, to allow their accumulated contributions to remain in the retirement fund. (Gov. Code 21172)
Additional Information for Industrial Disability
For reinstatement from Industrial Disability to a miscellaneous position with a CalPERS-covered employer only, the retiree must also:

- Check the box in Section 2

The prospective employer must:

- Complete Section 3 stating their intent to hire the retiree upon CalPERS approval. (Gov. Code sections 21192 and 21193)

When the member retires again, the industrial benefit pays the higher of:

- 50 percent of the member’s highest consecutive 12-month or 36-month average monthly salary. An additional annuity may be paid if the member has contributions associated with non-safety service.

- A service retirement allowance, if the member qualifies for service retirement, or if under age 50, an actuarially reduced age factor (determined by the member’s retirement formula and how many quarter years under age 50) multiplied by the number of years of service credit. (Gov. Code sections 21197 and 21201)

NOTE: If the member’s industrial disability benefit was based on classic salaries, and the member becomes subject to PEPRA in the new miscellaneous position, the member’s PEPRA salaries cannot be used toward his or her classic service.

Local Safety Members
If the retiree retired for disability or industrial disability from a public agency local safety position and is requesting reinstatement to any public agency local safety position, the retiree must submit the initial application for reinstatement to the agency from which they retired. That agency will determine the retiree’s eligibility for reinstatement.

If the retiree is reinstating into a CalPERS covered Miscellaneous position, the retiree must submit to CalPERS all the above required documents along with the medical documentation used at the time of their retirement identifying the restrictions placed upon them, plus a position duty statement describing the position they held when they became disabled.

NOTE: If a retiring employee or retiree expresses an interest in working for a state agency employer after retirement, advise the employee or retiree that civil service eligibility is required for a state agency. Refer them to CalHR for information on how to obtain civil service eligibility.
Notification of Change in Beneficiary Status

It is important for a retired member to contact CalPERS to request a Changing Your Beneficiary or Monthly Benefit After Retirement (PUB 98) (PDF) publication when any one of the following qualifying events occurs because his or her designated beneficiary’s entitlement to certain CalPERS benefits could be affected:

- Marriage or domestic partnership of the retired member. (Gov. Code section 21462)
- Legal separation, dissolution or annulment of marriage or termination of domestic partnership of the retired member if initiated after the designation was filed. (Gov. Code section 21462)
- Birth or adoption of a child. (Gov. Code section 21462)
- Death of Retirement Option Beneficiary (Gov. Code section 21462)

Should any one of these events occur, a retired member’s existing beneficiary designation for the Return of Remaining Contributions, the lump sum Retired Death Benefit, or the balance of Temporary Annuity payments are automatically revoked. Once the designation is revoked, lump sum benefits will be paid to the statutory beneficiaries in the following sequence:

1. To the retired member’s spouse/domestic partner, or if none;
2. To the retired member’s natural or adopted children, share and share alike, or if none;
3. To the retired member’s parents, share and share alike, or if none;
4. To the retired member’s brothers and sisters, share and share alike, or if none;
5. To the retired member’s estate, if probated. If the estate does not require probate, but there is a trust, benefits will be paid to the trust. If there is no trust, benefits will be paid to the retiree’s surviving next of kin in the order prescribed by law.

A retired member may designate a new beneficiary by obtaining a Changing Your Beneficiary or Monthly Benefit After Retirement (PUB 98) publication, which includes a Post Retirement Lump Sum Beneficiary Designation form (PERS BSD 509P), and returning the completed form to:

CalPERS
P.O. Box 942715
Sacramento, CA 94229-2715

The publication is available through the Forms & Publications page on the CalPERS website or by contacting CalPERS at 888 CalPERS (or 888-225-7377).

If the retired member wants their statutory beneficiary(ies) to receive the lump sum benefits payable, there is no need to file a PERS-BSD-509P. However, filing PERS-BSD-509P may help us locate the person(s) upon the member’s death.

The member’s spouse or domestic partner is required to sign the PERS BSD 509P acknowledging the designation made by the retired member unless the spouse or domestic partner is named as the sole beneficiary. If the spouse or domestic partner is not named as the sole beneficiary or the retired member does not certify they have no spouse/domestic partner and the document does not include the spouse/domestic partner signature, a Justification for Absence of Spouse/Domestic Partner Signature (PERS-BSD-800A) (PDF) form must be completed and submitted with their designation.

