Independent Auditor's Report

To the Board of Administration
California Public Employees' Retirement System
Sacramento, California

Opinions

We have audited the fiduciary net position as of June 30, 2025 and the changes in fiduciary net position for the year then ended, included in the accompanying Schedule of Changes in Fiduciary Net Position by Rate Plan (the Schedule) of the California Public Employees' Retirement System (the System) Agent Multiple-Employer Defined Benefit Pension Plan (the Plan), and the related notes. We have also audited the fiduciary net position of each individual rate plan as of June 30, 2025, and the changes in fiduciary net position of each individual rate plan for the year then ended, included in the accompanying Schedule.

In our opinion, the accompanying Schedule referred to above presents fairly, in all material respects, the fiduciary net position of the Plan as of June 30, 2025, and the changes in fiduciary net position for the year then ended, in accordance with accounting principles generally accepted in the United States of America. Also, in our opinion, the accompanying Schedule referred to above presents fairly, in all material respects, the fiduciary net position of each individual rate plan as of June 30, 2025, and the changes in fiduciary net position of each individual rate plan for the year then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinions

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Schedule section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Responsibilities of Management for the Schedule

Management is responsible for the preparation and fair presentation of the Schedule in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of the Schedule that is free from material misstatement, whether due to fraud or error.

Auditor's Responsibilities for the Audit of the Schedule

Our objectives are to obtain reasonable assurance about whether the fiduciary net position and the changes in fiduciary net position included in the Schedule is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinions. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the fiduciary net position and the changes in fiduciary net position included in the Schedule.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the fiduciary net position and the changes in fiduciary net position included in the Schedule, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the Schedule.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the fiduciary net position and the changes in fiduciary net position included in the Schedule.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter

We have audited, in accordance with GAAS and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States, the financial statements of the System, which include the Plan, as of and for the year ended June 30, 2025, and our report thereon, dated November 19, 2025, expressed unmodified opinions on those financial statements.

Restriction on Use

Our report is intended solely for the information and use of the System's management, the Board of Administration, the Plan employers and their auditors and is not intended to be and should not be used by anyone other than these specified parties.

California Public Employees' Retirement System Agent Multiple-Employer Defined Benefit Pension Plan

Notes to Schedule of Changes in Fiduciary Net Position by Rate Plan As of and for the Year Ended June 30, 2025

1. Plan Description

The agent multiple-employer defined benefit pension plan (the Plan or PERF A) is administered by the California Public Employees' Retirement System (the System or CalPERS). The Plan consists of the State of California and public agency rate plans with 100 or more active members. Individual employers may sponsor more than one rate plan, which are presented in separate columns in the accompanying schedule of changes in fiduciary net position by rate plan (the Schedule). CalPERS is governed by the Board of Administration (the Board) that is responsible for the management and control of CalPERS, including the exclusive control of the administration and investment of the Plan. CalPERS acts as the common investment and administrative agency for the Plan.

The Plan was established in 1932 and provides retirement, death and disability benefits to its members. The benefit provisions for the state employees are established by statute. The benefits for the public agencies are established by contract with CalPERS in accordance with the provisions of the Public Employees' Retirement Law (PERL).

2. Summary of Significant Accounting and Reporting Policies

Measurement Focus, Basis of Accounting and Basis of Presentation

The accompanying Schedule was prepared in accordance with accounting principles generally accepted in the United States of America as applicable to governmental employers. In doing so, CalPERS adheres to the reporting requirements established by the Governmental Accounting Standards Board (GASB).

The Plan is reported as a pension trust fund, and is accounted for on the flow of economic resources measurement focus and the accrual basis of accounting. Contributions to the Plan are recognized in the period in which the contributions are due pursuant to legal requirements. Member contribution rates are defined by law and depend on the respective employer's benefit formulas. Member and employer contribution rates are determined by periodic actuarial valuations. Actuarial valuations are based on the benefit provisions and employee groups of each employer. Benefits and refunds are recognized when currently due and payable in accordance with the terms of each rate plan.

Net investment and other loss includes realized and unrealized gains and losses based on the fair value of investments, interest, and dividends, net of investment expenses. Member accounts are allocated 6% compounded interest in accordance with the PERL. The remaining net investment income or loss is then allocated to each rate plan based on the money-weighted average rate of return. Administrative expenses are allocated based on each rate plan's percentage of the Plan's total ending fiduciary net position.

Use of Estimates in the Preparation of the Schedule

The preparation of the Schedule in conformity with accounting principles generally accepted in the United States of America requires management to make significant estimates and assumptions that affect the reported amounts of additions and deductions during the reporting period. Actual results could differ from those estimates.

Relationship of the Schedule to the CalPERS' Financial Statements

The Schedule was reconciled to the Plan's Statement of Changes in Fiduciary Net Position in CalPERS' basic financial statements included in the Annual Comprehensive Financial Report (ACFR) for the fiscal year ended June 30, 2025, with the following differences:

- Plan to Plan Resource Movements between PERF A rate plans are excluded from the CalPERS' ACFR, but are included in the Schedule as the rate plans are reported separately.
- The 1959 Survivor Benefit Program was reported as part of PERF A in the ACFR, but was excluded from the Schedule as it does not represent a separate employer rate plan.
- Terminated rate plans were reported as part of PERF A in the ACFR but were excluded from the Schedule as they are not part of an active employer rate plan.
- Certain adjustments were reflected in the Schedule of Changes in Fiduciary Net Position by Rate Plan, but were excluded from the PERF A in the ACFR due to the difference in materiality thresholds.

3. Additional Financial Information

Additional financial information is located in CalPERS' Annual Comprehensive Financial Report for the fiscal year ended June 30, 2025, which can be found on CalPERS' website at <https://www.calpers.ca.gov/documents/acfr-2025/download?inline>.
