CalPERS at a Glance

The California Public Employees' Retirement System (CalPERS) is the nation's largest public pension system, with more than 2 million members from California's state, school, and public agency employers. The 13-member Board of Administration governs CalPERS and administers benefits under the California Public Employees' Retirement Law.

CalPERS administers retirement benefits for three groups of public employees:

- State of California employees includes California State University
- **Public agency employees** employed by local agencies that contract with CalPERS
- School employees classified employees in non-certificated positions

CalPERS School Members

School members are employees in classified, non-certificated positions within the jurisdiction of a K-12 school or community college employer. School members include administrative staff, technical and support staff, bus drivers, and custodial staff.

You are not considered a CalPERS school member if you are local police, covered under CalSTRS, employed under a joint powers authority contract, or work directly for the Los Angeles or San Diego County Superintendent of Schools.

If you have questions about your CalPERS or CalSTRS membership, please contact your employer.

To learn the differences in membership between CalPERS and the California State Teachers' Retirement System (CalSTRS), review the publication *Join CalSTRS? Join CalPERS?* available at www.calstrs.com.

CalPERS Defined Benefit Plan

In a defined benefit retirement plan, pension payments are determined by a set formula and are payable for life. This contrasts with a defined contribution plan (like a 401(k) or 457 plan), in which benefits are determined not by a formula, but solely by the amount of contributions in an account, plus earnings.

How Your Pension Is Funded

Three sources fund a defined benefit retirement plan like CalPERS:

- **CalPERS members** Employees generally make contributions from their paycheck into the CalPERS fund. The percentage you contribute is defined by law and your bargaining unit.
- **CalPERS employers** Additional funding is provided by employer contributions.
- CalPERS investment earnings This funding source makes up the largest contribution to the fund with earnings from CalPERS investments in stocks, bonds, real estate, and other investment types.

What companies does CalPERS invest in?

Our investment portfolio is diversified into several asset classes. To learn more, go to **www.calpers.ca.gov/investments**.

How Your Pension Is Calculated

We use three factors to calculate your service retirement pension:

- Service credit This is your total years of CalPERS service, including partial years. Your service credit accumulates on a fiscal year basis, which is July 1 through June 30.
- Benefit factor This is the percentage of pay to which you are entitled for each year of service, based on your age at retirement.
- Final compensation This is your highest average annual compensation earnable during any consecutive 12-month or 36-month period of employment.

The basic retirement calculation is shown below.

2

Service Credit

Service credit is the number of years, including partial years, you have worked and contributed to CalPERS.

To earn a full year of service credit during a fiscal year, you must work at least:

- 1,720 hours (hourly pay employees)
- 215 days (daily pay employees)
- 10 months (full-time monthly employees)

You cannot earn more than one year of service credit in one fiscal year. If you work part time or less than eight hours per day, it will take you longer to earn one year.

You can view your current service credit at any time by logging in to myCalPERS at **my.calpers.ca.gov** or by referring to your CalPERS Annual Member Statement to verify your service credit total.

Service Prior to Membership

If you worked as a temporary or part-time employee for a school, you must have worked 1,000 hours within the fiscal year before you are placed into CalPERS membership. You may be eligible to purchase this time as Service Prior to Membership. For more information about Service Prior to Membership and other types of service credit available to purchase, see our publication **Service Credit Purchase Options** (PUB 12).

Benefit Factor

Your benefit factor, sometimes called "age factor," is the percentage of pay you are entitled to for each year of CalPERS-covered service. It's determined by your age at retirement and your retirement formula. The benefit factor changes for every quarter year of age based on the retirement formula.

If your retirement formula is 2% at 62, for example, this means you get 2% of your pay if you retire at age 62. Age 62 is referred to as your "normal retirement age."

School members receive one of the following retirement formulas:

- 2% at 55 (you get 2% of your pay at age 55)
- 2% at 62 (you get 2% of your pay at age 62)

You can verify your retirement formula by logging in to myCalPERS at **my.calpers.ca.gov** or by referring to your CalPERS Annual Member Statement. You could have more than one formula depending on your membership date and number of employers.