NOTE:
A retired member’s designation and benefit entitlement to any lump sum death benefit may be impacted by a community property interest in the retired member’s CalPERS retirement account.

For an explanation of the limited situations under which retired members may change their optional settlement of beneficiary designation after retirement, please see the section entitled “Changing Your Retirement Option or Life Option Beneficiary” later in this section.

A survivor or beneficiary who is receiving an allowance following the death of the retired member may designate a beneficiary to receive
any unpaid allowance by requesting and filing a Beneficiary Designation for Survivor’s Prorated Allowance (myCalPERS 0777) (PDF) form with CalPERS Benefit Services Division at (Gov. Code section 21491):

CalPERS
P.O. Box 942715
Sacramento, CA 94229-2715

If a retired member marries or enters into a registered domestic partnership, the new spouse/domestic partner is not automatically entitled to a monthly death benefit. (Gov. Code sections 21454, 21453, 21462 and Family Code Section 2610) A retired member would have to modify the Option and name a new beneficiary. A modification will cause a reduction in the retired member’s allowance to provide an ongoing allowance with health coverage to the new spouse or domestic partner. For more information, the retired member must read the Changing Your Beneficiary or Monthly Benefit After Retirement (PUB 98) (PDF) publication. The publication is available on the CalPERS website at www.calpers.ca.gov.

Qualifying Life Events after Retirement

Certain life events can impact a retiree’s CalPERS retirement benefits. Depending on the life event, the retiree can request to:

- Add or change a beneficiary designation,
- Remove a beneficiary designation, or
- Request a benefit allowance increase.

Before making an election to add or change a beneficiary designation, the retiree must obtain an estimate of their new retirement allowance by logging in to their personal myCalPERS account at my.calpers.ca.gov and follow the prompts from the Retirement tab to Change Retirement Benefit.

Effective Date for Changing an Option (Gov. Code section 21462)

If the retired member made an election to change their option within 12 months of the qualifying event, the effective date is the first of the month following CalPERS receipt of their completed election document. Both the retired member and their new beneficiary must be alive on the effective date.

If the retired member makes an election to modify their option more than 12 months after the qualifying event, the modification will not become effective until 12 months after the election is made. Both the retired member and their new beneficiary must be alive on the deferred election effective date.

Health Insurance (Gov. Code section 22830)

When a retired member considers a modification of retirement option, they need to remember that continuation of CalPERS health insurance coverage of a new spouse/domestic partner depends on their being enrolled as a dependent on the retired member’s plan at the time of the retired member’s death and the retired member made an election of option that provides the new spouse/domestic partner with a monthly allowance.

If a retired member has CalPERS health insurance, they must immediately notify CalPERS if they divorce, terminate a domestic partnership or suffer the death of a spouse, domestic partner or other dependent. Failure to make a timely notification may result in incorrect premium deductions from the retired member’s monthly allowance.
If you become aware of the death of a retiree, please contact CalPERS with the name, birth date, Social Security number or CalPERS ID, and date of death of the deceased, as well as the names, relationships, and addresses of the next of kin. A written or telephone communication detailing this information is acceptable for death notification provided an official of the agency gives it. The Report for Separation for Death – Request for Payroll Information (myCalPERS 0697) form should NOT be submitted for a retired person’s death.

Information for Family of Deceased
When a CalPERS retiree dies, there are several important steps a spouse or family member can take to help assure prompt payment of any benefits payable by CalPERS. The first step is to notify CalPERS by telephone at 888 CalPERS (or 888-225-7377) or by letter at P.O. Box 1652, Sacramento, CA, 95812-1652. We will need as much of the following information as possible:

1. Name and Social Security or CalPERS ID number of deceased retiree.
2. The date of death.
3. Name, address, and telephone number of person providing notice of death.
4. Name, address, and telephone number of surviving spouse/domestic partner, other next-of-kin, or the person whom will be settling the estate.
5. If applicable, Social Security number of surviving spouse/domestic partner if available.
6. Date of birth of surviving spouse/domestic partner if available.
7. Date of marriage/registration of domestic partnership if available.

