

CalPERS 2021 Board Self-Evaluation: Findings and Opportunities

Summary of Discussion

Pursuant to the CalPERS Board Governance Policy, the CalPERS board must complete a Self Evaluation every two years. In 2021, the board president appointed the National Association of Corporate Directors (NACD) to provide the independent expert facilitation .

In this session, the Honorable Cari Dominguez, the NACD faculty member leading this project, and Anne Simpson, CalPERS Managing Investment Director of Board Governance and Strategy, will present the overall findings and opportunities that arose from the 2021 evaluation survey results.