Final Compensation

Your final compensation is your highest average annual compensation earnable during any consecutive 12-month or 36-month period of employment, depending on your retirement formula.

We use your full-time pay rate, not your earnings. If you work part time, we will use your full-time equivalent pay rate to determine your final compensation. Your employer reports your payroll information to CalPERS, so if you have questions about the accuracy of your final compensation amount, or what can be reported to CalPERS under the law, please contact your employer.

For some school employees, monthly pay may have been reported to us on a 10-month or 11-month basis instead of 12 months. If this is the case, your final compensation will be based on a 12-month average. For example, 10-month employees would calculate their final compensation as shown below.

Compensation Limits

The final compensation amount we can use to calculate your retirement benefit may be limited by Retirement Law, Internal Revenue Code (IRC) section 401(a)(17), or both. If your service is subject to the California Public Employees' Pension Reform Act (PEPRA), the annual compensation limit amounts are lower than the IRC compensation limits. These limits do not limit the salary your employer can pay, but rather limit the amount of compensation we can consider under your retirement plan. For more information about your retirement compensation limits, talk to your employer or go to **www.calpers.ca.gov**.

Special Compensation

Certain items such as special compensation earned during your final compensation period may be included in your final compensation. Contact CalPERS if you are not sure which items of special compensation can be included.

Retirement Eligibility

To be eligible for service retirement, you must have five years of CalPERS-credited service and be at least age 50 if your retirement formula is 2% at 55, or age 52 if your retirement formula is 2% at 62. If you have a combination of classic and PEPRA service, you may be eligible to retire at age 50. (See page 8 for more about PEPRA.) There is no mandatory retirement age for school members.

There are some exceptions to the five-year requirement. If you are employed on a permanent part-time basis and worked at least five calendar years, or you're a member with another California public retirement system, contact CalPERS to find out if an exception may apply to you.

If you are considering retiring, you will need to submit an application to CalPERS. To learn about the retirement options and application process, review our publications *Planning Your Service Retirement* (PUB 1) and *Service Retirement Election Application* (PUB 43).

Death Benefits

Before Retirement

If you pass away before you retire, CalPERS provides several benefits for your family or a beneficiary. The benefits range from a simple return of your contributions plus interest to a monthly allowance equal to half of what you would have received at retirement paid to a spouse or domestic partner. To be eligible for a monthly pre-retirement death benefit, your spouse or domestic partner must have been either married to you or legally registered before the occurrence of the injury or the onset of the illness that resulted in your death, or for at least one year prior to your death.

Use the chart below to determine which pre-retirement death benefits your family and/or beneficiary **may** be eligible to receive.

Determine Your Pre-Retirement Death Benefits

Are You Eligible to Retire?

- Age 50 if you became a member on or before December 31, 2012 or
- Age 52 if you became a member on or after January 1, 2013

And have at least 5 years of CalPERS service or have worked part time for at least 5 years

No

Not eligible to retire, but your beneficiary could receive:

1) Basic Death Benefit

A lump-sum payment of:

- A refund of your contributions, plus interest; and
- Up to six months' pay

And

2) 1959 Survivor Benefit

If applicable, for members not covered by Social Security

Or

3) Limited Death Benefit

If you separate from employment for over 120 days, and your separation was not due to illness or injury, your beneficiary will receive a lump-sum payment of:

• A refund of your contributions, plus interest

Yes

Eligible to retire, and your beneficiary could receive:

1) 1957 Survivor Benefit

Monthly allowance equal to half of what your highest retirement allowance would have been at your date of death

Or

If no one is eligible for the monthly allowance, then:

2) Basic Death Benefit

- A lump-sum payment of:
- A refund of your contributions, plus interest; and
- Up to six months' pay

And

3) 1959 Survivor Benefit

If applicable, for members not covered by Social Security
Or
Or

4) Limited Death Benefit

If you separate from employment for over 120 days, and your separation was not due to illness or injury, your beneficiary will receive a lump-sum payment of:

• A refund of your contributions, plus interest

For more information on survivor benefits, go to **www.calpers.ca.gov/deathbenefits** and select **Benefits Payable**. And don't forget to log in to myCalPERS at **my.calpers.ca.gov** to make sure you've named a beneficiary for your lump-sum benefits. If there is no beneficiary designation on file at the time of your death, we'll determine your beneficiary by statutory order.

