26	01/28/2016	California Orthopaedic Association	Diane Przepiorski	2394	<p>I was looking for a list of hospitals that are currently designated as a preferred facility for total joint replacement procedures, hip and knee for CalPERS members. Some years ago CalPERS established the list based on quality measures, but also their willingness to accept a \$30,000 reimbursement for the facility fee. Kathy Donneson was involved in setting up this program. Originally there about 9 hospitals on the list statewide. This was later expanded to 30 or so. So, I am trying to get an updated list of preferred hospitals statewide and then more specifically see if the Sutter Hospitals have been added to the list. It would also be good to know if the reimbursement threshold is still set at \$30,000.</p>	01/19/2016
