

Focus on the Facts

Although we recommend reviewing your retirement plan frequently, sometimes life gets in the way. So let's refresh the facts.

In this newsletter, we share some recent retirement statistics and break down a new employment law. Plus, you have two opportunities to improve your digital presence: go paperless and protect yourself from online fraud.

It never hurts to stay informed.

The average pension for all service retirees is \$37,008 per year, while a new retiree who retired in fiscal year 2018-19 receives \$41,556 per year.

5 Fast Facts About CalPERS Pensions

Learn the most recent averages for pension amount, retirement age, and more.