After Retirement

When you pass away after retirement, CalPERS provides benefits for your family or beneficiary based on choices you make when you retire. For more information on the different retirement payment options and the benefits they provide, see our publication *Planning Your Service Retirement* (PUB 1).

Special Power of Attorney

A CalPERS special power of attorney allows you to designate a representative, known as your attorney-in-fact, to conduct your retirement affairs. You may already have a power of attorney set up through another resource; however, it may not address your CalPERS retirement benefits. Learn more and download the designation form at **www.calpers.ca.gov/powerofattorney**.

Health Program Benefits

To be eligible for CalPERS health benefits while you are working, you must meet these three requirements:

- Work for an employer who has contracted with CalPERS for their health benefits.
- Work at least half time.
- Be appointed to a job that will last at least six months and one day.

The Affordable Care Act has provisions that expand the eligibility criteria for certain variable hour employees. While you are still working, contact your employer for information regarding your health eligibility, enrollment, and health premiums.

Health Benefits in Retirement

If you have CaIPERS health coverage, the date of your retirement must be less than 120 days after your separation date (last day of employment), or you will not be eligible to be enrolled in a CaIPERS health plan at retirement or at any future date.

For more information on CalPERS health benefits, go to **www.calpers.ca.gov** to read our three health publications:

- Health Program Guide (HBD 120)
- Health Benefit Summary (HBD 110)
- Medicare Enrollment Guide (HBD 65)

Can I take a loan out against my retirement account?

No, you can't borrow from your CalPERS retirement account or receive any loans or hardship withdrawals of your member contributions. If you're leaving CalPERS-covered employment, you can elect to take a refund of your contributions plus interest. However, taking a refund ends your CalPERS membership, and you will no longer be eligible to receive a lifetime monthly pension payment, health benefits into retirement, or any death benefits.

I'm a PEPRA member. How is that different from other members?

The California Public Employees' Pension Reform Act (PEPRA) changed the way CalPERS retirement and health benefits were applied, and placed compensation limits on new members who joined CalPERS for the first time on or after January 1, 2013. Members who don't fall under the definitions of PEPRA are considered classic members. Classic members will retain the existing benefit enrollment levels for future service with the same employer. For more details about PEPRA, go to **www.calpers.ca.gov/PEPRA**.

What if I can't work because of injury or illness?

If you become disabled and can no longer perform the duties of your job, you may qualify for disability retirement or industrial disability retirement. Learn about the eligibility requirements in our publication *Disability Retirement Election Application* (PUB 35).

What happens if I leave my job before I retire?

If you permanently leave your job and do not take a position with another agency covered by CalPERS, you can keep your money with CalPERS, or you can request a refund of your member contributions and interest by submitting a *Refund Election Application* or by applying for a refund through your myCalPERS account. If you choose not to take a refund, your money will continue to earn 6% interest and you can withdraw it at a later date, or if you have at least five years of CalPERS-credited service, you can apply for a monthly retirement allowance once you reach retirement age.

What happens if I work for another CalPERS-covered employer in the future?

If you return to your old job or take a new job covered by CaIPERS, and you already withdrew your contributions, you will again become a member. You would then have the option of putting back, with interest, any money you withdrew. If you do this, you will again get credit for those years of service. For more information on how to redeposit your withdrawn contributions, read our publication **Service Credit Purchase Options** (PUB 12).

If you left your money with CalPERS and return to a job covered by CalPERS, your new service credit and contributions get added to your existing account balances.

I have "reciprocity" with another California retirement system. What does this mean?