The second step is to accumulate documentation. CalPERS will ask for:

1. A photocopy of the certified death certificate with the member’s Social Security number written in the top right corner.
2. The name, address and phone number of the person handling the estate if the member's estate requires probate. Letters of administration must be submitted by the executor of the estate before benefits can be paid to the estate.
3. Other documents which are not included in the member file such as photocopies of marriage certificates, domestic partnership registration or birth certificates with Social Security number.

The third step is completing the Application for Retired Member/Payee Survivor Benefits (myCalPERS 1191) form that is sent by CalPERS. This form is used to determine whether any event has occurred to invalidate the beneficiary designation or to identify persons who might be beneficiaries by law. It is a formal application to receive payment of death or survivor benefits determined payable by CalPERS. The person completing this form is certifying that he/she is the person identified therein. This form should be completed in full and returned to CalPERS with the copies of the other documentation, (death certificate, marriage certificate, newspaper clipping, etc.) as quickly as possible. Enclosed with the Application for Retired Member/Payee Survivor Benefits (myCalPERS 1191) form will be a Tax Withholding Election for Survivor Benefits (myCalPERS 1190) form so an election may be made for Federal and State Tax withholding.

Health Insurance
If the survivor is entitled to a monthly benefit and continued coverage under the Public Employees’ Medical and Hospital Care Act (PEMHCA), as administered by CalPERS, the enrollment shall be continuous. (CCR § 599.502(E) (8))

Warrants Issued After Retiree’s Death
All checks or retirement warrants issued (dated) after the retiree’s death should be promptly returned to CalPERS. * If funds have been transferred to a bank for direct deposit to the retiree’s account, CalPERS will contact the bank directly regarding reimbursement of the full amount of the warrants issued after the retiree’s death. Any allowance accrued but unpaid prior to the retiree’s death will be paid to the eligible beneficiary. (Gov. Code section 21510)

*Unless the CalPERS representative specifically tells the surviving spouse or registered domestic partner that the payments do not need to be returned
**Completing the Tax Withholding Election for Survivor Benefits**

**Monthly and/or Prorated Payment Including Any Allowance Adjustments**

The retirement allowance is treated as payroll wages. Federal income tax will be withheld based on the rate of a married person claiming three exemptions unless the beneficiary or survivor elects no withholding or elects a different marital status or number of exemptions. If no election is submitted and the rate of married with three exemptions is used, no federal tax will be withheld if the gross monthly payment is less than the IRS minimum level.

If the beneficiary or survivor is a resident of the State of California (or a non-California resident who chooses to have California state taxes withheld), state income tax will also be withheld based on the rate of a married person claiming three exemptions unless they elect no withholding, elect a flat amount withheld, or elect a different marital status or number of exemptions. For California residents, if no election for state withholding is submitted and the rate of married with three exemptions is used, no taxes will be withheld if the gross monthly payment is less than the Franchise Tax Board minimum level.

**Return of Remaining Contributions, Temporary Annuity Payments and Retired Death Benefit (CCR section 589.5 and Gov. Code section 22970.88)**

If the benefit is payable to a spouse (or ex-spouse awarded a community property interest), death benefits may be non-taxable, partially taxable, or fully taxable. Any taxable portion of the benefit will be subject to 20 percent federal withholding unless rolled over into an IRA.

The non-taxable portion of the distribution is not eligible for rollover. This portion will be paid with no taxes deducted and will be reported to the tax authorities as a non-taxable benefit. Special tax rules apply to eligible rollover distributions. The spouse should consult a tax advisor before making a tax election for these benefits.

If someone other than the retiree’s spouse or ex-spouse is a beneficiary of all or a portion of the Return of Remaining Contributions, Temporary Annuity balance, or Retired Death Benefit, the taxable portion of the benefit will be subject to 20 percent federal withholding unless rolled over into an “inherited” type IRA. The non-taxable portion of the distribution is not eligible for rollover. It will be paid with no taxes deducted and will be reported to the tax authorities as a non-taxable benefit. Special tax rules apply to eligible rollover distributions. The non-spouse beneficiary should consult a tax advisor before making a tax election for these benefits.

