SUBJECT: FINAL COLLECTION LETTER - SECOND NOTICE

Mr. Nicolini:

We are writing to follow up on our September 29, 2022, letter demanding payment in the amount of \$281,467.96 from the Peninsula Community Service District (PCSD) (formerly known as Samoa Peninsula Fire Protection District or SPFPD). As of November 14, 2022, CalPERS still has not received payment of this amount. In addition, because PCSD's current payments are less than the plan distributions, the Employer-Contributions Unfunded Accrued Liability is continuing to increase. As of November 15, 2022, this amount is \$298,349.46.

As we previously informed you, if we do not receive payment of the past due amount of \$281,467.96 by November 30, 2022, and keep your account current going forward, we will refer your delinquent account(s) to CalPERS Chief Financial Officer for further proceedings. Inaction on your part will result in contract termination pursuant to Government Code section 20572, *et seq.* and benefit reductions in proportion to the amount of the employer's deficiency. CalPERS reserves all rights and remedies to collect contributions if not paid timely.

If you have any questions or would like to discuss next steps regarding this matter, please feel free to contact me at (916) 795-1024.

Sincerely,

A handwritten signature in cursive script that reads "Melody Benavides".
