# OVERVIEW

## Business Plan Initiatives Support our Strategic Goals & Objectives

The 2025-26 CalPERS Business Plan describes the Business Plan Initiatives (BPIs) designed to help us reach our Strategic Goals and Strategic Objectives.

Our Strategic Framework depicts CalPERS' strategic approach and the relationship between each level.

- Our Vision and Mission provide insight to our aspirations and clearly state our purpose.
- Strategic Goals communicate what we want to accomplish over the long term.
- Objectives clarify how we will achieve these stated Goals.
- Strategic Measures (Measures) provide meaningful progress indicators for achieving our Goals and Objectives.
- BPIs are projects that develop or enhance our strategic capabilities.

## Strategic Framework

### How to read this plan:

- Each section contains a strategic goal and its related objectives.
- The corresponding Business plan initiatives (BPIs) for each goal are listed underneath the objectives.
- Each BPI's title, description and associated strategic measure(s) are provided.
- To see more BPI details and to track progress, visit **Enterprise Performance Reporting**, which group BPIs under their respective strategic goals.

Strategic measures are described in **CalPERS 2022-27 Strategic Plan**. BPIs and strategic measures work together, as we strive to reach our strategic goals and objectives. They are all aligned with CalPERS' Mission and Vision, as depicted in CalPERS Strategic Framework.