CalPERS has an agreement with many public retirement systems in California that allows movement from one public employer to another without losing valuable retirement rights and related benefits. This is called "reciprocity."

CalSTRS and CalPERS have a similar agreement. For more information on reciprocity, read our publication *When You Change Retirement Systems* (PUB 16).

If I get a divorce, is my pension considered community property?

In California, all types of retirement benefits are considered community property. If you have a community property claim on your retirement account, a hold is placed on your account and benefits are held until the claim is resolved. We recommend that you resolve the claim before you retire to avoid possible delays in processing your retirement benefits. For more information, read *Facts About Community Property* and our publication *CalPERS Community Property* (PUB 38A).

How does Social Security affect my pension?

If you worked for a federal, state, or local government where you did not pay Social Security taxes, the pension you receive from that agency could reduce your Social Security benefits. Visit **www.calpers.ca.gov/socialsecurity** to see the relationship between the two benefits. You can also call the Social Security Administration at (800) 772-1213 or visit **www.ssa.gov** for more information.

Will I receive a cost-of-living increase in retirement?

A contract provision is built into your retirement plan to allow for a cost-of-living adjustment (COLA). The COLA is provided by law and is based on the Consumer Price Index for All Urban Consumers (CPI, 1967). You are eligible to receive your first COLA in the second calendar year after your retirement date. The adjustment is paid on the May 1 retirement check and then every year thereafter. School employers provide for a maximum 2% COLA. For more information, read our publication *Planning Your Retirement* (PUB 1) or visit www.calpers.ca.gov/cola.

Where can I learn more about my benefits?

Do you have specific questions about your death benefits, health coverage, retirement options, or other considerations? Talk to your employer or get in touch with CalPERS see page 11 for ways to contact us.

New Member Checklist

It's never too early to plan for your future. Use this checklist as a guide to learn about your benefits and prepare for a secure retirement.

□ Sign up for myCalPERS at my.calpers.ca.gov. Review your account summary and personal information. Be sure to verify your retirement formula, membership date, and contact information.

With myCalPERS you can...

- Ask us specific questions via secure messaging.
- Schedule an appointment.
- View your current and past Annual Member Statements.
- Estimate your future retirement benefits.
- Change your beneficiary designation.
- Search for health plans and rates (if applicable).
- Sign up for classes to learn about your benefits.

Privacy Notice

The privacy of personal information is of the utmost importance to CalPERS. The following information is provided to you in compliance with the Information Practices Act of 1977 and the Federal Privacy Act of 1974.

Information Purpose

The information requested is collected pursuant to the Government Code (sections 20000 et seq.) and will be used for administration of Board duties under the Retirement Law, the Social Security Act, and the Public Employees' Medical and Hospital Care Act, as the case may be. Submission of the requested information is mandatory. Failure to comply may result in CalPERS being unable to perform its functions regarding your status. Please do not include information that is not requested.

Social Security Numbers

Social Security numbers are collected on a mandatory and voluntary basis. If this is CalPERS' first request for disclosure of your Social Security number, then disclosure is mandatory. If your Social Security number has already been provided, disclosure is voluntary. Due to the use of Social Security numbers by other agencies for identification purposes, we may be unable to verify eligibility for benefits without the number. Social Security numbers are used for the following purposes:

- 1. Enrollee identification
- 2. Payroll deduction/state contributions
- Billing of contracting agencies for employee/ employer contributions
- 4. Reports to CalPERS and other state agencies
- 5. Coordination of benefits among carriers
- 6. Resolving member appeals, complaints, or grievances with health plan carriers

Information Disclosure

Portions of this information may be transferred to other state agencies (such as your employer), physicians, and insurance carriers, but only in strict accordance with current statutes regarding confidentiality.

Your Rights

You have the right to review your membership files maintained by the System. For questions about this notice, our Privacy Policy, or your rights, please write to the CalPERS Privacy Officer at 400 Q Street, Sacramento, CA 95811 or call us at **888 CalPERS** (or **888**-225-7377).