If the beneficiary lives in California, CalPERS will automatically withhold 3 percent of the taxable portion of the payment for State taxes unless the payments are rolled over into an IRA.

If they do not wish to have State tax withheld from the Return of Remaining Contributions, Temporary Annuity or Retired Death Benefit payment, they must submit a **Tax Withholding Election for Survivor Benefits Including Benefits Eligible for Rollover** form (myCalPERS 1192) with the appropriate box checked.
TAX AND INCOME REPORTING INFORMATION

Statement of Benefits Paid and Withholding
(CCR section 589.5 and Gov. Code section 22970.88)
In January of the year following payment, CalPERS provides each retiree and/or beneficiary with a tax statement showing the gross amount(s) of benefits paid during the previous calendar year and the amount of income tax withheld, if any. All payments made by CalPERS are reported to the IRS and California State Franchise Tax Board. Questions about the taxability of CalPERS benefits should be directed to the IRS, the California State Franchise Tax Board, or a tax advisor.

TAXPAYER IDENTIFICATION NUMBER (CCR section 589.5 and Gov. Code section 22970.88)
Section 6109 of the IRS Code requires recipients of reportable payments to furnish Taxpayer Identification Numbers (TINs). The Social Security Number (SSN) for domestic payees; Individual Taxpayer Identification Number (ITIN) for foreign payees (or Employer ID number, if a trust, estate or organization) must be furnished to CalPERS, even if the retiree and/or beneficiary is not required to file a tax return.

NOTICE OF POSSIBLE PENALTIES (CCR section 589.5 and Gov. Code section 22970.88)
If the retiree and/or beneficiary elects not to have federal tax and/or California State tax withheld, or not enough federal or California State tax withheld, the retiree and/or beneficiary may be responsible for payment of estimated tax. The retiree and/or beneficiary may also incur penalties under the estimated tax rules if withholding and estimated tax payments are not sufficient. IRS Publication 505, Tax Withholding and Estimated Tax (PDF, 2.00 MB), provides additional information.

Changing a Tax Withholding Election (CCR section 589.5 and Gov. Code section 22970.88)
Once a tax withholding election for a monthly benefit is filed, it will remain in effect until another election is filed revoking the original.

To file another election, the retiree and/or beneficiary would need to access their online account at my.calpers.ca.gov or complete another Tax Withholding Election (myCalPERS 1289 (PDF) form and submit it to CalPERS. This form can be viewed and printed from the Forms & Publications page on the CalPERS website.
**REFUND OF MEMBER CONTRIBUTIONS**

**Member Refunds**

Once a permanent separation has been entered into myCalPERS, an Options at Separation letter is generated to the member. The letter explains the members options based on age and vesting as well as providing tax information if they choose to withdraw their contributions and interest. (Gov. Code section 20730)

If the member is moving from one CalPERS covered employer to another, he or she may not receive a return of contributions. In addition, if the member is moving to any of the public funded retirement systems with which CalPERS has a reciprocal agreement, the member may not elect to withdraw his or her contributions. If the member is moving to a position covered under CalSTRS, Legislators’ Retirement System, University of California Retirement Plan, or the Judges’ Retirement Systems, he or she may not elect to refund. (Gov. Code section 20731)

Should the member prefer to leave their funds in CalPERS, they need not respond to the Options at Separation letter. Their contributions will continue to earn interest at the current rate. As long as the contributions remain in CalPERS, members can review their Annual Member Statement which is available online, via their myCalPERS member account, or mailed (if elected) each November to the current address on record. If the member has at least five years of service credit, he or she can apply for a retirement allowance at age 50 or older. If the funds are still in CalPERS when the member reaches age 70, an election to either refund or retire must be made. (Gov. Code section 20731)

Should the member prefer a refund of contributions and interest, he or she will need to return the Refund/Rollover Election Package (myCalPERS 0802) (PDF) directly to CalPERS. The form is located on the CalPERS website or can be obtained by calling CalPERS and requesting a copy. The member can elect to withdraw his or her contributions and interest as an in-hand distribution or as a rollover to an IRA or other qualified retirement plan. (Gov. Code section 20734)

A refund will not be issued until the member has been permanently separated from all CalPERS-covered employers via myCalPERS. (Gov. Code section 20733)

**NOTE:**

A member who is on an extended leave without pay or on a military leave may not receive a refund of their CalPERS retirement contributions. These types of refunds are considered "in service distributions," which are not allowed by the Internal Revenue Service.

