myCalPERS Disability Retirement Employer Certification Functionality

This guide will assist you with submitting requested information and supporting documentation for disability and industrial disability retirement (DR/IDR) applications using myCalPERS.

Purpose

Employers will use this process to provide requested employment, separation, payroll, disability determination, and supporting documents needed to review a member's DR or IDR application.

What's New

myCalPERS system enhancements provide more electronic updates and exchanges of information regarding disability retirement. The new functionality allows employers to submit employment information, local safety determinations, and employer-originated applications for disability or industrial disability retirement electronically.

Disclaimer

As a security safeguard, business partner and participant information has been masked within the figures in this guide.

System Access

If you are unable to process these scenarios, contact your agency's system access administrator to update your myCalPERS access.

Request for Employment Information for Disability Retirement

Employers may be asked to provide employment, separation, supporting documentation, and other case-specific information for disability or industrial disability retirement applications through myCalPERS. Employers will receive an email notification directing them to complete the request in myCalPERS. The employer must provide the requested information within 21 days of the notification.

Request for Employment Information

Once the employer receives the email notification to complete the request for additional information, follow the steps below in myCalPERS:

- Step 1** Select the **Reporting** global navigation tab.
- Step 2** Select the **Disability Retirement Certification** left side navigation link.
- Step 3** In the *Disability Retirement Information or Determination* panel, locate the member associated with the request.
- Step 4** Select the **Status** link for the request you intend to complete.

Local Safety Determinations

When a disability or industrial disability retirement application is received for a local safety member, we will send a request to the employer to complete the Disability Retirement Employer Certification Request in myCalPERS. Employers may download a copy of the request for medical determination and follow-up letters from the **Document History** page. These letters will no longer be mailed to the employer. The employer must submit the disability determination and any additional requested documents.

Disability Retirement Employer Certification Request

To submit the disability determination and additional documentation, follow the steps below:

- Step 1** Select the **Reporting** global navigation tab.
- Step 2** Select the **Disability Retirement Certification** local navigation link.
- Step 3** Within the **Disability Retirement Information or Determination** section, locate the member in the list.
- Step 4** Select the **Status** link for the request you intend to complete.
