

## Risk & Audit Committee

# Agenda Item 6a

---

**February 17, 2026**

**Item Name:** FY 2025-26 Enterprise Compliance, Risk & Governance Annual Plan – Mid-Year Update

**Program:** Enterprise Compliance, Risk & Governance (ECRG)

**Item Type:** Information

### **Executive Summary**

This item is to provide the Risk and Audit Committee with a status update of activities in the FY 2025-26 Enterprise Compliance, Risk & Governance Annual Plan for the period July 1, 2025, through December 31, 2025.

### **Strategic Plan**

This item supports CalPERS' FY 2022-27 Organizational Excellence Strategic Plan Goal: Cultivate a diverse, risk-intelligent, and innovative culture through our team and processes, and Enterprise Compliance's strategic measures of Employee Compliance Awareness, Risk Management Effectiveness, Employee Risk Awareness, and Organizational Compliance Effectiveness.

### **Background**

On June 17, 2025, the Risk and Audit Committee approved the FY 2025-26 Enterprise Compliance, Risk & Governance Annual Plan that incorporates industry standard practices and management priorities to carry out a successful organization-wide compliance and risk management program. In addition, the plan continues to develop compliance and risk management principles and standards to support a strong ethical and risk-intelligent culture.

### **Analysis**

The FY 2025-26 Enterprise Compliance, Risk & Governance Annual Plan Mid-Year Update provides a dashboard view of the status of this year's initiatives as of December 31, 2025 (Attachment 1) and a presentation that provides an overview of accomplishments to date (Attachment 2). In Attachment 1, each initiative displays a progress report as a percentage and an associated color to indicate whether the initiative activities are on track to be completed this fiscal year, as well as noting some initiatives are multi-year in nature. Additional status details are provided under the Q2 Updates column.

Key accomplishments for the first half of fiscal year 2025-26 include:

- Further strengthened the third-party agreement conflict review process by incorporating additional analysis to better identify potential conflicts of interest in higher-risk transactions.
- Continued Risk and Control Self-Assessment process enhancements, including further refining risk and control measures and methodologies and developing comprehensive educational materials and guidelines.
- Developed and expanded a multi-channel communication strategy to promote awareness of compliance and risk principles and reinforce organizational accountability.

## **Budget and Fiscal Impacts**

## **Benefits and Risks**

The purpose of the plan is to help ensure that CalPERS maintains compliance with all applicable laws, regulations, and policies. To this end, ECRG continues to partner with program areas to support risk-informed decision-making and improve risk and compliance practices enterprise-wide.

The benefits of implementing the plan include the following:

- Coordinated compliance and risk management efforts to enhance the consistency of controls and support monitoring for adherence to policies and procedures.
- Creates clarity in compliance roles, responsibilities, and expectations.
- Enhances internal controls and compliance effectiveness.

Risks associated with failure to implement the plan include the following:

- Allowing failures of policies, procedures, and laws to remain undetected.
- Lack of risk awareness impacting organizational decision-making.
- Potential loss of stakeholder confidence in CalPERS' ability to manage known risks.