An employer who employs a member who was convicted on or after January 1, 2013, by a state or federal trial court of any felony under the law for conduct arising out of or in the performance of his or her official duties, must notify CalPERS at (888) 225-7377 within 90 days of the conviction. (Gov. Code sections 7522.72 and 7522.74).

The Gov. Code further states that CalPERS may assess a public employer a reasonable amount to reimburse the cost of audit, adjustment, or correction, if it determines that the public employer failed to comply with this section.

Members subject to Gov. Code sections 7522.72 or 7522.74, must forfeit all accrued rights and benefits in CalPERS retroactive to the first commission date of the crime and he or she can no longer work for a CalPERS-covered employer.

Upon notification, the employer will need to provide the following information:

- The earliest date (mm/dd/yyyy) of the commission of the felony
- The court(s) in which the case was heard
- The name and mailing address of the presiding judge
- The name and mailing address of the prosecuting attorney (state and/or federal)
- The description of the felony charges for which the employee was convicted
- Date of conviction/date of guilty plea
- In addition to providing the above information please submit a copy of the supporting court document(s) related to the employee’s felony conviction/guilty plea

For additional information about forfeiture of benefits, please see the fact sheet at https://www.calpers.ca.gov/docs/forms-publications/forfeiture-benefits-fact-sheet.pdf
Internal Revenue Code section 415(b) (IRC 415) is a federal provision that limits the amount of annual retirement benefit an individual can receive from a tax-qualified, defined benefit pension plan such as CalPERS. The annual retirement benefits payable from CalPERS are subject to the dollar limits imposed by IRC 415. This law was enacted to prevent employers from using tax-qualified defined benefit plans as tax shelters. The CalPERS retirement plan may lose its tax-exempt status if it fails to comply with IRC 415.

The IRC 415 places a dollar limit on the annual retirement benefit (allowance) that can be received from CalPERS. CalPERS retirees whose retirement allowances are limited by IRC 415 will receive replacement benefits from a separate fund through the Replacement Benefit Plan (RBP), as permitted by California retirement law effective January 1, 2013. Effective January 1, 2013 only retirees with a CalPERS membership date prior to January 1, 2013 are eligible for the Replacement Benefit Plan (RBP) in retirement. The RBP is funded by replacement benefit contributions paid by the retiree’s former CalPERS employers.

When a retiree’s retirement allowance exceeds the IRC 415-dollar limit CalPERS invoices the retiree’s former employers for the amounts payable from the RBP. The invoice payments are deposited into the Replacement Benefit Fund (RBF). CalPERS issues payment from the RBF to the retiree. Payment of the employer invoices is required before any replacement benefit can be issued to a retiree.

Every CalPERS employer is deemed to participate in the RBP by statute. CalPERS’ authority to administer the RBP is set forth in Gov. Code section 21750 et seq., and in Title 2 of the Code of Regulations section 589 et seq. All statutory references are to the Gov. Code and all regulation references are to Title 2 unless indicated otherwise. Under section 21761, "all contracting agencies under this system shall be deemed to have elected to contract with the board for administration of the replacement benefit plan". The Replacement Benefit Custodial Fund ("RBP Fund") from which amounts exceeding I.R.C. § 415 limits are paid, is separate and apart from the retirement fund.

Employers are required to pay into the RBP Fund "amounts equivalent to the benefits that are not paid from the retirement fund to annuitants because of the application of the payment limitations under Section 415 of Title 26 of the United States Code; and administrative costs assessed to and paid by members enrolled in the replacement benefit plan." (Gov. Code § 21758, subd. (c), and Cal. Code Regs., tit. 2, § 589.4, subd. (a) and (b)).

