Program: Disability and Survivor Benefits Division

Item Type: Action

Parties' Positions

Staff argues that the Board of Administration should adopt the Proposed Decision.

Respondent Tijeras J. Hudson's (Respondent) position is included in Attachment C, if any.

Strategic Plan

This item is not a specific product of either the Strategic or Annual Plans. The determination of administrative appeals is a power reserved to the Board of Administration.

Procedural Summary

Respondent submitted an application for industrial disability retirement based on orthopedic conditions (bilateral wrists, bilateral hands, bilateral knees, and low back) and an internal condition (hypertension). CalPERS denied the application. Respondent appealed this determination and the matter was heard by the Office of Administrative Hearings on July 8, 2026. Due to Respondent California State Prison - Solano, California Department of Corrections and Rehabilitation's (Respondent CDCR) failure to appear, the case proceeded as a default under Government Code section 11520 as to Respondent CDCR only. A Proposed Decision was issued on July 24, 2026, affirming CalPERS' determination and denying the appeal.
