**Introduction**

The California Public Employees' Retirement System (CalPERS) Statement of Investment Policy, adopted by the CalPERS Investment Committee (Committee), sets forth CalPERS' overarching investment beliefs, purposes and objectives with respect to all its investment programs.

This document sets forth the investment policy (Policy) for the Judges Retirement Fund (Fund). The design of this Policy ensures that investors, managers, consultants, and other participants selected by CalPERS take prudent and careful action while managing the Fund. Additionally, use of this Policy assures sufficient flexibility in managing investment risks and returns associated with the Fund.

The Fund was established under the Judges' Retirement System Law to provide retirement and death benefits for State Supreme and Appellate Court justices, and Superior Court and Municipal Court judges who were appointed or elected before November 9, 1994. The Fund is funded by the State General Fund on a pay-as-you-go basis.

This Policy should be read in conjunction with and is subject to applicable conditions contained within the CalPERS Statement of Investment Policy. This Policy shall also be managed to comply with all applicable Investment Office policies.

**Strategic Investment Objective**

The Fund seeks to maintain liquidity to meet operational expenses and benefit payments.

**Responsibilities**

Details regarding various levels of responsibility for this Fund are provided in Appendix 1, Reporting to the Investment Committee, and Appendix 2, Investment Responsibilities.

**Investment Approach & Parameters**

**A. Performance Benchmark**

The Policy Benchmarks are set forth in Appendix 4.

**B. Strategic Asset Allocation Process**

A comprehensive asset allocation strategy analysis shall be completed periodically that follows the schedule and process as described in the CalPERS Statement of Investment Policy, Allocation and Risk Tolerance section, and Reporting to the Investment Committee, specified in Appendix 1 of this policy.