For additional information about IRC section 415(b) and the Replacement Benefit Plan, please see the IRC SECTION 415 (b) REPLACEMENT BENEFIT PLAN FACT SHEET (PDF).
SOCIAL SECURITY AND PUBLIC EMPLOYEES

Are public employees covered by Social Security?
Yes, public employees can be covered by Social Security benefits if the employer contracts for an optional Section 218 Agreement. The section 218 Agreement allows employers that offer a government pension to also offer Social Security benefits to their employees. To learn more about contracting for coverage under the Section 218 agreement, please contact the State Social Security Administrator program, or visit our website at www.calpers.ca.gov/sssa

What is the Windfall Elimination Provision (WEP)?
If any part of the employee’s pension is based on work not covered by Social Security, the employee’s Social Security benefits may be affected.

NOTE:
If an employee has contributed to Social Security more than 30 years they may be exempt from WEP.

Who does WEP affect?
There are three general criteria. First, the employee works or worked in a government position not covered by Social Security. Second, the employee is entitled to a government pension from that employment. Third, the employee is eligible for a Social Security retirement or disability benefits.

Employees should review their Social Security earnings statement with an analyst from the Social Security Administration (SSA). If they have zeros in columns when they worked in government service, they may be subject to WEP.

How much is the WEP reduction?
The SSA website has a WEP calculator tool available. An Employee’s Social Security Benefits can be reduced if the employee had fewer than 30 years of substantial earnings. Employees will need a copy of their earnings statement to use the tool.

Does an employee’s Social Security estimate take WEP in consideration?
No, the estimate from Social Security does not factor in WEP. To find out how much the reduction will be, use the WEP calculator available on the Social Security website.

What is the Government Pension Offset (GPO)?
If any part of the employee’s government pension is based on work not covered by Social Security, the employee’s Social Security spouse’s or widow(er)’s benefits may be reduced.

NOTE:
GPO does not affect the employee’s spouse’s Social Security benefits based on their own earnings.

Who does GPO affect?
There are two general criteria. First, the employee is entitled to receive a spousal or widow(er) Social Security benefits. Second, the employee is receiving a government pension from an employer in which the employee did not pay Social Security taxes.

How much is the GPO reduction?
The SSA website has a GPO calculator tool available. SSA will calculate two-thirds of the government pension and reduce the employee’s entitlement the employee is eligible for through their spouse.

Incorrect Application of WEP and GPO
There have been instances when the SSA applies the WEP and GPO to government employees incorrectly. If you have employees who are concerned please refer them to their local Social Security office or to contact the SSA Public Affairs team online.

Employees who have contributed to Social Security can sign up for a my Social Security account to access their Social Security Statement, review estimates of future Social Security retirement benefits, and more.

The CalPERS Supplemental Income 457 Plan (CalPERS 457 Plan) is a deferred compensation plan administered by CalPERS for public agency and school employers and their employees.

It provides employees a low-cost, convenient way to save for retirement through payroll deductions. There is no cost to your agency and it’s an added benefit that your employees will feel good about.

CalPERS administers the 457 Plan for over 760 agencies throughout California, with record keeping and participant education services provided by Voya®, the fifth-largest defined contribution plan record keeper in the nation.

When you sign up for the CalPERS 457 Plan, we take care of the rest. CalPERS:

- Acts as the trustee of your employees' deferred compensation assets
- Leverages existing payroll deduction feeds into myCalPERS to receive your employees' CalPERS 457 Plan deferrals and loan repayments
- Manages service levels with administrative service providers
- Monitors contribution limits
- Selects the investment line-up options

Funds are managed internally by CalPERS in-house investment staff and external institutional investment managers under contract to CalPERS.

Benefits to Employees

- The convenience of saving for retirement through payroll deduction.
- A competitively priced plan, with total fund expenses of 0.40% - 0.55%.
- A proprietary lineup of core institutional investments including Target Retirement Date Funds specifically designed for public employees based on the latest research in portfolio theory and behavioral finance.
- Financial education and support by licensed experienced local representatives.

Low Fees

CalPERS understands that low costs are essential to successful long-term investing for retirement. The 457 Plan’s "all-in" fee structure is simple, fair and includes all administrative/recordkeeping fees as well as investment fees. To keep fees as low as possible, CalPERS does not engage in revenue sharing or administrative expense reimbursement. And CalPERS keeps close tabs on the industry to assure fees remain competitive.

