### Scenario 5: Enroll a Division Employee in a Class

You work for a County Office of Education (COE), and you need to enroll a division (school district) employee in a class. A county office typically holds the CalPERS contract, and the school districts are called divisions under the county.

Refer to the <u>myCalPERS System Access Administrator (PDF)</u> student guide for more information regarding adding and maintaining contacts, granting contacts system access and user roles, and enrolling employees in classes.

Pathway: CalPERS website > Employers > I Want To ...: Access myCalPERS Student Guides

#### System Logic

- You must be a System Access Administrator with the Business Partner Employer Maintenance access role. If you do not have the role, assign it to yourself, log out, then log in to myCalPERS for the change in role to take effect.
- You only need to add yourself as a contact for a division once (steps 1-7). Complete steps 8-9 for any future class enrollments of that division's employees.

#### Step Actions (11 steps)

#### Add Yourself as a Contact at the Division
