

CalPERS Health Plan Spotlight: Kaiser Permanente

- Greg A. Adams, Chair and Chief Executive Officer
- Brandon Cuevas, Executive Vice President, National Health Plan
- Cynthia Striegel, Senior Vice President, California Sales & Account Management

Alignment across organizations

Vision

A respected partner, providing a sustainable retirement system and health care program for those who service California.

Mission

Deliver retirement and health care benefits to members and their beneficiaries.

KAISER PERMANENTE®

Vision

Our vision at Kaiser Permanente is to be the leader in **value-based care**, improving health outcomes and increasing access to affordable care through evidence-based medicine and a commitment to equity, simplicity, and aligned incentives across the system.

Mission

Kaiser Permanente exists to provide high-quality, affordable health care services and to improve the health of our members and the communities we serve.

Kaiser Permanente Supporting CalPERS' Strategic Plan