Institutional Funds

To provide a simpler approach to investing, the 457 Plan offers a streamlined lineup of investment options. CalPERS has selected six index funds in different asset classes that serve as the 457 Plan’s core funds. These funds also comprise the 457 Plan’s target retirement date funds which offer a diversified portfolio in one fund. Participants select a fund, and CalPERS manages the asset allocation of each fund. Participants who prefer to select and manage their asset allocation instead of picking a target retirement date fund can choose among the 457 Plan’s core funds. A self-directed brokerage option is also available to participants at contracting agencies that have adopted the Self-Managed Account provision. This is for experienced investors through Schwab’s Personal Choice Retirement Account® (PCRA).

Participant Education

Our regional account managers support your employees and retirees with on-site and online education services, including one-on-one appointments, upon request. We can also help your employees coordinate their 457 Plan account with other retirement benefits. The 457 Plan delivers additional value with the latest in financial education, plus planning and investing tools from Voya®. Participants can access their accounts, education and tools 24/7 using the 457 Plan website, toll free telephone number and mobile devices.

The CalPERS Health Benefits Program is governed by the Public Employees' Medical and Hospital Care Act (PEMHCA) of the California Public Employees' Retirement Law (Gov. Code sections 22750 and 22777). The program was established in 1962 to purchase health care for employees of the State of California, including the California State University System (CSU). In 1976, legislation was passed to allow other public employers, such as cities, counties, and school districts, to join the program. Currently, CalPERS provides health benefits to over 1.3 million covered lives.

Effective January 1, 1986, a school district, County Board of Education, County Superintendent of Schools, or a personnel commission of a school district may contract for health insurance coverage through CalPERS (Gov. Code sections 22856 and 22857).

Contracting Public Agencies must offer all eligible active and retired employees an opportunity to enroll in a CalPERS health plan of their choice (Gov. Code sections 22830 and 22853). All employers are required by statute to contribute towards the cost of the health plan premium. Premiums and health plan benefits are approved annually by the CalPERS Board of Administration.

The CalPERS Health Benefits Program offers a choice of health plans to provide Basic coverage to active employees and Supplement to Medicare and Managed Medicare coverage for retired members. Eligible enrollees can choose between a variety of Health Maintenance Organizations (HMOs), Preferred Provider Organizations (PPOs), and employee association plans.

**HMOs**
CalPERS offers several HMOs, each serving specific geographic areas. Except for out-of-area emergencies, HMO members receive all their care from HMO doctors with a small co-payment for most services and supplies.

**PPOs**
CalPERS offers three self-funded PPO plans – PERSCare, PERS Choice and PERS Select. PERS Select is available in all California counties except: Alameda, Marin, Placer, and Solano. Members must reside or work in one of the 54 counties in which PERS Select is available to enroll in the plan. PERSCare and PERS Choice offer a PPO network through Blue Cross of California, with nationwide affiliations. PERSCare and PERS Choice offers out-of-area and worldwide coverage.

**Employee Association Plans**
CalPERS offers employee association health plans. An enrollee must belong to the specific employee association and pay applicable dues to enroll in one of these plans.

For further information on health insurance benefits, please refer to the Public Agency & Schools Health Benefits Guide (PDF), visit the CalPERS website at [www.calpers.ca.gov](http://www.calpers.ca.gov), or contact the CalPERS Customer Contact Center at 888 CalPERS (or 888-225-7377).
The CalPERS Long-Term Care Program offers long-term care benefits as an option to members. It is not an employer-paid benefit and is entirely funded by member premiums and investment of those premiums.

The Program is available to all current California public employees, retirees, their spouses, parents, parents-in-law; adult children and adult siblings between the ages of 18 and 79 are eligible to apply for coverage. Eligible public employees include, but are not limited to, those employed by the State of California and all State departments, state Assembly and Senate, judicial systems, school districts, cities, counties, special districts, public universities and community colleges.

The Long-Term Care Program is accepting applications. Please select the previous link or call 1-800-982-1775 for more information.
