Dear *Participant Name*,

In advance of the 2021 Health Open Enrollment period, we want to inform you of key changes to your current health plan. Your PERSCare PPO plan will transition to PERS Platinum PPO, effective January 1, 2022. The PERS Platinum Basic plan will retain the same 10% coinsurance benefit design and network as PERSCare Basic. There will not be any changes to the benefit design or network for the PERS Platinum Medicare Supplement plan.

Unless you make a health plan change during Open Enrollment, you and any dependent(s) will be automatically enrolled in PERS Platinum. **No action is required if you wish to transition to PERS Platinum.**

Open Enrollment is September 20 – October 15, 2021. You can discover the health plan options available to you by visiting the **Plans & Rates** page on the CalPERS website at **[www.calpers.ca.gov](http://www.calpers.ca.gov)**.

Beginning September 13, 2021, you can access your Open Enrollment information, tools, and resources online. To compare 2022 health plans and premiums available to you based on your eligibility ZIP code:

1. Log in to your myCalPERS account at **[my.calpers.ca.gov](http://my.calpers.ca.gov)** and use the **Search Health Plans** tool.
2. Use the **Health Plan Search by ZIP Code** tool on the CalPERS website at **[www.calpers.ca.gov](http://www.calpers.ca.gov)**.

If you have questions regarding your 2022 health plan options, contact your employer's personnel specialist or health benefits officer for more information about the health plans available to you.

If you decide to change health plans, consider factors such as the available doctors and hospitals in your area and the location of care facilities. We want you to be well informed so you can make the best decision for yourself and your family.

Sincerely,

Health Policy & Benefits Branch
