~~If your agency determines that an existing MOU is impaired, then any stated EPMC agreements will apply to new members through the duration of the MOU. CalPERS must receive the full required member contributions, regardless of the amounts paid by the member or your agency. Once the impaired MOU is amended, extended, renewed, or expires, EPMC will no longer be permitted for new members. Payroll will error out in the my|CalPERS system if EPMC is reported for a new member.~~

~~Your agency must notify CalPERS in writing if it is determined your MOU is impaired from the application of section 7522.30(c) of PEPPRA and provide a certification to CalPERS. This certification should be signed by your agency's presiding officer and sent to:~~

~~EPMC may continue to be reported for classic members pursuant to existing PERL provisions. Agencies who wish to eliminate or reduce EPMC for classic members may do so under existing law through collective bargaining and contract amendments. Existing PERL statutes allow employers to periodically increase, reduce, or eliminate employer paid member contributions (Gov. Code section 20693).~~

Payroll will error in my|CalPERS if EPMC is reported for a new member.
