I understand this is a formal request for permanent employment under Government Code Section 21232 and that my employment offer is contingent upon written approval from CalPERS. I must advise CalPERS of any changes to my salary or employment (for e.g. lateral transfer or promotion) and receive approval before beginning any new permanent position. A consequence of unlawful employment may result in mandatory reinstatement from retirement into the position I am currently working, retroactive to my hire date.

I also understand that the position I am applying for must be significantly different than the one from which I retired. I am subject to an earnings limitation so that the total of the pension portion of my retirement allowance and employment earnings will not exceed the current (gross) salary of the position from which I retired.

I have attached a position duty statement of the job and a completed *Physical Requirements of Position/Occupational Title* form. I have also attached a current medical report completed and signed by a physician specializing in the condition for which I retired on disability/industrial disability retirement. The physician is a medical specialist who certifies that he/she has examined me, reviewed the attached position duty statement and *Physical Requirements of Position/Occupational Title* form and indicates whether or not I am able to perform all of the tasks without any restrictions or limitations.
