Program: Disability and Survivor Benefits Division

Item Type: Action

Parties' Positions

Staff argues that the Board of Administration should adopt the Proposed Decision.

Respondent Jessica V. Hernandez-Garnica's (Respondent) position is included in Attachment C, if any.

Strategic Plan

This item is not a specific product of either the Strategic or Annual Plans. The determination of administrative appeals is a power reserved to the Board of Administration.

Procedural Summary

Respondent submitted an application for industrial disability retirement based on orthopedic conditions (lower back, bilateral knees, bilateral shoulders and right thumb/wrist). CalPERS denied the application based on the orthopedic conditions but approved the application based on another condition. Respondent appealed the denial based on the orthopedic conditions and the matter was heard by the Office of Administrative Hearings on July 31, 2025. Due to Respondent Department of State Hospital-Patton's (Respondent DSH) failure to appear, the case proceeded as a default under Government Code section 11520 as to Respondent DSH only. A Proposed Decision was issued on August 20, 2025, affirming CalPERS' determination and denying the appeal.
